# 1984 Hamvention Award Winner

Ethel Smith, K4LMB

We are very pleased to announce that Ethel Smith, K4LMB, was the recipient of the

## « Special Achievement Award »

at the Dayton Hamvention banquet on Saturday, April 28, 1984.

From Eila, WA8EBS who attended the banquet :

*"The banquet program was excellent. The Judge, Stan Phillips, gave a life history of each recipient and each award winner gave a little speech. Ethel gave credit to all the YLs and introduced N2RE Rose Ellen Bills and WA8EBS Eila Russell. She had all the YLRL members stand and be recognized, and then all YLs who were licensed. We had two tables of YLs near the podium but quite a few were scattered throughout the hall. All the award winners really deserved the honor and Harry Dannals, W2HD, gave a very fine talk, as usual."*

Here are some of Ethel's accomplishments, taken from a QCWA Newsletter and a full-page article on page 60 of February 1984 issue of *QST*, entitled, "ONE OF THE BOYS":

She was the Organizer and first President of YLRL in 1939. Organizer and first Chairman Washington TVI Committee 1950. Section Emergency Coordinator (ARRL) for state of Virginia 1966-1969. Assistant Director of Roanoke Division ARRL 1967-1974. Secretary Washington D.C. Foundation for Amateur Radio 1971-1974. Editor Auto-Call Magazine 1971-1975. Member Amateur Radio sub-committee of FCC National Industries Advisory Committee 1982-1983. General Chairman of YLRL International Convention in Washington, D.C. 1982. General Chairman Vienna WINTERFEST 1983. She is currently a Director of QCWA (since 1981) and Secretary of the Washington, D.C. Foundation for Amateur Radio. She is active in QCWW Chapter and Northern Virginia Chapter and Washington, D.C. Chapter of QCWA. She is also a Charter Life Member of ARRL.

We are very proud of Ethel and happy that this "Special Achievement Award" was given to her. Ethel said she was embarrassed and felt that other YLs were more deserving than she. CONGRATULATIONS, Ethel, you DID deserve the award!

This award was won last year by another very deserving YL, Lenore Jensen, W6NAZ.

### K6HHD COMMENT

With the continuing growth of YLRL, the size of the membership is now beyond the point where it is reasonable to even consider expecting someone to the hand type the directory issue. With the current proliferation of computers and word processors there is no reason for anyone to expend the time and energy required to do that.

A good example of the added advantage of computerization is the fact that this directory received updates as late as July 13, and yet there is no "arrived too late to make regular listing" page!

Last year was the first time that the directory issue was done with the help of a computer. I asked for comments on the directory, both positive and negative, be sent directly to me. I think those of you who took the time to write, the number was somewhat disappointing however. The comments I received directly were evenly divided between positive and negative. Other negative comments were passed on indirectly, the main

objection was that it was not divided into districts as has always been done. I find that the reason this is important to most members is because you do not use this directory as a "callbook", but as a "locator" and you are looking for YLRL members in a particular area. That is a reasonable use and explains why it is important to you to have the directory divided into districts. This year, since the bulk of the inputting was already completed, we had a little more time (NOT MUCH MORE!) to do the listings the way that they have been done in the past, that is, divided into districts. The calls within the districts are still listed as last year, in alphabetical order BEGINNING WITH THE PREFIX.
