 PO Box 2786, Globe, AZ, 85502-2786

YL Harmonics is published by and for the members of the Young Ladies' Radio League, Inc. YLRL is a non-profit organization (501(c)(3)), comprised of women amateur radio operators, incorporated as such under the laws of the State of California. Dues are \$6.00 per year, due and payable March 1, and delinquent March 31. For new and reinstating members joining after August 31, the dues may be pro-rated by half the annual dues for that fiscal year (currently \$3.00). Add \$1.95 for first class postage, if desired. Dues for DX members are \$6.00 and may not be pro-rated for portions of years. In addition, \$2.50 for surface mail or \$6.25 for air mail postage is required for DX members. Dues for a "family member" are \$1.25; subscriptions by non-members are \$6.00 per year and may not be pro-rated for portions of years.

DELTA AIRLINES - YOUNG LADIES RADIO LEAGUE CONVENTION  
JUNE 20-23, 1985 - LAS VEGAS, NEVADA

"THESE ARE PEAK TRAVEL DAYS TO LAS VEGAS! CALL EARLY  
FOR THE BEST FARE!

Delta has Super Saver fares to Las Vegas that save you up to 50%  
off the regular round trip coach fares. Seats are limited on each  
flight, so be sure to reserve early! To confirm reservations,  
just follow these 3 simple steps:

1. PURCHASE YOUR ROUND TRIP DELTA TICKETS 14 DAYS IN ADVANCE.
2. STAY AT LEAST 2 DAYS AND NO LONGER THAN 60 DAYS.
3. CALL THIS NUMBER 1-800-241-6760 FOR YOUR RESERVATIONS  
8:30 A.M. - 8:00 P.M. EASTERN TIME—DAILY.

REFER TO FILE NUMBER E0043

If you normally use the services of a travel agent, have them place  
your reservations for you through our toll free number to obtain  
the same advantages for you."

I know you witt aLL take advantage oJ VeLta'n o^eli by lining the above  
incarnation. PLeane pay youa. duen to youn eunnent Receiving Tneanunen  
(OX-VLi pay daen to the Intennational Membership Chainman); aetunn the "YLRL  
Vineetony Incarnation Sheet" to the editon NOW; and, ifi you have not atneady  
opened -- it ii not too Late to voLunteen to nun C:L^an o^Zee Zn 1986.

33,

Rose Ellen  
N2RE

(ABOVE PICTURE SHOWS N2RE ROSE ELLEN  
PLAYING THE ORGAN AT HER HOME)

## OUR PRESIDENT WANTS YOUR QSL CARD AND PICTURE...

...For her beautiful album which will be on display at YLRL 1985 Convention  
If your OM is a ham she would also like to have his QSL card and a picture  
of both of you, preferably in your hamshack, but any picture will do.

Please don't wait until the last minute to do this...do it now while you  
are thinking about it. (She has NONE from Colorado, S. Dakota or Montana.)

**Editor's note:** Many thanks to the YLs who have returned their "YLRL Directory Information Sheets" to me, some including some very nice notes. Wish I had time to answer all of them. Would the rest of you please fill out your sheets and return them to me NOW? Our new Circulation Manager, KA8MNU Dolly and I are spending many hours going over each one and comparing them with her records. We are finding many discrepancies and Dolly is updating her computer disks daily. We are also comparing the sheets with the lists some of the Receiving Treasurers have sent to me. Over 300 sheets have been returned so far. If the sheets are not returned to me, only your callsign, name and address will appear in the 1985 Super Directory (YLH #3)...IF YOU ARE A PAID-UP MEMBER. We will attempt to have this Directory in the mail before Convention!

Almost the same format will be followed as the 1980 Super Directory, but this Directory will have to be reduced to the size of the regular YLH issues (75%). The cover will be a blue embossed 65 lb. paper and should be very nice. The printing will be done by a local printer.

Dolly is planning to include another "Directory Information Sheet" in the issues going to those with YLRL family members. If you have more than one YLRL family member residing at your QTH, please make copies (or facsimiles) of the sheet for each additional family member. If you know of anyone who has not received this Information Sheet, please let me know.

33, Doris Smith, WD8IKC

*Please Read This!*

IF THERE IS A CHANGE IN YOUR ADDRESS, NAME, OR CALLSIGN...IT IS IMPORTANT THAT YOU NOTIFY BOTH OF THE FOLLOWING IMMEDIATELY:

**New** CIRCULATION MANAGER AND RECEIVING TREASURER  
 Dolly Paprzycki, KA8MNU  
 1529 Henry Ave., SW  
 Canton, OH hh70f >  
 (See inside front cover)  
FOR YOUR DISTRICT

(We have found instances where both Circulation Manager and Receiving Treasurers were not notified, therefore, their records did not agree.)

TO AVOID UNNECESSARY CORRESPONDENCE WHEN WRITING TO THESE GIRLS, PLEASE INCLUDE A NOTE INDICATING THAT YOU ARE NOTIFYING BOTH THE CIRCULATION MANAGER AND THE RECEIVING TREASURER.

YL HARMONICS, 1985 DEADLINES

- YLH #2, Mar/Apr issue, March 1
- YLH #3, May/June issue, May 1 \*
- YLH #if, July/Aug issue, July 1
- YLH #5, Sept/Oct issue, September 1
- YLH #6, Nov/Dec issue, November 1

\* (YLH #3 is the SUPER DIRECTORY ISSUE, and contains NO District News.)

**J ATTENTION----- DISTRICT CHAIRMEN (WHO HAVE LENGTHY COLUMNS)!!! PLEASE EDIT J YOUR NEWS AND TRY TO CONDENSE YOUR COLUMN BEFORE PUTTING IT IN THE MAIL. \* YLH 112 WILL BE A LARGE ISSUE (POSSIBLY CONTAINING ELECTION AND BALLOT INFORMATION WHICH IS NORMALLY PLACED IN YLH #3) AND WE WILL NEED THE EXTRA SPACE. PLEASE MAIL YOUR COLUMN EARLY SO I WILL RECEIVE IT NO LATER THAN \* MARCH 1, 1985. THANKS FOR YOUR COOPERATION, WD8IKC.**

BY THE WAY, if you are a member of a district and you are not a member of the YLH, you must be reinstated on a pro-rated basis she may include dues for the following year.

Hotel and Casino/Las Vegas

## A FEW UPDATES ON YLRL CONVENTION

N7YL Jan, Convention Chairman, is very sorry for the delay in getting the convention packets mailed out. The envelopes were ordered in October, but the printer lost the order. They have been re-ordered and as soon as Jan receives them they will be put in the mail to those who have sent in their reservations. The packets will contain a lot of good information on where to go and what to see in Las Vegas.

Two six-hour tours have now been arranged for Friday, June 21st, both at the same time, departure from hotel at 9:00 a.m.

The first tour will be the Deluxe Hoover Dam Tour and Lake Mead Cruise, with a gourmet buffet luncheon at Gold Strike Inn. Cost will be \$29.35.

The second one will be the beautiful Desert Tour in the Valley of Fire and other areas, including the Lost City Museum. This tour will also take you by Wayne Newton's ranch where he raises Arabian horses. Cost for the Desert Tour is \$25.80 and includes lunch at Echo Bay Resort and Marina.

Jan is still working on an "EXTRAVAGANZA" for Friday night, after the DX-YL Program. It will be a gala affair and the cost will be \$20.00 or less, including the cost of transportation.

Jan and WI4K Carol, Prize Chairman, have been receiving lots of prizes which will be given away during the convention. They are still open to any donation prizes which may be mailed directly to Jan in Las Vegas, but please write to WI4K Carol Shrader at 4065 Ophie Drive, Marietta, GA 30066 and let her know what you are sending so she will be able to keep her list up to date.

There will be a nice radio prize for the Saturday luncheon, and a major radio prize for the banquet. And don't forget the fabulous "50-State Hexagon Quilt" which some lucky person will win.

Jan informs us there will be a really special pre-registration prize. The deadline is June 1st and your reservations must be received by that date to qualify.

RV parking, with full hook-up, is available at Circus Circus RV Park, within walking distance of the Sahara Hotel. Other RV parks which will require a short bus ride are the Stardust RV Park or the Hacienda.

We will have more details in YLH #2, but PLEASE send in your reservations now. Let's show Jan and Marte how much we appreciate all the work they are doing. Let's "COME ALIVE IN '85!", or as Marte says,

"SEE YOU LIVE IN '85!".

BY: MARTHA J. SHIRLEY, WOZWL  
RAPID CITY, SD

*This is an account of my experiences as an Amateur Radio operator for nearly 48 years. I am trying for 50.*

*My introduction to the Art of Communication was when I became a telephone operator in a small town in Nebraska. That is where I met my husband Earl (W0YQR), deceased. We lived in several towns in Nebraska before moving to Rapid City, SD in 1932. My OM was a transmission engineer with the Telephone Company.*

*We both became interested in Amateur Radio during the Stratosphere flights in 1934 and 1935. There were several National Broadcasting Engineers sent out here from New York to set up communications between the balloon gondola and the Telephone Company. They were all Amateur Radio operators. We became acquainted with these Amateurs because my OM was the liaison between the NBC and the Telephone Company.*

*After listening to the conversations of the flight, I became very interested and had to know more about Amateur Radio. I had a lot of encouragement from Bob W2LV, who came to our home every other night and taught me the code. Also had help from a high school boy who lived here.*

*It took me two years to obtain my license. One reason was that I did not sign my name on both sides of the paper of the written exam. The other reason was that the one OM who could give the code test insisted that I have my code speed up to 15 wpm before he would pass me, (only needed 10 wpm at that time). He did not believe there was any place in Amateur Radio for a woman. He had no choice when I reached the 15 wpm. I had already passed two written tests with that one exception. Yes, I finally passed the code and written tests in 1937. My license came July 13, 1937. My call letters were W9ZWL and later changed to WffZWL. It is the only call I ever held.*

*It may be interesting to many of you to know about the written exam I was given. There were 40 questions using both sides of legal sized paper. We had to answer each question in our own words, draw diagrams and place certain components in their proper places. Multiple choice came later.*

*I operated CW until after WWII and became a very good CW operator. Because of this, I was asked to send some code on the air for beginners. Crystals were used in those days and the frequency I picked was the wrong one as I interfered with a net in Wyoming. Of course, I picked another crystal and got along fine for several months.*

*In August of 1937 we were transferred to Aberdeen, SD where I ran into more problems. The first one was when I arrived along with the truck full of our belongings, ready to move into the house we had rented. The landlord was waiting for me. The first thing he said to me was that we were not welcome in Aberdeen. He was a City Councilman and had accepted our rent money. I asked the reason. He informed me it was because the NW Bell Telephone Company had purchased the Dakota Central Company and was moving several departments to Omaha. He was blaming us for taking jobs away from people there, which was not true. I guess you know I immediately lost respect for one City Council member. Even the school children gave our daughter a bad time. It was three months before anyone would speak to us except the laundry man and the grocer. It was hard for us because we came from a friendly town.*

*Bless Amateur Radio—it saved the "day" for us. A couple of hams came to call on us and welcomed us to Aberdeen. We set up our equipment in the basement which was damp, causing me to get a "pink ticket", (spurious radiation). We moved our equipment into the dining room. No further equipment problems. My CW operation gave me that wonderful link to the outside world.*

*About this time I made contact with a Canadian OM who turned out to be another chauvinistic fellow. He said he did not talk with YLs. However, a*

(CONTINUED NEXT PAGE)

fellow in Cuba called and said he would be glad to chat with a YL. We had a nice QSO. I had many QSOs after that, but always looked for another YL, which were hard to find.

The Aberdeen Club was in limbo so when school was out in May, my daughter and I took off for a cabin in the Black Hills. While I was gone, the Club was reactivated and without my knowledge, I was elected President. I threw a tantrum, but it did no good. I put everyone to work doing something constructive for the Club; such as getting new members, teaching code and theory classes, etc.

In October, 1940, we scheduled the Dakota Division Convention. The Club had no money to work with. One member of the Club was a college student, a native of Aberdeen, and blind. He said if I went with him, he would sell advertising to all business places. We did, and ended up with enough money to buy prizes and take care of all expenses plus a small profit. We held all our meetings in the YMCA, even the banquet. It was pheasant hunting season and all members turned their pheasants over to the Club. For a ticket to the convention, one young man offered to clean the birds and get them to the locker. The ladies of the Club prepared the dinner. After the banquet, the prizes were drawn and at midnight the ROWH was put on. I was one of the players and played the part of High Potential. I was the first YL to take part in this ceremony.

For the convention I put together a small transmitter, mainly to show what women could do. I believe I made many OM non-believers, believers. Look at us now! One other frustration I had came from my OM. He would go to the basement when he came home to check on my progress. If I happened to be working on it at that time, h\$ would take over and do some of the work. I let him get by with that a couple times, but the third time I told him I had had it, laid my arm on the bench and scooped everything onto the floor. After that he let me finish the project. I had many compliments on my work.

In February, 1941, KC4USA at the South Pole was contacting only YLs in the USA. I happened to be his No. 2 contact. This was on 40 meter CW.

Then there was Pearl Harbor and we were off the air for the duration. I taught code to six young men who wanted to get in the Signal Corps but they had to have their speed up to 5 wpm. Five of them made it.

In June, 1942 we were transferred back to Ellsworth Air Base	was being built.	Rapid City. At that time,	
a civilian in charge of the message center for the 17th		I went to work for	the WAR department as
I trained GIs in teletype procedure		and helped with the	Bomb Wing Headquarters.
operators.			telephone and radio

After WWII when we were allowed on the air again, I became a member of the Army MARS, which was an interesting operation.

I have held numerous positions and received several awards over the years. I was the first in South Dakota to receive the ARRL BPL Medallion. When the Rapid City XYL Club, a social group, was organized in 1948, I was the only licensed member. I was elected Vice President and am a charter member.

In 1955 I organized and managed the South Dakota Weather Net. I have had several assistants but have managed it for the past 30 years.

Since January, 1940, I have been a continuous member of YLRL.

In 1956 I was presented the Edison Radio Amateur Award Special Citation for Public Service. I hold several ARRL Public Service certificates as well as several YLRL contest certificates. I joined the Grandmother's Club in December, 1958 and have been certificate custodian since 1975.

I was elected ARRL Vice Director of the Dakota Division and held that office from 1960 through 1964. At that time I was the only known YL to hold the office.

In 1969 I was YLRL District Chairman for the 10th call area.

In June 1971 I was YL Chairman of Communications for the Powder Puff Derby when they spent the night in Rapid City.

(CONTINUED NEXT PAGE)

I am now a Life Member of the Black Hills Amateur Radio Club which I helped start in 1936.

There are no other hams in the family, but I have an 8 year old great-grandson who is interested. My family consists of one daughter, two grand-daughters, a great-granddaughter and a great-grandson.

I am looking forward to the Convention.

There were not many licensed YLs 45 years ago, but look at us now!

**HELP NEEDED** (By Hazel Cain, K9QGR)

"Is there anyone in my area who will be driving to Las Vegas that could take a 14 sq. in. by 3 ft. tall carton with them? Item inside is a centerpiece for the luncheon table and is too fragile for mailing or UPS. It has to be kept up straight.

"If anyone could help, contact: Hazel Cain, K9QGR, RR 1 - Box 175, Clinton, IL 61727, Phone: (217) 935 8718 weekends or after 11:00 a.m. weekdays."

*Ed. Note:* Hazel says her OM is blind and she can't figure how she can manage a suitcase, overnite case, purse, this box, and still be able to guide her OM through crowds in the airport or train station. She will appreciate a call from anyone who can help, g

# Speak-out!<sup>7</sup>

## From Jerrie Stonier, K6INK ... (Re YLRL Supplies)

Please let the YLs know that I am unable to fill their orders right now. I'll get them out ASAP.

Also, I have new diamond shape patches, blue and silver; also diamond shape pins and charms in blue and silver and blue and gold. They are all really pretty.

One more thing, my telephone area code has been changed to (818). The telephone number remains the same.

*(Ed. Note: Refer to Sixth District News for the reason Jerrie has been unable to fill your orders.)*

---

## From Fumi Abe, JA1AEQ . . . INFORMATION ABOUT JLRS DXPEDITION

We 9 JLRS members will go to Maldives (8Q7) to operate HAM radio station from the 12th of February to the 16th of February 1985.

The operational frequencies are as follows: (+ or - QRM)

	CW	SSB	FM	FAX
1.9 MHz	1.903			
3.5 MHz	3.510	3.540		
7 MHz	7.010	7.050		
14 MHz	14.060	14.160		14.245
21 MHz	21.060	21.280		21.350
28 MHz	28.060	28.600	29.600	
50 MHz	50.080	50.200		
AO-10	145.850	145.950		145.880

QSL Manager, JA1AEQ

From Nozomi Gohara, JH3SQN ... "A Report of Our Trip in France, Belgium and Luxembourg"

*At the beginning of the summer '84, from June 15, to June 30., we went around in French area to visit Renee F5RC in Agen, Ninette in Brussels, Jean LX1JW in Luxembourg. We started from Bordeaux and traveled all by train to Agen, Carcassonne, Montpellier, Paris, Brussels, Brugges, Luxembourg and again to Paris. Especially we have got on TGV from Montpellier to Paris for 5 hrs. The trip by train was pleasant and comfortable for us. We were surprised to see France was all covered by green of wheat field and sometimes partly stock farm or vineyard. We often ran parallel with beautiful canals with rich row of trees.*

*We visited Renee's home on a hill in the suburbs of the city, on the best location for amateur radio. Renee is HF active DX-member of YLRL, as everybody knows, and her OM Guy FLAG is VHF/UHF active. They have 4 nice children (3 sons and a daughter) of highschool and junior highschool age. They help Renee very well. We sat at the table in their garden and talked about many things until late at night...it got dark at 11 PM at last. When Renee contacted Hans DJ4PG, one of her friends as an Esperantist, Nozomi also talked with him, for he had lived in Tokyo for 2 years and then hoped to hear or speak Japanese. We also visited a wonderful hospital on the top of a hill where Renee worked for some hours a week as a Nutrician. From there we were able to get a panoramic view of Agen, the biggest city between Bordeaux and Toulouse.*

*Carcassonne is a famous citadel-city of the Middle Ages. Nowadays 1500 persons still live in the city. The inspection of the castle was very interesting for us, although the explanation in French was difficult for us and other American or German visitors. When a man sang an aria of Mozart's opera in an old outdoor theater on the inside of the castle wall, we applauded his nice voice, but his wife was shy.*

*We stayed a night in Montpellier, to get on TGV next day. In the morning we found a big open-air market under the old stone bridge of water service, 880m length. We tasted wine from some wine casks and bought a bottle, not like the people who bought so much directly from the cask. We also bought fresh cherries, very cheap, but were not able to buy any flowers, although there were many, many beautiful flowers there. We had to seek some summer dresses and T-shirts, for it was very hot in France. We had heard it was very CQld, but became hot rapidly 1 week ago.*

*In Paris, our hotel was near Champs E'lysees Street and the triumphal arch. We walked there several times a day. It was really amusing street. First of all, we visited Louvre museum and were able to see many splendid arts, Nozomi especially liked Muliro's and Ken liked Boucher's, but to our regret, the part of impressionism, Barbizons and Orientes were closed. It was so hot we had to take a nap in the daytime. We used the metro to get around in Paris. It was very convenient but often mistook the direction or we lost our way in the underpass, Hi.*

*After visiting beautiful Basilica of Sacre-Coeur on the hill of Montmartre, we visited the Bureau of REF, met with Jacques F3JS, the president of REF and Alphonse F6BST, an officer of REF.*

*In Brussels, we visited Ninette. She is not a radio amateur, but teacher of an elementary school and also Ken's French. She has often come to Japan and stayed in our home, knows Japanese very well. We went around to see Grand Place, museums, gallery, parks churches, other famous places and historic spots. We were surprised to see the Mannequin Pis had many gorgeous dresses of the world...now about 400.*

*Uncle Jean, LX1JW is really respectable OT, over 80 years old, amateur radio operator for 65 years. We first met him in Kyoto and then 5 years ago again in Friedrichshafen. His shack is in a house with 2 stories, is built independently by the main house. The station house has 4 rooms on 2nd floor.*

radio room, work room library and rest room. Downstairs is a storage space of materials, old journals or junk. The house is a museum of amateur radio. In the evening, we called JA stations but had no response, at 2 o'clock of midnight in JA time. In his wide garden many antennas were lifted up...17 kinds ...on the top of from old mast to new tower.

Having come back again to Paris, we visited Versailles Palace where it was cool and fine, and very comfortable for us. Many people come to see the largest palace of the world and we had to get in a long line. Having seen so many beautiful rooms with excellent pictures and gorgeous furniture, and with so many people, we were tired a little bit. Hi. But having gone out to the garden, very wide and beautiful, with many trees, flowers and much water under blue sky, we were recovered at once.

Generally the volume of dishes in France (also in Italy) was too much for us and we were not able to eat all, even so a half, no, a quarter in a case of specialite a la maison. Hi. Thanks for having taken delicious home dishes. In the town, bread and wine were very good tasting, and cherries or ice cream too, then we were very happy. Hi .Hi .

Nozomi and Ken Gohara  
JH3SQN JH3SQM

From Jean Chittenden, WA2BGE . . . PROJECT PEACE

*PROJECT PEACE, initiated by WA2BGE, Jean, president of SAYLARC (Second Area Young Ladies ARC) has been accepted by DXers across the country. The object is to spread our desire for PEACE in every corner of the World. Who has more opportunities to do this than HAMS?! It is requested that Hams sign every DX QSO with PEACE, 73 on both SSB and CW, and to write PEACE on their QSL card, also. If you can translate the word into the language of the DX contact, imagine how pleased he or she will be!*

*If the thousands of us start spreading the hope for PEACE in each of our DX contacts who can tell what far-reaching results we may promote?*

*Peace, 73 and Great DXing.*

FIRST DISTRICT NEWS

blind AkmA&L Ong, WB1VJL

To all in YLRL -- Happy New Year! Thank you for electing me First District Chairman. I hope that I can get lots of news for you. Please, everyone in First District, send all your news, no matter how small! I will need all of your next material by the middle of February, please, to "Nina" Armstrong, WB1DJL, 31 Parish Lane, Windsor, CT 06095.

K1ACM Chris had a busy summer, having spent most of it at their summer camp in Northern Vermont. While in Vermont she attended her 45th class reunion and the 25th wedding anniversary of her youngest brother, plus the weddings of two nephews. She attended several Ham activities, including the National QCWA Convention in Windsor Locks. She did much antiquing and attending auctions. In October she went to Virginia to visit her youngest daughter and two grandchildren; took in the Bush Garden Amusement Park in Williamsburg. On the way home spent two days in PA. Her OM WIPSG has a hobby of photographing covered bridges, and there are many tn PA. On November 7th they celebrated their 40th Anniversary. Now she guesses it is time to settle down to a long winter's nap. Hi!

W1SUN Millie and her OM W1KEK are spending a few days in Barbados.

Hope you all had a good Christmas and that you'll have a healthy and Happy New Year! 33.

.....

SECOND DISTRICT CHAIRMAN Mtnestva frumhofeA, WB2JNL

1984 has come to an end and it has been a good one for this household up in Salem, NY. I hope it has been a good one for most of you and that 1985 will be as good or better.

Lia, WA2NFY writes she feels better, taking her medication and just going a little slower. For Lia that will take a lot of doing, but we are all happy for her.

We do know that Joyce, N2LA has not been feeling too well. She had to spend some time in the hospital. We all hope that things are going better for Joyce, and that we will hear her on SAYLARC sometime.

Hermie, NB2H is in charge of our SAYLARC spring luncheon which will be held at Howard Johnsons, Exit 19, New York Thruway, on April 13, 1985 at 11:30 a.m. Now this sounds like a very good and convenient location for many of our two-land YLs. Hermie has arranged for us to attend, at the invitation of the Overlook Mountain Amateur Radio Club, their auction after our luncheon. This is for all YLs of SAYLARC and YLRL and OMs who would like to attend. If you do not belong to SAYLARC and want any information about the luncheon, please write to Hermie, NB2H and she will be very happy to send it to you.

We are sorry to report that Jean, WA2BGE still does not have her antennas up. She wants to be remembered to al1 and hopes that she will be back on the air soon.

This has been a busy time of the year so I have not heard from many of our YLs. As I write this column I am sitting looking at our Christmas tree and lots of snow outside. When you read it, we will be well into the winter and waiting for signs of spring.

We sure miss Madeline, W2EE0 each Friday. She is enjoying the warm weather at her Florida home, along with Tina, WA2VIE and many of our other friends.

Ione, WA2DMK came down to do some Christmas shopping, so we had time to get together for lunch. She is doing well, really enjoys her position at the hospital. She sends her regards to all.

We are very glad to hear that Bobbie, WA2BHS is feeling much better after her stay in the hospital.

Let me hear some news. What are your plans for the New Year? 33.

.....

THIRD DISTRICT NEWS

Bex6</ Robinion, WB3FQH

ajM>aaaaiaaaaa^aaaa^^aaaaaaaaaaaaaaaaaaaaaaaaaaaa&aaaaaaaaaaaa&aaaaaaaaaaaaaaaaaaaa<<

Christmas is over and I'm ready for Spring; especially today - it is 74 degrees in the shade. I guess when "old man winter" decides to strike, it will do it with a vengeance.

Jane, K3ZDN, and her DM Don had a wonderful trip to Hawaii in November . Being the YL that she is, Jane took her "HT" for all those contacts she expected to make. Surprise! It turned out to be excess baggage. Finally, at the end of her stay, Jane made 3 contacts which she attributes to the desperate tone in her voice.

Jane was thrilled to have the opportunity to lunch with District Chairman Vai Von Holt, KH6QI who lives in Honolulu= Vai leads a whirlwind existence she was off the Hongkong, Bangkok, and Taiwan at 3:30 AM; the morning after her visit with Jane. Somehow, my trip to Virginia seems dull in comparison As a result of Jane's meeting with Vai, she is going to "model" at the convention in Las Vegas in June- Sorry, no further details til convention time.

I received a note from Bill Casteel, K3JQ0 who, along with his wife Lou, N3BLY, became the proud grandparents to little Ashley on December 15 th. To top it off, Ashley's Mommy is N3DHH and her Daddy is N3DHS. Unfortunately, Ashley doesn't have her call yet! Congratulations to you all.

The PJYL's enjoyed a lovely Holiday luncheon at Bentley's, a restaurant north of Philadelphia. They exchanged gifts, gossip and good tidings.

Joy Matkowski, KA3HTM, has become involved in a new mode of communication - the computer bulletin board which links the computer to a telephone line. Bulletin board systems usually consist of several interest sections (called "boards"), and many have an amateur radio board. Messages generally are how-to questions and answers, notices of meetings, and product commentary. Joy is a cosypop (system operator) of a BBS with an amateur radio board, a transcription of a local two-meter club's daily ham-news broadcasts, and extensive traffic in ham E-mail (messages posted privately to a specific individual rather than available for viewing by all callers).

Arts and Letters, the BBS in Joy's area, is open 24 hours a day. Its five boards include the ham board, science and technology, literature, philosophy and an "open topic" section for everything else. Stay tuned — I'll have more on Joy's BBS activities next issue.

Until then, I wish all of you a healthy and happy NEW YEAR. Remember "COME ALIVE IN 85". It's going to be here before you know it.

---

#### FOURTH DISTRICT NEWS

Ccutol ShtiadeA, W14K

---

**Hello from the Sunny South! December has been a wonderful month in Atlanta with temperatures in the 70 degree range most of the time. Our Christmas was spent in Mississippi with my Dad (N5FL0) and Mother. November was a fun month because it brought the visit of Jan & Jay O'Brien, K6HHD and W6GD, to Atlanta for the first time. A number of YLRL members were in attendance at a YL luncheon for Jan held at *The Hans ion*, YLRL members and DX'ers both had an opportunity to meet the two at a party held at my home.**

**Abby Mount—Burke, N2BVY/4, is working with the Jungle Aviation & Radio Service in North Carolina. JAARS personnel are members of Wycliffe Bible Translators and work at various tasks such as**

operating radios, computers, and airplanes to free the translator and speed up the translation process.

The Florida's have lots of news to share with us: Little Bo, W4HRC, attended the QCWA Convention in Connecticut and while visiting her son and family in Massachusetts, suffered a stroke and was hospitalized in Framingham. She has been transferred to a Rehabilitation Center and is now taking therapy. Elaine Fox, KA4OWJ, enjoyed a wonderful trip to Charleston, South Carolina. She got to attend a Hamfest and meet lots of YL's! Marie Adams, KA4BBB, may expand her ham license plate collection by collecting YL plates. I'm sure she would appreciate receiving any that you would care to contribute. Alice King, N4DDK, has joined Navy Mars and is assisting with the VEC effort in her area. Thelma Boivin, WB4AUR, and her OM Chuck, K4KQ, flew to Toronto to visit her sister. Their daughter from Alaska visited during the Thanksgiving holidays.

The Atlanta YL's have been very active in local club activities. Jane Nowicki, WA4YWK, was selected Amateur of the Year for the Gainesville Amateur Radio Club. The Kennehoochee Amateur Radio Club re-elected Carol Shrader, WI4K, as Secretary, and Ann White, K4JGK, as Assistant Secretary/Treasurer. The Southeastern DX Club re-elected Carol Shrader, WI4K, Treasurer. The Metro Atlanta Ladies Amateur Radio Club held its Annual Christmas Party at the home of Jeanette Ellis, W04U. The OM's were invited and everyone had a great time!

We wish one and all a very wonderful 19B5. We'U see you in Las Vegas!

(LATE FOURTH DISTRICT MEWS JUST RECEIVED)

WB3JUT/4 Marge is gradually getting settled in their new QTH in Lakeland, FL. The hams really took them into their activities the week they arrived. There are a very active bunch of hams in the area and all the YLs take part in all their meetings, weekly breakfasts, and any other activity. Only one YL ham in the club and she has not been too active on the air. W4JM Jim and another ham in the mobile park, and a VE3 ham across the street helped to get her new Butternut Vertical up...20 meters works fine but they will have to come back to retune the coils for other bands. The park is one of the very few that allows antennas. She is hoping to see WB2JCE Jan this winter, since Jan's sister was managing the park when Marge first asked about it.

Things continue to be hectic around K4LMB Ethel's home. Just before Christmas her mother was bitten on the finger by one of her pet (wild) squirrels. Ethel took her to the doctor right away and he put her on antibiotic pills, but by the third day after the bite it went into blood poisoning. The whole hand was red and swollen and by the time they got her into the hospital a streak had developed clear to the elbow. She was in the hospital 5 days and will continue to be on antibiotic pills for a month. Ethel's OM Tex had an adverse reaction to some new medication the doctor had decided to try. He got so weak he couldn't even sit up and his whole body quivered. She tried to call the doctor but he was out of town and the doctor covering for him did not return her call so she took it upon herself to take him off the medication. He showed almost immediate improvement. Ethel really has her hands full but she is still hoping to make Dayton and Las Vegas.

## Dayton Hamvention April 26, 27, 28, 1985

Hello everyone. Sure hope you all had a happy holiday season. With two young sons, ours was busy, busy, busy! We've had lovely weather here; not exactly seasonal, but nice!

Congratulations to Joyce W5MWK on a new granddaughter - Miss Sarah Joy Kepler. Bet she is really grand!

Welcome a new YL to our midst - Esther WD5EMZ tells me her sister, Marion, passed her novice exam in December. We are waiting for her callsign to come, then she plans to join YLRL and catch the YL nets.

W6QGX, Harryette took a weeklong vacation in California in December visiting old friends. She attended the Los Angeles Radio Club Christmas party and had lots of fun. She has two daughters there, so she had lots of catching up to do.

N5FFB, Maureen has been keeping busy. She's still working on her writing course. Also must be coaching the kids because her daughter and son have both upgraded recently. Laura is now KE5SQ and Frank is now N5FHQ. Congratulations to both of them and to Mom - keep studying! Laura graduates this year and plans on joining the Army and studying Electronics.

N5GKX, Sue upgraded to General class recently. Finally got the license and sure is glad to drop the 'interim' after her callsign!

The empty-nest syndrome is prevalent at the QTH of Irene, N5AYX, and her OM Hy, NC5A. For the past year-and-a-half their "baby", an experimental action-powered glider, has been occupying the house. It was then assembled in the yard, under the breakfast room window and first thing every morning Irene ran to the window to be sure it was still there; but alas, it is now in its new home at the airport. The maiden voyage was successfully performed on October 28th, and now that their "baby" has flown the nest things are too quiet. Irene is looking around for a new harmonic to take its place.

On Saturday, October 6, Anita WA5JME and OM Pump WA5CYL, Alverta K5MIZ and her OM Fred K5MJA left Houston on their second two-week RV vacation together for the year. In Albuquerque, at the balloon races, they met Louise N5GSQ, her OM Everett W5IYF, Marv N5ASQ, and his XYL Maxine. From Albuquerque the four couples took their RVs to Durango, CO where they rode the train from Durango to Silverton and returned. From Durango, Alverta, Fred, Pump and Anita then went up to the Matterhorn Campground out of Telluride, CO, where they were almost snowed in. They barely missed being caught by the snow-chai n-on-the-ti re law! When they left there, they went South and West to Cortez, the Grand Canyon and then to Las Cruces, NM to get out of the snow.

And speaking of vacations...this one probably superseded all previous ones, sez K5JGC Burnette and OM T.P. K5EYN. "We have recently returned from another exciting visit to Europe. This time we enjoyed a spectacular two-week whirlwind five-country tour. The beautiful and historic sights were everything, but more, than what the Travelogs described. The gorgeous scenery will be treasured forever, 'cause we took enough photographs along with recorder to properly document everything. Our only problem was trying to determine just which was loveliest - Switzerland, Austria, France or Germany."

The Texas YL Round-up Net (TYLRUN) had its annual party in Oklahoma City, OK on October 19 and 20. It was held at the Los Cuartos Inn on 1-240. This was the 30th birthday celebration of the net. Those attending were: Linda WD5FMP; Myrtle WB5FGM; Harryette W6QGX/5; Doris K5BNQ; Wanda KJ5C; Dorothy WB5ELG; Julie K5JFJ; Martha W5YKE; Jenny N5DXD; Maureen N5FFB; Mary K5MPI; Liz K5DLI; Myra, daughter of K5DLI; and Lynn, friend of WD5FMP. Officers elected for 1985 were: President - Maureen, N5FFB; V. President - Evelyn, N5B0T; Sec/Treas - Wanda, K5JC and Pub. Chmn. - Linda, WD5FMP.

(DISTRICT NEWS CONT'D ON PAGE 21)

## DUTIES OF THE OFFICERS

DISTRICT CHAIRMAN is responsible for gathering news in her district and forwarding it to the Harmonics Editor in time to meet her deadline. Each District Chairman serves on the Board of Directors and three of the District Chairmen are selected to serve on the nominating committee.

DISBURSING TREASURER is in charge of YLRL bank account, but don't let that scare you. Our books are set up in simple form and a responsible person can handle them easily. She receives all YLRL money (except the dues), pays YLRL bills promptly and makes up a simple financial statement two or three times a year. She is also a member of the Board of Directors.

RECEIVING TREASURER collects the dues and sends out membership cards. She keeps an accurate membership list and arranges for duplicating this list for distribution. It is also her responsibility to make up a delinquent list and send reminders to those who have not paid their dues. She too is a member of the Board of Directors. There are three Receiving Treasurers: Districts 1-4, Districts 5-7, Districts 8-0-KH6-KL7-VE, and U.S.

SECRETARY keeps a complete membership file, welcomes new members with a letter and other information, records all amendments to the Constitution and other actions taken by the organization. She keeps records of Affiliated Clubs and checks their credentials, then issues certificates and stickers. She conducts all elections of officers. She is also a member of the Board of Directors.

VICE PRESIDENT assumes all duties of the President in case of her absence or disability. She is responsible for planning and publicizing the contests, scoring the logs, making up the results and sending the awards to the winners. She supervises the YLRL sponsored Certificates and appoints Certificate Custodians when vacancies occur. She is a member of the Board of Directors and assists the President when necessary.

PRESIDENT should have held other YLRL offices and have a good understanding of the Constitution, By-Laws and Procedure Policy as well as the duties of the other officers. She appoints her committees and assists them in getting started in their duties. She works closely with the Editor of YL Harmonics on publicity of projects and changes in policy. She is concerned with keeping the Constitution up to date and the constitutionality of all YLRL actions. She fills vacancies that may occur and carries on League correspondence including keeping her Officers well informed. She represents YLRL at conventions and forums when possible and in short does what ever has to be done.

---

TNX,

Marty Silver, w47

Guess what time of the year it is again?

- a) New Years
- b) 1986 YLRL Election Nominations
- c) Time to work on antennas
- d) YL Anniversary Party

Those of you who answered <b> to the above quiz are CORRECT!

It's that important time of the year when we choose our leadership for the coming year. Are you willing to take a more active part in YLRL? If so there is a Nomination Acceptance Form on the other side of this page. Please fill out the form and return it to the committee member who serves your district.

We will be electing a President, Vice President, Secretary, Disbursing Treasurer, 3 Receiving Treasurers, and a District Chairman from each US Call Area, KH6, KL7 and VE. To be eligible for all offices except District Chairmen you must have been a full, family, or life member of YLRL in good standing for two years immediately prior to taking office. District Chairman candidates must have been a full, family, or life member of YLRL in good standing for at least one year immediately prior to taking office. Included in this issue is a list of duties of all officers.

Don't wait to be asked to run for office. Volunteer!!! If you don't know any other YLRL members then contact one of the committee members and they will help you get your form signed. Talk to your friends and fellow club members. Surely you know of someone who would make a GREAT officer.

If you don't plan to run for office then we have one big request to ask of you. Please VOTE! We need your input to determine the direction that YLRL will take in the future. *YLRL Needs You.*

33,  
*Carol*

routine following year.

A FEW THINGS TO REMEMBER IN RENEWING YOUR MEMBERSHIP

1. Make your check or money order payable to the YOUNG LADIES' RADIO LEAGUE, INC.
2. Be sure to include your call letters on your check or money order.
3. Put your call, name, and address on the envelope in which you mail your dues.
4. If you have moved and have new call letters, be sure to point out this fact and give your former call, also,
5. Be sure that you send the correct amount of dues to the proper place, and pay for only one year. Your money will be refunded if paid for more than one year.

IMPORTANT NOTE: If you have additional YLRL Family Members, please make copies of the appropriate Renewal Form and submit one for each member, along with their dues.

For your convenience in renewing your membership, forms which can be clipped out are provided on the reverse side of this notice. DON'T DELAY! RENEW TODAY! By renewing promptly, you will insure that copies of YL Harmonics will not be delayed... AND ALSO THAT YOU WILL BE LISTED IN THE 1985 SUPER DIRECTORY ISSUE!!!

DON'T DELAY! RENEW TODAY!

YLRL DX-YL MEMBERSHIP RENEWAL

March 1, 1985 to March 1, 1986

Please use this form if planning to adopt a DX-YL, or paying your own dues.  
Make check or money order payable to YOUNG LADIES' RADIO LEAGUE, INC.

Check one:  same as last year.  New.

Check here if paying your own dues.

(DI STR I CT NEWS, CONTINUED FROM PAGE 1S)

W5KQG Frances was ill from November 1983 until August 1984. She is doing better now. Her sister who was in a nursing home near Canton, OH died this past fall. We hope you continue to improve, Frances, and we extend our sympathies on the death of your sister.

GULF AREA YOUNG LADIES AMATEUR RADIO KLUB (GAYLARK) News from Burnette, K5JGC: Frances Smith, WA5MPM spent Thanksgiving in Austin with her daughter, where an Open House was held for her son and fiance who are to be married in January. She has a new TH 3 Antenna on top of the Hallmark (10 stories up). It will be operational very soon, thanks to her friend, Bill Brandt, WB5DPZ who is a Missionary on leave from Brazil.

Annie Smith, K5JKV, said she and OM Glenn K5HXN, spent their Thanksgiving at their home in Harwood. Daughter Martha, WA5WKE, and family came to be with them. The Smith's have been busy going to Christmas parties. Golden Wedding Anniversary celebration, club parties, etc. Glenn and Annie are enjoying their new Satellite Dish - some people have all the fun!

Veronica J. Beyer has been selected as the recipient of a Scholarship awarded by HESS (Houston Engineering and Scientific Society). Veronica is a student at Texas A&M University, and is the daughter of Audrey K5PFF and the late Alvin W5ULZ . Congratulations!

1985 GAYLARK Officers are: K5JGC Burnette - President; K5MX0 Margaret - Vice President; WD5HNG Gerri - Secy-Treas; K5BJU Harriett - Trustee for K5SKF Gaylark Station; and K5JKV Annie - Certificate Custodian.

SIXTH DISTRICT NEWS

*Bztty Btavin, AG6C*

Happy New Year to all and may the best of wishes be yours in 1985. Hi, I'm Betty AG6C your 6th District Chairman this year. It will be hard to replace Jo, WA6ZGM, she's done such a terrific job as our past D.C. Thanks, Jo, for all your help, I really appreciated it.

May, N6GZV and OM John are celebrating the holidays on a luxury liner, cruising to Panama. May has a real sexy gown to wear New Year's Eve. We will all be curious if her gown still fits after all that food!!

Claudia, N6GZW with helpers Georgia N6GZU and May N6GZV put together a fun-filled, unforgettable Christmas dinner for a group of Sonoma County YLs. YLRL members attending besides Claudia, Georgia and May were: Jeri N6FCV; Diane N6GYG; Joanne N6LFZ; and Betty AG6C.

Congratulations to Jeri N6FCV on birth of a new grandson - let's see, that makes number 10 now...9 grandsons and one granddaughter.

Congrats also to Georgia, N6GZU. Understand she recently bowled a 244 game - Look for Georgia she may be on Pro-Bowling TV, if she keeps that up!

Vi N6HIV recently had surgery, recovered nicely from that and now has the flu bug. Get well soon, Vi.

Had an interesting newsletter from Lenore, W6NAZ, what a busy gal she is, helping hams work the Hollywood parade, doing recordings for the blind, jury duty and even "pla.ys" with her computer's word processing system. Lenore says if you want to feel stupid get a computer! Well Lenore, you are so right. Finally got mine to tell me 2 plus 2 equals 4, Hi!

Jean W6ZYD writes she and OM Boyde have had a fantastic year. Spent a delightful week in New Zealand visiting Shirley ZL1BI, then to Australia for 6 weeks..traveled over 4,000 miles by car. They met and were entertained by eleven amateur couples they met via radio. Spent a week in Fiji, cruising the island by boat. In October made a trip to Oregon and Washington visiting 7 more amateur couples. Latest trip was to Fresno visiting Cory Jean, her newest great-granddaughter. What a traveler Jean must be..I get tired just traveling across town!

Barbara K6TFG and OM Phil have retired from the farm in Tulelake, CA

after 37 years and are now "Town Folk". Barbara's new address is: 6908 Verda Vista Place, Klamath Falls, OR 97603. Lots of good wishes and happiness in your new home, Barbara.

Just received news that Joanie KA6V and OM gave up the farm in Oxnard and also moved to Oregon last August. Sorry, Joanie, news arrived via "pony express", Hi. Joanie's new home is on 2<sup>+</sup> acres and they plan to raise their own food and, best of all, to have their "antenna farm". New QTH is in Junction City, OR about 14 miles west of Eugene. Congratulations on your move...and wonder why everyone is leaving California for Oregon?

To Madge K6BUS we extend our deepest sympathy on the recent loss of her dear mother.

Understand that Barbara N6CBN has a secret fishing method that resulted in her catching 29 fish while her OM only caught 12.

The YL Radio Club of LA had their Christmas luncheon at the home of Irma K6KCI on December 8, with the gals all bringing a recipe for exchange. What a nice idea — hope none of the YLs left out a secret ingredient, as so often is the case. Irma said there were 23 YLs, including Harryette W6QGX/5 from Arkansas, 7 OMs and 2 Jr. Ops. They were especially happy to see Lorraine, W6SHR, who hasn't been to a meeting in years. Hear also that Irma and OM had a nice reunion with her ham friend Betty KL7FJW, and her OM Ralph.

Jerrie K6INK was scheduled for foot surgery which she postponed until after the 10-day visit of her "adoptee" Aola, ZL1ALE and her OM Dave ZL1AMN in October. To relax before her surgery, she and Stoney spent a "glorious" 4-day mini-vacation in Palm Springs over the Thanksgiving holiday in their new 24-foot motor home. Before leaving, she started out the door with her camera, slipped on the step and fell flat on her back on a concrete slab. She ended up spending 10 days in a Burbank hospital, then was sent home where she had to lie in a rented hospital bed until December 17th when she was to go back to the hospital for the foot surgery on the 18th. Now we hear the foot surgery again had to be postponed until Jerrie's burns (she was scalded with hot water) heal. We hope you have been able to have your surgery by now, Jerrie, and we wish you a complete and speedy recovery. On a happier note, their younger daughter Ronna and family bought a new home about 60 miles away and are in the process of moving. Their oldest grandson, Jeff and his wife had a baby girl in November.

Many thanks to the girls who took the time to write. Keep the news coming — until next issue — 33.

.....

*SEVENTH DISTRICT NEWS*

*PhyUZi VouglA, K7SEC*

.....

Happy New Year to each one of you and yours and a wish that 1985 will "Come Alive" for you not only for the coming convention but in all you do. My news is mostly from Arizona this time as most of you from seven-land need to start sending me mail with your news. Please!

We heard on the Open House net that K7NZ0 Raj has broken her leg and we hope that by the time this news is out, that she will be on the way to a quick and complete recovery. Raj is in Lacey, WA.

A nice letter from Lee KB8RT/7 to bring us up to date. After trying for 4 years, they sold their house in Michigan and moved to Phoenix, AZ. They have been renting a house that has a fenced-in yard for the dog and a swimming pool that they enjoyed during the warm summer days. They also have some citrus trees, learning how we irrigate out here, and finding that their clothes don't stick to them in the nice dry heat. They like to be able to eat outside a lot and have decided that when they buy a home it will have to have a few citrus trees. OM Hal got a job right away with a special project for the city of Phoenix. It took Lee a little longer to get her librarian job. It seems that to be a Librarian you shouldn't do your student teaching

in a Library??? Well, anyway, after thinking they couldn't certify her on that account, she is now the film Librarian with the Library Extension Service, Arizona Dept, of Libraries, Public Records and Archives. She supervises 2000+ films and video tapes that the state makes available to public libraries and other state, federal, city, government agencies. Sounds like this is right up her alley and it works out that her six-month probation period will be up the week of the YLRL Convention and she'll have enough time in to have 6 days of vacation. She also shares that Agnes PA3ADR and Henk PA0ADC will be visiting them just before the convention and then will go to Las Vegas.

KA7AAS Jackie is enjoying school vacation, she works with Special Education in Marana, AZ. She, OM Lance WB7TVF, and two sons went to spend Christmas with Lance's folks in Cascabel (get out your AZ maps). Now they are "Parrot sitting" for KD7KV from Douglas while Clarence and Laura go to San Diego to visit their son. Lance and Jackie are building their home, an earth rammed house.

WA0NNC Karen, OM Bernie W0YOY and sons are spending the holidays in Nebraska with both their families. When she gets back, Karen and Jackie are going to take some painting lessons. Karen finished a busy year as Old Pueblo R.C. President.

KC7ET Evelyn is in Indiana visiting her children and hopes to see Jodie, N8ALJ.

WA7FFG Beth from Tucson is busy knitting caps, sweaters, and lap robes for the Crippled Children's Hospital in Indiana. She is using up her different scraps of yarn from other projects. That's how she stays so active. She does a beautiful job on them too.

W7GFF Betty and OM Johnny W7EAH just enjoyed a nice visit when their son and family came from Sacramento for Thanksgiving. They too brought her a big bag of yarn so she is busy knitting like Beth and sharing patterns with her.

We are pleased that W7LIZ Edith's OM Jim W7TCQ is doing much better although he is restless that he isn't raking the leaves yet. Edith is looking forward to the YLRL convention in June and seeing all those YLs she thinks of so often.

A letter from our wandering seven-lander Alice KD7SH. At the time she wrote they were in Key West, FL. They are fulltime travelers following the good weather. After leaving Tucson, AZ in May, they headed to California to visit relatives, on up to British Columbia for the summer. They enjoyed lots of salmon fishing, seeing Bald Eagles, taking more weaving lessons, a train trip from Vancouver to Winnipeg going through the Canadian Rockies and across the Plains. In Sept, they started a long trip across the U.S. towards Florida. They will be there until March, then will go to an Island near Puerto Rico named Culebra, then back to Miami in April and on to London for several weeks and on to Paris for several months. We are so glad to have had a chance to meet her while she was in Tucson, then wish we could be part of her baggage on those trips and am looking forward to her next news.

We enjoyed a nice Christmas with all the family here. The Arizona YLs will have their next luncheon in Tucson the end of January and I'm looking forward to seeing and visiting with the gals there.

.....  
*EIGHT DISTRICT NEWS*

*Donna SuM.ou.gh\*, KBWS*  
.....

Happy Holidays to all from Ohio where we are enjoying a very mild winter so far. Thanks to all for electing me 8th DC for 1985. Hope I can do as good a job as my predecessors. I must start with myself, our family has been blessed with two more beautiful, healthy babies in the month of December. One boy and one girl, and both Moms are doing great. Also had great-grandmother from AZ and a visit from Brother Donard from Africa. I'm sure everyone has been just as busy as I have been, so you will understand why I don't have as much news as I should. I do thank all the YLs who did send me "?ws.

K80VF Marge and OM K8DLF Warren were very proud to watch their daughter Susan (Weisenbach) Johnson graduate on November 16th at Boston, MA in Aerospace Engineering and is on the move within the NASA research complex. Susan started as a mechanical engineer, became an aerospace engineer, and then advanced to Project Engineer. While working at NASA over the years she completed her master's degree in mechanical engineering at the Univ. of Toledo. The Lewis Research Center at Cleveland, OH informed Susan that she had been selected to take part in the Simmons Middle Management Program scheduled for Sept. 11 - Nov. 16, 1984. She was working in the Propulsion Systems Division. Susan belongs to the Technical and Scientific Council of Cleveland, Northeastern (AIAA) and is the first vice president of the Society of Women Engineers, Northeastern Ohio Chapter. Marge, we're all proud of her.

AE8V Carolyn Richards has been elected 1985 President of the Northern Ohio ARS (NOARS). This is one of the largest and most active clubs in the state. Congratulations, Carolyn.

WA8EBS Ella and OM W8BU Jim are very proud of their grandson, John M. Russell, who is the conductor of the Youth Philharmonic Symphony Orchestra which is sponsored by two foundations and is connected with Oberlin College Conservatory. John has hearings and chooses the personnel, then trains them at Oberlin College every Saturday. They have three concerts a year. Their performance on Nov. 18th showed what a fine job John is doing.

Eila's OM Jim has been asked to be an arbitrator in the Court of Common Pleas again. Eila is very busy with church activities, West Park Radiops, arts and crafts and the Chix on Six. When they closed their cottage this year they made it home just in time to get ready for the Chix on Six meeting at the QTH of W8WRJ Carol lams. Eila had the Chix Christmas dinner party at her QTH on Dec. 4th. The party was quite a success even though she had a three-fold fracture of her wrist after a fall. All the gals pitched in and helped with getting ready and the clean up. They had a blind white elephant auction and ended the evening singing Christmas Carols. Some of the YLs attending and helping were WA8QFL Elaine; W8ZMU Flo; WB8YZ0 Nancy; WB8TIR Rita; K80VF Marge; and Pres. KA8SSK Jean. All bought tickets for the YLRL Scholar-ship Fund quilt.

The Buckeye Belle quilting party at the home of WB8FIC Jean in Delaware, OH was a big success. The hard-working quilters were N8EEG Sally; W8WRJ Carol; K8MZT Shirley; WD8IKC Doris; WA8EKQ Beulah; and WB8FIC Jean. The work force arrived a little after 9 a.m., had a cup of coffee and Jean's delicious freshly-baked pecan rolls and got right to work. Jean's YM George cracked the whip and kept everything lively, kept the competitive atmosphere alive, and also took pictures. Beulah was the top quilter of the day, having completed more than seven squares. Jean had assembled the quilt and had done much of the quilting beforehand. By 4:30 p.m. everyone had their tired fingers headed for home. Sorry I missed this one.

The next day was the Massillon Hamfest where WD8IKC set up the Belle/YLRL table. Other YLRL members attending were KJ30/8 Joanne; KB8YS Donna; N8FED Pat; WA8VTS Ann; N8EQU Cathy; KA8MPH Mary; N8AJU Sue; and KA8MNU Dolly. Dolly, new YLRL Circulation Manager, was kept busy the entire day taking in money at the auction (she did so well in handling the money that she was elected 1985 Secy-Treasurer of the Massillon ARC at the next club meeting). N8FED Pat was kept very busy (and freezing inside the front door) taking care of admission tickets. About 50 YLRL quilt tickets were sold.

W8WRJ Carol is trying very hard to establish a Chix-YL 2 meter net on Monday nights at 9 p.m. on 146.22/82. It is a bad time of year to get started because of the holidays, but I hope a lot more YLs will join. So far it has been W8WRJ Carol; WA8DXY Dixie; Eleanor K8BJZ; and me, Donna KB8YS. I have not been faithful either, but hope to be soon. The repeater is located in Brecksville and has excellent coverage from the west side to the east side and as far south as Massillon. Please join us.

KJ30/8 Joanne has been re-elected Secy-Treas of the Portage ARC. Her OM WD8MPV has been re-elected President. Congratulations to you both. Joanne is also the newsletter editor. The club has classes and so far this year they have 5 new hams. At the club's Christmas party they surprised Larry with a birthday gift. They sang carols, exchanged gifts and had a very enjoyable dinner. The club has been designated as a Special Service Club which means more work for Joanne, but she enjoys it and we know she and Larry, will do a fine job.

KA8CYF Helen is also involved with classes in the SARA club, but I have not been able to catch up with her for details. Next time. Helen had car troubles the day after Christmas when she and her son made a trip to West VA. They had spent the day in Williamstown WV getting the car "fixed", headed north and the car broke down again. Luckily, they were able to get WD8MIO Connie on the repeater. Connie and OM Jerry arrived with the wrecker who took Helen's car back to the same station in Williamstown for a little more work. Again attempting to head north on 1-77, the car stalled near Marietta and refused to start. Connie's OM picked up Helen, her son and two grandchildren, and took them back to Marietta for some of Connie's hot chili. Connie then drove Helen and her family home to Clinton, stopping at WD8IKC Doris's home for refreshments on the way. Connie was still heard talking on 2 meters at 2:30 a.m. on her way back down to Marietta. Helen's car was picked up a few days later.

W8RZN Dottie ecstatically announced the great news that her daughter had given birth to twins, a boy and a girl. Congrats, Dottie!

WD8DQG Carol and family flew to Texas to spend Christmas with her OM's parents. Carol hopes many YLs will participate in the 2nd Michigan QSO contest which begins at 1800Z on January 26, and ends at 1800Z on January 27. Look for the TASYLs on YL frequencies ending in 33 and 88. Contest is open to YLs, OMs and DX and both CW and SSB will be used.

A new member of TASYLs is KA9NMM/8 Marilyn Nevius. She is a member of Midland ARC and enjoys sewing and doll collecting. Her OM is WA8VTD Tim.

Congratulations to KA8GAK Collette on her capping ceremony for Nursing School. Her mother, KM8E June, did a super job as YLRL Circulation Manager for 1984. She was assisted by N8BFI Marilyn who prepared all the labels.

W8QOY is busy preparing for the wedding of her lovely daughter Jeanne. She hopes things will slow down after the wedding. She had hoped her kids from Indiana would be home for Christmas but they could not make it. She hopes that they will be able to make it in January. We hope so too, Donna.

KI8V Verline has been working on Bylaws for a neighborhood parents' group. She went on a diesel train trip with VE3LFZ Marie operating on 2 Meter FM for passenger control. The trip went from Bay City to Grayling.

WA8YPY Ruth has returned from a trip to San Antonio. KA8PWW Gertie does a super job handling the Wayne Co. Emergency Net.

N8ALJ Jodie is keeping their main home in Holland, MI. At the present time she is renting a home in Champaign, IL, but has just closed the deal on the purchase of a new home in Champaign. She plans to move to the new home by the end of April. The new home has a perfect little alcove for her shack, and a full attic for her Morgain, so she'll be back on the air in a few more months. She passes along her best 33 to everyone. ~~HTM LAND HOME THE ?ST OF MAV~~

For all the gals who don't like to write or don't have the time, do like Joanne and I did...we passed our information on RTTY. Drop me a postcard or radiogram, we'll make a sked and have fun while we're keeping everyone informed. Keep the info coming!! 33 and 76.

.....  
"Education is what you yet  
from reading the small print...  
Experience is what you get  
from NOE reading it."

(Thanks, WB80WM)

As a beginning, I want to say a special "Well done!" to W9RTH Adah. You've done a super job as our district chairman for the past three years!

Everyone seems to be having little trouble keeping busy these last few weeks of 1984; in fact, KC9V Betty has been busy packing, unpacking, and repacking her suitcase since Thanksgiving for that dreamed of trip to Hawaii over the Christmas holidays. Betty, OM, son and family are all going together. Betty is taking her rig with her so she can get some hamming done while the younger ones are running around. She was planning to check into YL Open House and the YLSSB system. She was even going to do her Christmas shopping in Hawaii—what fun! Betty has been working as a volunteer examiner. Enjoy your vacation, Betty; we will all be excited to hear about your adventures!

Fran K9ILK is another nine area gal who has left the cold weather of Indiana. Fran went with her son to Florida where they will spend a month visiting friends and relatives. Hope she comes back with a nice tan ready to tell us what she did. We'll miss her on the HAWK Roost while she's gone.

Mary KS9N and OM Paul went to Orlando, Florida around Thanksgiving to visit their daughter and family but are back home now. Hope to get a chance to talk with you soon, Mary. Adah and I are still planning on that fishing trip this spring. Mary has been a busy gal teaching code classes and being a volunteer examiner in her area.

Mary KA9JJB has been quite busy. She and OM went to the Ft. Wayne Hamfest and met a lot of people she had talked to before. Their apples from their < orchard came to the point where it was applesauce time, so she was very busy for awhile getting all the sauce made—sounds good, Mary! She also had a chance to spend a day visiting her home town. She reported that "it was fun but sure nice to get home again. " I know that their children in Texas enjoyed getting the Christmas package that Mary and OM sent. Mary tells us that they sent maple syrup made right there at Mary's QTH, and colored eggs, laid by their fancy chickens. One problem—the eggs didn't get boiled before the send-off. Mary said she was afraid to imagine what would happen if the eggs were broken enroute. Thankfully, the kids reported everything got there intact—made you feel better, didn't it, Mary?! Mary visited the Mechanical Gardens in Ft. Wayne and was impressed with the "snow-case" room which had a tree made of poinsettia plants. She recommends that everyone visit the Gardens if they have the opportunity. Last report from her was that she was staying close to home now trying to find the gremlins in her new computer. GOOD LUCK!

WA9LYJ Mickie had a problem getting on a bus with her seeing-eye dog. The bus driver would not let them on. Let us know more about this, Mickie. She is having surgery performed in her doctor's office to remove a fatty tumor located under her ribs. Hope everything goes well and you are feeling good now, Mickie.

KD9DU Barb and OM Bob have had an eventful fall with a little four-year-old granddaughter visiting with them for several weeks.

Samantha stayed up late to help decorate the Christmas tree and guess who was the first one up? Right. Samantha. However, by 8:30 a.m. she was taking her nap, hi! Barb has been busy making and selling butterfly bows for her Eastern Star organization, with Samantha as her assistant, of course. Ruby, the family Doberman, doesn't understand the new visitor. It seems when Ruby would take a nap she would wake up finding a cover on her (Samantha was just being helpful). Bob took several pictures of YL's at the Indy Hamfest and during the "Round Robin" they were lost. Sure hate that, Barb. Barb and Bob also went to the Hamfest in Ft. Wayne and attended several ARRL Forums.

Adah W9RTH had an unusual experience coming home one night—she was stopped by the police for driving too slow! — — That really surprised her as she was going about 40 miles per hour. I've never had that experience, Adah. However, I have been stopped for going too fast, hi! Adah checked into YL Anniversary Party on the CQTies and made fifteen contacts. Good for you, Adah! Adah keeps busy helping with smorgasbords for all the groups she belongs to. She says she gets to take in the money most of the time' — — that sounds like a good job. Adah was going to a daughter's home in Mooresville and then on to Indianapolis to another daughter's for pre-Christmas get-togethers. She plans to rest at home on Christmas Day. If I know Adah, she's already got lots of plans for 1985. Hope the Convention is one of them, Adah.

W9NBW Dot and OM Doc have had their share of illness and we hope they're both feeling better soon. They had most of their family home for Thanksgiving but are planning on celebrating Christmas quietly with their daughter and family who live close by. Our wish for you. Dot, is that you feel good in '85.

WB9TOR Marilyn's OM Don graduated with an MBA. Our congratulations to you, Don. Marilyn and Don went to NC and visited with WD9AMC and WD9AMD over the Thanksgiving holidays.

W9VNG Dorie Leiser is in a nursing home at the present time and would enjoy hearing from you—her address is 803 Royal Drive, McHenry, IL 60050.

Sorry to report that WA9EYL Virginia Voyles' CM John WA9FXE is a Silent Key. Our condolences go to you, Virginia.

K9RXXAnn, OM Frank W9SIO and son Dennis WD9DWE decided in late October to go on an "end of the warm season fling". We went to Nashville, Tennessee to the Grand Ole Opry. The weather was good, seats were great and we enjoyed the trip. Of course we had the 2 meter rig with us and visited along the route. I got a lucky break the first part of December. A snow storm moved into our area and on a Thursday schools were closed. That meant a surprise vacation and I had a chance to check in on Tangle Net. No school and Tangle on the same day, how lucky can you get!

KA9BAC Beryl says they went to Denmark, Norway and Holland for 3 weeks last spring and found the trip very interesting. She is a Novice and is going to start a night class after Christmas to try to upgrade. Her OM Roy is going with her. Good luck, Beryl.

Keep sending your news this way! Until next time... 33

Happy New Year to one and all! As I write this, the temperature is 72 degrees F., and of course, there is not a flake of snow in sight. There was none for Christmas either. Don't know if I'll ever get used to seeing green grass on December 25.

We had a very nice Christmas; quiet and just the two of us. Santa was his usual generous self, and once again we stuffed ourselves to near discomfort. I've told Jer to enjoy these days 'cause after New Year's Day it is back to dietary reality.

Most of the news this time comes from the Colorado YL's via Marie Dambrosky, WB0HUC, who is usually the gal who shares their news with us. The BIG news from them is that Moe, WB0RTF, is now a happily married lady. Her husband is Bill Pierce, KD0JU. They met each other at the Channel 9 (Denver) Health Fair several years ago where they were both helping. They were married on December 15 at St. Thomas Episcopal Church in Denver. The Colorado YL's are going to miss Moe who has contributed much to that group. She has just completed her third year as their president. Her occupation is medical transcriber, and in free time she also enjoys skiing, serves on many ham public service activities, and is phone and transportation chair for the National Federation of the Blind. She and Bill are going to be living near Tacoma, WA, where Bill will be working with Boeing. Moe and Bill, we wish you the very best.

Barbara Koch, WB0ZZR, is the new Colorado YL's president. She is also president of the Denver Radio Club and secretary of the Castle Rock Repeater Club among other things. (Marie has observed that the women's groups while being unique in having their own clubs are the ones who are most active in service to other ham groups.)

Marie also wrote that she and her OM, Selden, WB0HUD, have sent their reservations in for the YLRL Convention in June. Their daughter, Karen, will also be attending. A few other tidbits from the Loose Change that Marie sends faithfully: Moe announced that she had assisted in a couple of public service, 2-meter communications in the past couple of weeks.... Marie assisted with the communications for the Colorado State meet for High School Cross Country Runners for Class I and II .... Toni Saum, KA0JVA, has a new "temporary" address which is 3075 South Fairfax St., Denver, 80222. She and her husband are expecting to move into the house they are now building in the Spring of '85. Thank you, Marie; I look forward to hearing from you again.

I've also heard that Kay, WA0WOF, is doing some remodeling on their home. She's been quoted as saying, "Everything is a big mess." (As I read that, Kay, I recalled some similar work we did in our Oak Park house, and empathy was all over my thoughts.) Kay and Mike are again planning on attending the Dayton Hamvention.

I'll be looking forward to much news from the 0's, and God willing shall have the opportunity to see many of you at the Vegas Convention. 33 and God bless.

**LADIES!**

**LAS VEGAS, NEVADA**

**GREAT AND EXCITING PLANS FOR JUNE 20, 21, 22, 23, 1985**

*KH6 DISTRICT NEWS*

*Vat Von Hott, KH6Q1*

Hauli Makahiki Hou—(Happy New Year) So much has happened since I last wrote I hardly know where to begin. One real encouragement has been the many cards and letters from our membership full of enthusiasm for the coming convention in Las Vegas, but also the convention in Hawaii. The great news of the day is that United is now flying direct to Lihue, Kauai from the mainland. I will be on Kauai over New Years and will be in touch with the Hotel where we will hold our 89 convention.

Jane K3ZDN was over in the Islands during November and we had a delightful lunch together and I gave her a quick tour of Oahu. I wish we had more time together and we will next time. Hubby recovered so nicely that I was able to go with my son and daughter to Hong Kong, tour Macau, a one day tour of Red China, twelve days in Bangkok, back to Hong Kong to pick up custom-made suits, leather jackets for the men in my life, Christmas presents, two days in Taiwan, and home on the nineteenth of December, in time for Christmas. We managed to lose a lot of time, with colds, resting up after plane trips, getting lost and finding our way, but all in all had a great trip, and next time I'll manage better. We had many strange experiences, that will make a good journal. One day I'll write it. I did come to one conclusion, that Bangkok either has the world's greatest drivers or the best brake mechanics. The traffic in that city of 6.2 million, with every form of vehicle imaginable, driving at outrageous speeds, and at no time did I see an accident. The city has 30,000 temples, and they are all beautiful. We had loads of fun figuring our money, and bargaining. It seems to be a way of life over there. My daughter says she is ready for Mexico now

WA1EDR called me from Maui this evening and we had a nice long land-line QSO. We won't be able to get together this trip as she will be leaving the day I fly to Kauai. There were many cards and letters from our YLs when I came home and I will try to answer the mail as soon as possible. I particularly want to thank Jan and Rose Ellen for their encouraging words and wish all of you lots of wonderful days in the New Year. Aloha.

*KL7 DISTRICT NEWS*

*Betty Uouh, KL7FJW*

Greetings from the cool, snowy far North. It's minus 28° now and we have almost 4 feet of snow on the ground. We had our yearly visit from Mama Moose yesterday. .no calf this year though. They really keep my raspberry bushes trimmed and found my lilac bush too..can't see beyond the Choke cherry tree to see if my crab-apple got it or not. Too much snow to wade through to check.

Thank you, Shari AL7FJ, for your delightful letter. I hope to chat with you on one of the nets soon. She has a mountain close by that her quad has to shoot over so not always able to work the "lower 48". She loves DX chasing and the 10-10 net, and is active in traffic handling. The Anchorage ARC is getting ready for the Fur Rendezvous Dog races, the Iditarod (1049 miles) Dog race, and the Iditaski X-country race.

Here in Fairbanks, the Arctic ARC is getting ready to cover the Yukon Quest International race. It starts in Whitehorse this year and ends in Fairbanks.

Rose, KL7FQQ and her 0M Stan, KL7FQR were interviewed for a program on Alaskan Women by the Gary Collins Hour Magazine TV program. Rose is very active in the Alaska Miners Association. In fact, she had a trip to see some mines in Northern Canada and Greenland, last summer.

MY 0M, KL7FHN and I had another quick trip to Los Angeles in early December. We did a Sea Trial of the boat we are interested in. Turned out

well and we plan to take delivery of one next October, We had a delightful visit with Irma, K6KCI and her OM, Lou, K6GHU at their QTH. So green and pretty after the snow up here.

Send me some more news, gals. 33

VE PISTRICT NEWS TheZma Woodhouse, VE3CLT

I can hardly realize that 1985 is fast approaching and time for another VE rep report. I have been so busy this year with weddings, showers, entertaining and being entertained. 3 grandchildren married this year, the most recent was December 14th and they took off for 'Antiqua' in the Caribbean. We have just gotten over the Christmas visiting. Having three married children I always have a place to go. My oldest daughter's three children are all married now, so they go visiting too. Hi....

The time is fast approaching to get serious on my plans for the 1985 Las Vegas trip... We would like to see more than just the hotel.... Irene is off to Florida for a couple of weeks, should be back after the New Year.

Doris VE3BBO has resigned from being the chairperson for the Ontario Trilliums 20th birthday arrangements, due to health reasons. But Audrey VE3CCO has filled the position and Irene is on the committee now, as well as Eva VE3EVA and the Pres. Ex-officio Audrey VE3ILT. Doris VE3BB0 also resigned the position of social convenor, that position is still open.

Mary VE3C0H has been quite busy entertaining relatives from California. Her in-laws are now living in Scarboro, Ont., quite close to Mary and OM Tom, having moved here from Wpg.

Pleased to get a note from Jeanne VE2JZ, and she has her YLRL membership straightened out. She is now back on 20 and 75 metres. They had four tall trees cut down which helped get the antennas up more quickly. On Monday a.m. she works for the Beaconsfield public library as a volunteer, On Tuesday a.m. and Wednesday p.m. she babysits while the mother goes to play tennis. She got all her Christmas shopping done early and the gifts for her DX YLs under-way. Jeanne's only son, 13 years old, is in grade 8 at high school and she and OM attended the first band concert he has played in and they enjoyed it. Brian plays the trumpet.

VE3HGA Vivian is still recuperating from a broken right ankle and also a fractured right arm and shoulder - the result of an accident last February. According to her doctor, it will take another year to get over it totally, but at least she is mobile now and can do things. She had a wonderful time with all her family on Christmas Day and went to one of her daughter's for dinner.

Pleased to see Jean VE3CKH and Mary VE3FEB back on the membership list. I had the privilege to talk to Jean at a Hamilton Hamfest.

33 for now.

VanJLeen Magen, WP5FQX  
INTERNATIONAL MEMBERSHIP CHAIRMAN

I would like to take this opportunity to thank the many VLS who sent Christmas cards, letters, [pctcuA.es](http://pctcuA.es) and newsletters as well as the many sponsors of overseas Vis who made our membership grow.

If you are not going to be in a position to sponsor you are present adoptee (IOA 1985), would you please notify me as quickly as possible so other arrangements can be made. It would be helpful if you could give me the season, such as January, back of course as possible (pctm VX VL or other).

\*\*\*\*\*

I would Zfree. to into produce the following new VX-YLH:

EA3UM, Roha MaAta MontheAAat Mett, adopted by KA5GIS/7, the maAAted and has two chiZdAen, age 14 and 8. She is active on aZz band but paAtieuZaAty aAound 2100-2200 GMT on 14.100. She ZZveh tn KaZgooAlte about 475 mtZeh eah of Penth, tn a goZd mining aAea wth an amateuA popuZatton of 30. She aZho hendh beht wthhheh to VLRL foA 1985!

■k'k'k-k-fc-k-k-k'k-k

BY4AA hent a ZoveZy ChAhttmah CaAd wth a beauttfuZ Panda on the coveA extending hoZtday gAeettng to YLRL.

CT1YH extendh hohtday gAeettng to VLRL. She th often QRV on WednehdAy at 1600 GMT aAound 21.215 and contacts heA hon, Rat, 2S6CEA.

DF1LV hendh beht wthhheh foA the hoZtday heahon. HeA OM, PFJ LU, vhitd Rohe EZZen and aZho went to Loh AngeZeh and GAand Canyon. ChAhtteZ th hoptng to attend the YLRL Convention and aZho hopeh to hee the GAand Canyon.

DK92L, EZZa, extendh hoZtday gAeettng. She wah veAy happy to have Eva, KC7RY and heA OM visit heA. EZZa had a coffee meeting of the FAankfuAt YLh tn honoA 0j Eva which wah tmmenheZy enjoyéd.

DL3LS, UAHuZa and heA OM, Heinz, hent a beauttfuZ pohteaAd faom Budapest, HungaAy wheAe they weAe enjoying the massages and theAmaZ baths. UAHuZa at-tended the 50th cZahh Aeuntton ah weZZ ah 75 MeteA YL Met tn NoAtheAn GeAmany. They aAe aZso enjoyng woAktng wth theA computeA and doing an exeeZZent job.

G3LW, FAanceh, hendh beht wthhheh foA ChAhttmah and the Hew Veaa to VLRL.

G5CCI, Angie, wah offeAed a paAt-tme position at the UntveAhtty teaching Geaman to undeAgAaduates, ho hhe th now a membeA of the UntveAhtty Staff and htaAed teaching in OctobeA, and Zoveh it. She spent heA hoZtday in GeAmany and wah Zookng foAwaAd to a AeaZ bAeak. She finished heA dihhedJitattton in OetobeA and htcZZ do eh a bit of faee-Zance typing and tAanhZattng. She th hoptng conditions wiZZ woAK out ho hhe can attend the Convention but doesn't know foA huAe. She extendh beht wthhheh foA 1985!

G18SXN, MabeZ moved tn August and Zikeh the new Eocation veAy much. She htiZZ hasn't gotten any peAmanent antenna up and th woAktng wth a dipoze foA H.F. She extendh hoZtday gAeettng!

HB9AC0, HeZene, hent a ZoveZy photo ChAhttmah eaAd of heA fouA gAand-chiZdAen on hkiih in the AZph ah weZZ ah a ZoveZy box of "fattening and totaZZy deZictouh" Swthh ehoeoZateh. Thankh!

HB9VL, Anny, wthhheh yLRL a veAy happy ChAhttmah and foA 1985 heaZth and Zuck eveAy day. HeA motheA, age 88, got hick and wah in the hohpitaZ foA 6

week and it now -in a nut home where Anny visit her regularly. Our prayer ante with you. Anny! Anny spent two wonderful weeks in Greece in October and enjoyed swimming every day.

11MQ, Ada, had a very bad year and has been forced to suspend radio activity. Her -ion, Beppe, has been in the hospital since 1983 and has not operated on. A ditc problem. While Beppe was in the hospital, she inactivated her. Left out and -it was in a eat ion. 45 days. Then, her. OM Tutto, TIMM, was taken ill with Henpet Zotten but it much better now. Betide health trouble, they now have a TVI problem to the wasn't able to be QRV in VJ.AP, etc. She tends her. Bett with to YLRL ion. a happy and much better. 7 985/

151CY, Clelia, tends bett with ion the holiday to YLRL. Her daughter, Paola, received her call LK5PVL and will be happy to meet many intend on the band. She is an interpreter in French and English. In tummen she had the visit O(J KV7M and hit XYL in om Tueton and enjoyed a visit with their mutual intend, HV2V0.

JAJAEQ tends bett with ion the holiday season to YLRL. Fumt advitet the JLRS «M be going to the Maldives (SQ7) on a VXpedition [detail one in "SPEAK-OUT" portion of this -ittae, page 9].

JH3SQN, Nozomi tends holiday greetings to YLRL. Nozomi is very pleased to advise that her second granddaughter, Mayu -it growing healthy and lively day by day and the appreciate all the prayer of the YLRL membership. Her son-in-law, Nonthtko, got hit lieente with call JL3YGU to now (all the family one ham). She will be going on the VXpedition to Maldives along with her OM Ken and 9 Yit and 3 OHs and -it tonny that she will not be able to make it to the Convention. Thank ion lovely photograph!

LXISM, Simone tends holiday greetings to MERE. SZmone has returned with her health ion more than a year but -it much better now and is looking forward to a ikt-vaetion in Auitnia.

0E1YHA, [Mang.it](#), sent a beautiful card extending Merry Christmas and Happy New Year to YLRL members.

0H5RZ, Sylvi, sent a beautiful picture postcard in om Tnlette, the and Epe, OHSOV enjoyed the beautiful e-ity with old eulionet, many eanalt and bndiget. They were continuing on to Auitnia by bus and then to Yugoslavia before flying back to Finland.

SPZFF Barbara tends bett with to YLRL ion the New Year! She started working in RTTY in April 1983 and has made QSOs with 86 eountnet with 60 -coni-inmed. Her OM is SP2UU and they only ion it SP2UUU. Her ion tuioned with a bad case of hepatitis but it much improved. Her SO year old father was ill ion a month and passed away in August. Our sympathy extended to you. Their home is located 300 miles in om the sea and winter has started with cold, windy weather.

LEFT TO RIGHT: SP2UU, SP2FF AND SP2UUU

SP5FVL, Panka, had a difficult pregnancy. Her son, Manek, was born April 11th. All is well now and both children are well. She got her lieente back in November 1983 but hasn't had any opportunity of transmitting at there is no place ion a rig. She hopes in the new year to get a flat with more room. Her brother, Rytand, SP5EW, has been in Libya since September 1983 but no chance ion amateur lieente. They have experienced cold weather in

Poland this summer except (or August which was sunny and. warm. She spent two weeks in the country in August enjoying the sun and good weather.

VK3KS, Mavis, sends best wishes to YLRL (or the New Year! She was very happy to have the visit of Phyllis, W2GLB/7 and her OM Bill, W2GTX/7 at a(ternoon tea at her QTH. She said very poor conditions th VLAP. She enjoyed using the pre(ix o( /I13WI which was the special call commemorating the 150th anniversary Ofj the European settlement in Victoria.

MAVIS AND IVOR STAFFORD  
VK3KS VK3XB

VK6YL, Jill, thanks the many members o(J YLRL who have written and have sent get well cards. She is very optimistic and was to see the docton. again on December 20th (or (uture treatments. She is planning to spend two weeks in Kalbami in January and 5 weeks in the Northwest in July/August on a camping trip. Yoon, continued prayers on her behalf will be very much appreciated. She was very active with the Radio Ratty in November with over 1,200 attending.

VU2NBC, Nirmala sends best wishes (or the Christmas and New Year season!

XE1CVV, Maria, extends greetings (or a Blessed Christmas and the best New Year ever! She is not yet back on the air and has been busy practicing the piano and teaching. ■

YU1YL, Vina, advised that her (other passed away. Our belated sympathies are with you. Vina spent 8 days in London in October and attended the 37th post war TOC Annual Vinner and met some o( the American hams. She is active in her position as bookkeeper and secretary as well as with the Radio Club. She would like very much to attend the Convention but will have to wait and see what the monetary conditions will be.

2L2ANA, Pearl, sends best wishes (or a happy holiday to all. members o( YLRL. She badly needs another G-YL (or the BY LARA Award and needs only two more states (or WAS-YL [South Vakota and Wyoming}. She is still having TVI problems and lousy conditions.

2S6GH, Viana, sends best wishes (or the holiday season and enjoyed the VXpedition to V9AVX but advised propagation was not as good as the last time they were there. (I did manage a very much welcomed QSO with Viana on 15 meters.)

4X6VW, Nomi, sends best wishes (or the New Year! She also advises the Holon/Bat-Yam Club is going on a VXpedition to the Veepest Point on Earth, to the area o( the Vead Sea, (rom April 6th, 0800 UTC until April 13th 0800 UTC operating on 3, 5, 7, 14, 21 and 28 MHz. The station will be situated on the shores o( the Vead Sea next to Ein-Gedi and will use the special call o( 4X5VS (or Vead Sea. QSLs will be issued (or every contact and an award will be available (or stations having had contacts: (1) On at least 3 out o( the 7 days scheduled (or operation; (2) Having worked the special station on 3 bands; and (3) Having worked the special station in 3 di((erent modes, namely: SSB, CW £ RTTY. Nomi also sent two beauti(ul color photographs o( the scenic attractions near the Vead Sea as well as the salt (ormations .

NOTE: On Page 29 of YLH #6, 198A, WL7AZB/A Patricia Sine was incorrectly listed as WLhAZB/h. Patricia is from North Pole, AK and is presently living in Decatur, GA.

## INTRODUCED BY:

Shirlee J. Moore, KQ7Y

AD2B Alyson C. Tanner is a court clerk with an Extra Class license from Great Neck, NY. Her Dad, Dave is W2DT, Brother Mike is AD2C, and Brother Joe is AD2D. Alyson is ex-WA2KPJ, got her 1st license at 14 and her Extra when she was 16.

KF4BD Margaretha (Peggy) J. Sipe from Englewood, FL, has an Advanced license and is retired. Her OM, George is KE4FR. Peggy is Treasurer of the Tamiami ARC, a member of the ARES/Charlotte County Disaster Preparedness, enjoys all modes of radio, hasn't been too active because she got a computer, and is ex-KA4YYC.

WB4WXC Bonnie B. Tudor is an Exec. Secy.-Bank with a General license from Kennesaw, GA. Her OM, Gene is WA4HGV. She is a member of the board of the Kennesaw ARC, and a Past Chairman of the board.

KA5KRE Letha L. Hale from Morrilton, AR, is retired and has a General license. Her OM, Ben is KB4SM.

KA50NE Betty L. Kirkpatrick is a housewife with a General license from Hot Springs, AR. Her OM, Robert is KA5LZQ, and Grandson, John is KA5LZP. Betty is the Secy. of the Capitol Keyboard Organ Club, a volunteer co-ordinator for Mid America Museum, active in the Hot Springs RC, and active in the OMISS net.

KA5RAA Sue A. Goodwin has a General license, is from Hot Springs, AR, and is a retired teacher. OM, Paul (Buzz) is KA5QZZ. Due to the sudden onset of rheumatoid arthritis 8 years ago, Sue is thankful for the radio. It has offered her a challenge and escape from a world of being into a world of reality.

KA5TCG Mary Little from Hot Springs, AR, has an Advanced license. Her Son and Father are hams. Three generations upgraded at the FCC exam in Little Rock last April. Her OM, Joe is not a ham.

KD5ZZ Irene W. Julian is retired, has an Advanced license and is from Mesquite, TX. Her OM, Ben is KE5I0. Irene is ex-KA5DRJ and N5FWP. She enjoys ragchewing, does some OX, is active in her local radio club the HAM ASSOC, of Mesquite, RACES and ARES.

N5GG0 R. Shirley Wondergem from Metairie, LA, is a housewife with an Advanced license. Her OM, Wondy is K5KR. She is ex-WD5BVB.

WD5CP0 Beverly J. Neff has a General license, is from Hot Springs, AR and is retired. Her OM, Donald is WD5CPR. She crochets, loves to play the organ, sings solos in church, studied opera with Marjorie Lawrence, and loves to drive their motorhome around the country.

KA6ZPI Jane Vanderslice from Santa Rosa, CA, has a Novice license, is retired and was a Tech operator for 5 years with the call WB6L0Q.

KB6CCN Bernice M. Ketterman is a housewife with a Tech license from Penngrove, CA. Her OM, Charles is K6EN.

KB6EBN Maxine Joy Kirkwood Yarborough is a housewife/student with a Novice license from Signal Hill, CA. Her OM, Patrick is N6JTH. She is trying to upgrade, going to college full-time to get a degree in Business Mgmt./Admin., and her hobbies are photography, and genealogical research.

KB6EMQ Joanne A. Lord is a baby sitter with a Tech, license from Santa Rosa, CA. Her OM, Bob is W6UUG. Joanne is from Australia, has lived in the U.S.A, for 11 years, and Amateur Radio is one of the best things that has happened to her.

N6FYV Connie Freitas from Sebastopol, CA, has a General license, and is a homemaker. Her OM, Rich is KA6SSL and her son is working on his license. Connie is ex-KA&SEY, does volunteer work with the Red Cross, and is a member of RACES.

N6GZV A.J. May Kobold is an RN and homemaker from Santa Rosa, CA, with a Tech license. Her OM, John is KA6DJY.

N6GZW Claudia Rhymes from Santa Rosa, CA has a Tech license and is a counselor. Her OM, Lynn is WB7ABP.

N6LDR Donna P. Wilke is a homemaker with a General license from Edwards, CA. Her OM, Ronald is N6AQG and Brother-in-law, Ted is N7DSU. Her only regret is that it took her so long to buckle down and study for the tests. She is looking forward to making contact with hams all over the world.

WB6VRE Cecile F. Oosterveen from Glendale, CA, has an Advanced license and is a GRL officer. Her OM, Adolph is not a ham.

WH6BAQ Roberta A. Sprague is a writer from Honolulu, HI, and has a Novice license. Her OM, Arthur (Hal) is KH6GPI and Son, Mike is WH6BAP.

KA7CED Rozel la (Rozy) L. Clulow from Portland, OR, is a housewife with an Advanced license. Her OM, Ed is W7TWL and Son, Jeff is KA7MOJ.

KA7HI0 Cheryl Ollershaw has an Advanced license, is from Portland, OR, and is a housewife. She is the Treasurer of the Hoodview ARC, and OM, Jay is WB7SRU.

KA7RND Mary Griffith from Tucson, AZ is a Bookkeeper with a Tech license. Her OM, Joseph is KA7RCC. She is active in her church. She is treasurer of the Ladies Guild, Secy of the Shepherds Helper and Leader of the Prayer Group. She is from St. Louis, MO and plans on building an A-frame cabin in the spring in the Wt. Mts. of AZ.

KD7TJ Jane G. Pulsifer from Seattle, WA has an Advanced license. She is ex-N7FKU.

K7TNE Meg Stiles has an Advanced license, is a homemaker, and is from Tucson, AZ. Her OM, Merrill is W7HT.

KD8TS Phortia Stevens is a retired teacher with an Advanced license from Pickerington, OH. Her OM, James is not a ham. Phortia is ex-KA8TCI.

WA9CNV Pauline Course from Marengo, IL, has a General license and is retired.

KA0SJD Helen Lubenow is a homemaker with a General license from St. Paul, MN. Her OM, Bodo is not a ham. She enjoys CW, cooking, fishing, hiking, bird watching, reading, movies, and is interested in DX.

VE31V Ivy Smythe-Post from Brampton, Ontario, Canada has an Advanced license. Her OM, John is not a ham. Ivy is ex-VE3EZI, and is in the process of trying to get back on the air after several years absence. She is Past Prexy YLRL 1970, Past Prexy advisory board, Past YLRL Secy, Founder member of TOTS and CLARA, and enjoys playing chess and golf. Ivy plans to attend the YLRL convention in Vegas.

VE3NXG Stella I. Bradley has a Novice license and is from Bramalea, Ontario, Canada. Her OM, Brad is not a ham. Stella is presently the Bulletin Editor for the Peel ARC.
