YL Harmonics is published by and for the members of the Young Ladies' Radio League, Inc. YLRL is a non-profit organization (501(c)(3)) comprised of women amateur radio operators, incorporated as such under the laws of the State of California. Dues are \$6.00 per year, due and payable March 1, and delinquent March 31. For new and reinstating members joining after August 31, the dues may be pro-rated by half the annual dues for that fiscal year (currently \$3.00). Add \$1.95 for first class postage, if desired. Dues for DX members are \$6.00 and may not be pro-rated for portions of years. In addition, \$2.50 for surface mail or \$6.25 for air mail postage is required for DX members. Dues for a "family member" are \$1.25; subscriptions by non-members are \$6.00 per year and may not be pro-rated for portions of years.

## Words from the President

GREETINGS to ait our new yis who recently joined as, aS wdt as a big HELLO to those who have, renewed your membership. We trust by this time everyone has paid dues. This is our btg "Progress" toward a wonderfui 46th year tn VLRL.

"COME ALIVE IN '85!" Have you. made your reservations for Lai Vegas? See you there. OUA fine group has been very, very busy working on this big weekend tn June. Thanks to att O|S you.

And now, it is that time O(J year once again. Think about the dection of officers who wM serve you best. Read over the backgrounds carefatty, then VOTE by return matt. We also have some proposed changes to OUA Constitution and By-Laws which need your vote. Read them over, think about it, then mark your vote. Matt to OUA Secretary WO4U. Remember to put your name and catt on the envetope to be vatif and it must be postmarked by May 15, 1985.

Onę change on the information given pAeviousty about the Disbursing Treasurer —she does indeed make up quartedy financial. reports for you.

My next concern is OUA Super Directory Issue. Have you turned in your YLRL Directory Information Sheet to our Editor, W8IKC? you surety wish to see more than just a name, cattsign and address in this big book.

your District Chairman woudt tove to hear from you. She does need your input to help with her cotumn. Inform her of your tocat dub events, what you are doing on the air, where you have been, who visited you and anything at di. -- Let her be the judge of whether she needs the information in her cotumn.

Again a reminder, P-L-E-A-S-E VOTE.

35,

*Rose Ellen*

## The Foundation For Amateur Radio

WIOVS R HIIIIS 2k SIS RELEASE DATE: March 1, 1985

THE FOUNDATION FOR AMATEUR RADIO, INC., a non-profit organization with Headquarters in Washington, D.C. plans to award nineteen (19) scholarships for the academic year 1985-86. The Foundation composed of fifty local area amateur radio clubs, fully funds two of these scholarships from the proceeds of its annual Hamfest. It administers without cost to the donors, seven (7) scholarships for the Quarter Century Wireless Association, two (2) for the Dade (FL) Radio Club and one (1) each for the Radio Club of America, the Richard G. Chichester Memorial, the Young Ladies' Radio League, the Edmund G. Redington Memorial, the Amateur Radio News Service, the Columbia (MD) Amateur Radio Association, the Baltimore (MD) Amateur Radio Club and the Lewis W. Wilkinson Memorial.

Licensed Radio Amateurs may compete for one or more of these awards if they plan to pursue a full-time course of studies beyond high school and are enrolled or have been accepted for enrollment in an accredited university, college or technical school. Most of the scholarships require the applicant to hold at least an FCC General Class license or equivalent. The scholarship awards range from \$350 to \$900 with preference given in some cases to residents of specified geographical areas or the pursuit of certain study programs.

Additional information and an application form can be requested by a letter or QSL/postcard, postmarked prior to May 31, 1985 from:

FAR Scholarships  
 6903 Rhode Island Avenue  
 College Park, MD 20740

The Foundation is devoted exclusively to promoting the interests of Amateur Radio and to those scientific, literary and educational pursuits that advance the purposes of the Amateur Radio Service.

*The YLRL scholarship will be for \$500 this year and is offered to a licensed YL who intends to seek a baccalaureate degree. Preference will be given to academic study of communications and electronics or related arts and sciences. The application provides for consideration for any of the 19 scholarships which are offered by the Foundation.*

*The applications must be requested before the end of May, and MUST be signed and returned, postmarked not later than June 30, 1985.*

Ethel Smith, K4LMB  
 YLRL Scholarship Liaison

SPONSORED BY THE CANADIAN LADIES AMATEUR RADIO ASSOCIATION  
STARTS: 0000Z TUESDAY MAY 28TH, 1985  
ENDS: 0000Z WEDNESDAY MAY 29TH, 1985

The AC/DC Mystery Contest is open to all YL and OM Amateurs as well as SWL. Each CLARA station may be worked twice, once on CW and once on PHONE, or same mode on two different bands. Exchange name, serial number starting with 001, RS(T), QTH and if a CLARA member. Three unidentified "Mystery" stations will be operating.

SUGGESTED FREQUENCIES: PHONE: 28.488, 28.588, 21.300, 14.160, 14.280, 7.150, 3.775, 3.900.

SUGGESTED FREQUENCIES: SWL. 28.035, 21.035, 14.035, 7.035, 3.690.

All contacts must be made in accordance with operator and station licence regulations. No net or list operations, no crossmode. No 10m or 2m repeater contacts.

SCORING: For the base score, CLARA members score one point per contact with non members (whether OM or YL), two points per contact with CLARA members, and three points for each CW contact.

NON-MEMBERS: For the base score count two points for each CLARA contact three points for CW contacts.

Multiply the Base Score Points by the number of Canadian Provinces/Territories worked for the total score.

The Contest Manager will add ten points to the base score of each log for every "MYSTERY" station contacted.

AWARDS: CLARA MEMBERS: 1st Place. "CLARA CUP" and certificate.  
2nd Place. Certificate.

NON-MEMBERS: 1st Place. Plaque.  
2nd Place. Certificate

**YLRL**

**10th INTERNATIONAL CONVENTION**

**LAS VEGAS, NEVADA**

**CHAIRMAN  
JAN WEAVER, N7YL**

**Sahara Hotel  
JUNE 20, 21, 22, 23, 1985**

**CO-CHAIRMAN  
MARTE WESSEL., K0EPE**

The YLRL Convention will be held at the fabulous Sahara Hotel on the famous Las Vegas Strip. We will have deluxe accommodations, all of our rooms will be in the same area of the hotel, and the price will be \$37.00 per night (single, double or triple occupancy). These rates will be effective for 2 days before and 2 days after the convention, for those of you who wish to arrive early and/or stay late. RV parking with full hookups is available at the Circus Circus RV Park (within walking distance), \$10.70 per night; or the Stardust (\$8.56 per night) or Hacienda RV Park (\$9.63 per night), both a short bus ride away. If you have a self-contained unit you can park in the Sahara lot.

24 hour transportation from the airport is available (either by limousine or taxi) for less than five dollars. Transportation from train or bus depots is available by taxi or city bus. Bus transportation on the strip and to other parts of the city is available each 10 to 15 minutes (this includes transportation to the RV Parks listed above, and costs only 50 cents.

The Sahara offers swimming, casino, shows, golf course, four restaurants, breakfast, lunch, and dinner buffets, and several shops for your convenience. These include barber, florist, women's and men's apparel, luggage, and gift shops, along with an amusement center, an ice cream parlor, car rental line, and others. Several local shopping centers are close by and most other hotels have specialty shops you may want to visit.

THURSDAY, June 20th will be arrival day for many. The Hospitality Room and Registration Desk will be open and Radio Station N7YL will be on the air.

Thursday evening there will be a Get Acquainted Hour, followed by an exciting "Sharing the Air" program which includes: "Beautiful Bird Show" (by KB8RT Lee and WB0ZQZ Harriet); "Hot Air Ballooning" (by WB3EFQ Lois); and "Ultra Lights" (by WB8JIB Louise).

A choice of two tours has been arranged for FRIDAY MORNING, for those who wish to go. The first tour is a Deluxe Hoover Dam Tour and "Lake Mead Cruise". This land and lake tour will send you home with memories of an unforgettable one-hour boat ride on America's most beautiful man-made lake, Lake Mead. Your guide could point out bighorn sheep while you are cruising among Lake Mead's Boulder Islands, and Arizona's multi-colored Paint Pots or Castle Reef. During your visit to the Dam there will be ample time to take pictures and stroll, or stand in the center of the Dam with one foot in Nevada and the other in Arizona. You will then descend on a guided tour into the depths of the majestic dam, coming out at the bottom at the power plants—to see the full height of one of man's greatest achievements. You will sit down to an exciting gourmet luncheon at the Gold Strike Inn, surrounded by a frontier atmosphere unequalled anywhere in the West. The bus will be large and air-conditioned. You will, of course, see beautiful scenery and other points of interest along the way. Cost: \$29.35 per person.

The second tour is the Beautiful Desert Tour. The desert...still a mystery to most of us. This tour takes you back in time, showing where man left his marks over 20,000 years ago in the Valley of Fire. The mystery continues with a visit to the Lost City Museum, showing the physical remains of a civilization lost to historians until this century. You'll ride through the Garden Valley of Moapa, where artesian water allowed the early Mormon settlers to turn the arid desert into a garden. In this valley you'll see Wayne Newton's Ranch, a breeding farm for championship Arabian horses. You'll experience the beauty and serenity of Upper Lake Mead which includes the Echo Bay Resort

and Marina. You'll be served lunch at Echo Bay then have ample time to walk the lake's shoreline. Be sure to bring along walking shoes if you choose this tour. Cost: \$25.80 per person.

You'll be picked up at the hotel around 9 a.m., both tours last about 6 hrs.

FRIDAY EVENING there will be another get-acquainted hour in the Hospitality Room, followed by the DX Program with WB3CQN Ruthanna, Chairman, and her committee of WA3HUP Mary Ann, KA3CEO Jeanne, WD5FQX Darleen and WB3EFQ Lois. For those of you who enjoy the night life, an "EXTRAVAGANZA" has been arranged for around 11 p.m. Friday night. The exact show will be announced sometime in May, but be assured it will be great! Cost: Less than \$20.

SATURDAY is a busy day. The first activity of the day is the YLRL Forum with N2RE Rose Ellen and YLRL Officers. This will be followed by the Luncheon and goodie drawings. The Luncheon radio prize is a Yaesu FT-209 RH 5-Watt 2 Meter Handheld. YL group picture will be taken by Convention photographer.

SATURDAY EVENING there will be a cocktail hour followed by the YL-OM Banquet and more goodie drawings. The radio prizes for the Banquet will be a Yaesu FT-757GX HF Rig with Power Supply; and also an MFJ-422 Deluxe MFJ Keyer and Bencher Iambic Paddle. There will also be a drawing for the fabulous "50-State Hexagon Quilt". The Saturday night program will be presented by Vai Von Holt, KH6QI of Honolulu, HI. We are not sure what all she has planned, but we do know that she will have a beautiful film on Hawaii and a style show of muumuu and different Hawaiian outfits.

SUNDAY MORNING you may choose to go in groups (OMs are also invited) to the fabulous Champagne Brunch that the Sahara serves each Sunday (the cost of the Champagne Brunch, all you can eat, is \$3.99 per person), or perhaps just get together with a group in the coffee shop for breakfast.

ADDITIONAL NOTES: When you write to N7YL Jan for hotel and Convention information, please enclose a business size self-addressed stamped envelope with 56¢ postage on it. In the information package you receive from Jan will be an envelope which you are to send to the Sahara Hotel. You make your hotel reservations directly to the hotel. The packet will also contain a map of Las Vegas and good information on where to go and what to see in Las Vegas.

There will be a separate drawing for a "special prize" for those who pre-register. The pre-registration prize is the Buckeye Belle quilt with the callings of each Belle and Associate Member who embroidered the squares. The deadline is June 1st and your reservations must be received by that date to qualify. The OMs who are pre-registered are also eligible for this quilt (since they wouldn't be there unless they were with their XYL and this would give her two chances).

When you send your reservations to Jan, please send the money for the tour of your choice and/or the Friday night "Extravaganza" at least by June 1st so she can get the group rates guaranteed. If the Friday night show is at the Sahara it will be much less than \$20 and Jan will refund any money that is coming to you in your convention package when you register at the hotel. Your package will contain your ID badge which Jan is filling out, your pre-registration ticket, your registration ticket, the special YL prize ticket (for a cash prize), and the YLRL ticket for the special "50-State Hexagon Quilt".

N7YL Jan says, "We have received some lovely gifts, donated by individual YLs and by clubs. We've also received a few cash donations which will be part of the luncheon drawings. We're very appreciative of these donations and would appreciate any further donations. The more we have to draw for, the more successful we'll be in making this a happy memory for our group." Donation gifts may be sent directly to Jan in Las Vegas, but please write to our Prize Chm., W14K Carol Shrader at 4065 Ophie Drive, Marietta, GA 30066 and let her know what you are sending so she will be able to keep her list up to date.

THE 50-STATE HEXAGON QUILT. KA0FIF Joan, Chm.: This quilt is 97" wide by 107" long, for a full size bed. The center is a U.S. Map, 31" x 27". There are 50 hexagon pieces, one for each State, which has name of State, outline of State, State bird. State flower, location of Capital, and when admitted to the Union. There are 50 additional hexagons with a large star sewn on each. The border has strips of blue, white and red, and there is a large star on each bottom corner. The backside of the quilt is white. It has been hand quilted and is 100% washable. Donation tickets can be purchased from K0EPE Marte Wessel, Box 756, Liberal, KS 67901 @ \$1.00 each (send SASE for ticket receipts). You do not have to be present to win. This is our money-making project. After "Quilt" expenses the balance of donations will be used for necessary YLRL '85 items, then a DONATION to the YLRL SCHOLARSHIP FUND WILL BE MADE! DONATION QUILT TICKET ORDERS MUST BE RECEIVED BY JUNE 10, 1985.

QUESTIONS FROM WPSMIO CONNIE

1. Who has the cards (or information) on YLRL members from the U.S. Possessions? She has only one card which she made out herself,
2. Connie would like to drive her fully-equipped motorhome to Las Vegas and is looking for a maximum of four YLs to go along with her to help with the gas and the driving. The motorhome is very easy to drive. She can pick up the YLs anywhere between Marietta, OH and Las Vegas. She would like to leave Marietta on Saturday, June 15, or Sunday the 16th. She would leave Las Vegas sometime after the Sunday Brunch on June 23rd. Please let her know immediately if anyone is interested. If there are no takers, she will have to make arrangements to fly, to Convention. Phone: (614) 373-3499

FIRST DISTRICT NEWS

Néna A^uniYtong, WBIVJL

Happy Easter to all from Connecticut. For any of you who wish to send news, my address is correct in the 1984 and 1985 Call Books, but not before that, so best to use it as shown on the inside front cover of YL Harmonics. Hope that many of you will send me news for the July-August edition, as the May-June one will be the Directory!

WB9UAE/1, Phyllis, says that travel is more than just a hobby now... "It's our full-time lifestyle. We've been traveling since we left Illinois in August '83...spent some months in Europe, Florida, then to the South Pacific this year. Australia, Tahiti, probably China in the spring -- in Tucson, AZ now, heading for Key West, FL (this was in January). My OM is

WB9UAD/1." (Nina's note: The slash 1 is their home in Winchester, MA... right near my son, K1LBJ, in Gardner, MA!)

Karla Holmes, WA1UVJ, writes: "The OM, Jerry, and I went back to the Hawaiian Islands just in time to greet the New Year on Waikiki Beach; bare-foot in the sand was my idea and we did it! Had hoped to have an eyelash contact with Vai and Mary, but Vai was on Kauai when I was on Oahu and I never made it to Maui! We had such a good time on the big Island that *via* skipped MauiKilauea went off while we were there, we had reservations to fly over in a helicopter at 10 a.m., but the eruption stopped at 5:04 a.m.! What a disappointment. Well, I guess we will just have to try again. Next time we will know better, we'll just jump in the car and drive the two hours and hope for the best! Looking forward to seeing many of you in Vegas!  
33-Karla."

WB4RJ0/1 Nancy says she doesn't have any antennas up right now but hopes to get 160, 80 and 40 working soon. She looks forward to meeting all the gals.

KA1INP Betty-Lee is a Novice but hopes to upgrade soon. She is about to interface one of her computers to her ham rig and receive the latest in CW transmission, etc. She is receiving assistance from one of the many "Hams" in her family with the project. Her parents are KA1EXJ, Joy, and KA1EXI, Ed. Her brother is WB1FEM, Ed. She is busy with computer programming for various businesses but soon hopes to devote more time to the great medium of communication—Amateur Radio.

Carolyn Thompson, K1BJZ, at 15A Hillside Ave., Marblehead, MA 01945, would like to know how the "Swap Custom" works at Vegas, for she would like to have a roommate to share expenses. She's afraid that most of the New England YLs will be going with their OMs, but would like to find a YL to go out to Vegas with, or one to share a room there. She used to live in Las Vegas back in the fifties, and is sure that must have changed a lot. Please, someone, give her some help!!

Bill Wilson, WA8YTM, P.O. Box 228 Oak Hill, WV 25901, is working for his WAS YL award, and would appreciate help from you gals. He also asks if YLRL offers a WAS YL certificate? Perhaps some of you will send him a QSL card making a sked with him and also answering his questions! (*Ed. Note.- YLRL does have a "Worked All States — YL (WAS-YL)" Certificate. All of the YLRL-sponsored certificates will be described in the Super Directory, YLH #3.*)

Lorraine, WA1EDR and OM Leo, K1QPJ had a wonderful trip from December 22 to January first to Maui. It was beautiful and they took lots of pictures and slides. They have a fabulous rock collection, and I asked if they got any more luminous rocks while there, but she said not this time. They talked to Vai, KH6QI whom they had met the year before.

For my part, I went to the annual New Year's private Dinner-Dance given by W3PHL, Fred, and WB3EA0, Bobbie, at their sumptuous home in Valley Forge. This was given by them for the members of the ROOSTER NET—3990 every day from 6 to 7 a.m. They have given this party, out of their own pockets, for years, and also one in July after the Annual Rooster Picnic, and also for 23 years have been hosts every other Thursday evening to all the Hams in the area! There is an open bar, a catered dinner at 10:30 p.m. for all 125 guests, and favors, champagne and merriment at midnight!! In July they have a famous organist, Larry Ferrari, WA2MKI, who arrives with his own organ that he plays on a local TV show, and plays for dancing and singing all evening. On New Year's Eve, they have a live orchestra. People come from all over the States and from Canada to attend these generous functions given by Bobbie and Fred, and this is my third year to attend, usually driving down in my Motor-home. I strongly advise that you all become members of the Rooster Net, and thus become eligible for these wonderful parties. The Roosters are a wonderful group of people, all "Hams" in the finest sense of the word. To become < Rooster, you must check in 20 times within 90 days, then you are allowed to

climb on a chair, face the East, and crow 1 ike a Rooster!!! (No words—all in the throat!) It's a lot of fun, and the panel of Judges on the air always makes the candidate crow at least twice before voting him a member!!

WB1ARU Anne; WA1ENO Tony and Robert went skiing at Sunday River, ME in January for 3 days and in February for 4 days. The 4 days in February were really "superb". Sunny skies, nice temps, and excellent snow. She has been busy with 29 third graders this year. Her son Robert, now almost 6 and in Kindergarten, also keeps her hopping. She is looking forward to the May KRONE Luncheon since she can't make the nets. She is going to try to check in on YL Open House more often, but it's hard because she usually forgets by the time she gets home from school.

I'm sure that there's lots more news from District One--so please, girls, write me by the 10th or 15th of June for the next District News!! 33.

## SECOND DISTRICT NEWS

aa

It sure looks like spring is just around the corner. The birds are sounding more cheerful. I hope you are all thinking about our SAYLARC luncheon on April 13, at Howard Johnsons, exit 19, New York Thruway, that is the Kingston exit. The time is 11:30 a.m., and Hermie, NB2H is in charge.

Congratulations to Barbara, WA2IFG, the winner of the afghan raffled off by SAYLARC. It was made and donated by Elsie, KA2ESQ., a beautiful job, and many thanks, Elsie. The drawing for the afghan was held at Barb, NC2Q and Lew Lottridge's home. Attending, to combine business with pleasure, were Betty, W2PVS, 0M Bill, W2KBH, Hermie, NB2H and 0M Gordan, NB2I. A good time was had by all.

We have not heard from several of our YLs who have been convalescing from hospital stays and injuries. We hope Winnie, KB2DP, Joyce, N2LA and Bobbie, WB2BHS are all feeling better. Jean, WA2BGE writes she is feeling better and is just waiting for someone to put up her antennas so she can get on the air. She sends her regards to all.

We want to send special congratulations to our Jan, WB2JCE who has just received "The Outstanding Amateur of the Year" award, given annually by Radio Stations WFP6/WIIN, and presented by the Southern Counties ARA at their installation dinner. We know this certainly went to the most deserving person. Jan writes she has been to Florida and visited her sister and ham friends, among them Marge, WB3JUT. They had several nice visits and ham friends are getting Marge's antennas up so she can keep in touch with friends back in PA. Jan will be leaving Florida on March 10 with two of her sisters to drive to Tucson, taking the scenic route, and stopping in New Orleans. Then they want to see the Alamo in San Antonio. They will come back through Kansas where they hope to visit Marte, K0EPE, get the latest on the Las Vegas convention, hit the Dayton Hamvention, and then home. Have a wonderful trip and see you in Rochester.

Trudy, K2UXW writes that she is getting settled in her new home in Clifton, NJ, the first move in 28 years. We know what you mean, how can anyone possibly accumulate so much stuff. Trudy says her tower is firmly planted in a 6' X 4' hole filled with 4 yards of cement. It is 40' high and on top is a Hi-Gain Explorer 14 and a 2 Meter beam. She is busy babysitting for her 2-year old grandson Jimmy. She has taught him "K" on CW. His mother thinks he should learn to talk before he learns CW. A little child can do both, Trudy. Keep up the good work. Hope to hear you on 75 some Friday morning.

Congratulations go to Patricia Ryan, WB2PRG and Michael Green, who were married on December 15, 1984. A wonderful life to you both.

I received a nice letter from Viola, W2JZX. She can be found every Sunday on the International QCWA Net at 3 p.m. on 14.346, also almost every day at 4 p.m. on 14.180 with the Jumpsuit Net talking with old friends. On December 12 she got up at 3:30 a.m. for a cup of tea and heard a Ham Radio

group on WABC Talk Radio. She called in to say hello to W6NAZ, Lenore Jensen and had a nice QSO with her and the hams at the station. For a Christmas gift, Lenore sent Vi a cassette of the entire show, which included her conversation also, and she was very pleased to receive it. Vi is still busy with her art work. It was very nice to hear from her.

We want to congratulate Cathleen, daughter of Henrietta, KA2NMP on passing her novice test. Keep up the good work, Cathleen.

Elsie, KA2ESQ and OM Phil, KA2DYB and daughter Sandy, KA2ICP had a very nice trip and visit to New Hampshire over the Washington Day weekend to see their daughter Clara, KA2DYC and OM Bill, WA1BET and, of course, little Luke. Sandy stayed the week to enjoy her vacation with all .

Betty, W2PVS keeps busy, as president of her local QCWA and her active interests in other ham clubs. Betty and OM Bill are taking an extended trip this summer, heading west before the Las Vegas convention and then to the convention, and they plan more travel after. She has said she will be at the luncheon at Rochester.

With all the work and traveling Rose Ellen, N2RE will be doing this year she is making plans to attend our spring luncheon at Kingston and to the Rochester Hamfest also. We think that is great and look forward to seeing her

I want to thank all for their notes and letters, keep them coming. Don't forget our Kingston luncheon and the Rochester Hamfest. We have a very interesting program planned for Rochester. Jan, WB2JCE and Linda, N2YL will be our main speakers.

### THIRD DISTRICT NEWS

*Betsy Robinon, WB3FQH*

---

Our Third District Chairman, Betsy, WB3FQH, has been having assorted health problems, so members of the PJYLS are submitting some news for this issue of Harmonics.

Betsy's last medical event started when she bent over to put on a boot and couldn't straighten up. That put her in the hospital for 19 days. We are all wishing you a speedy recovery, Betsy, and stay away from those dangerous boots!

The Penn Jersey YLs had a meeting at the QTH of Bert, W3TNP, to discuss such matters as the YLRL Convention and to see slides of Hawaii, taken by Jane, K3ZDN, who had a marvelous time in Hawaii and is anxious to return for another visit.

The PJYLS are making 200 swaps to bring along to the Convention. The lucky gals with the busy fingers making them are Jane, K3ZDN, Sylvia, W3SLF, Bert W3TNP, and Jane, KA3FRG. These club swaps are the brainchild of Sylvia, W3SLF.

Shirley, W3VNN, had an unusual holiday vacation, a two-week Windjammer cruise. She flew to Grenada to board the vessel and flew home from Antigua. Shirley, we hope your job was trimming the sails or taking the helm. Surely it wasn't swabbing decks or working in the galley!

Edith, W3AAU, can be heard every weekday evening at 5:30 p.m. on the 146.685 repeater. She gives news and updated bulletins for the Holmesburg Amateur Radio Club. How can she keep up the schedule and supervise the remodeling of her kitchen at the same time? Nice work, Edie.

From Jane, KA3FRG, we hear things are "Alive in 85". She received a beautiful certificate after joining the International Handicappers Net (IHN) that meets Monday through Friday on 14.287 MHz at 1600 to 1800 UTC. Drop in and say hello. From January 8 to February 12 Jane had a Retreat at her QTH, given by Sister Edna Mier, Sisters of Notre Dame. They met one day a week for two hours, discussing scripture, sharing and praying. Those who participate liked the idea and ten to fourteen people attended — great for housewives and busy Moms. Jane is a faithful and regular member of the 2 meter net the PJYLS have every day at 2:00 p.m. on 146.550 MHz simplex.

Bert, W3TNP, is planning a trip to Florida, hoping to attend the ARRL Hamvention in Orlando and also to visit Marge, WB3JUT, who has retired to Lakeland, Florida. Marge can be heard almost daily on 14.175, 20 meters at 11:00 a.m.

At this writing, Jane, K3ZDN, Bert, W3TNP, Shirley, W3VNN, Myrtle, N2AKC, Marge, WB3JUT, and Betsy, WB3FQH, and also Betsy's old man are planning to attend the YLRL Convention in Las Vegas.

We don't know what's going on with the rest of the gals in 3-1 and, but send your news to Betsy. By the next issue, she should be on her feet.  
Happy Springtime — we all need it!

FOURTH DISTRICT NEWS

CaKO-1 ShAadu., WT4K

Hello to everyone from the Sunny(?) South! Atlanta wasn't so sunny during the month of February. We had ice, snow, and below zero temperatures. The northern transplants pulled their sleds out of mothballs and the hills were alive with children sledding and building snowmen. It was wonderful fun for we Georgians who are not accustomed to such things.

We will be attending the Charlotte (NC) Hamfest in March and the Dayton Hamvention in April. I look forward to meeting a lot of you for *eyeball* qso's that I have never met in person before. There are a number of 4-Land YL's making their plans to attend the YLRL Convention in June. A group will be leaving from Atlanta Thursday, June 20th. We would like to invite all who have to fly through Atlanta to travel with our group. Contact W04U or myself for details on the flights and times. Its going to be great!!!!

Jeanette Ellis, W04U, and her CM W4MRJ recently made a trip to Connecticut to visit Sandy, AC1Y, Helen Ann, KA1KBY, and Alexander Gerli. Alexander is Jeanette & John's godson. The Ellis' treated their hosts to a cook—out on an evening when the temperature was 12 degrees. These southerners just don't know how to behave in the north, do they? HI!!!

Jane Nowicki, WA4YWK, and her husband have just returned from a 5 week camping trip to Florida. They attended a family reunion and got to visit with many relatives in the area.

Our sympathy goes out to the following YLRL members! Robin Fearon, KA4LPT, on the death of her mother—in—law; Lucille Vining, W4KZT, on the death of her mother; Marge Campbell, K4RNS, on the death of her son.

Here's the Floridora's news: Bo Bogardus, W4HRC, is now at her son's and would like to thank everyone for all the cards and notes. Blanche Randles, W4GXZ, received her 30 year YLRL continuous membership certificate. Congratulations Blanche! Melba Jibb, W4GAN, had trouble with freezing pipes during the cold February weather. We hope everything's OK now Melba!

I would like to extend a big *THANK YOU* to those who were so helpful in assisting the Nominating Committee for the 1986 YLRL elections. Some of you went out of your way to help with suggestions and assistance and it is most appreciated. There is

one other thing that you can dD. VOTE!!! It is very important to have your input in determining who our 1906 leadership will be. Thanks again!

FIFTH DISTRICT MEWS

RZchea Bscigance-, KU5 L

Hello to everyone from the Land of Opportunity, Ice, Snow and Mud!  
The Gaylarks celebrated their 27th Anniversary Birthday Dinner Party January 25, 1985, They were joined by their OMs and enjoyed a lovely evening at the Houston Engineering and Scientific Society. The incoming President and her Corps of Officers assumed their duties for the ensuing year at this social.

Congratulations and Best Wishes!!! Beautiful, 8 lb., 20V long Stephanie Elizabeth Ballard arrived in this world January 6, 1985, at 8:48 p.m. Her de-lighted parents are KA5SSD Carol Boyett Ballard and 0M KA5SSE Andrew of San Antonio, TX. This makes proud and first-time grandparents of K5JGC Burnette and 0M T.P. Boyett K5EYN of Houston, TX.

Carol , KK5L, is staying busy working overtime at the accounting office due to tax season, but still has found time to plant some tulips and daffodils. She and 0M Marvin are installing a satellite TV dish - Good Luck!

Doris, K5BNQ, made a trip to Charlotte, SC recently, but flying home was quite an experience with snow and ice at the Dallas airport. It's not supposed to snow in Texas! 16 hours to get from SC to OK by plane!

Congratulations are due a new grandmother. KJ5C, Wanda, had a Valentine present for sure this year. Miss Trinity, red-headed with lots of curls, was born on February 14, 1985.

The gals on TYLRUN net are looking forward to HamCom this year. Looks like it will be held on the second weekend of June. If you get there, look for the TYLRUN collage of QSL cards. Should be one from each YL in the net.

Another congratulations goes to Helen, W5LGY, she is celebrating her 40th year as an amateur this year! Also, a new callsign.. Marion, KA5VJU, has been waiting patiently (?) for her call since passing her Novice exam. She is sister to Esther, WD5EMZ.

We have had so much rain in Arkansas, Oklahoma and Texas this winter, it has become a main topic in conversations. Evelyn, N5B0T, says she has become quite proficient at ditch-digging, trying to keep her car unstuck! And Harriet, W6QGX's new garage may be a swimming pool instead. Her 0M Baron has been trying to build the garage all winter, but everytime he starts, so does the rain!

SIXTH DISTRICT NEWS

Beatty B'avZn, &G6C

Greetings from warm, sunny (75°) California! Well, today that's true, however tomorrow may be another story! Where did January and February go? I'm sure many of you were bitten by the Philippine Flu — and wish a speedy recovery to all!

Vi, N6HIV, has had her share of it. She was recently discharged from the hospital. She had complications of the flu — double pneumonia.

Several YLs from 6-land report they have not received their Jan-Feb issue of Harmonics. Don't have any answers except to notify the Circulation Manager.

Jo, WA6ZGM is busy getting her home painted. ..when you finish, Jo, come and paint ours. Congratulations on the new grandson. This makes three grandbabies for Jo, two boys and one girl.

Congratulations to L.A.R.A. Orange County on their 2nd Anniversary. They have a YL net on 2 Meters every Thursday evening at 7 p.m. on 145.400 (-). They invite any YL traveling through the area to check in and say hello. Sure hope they get a large group of YLs so they can charter a bus trip to the YLRL

Las Vegas Convention. Sure sounds like it would be a fun trip. Good luck in getting it together.

N6FCV, Deri; N6LFZ, Joanne; and N6JVB, Jackie are making plans for a pot luck for the YLs of Sonoma County and their families. The date is March 15.

Congratulations to Joanne, N6LFZ on her recent upgrade to General Class. Understand it was celebrated with champagne in the parking lot of the local Sheriff's Department! Joanne's feat caused such an uproar it caused a slight local earthquake. Her primary thought is to get on low bands and contact her homeland of Australia. Good work, Joanne.

N6JDE Louise is pleased to announce three brand new Novices in her family: daughter Cindy KB6HKR; Cindy's OM Rich Ho KB6NHT; and daughter-in-law Linda Halberg KB6HKS. Cindy and Rich then had a baby girl on January 18, Rachael Louise Mahealani Ho. Louise and OM Alan now have 9 grandchildren...5 girls and 4 boys. Congratulations on all, Louise.

In my last column, I mentioned May, N6GZV and her cruise. She had a marvelous time and tells us she only gained 2 or 3 pounds on the cruise, so she can still wear the gown!! What will-power.

Had a very interesting letter from Marie-Jeanne, ON4AYL, Waldegen, Belgium. She was born in the "Venice of the North" in the City, Bruges. She has many talents and is very active in Amateur Radio. She would like to arrange a YL get-together in this way: She would like to show slides of YLs in different countries...news about their families, environment, ratio of clubs, etc. So please, if any of you have any slides and info from California (club or individuals), please let me know so we can help Marie-Jeanne out and her "get-together" will be a great success!

Happy Birthday and Anniversary to all that will be celebrating those events!

Thanks to the YLs who wrote. Keep the news coming. Until next issue, remember to get your dues in and your reservations to Jan for Las Vegas. 33.

SEVENTH DISTRICT NEWS

Phi/TZZi Dougfcu, K7SEC

.....

KA5GIS Carol, Wash., writes that they will be leaving Bremerton as the OM is Navy and going to New London, CT in April. They will be operating HF and 2 mtr. mobile as they go through WA, OR, CA, AZ, NM, TX, AR and on up to CT, so listen for her. She tells of a Puget Sound Area TUOLA YL net on 2 mtrs. Monday at 8:00 p.m. on 145.47 Sept. - June with all YLs welcome.

W7NJS Beth, Ore., has been enjoying her ICOM IC-751 and attending luncheons between her chemotherapy treatments. We certainly will be praying that they will soon not be needed and that Beth will be back in full swing before June.

W7TGG Vera and OM W7SFK Ray are still on their ranch but are now "more or less retired". Vera keeps busy with her hobbies, rugs, quilts, stamps, knitting, and crocheting. Ray enjoys his fish ponds so they have trout dinners once in awhile. They will be glad to have spring come so they can see their flowers again.

WB7FDE Donna, Wash., is very busy teaching again this year. They spent the summer traveling through the four corners of the U.S. She and OM AE7P John teach the fifth grade. They are also enjoying their home computer software business which keeps them busy. Donna participated in the YL/OM contest for the 7th year but found conditions not very good from her neck-of-the-woods. She did do all of the states in the first 22 hours. I'd say that wasn't too bad at all! Their 13 yr. old daughter, Kari is KA7PT0 who right now is active on the ski slopes of Mt. Hood.

K7WVQ Marie, Wash, has not been able to do much so far this year, as her OM and she have been sick a lot since Christmas with the flu. Her OM also had surgery February 7th and is recovering nicely. We hope that they are both going to enjoy good health now. They have plans to go to Arizona and

meet his brother and wife from Ala., and a Navy buddy that they haven't seen since 1944 in Hawaii. They are all retired and are looking forward to a real good time. They want to stop in Reno and then stay in Quartzsite or vicinity. They had a new great-grandson born January 2. He missed being a New Year baby by less than 30 minutes. She has a great-granddaughter who is almost 3 years old, 16 grandchildren (4 boys, which leaves a dirty dozen granddaughters). She heard a YL say that she had 9 grandsons and has offered to do some exchanging. Marie's newest grandson is 10 months and when she keeps him, he really gives her the works as he is just learning to walk and is into everything. They have had some snow but mostly a mild winter, in fact, they are short of rain for the garden.

KC7ET Evelyn, AZ and WB5ZME Jewell, NM are on their way to the Padre Islands until March 16th. Evelyn will be going to the convention from Ill. as she plans to spend May through Oct. near her family.

KQ7Y Shirlee, AZ writes that her OM Bob got the week off so they can both go to the convention. She and WB7USZ Inez have made a needlepoint tote bag that will be part of the AZ centerpiece. They went up to Lakeside last weekend and still had 2 feet of snow in their yard.

W7JZA Ruby, AZ just got back from Utah where she went to welcome their latest and #12 grandchild, Amanda Lynn. She and Mother are doing fine. Also sorry to hear that in January their son-in-law in Casa Grande had a heart attack and passed away. They had both joy and sorrow at the same time. Ruby is looking forward to the coming convention and rooming with KC7ET. Her OM Bob will be having another lens implant soon. We wish him well and are pleased to hear that after about a year. Ruby's back is getting back to normal. 1984 was a long year for her and hope only good from now on.

The Arizona YL luncheon in Jan. was a good one in spite of pouring rain. 29 YLs came from Douglas, Green Valley, Phoenix and Mesa to Tucson. I especially was happy to get to meet KB8RT Lee who now lives in Mesa. The next one is March 30 at Sir Georges in Mesa.

KA7SWH Jean just returned from her hometown (Dayton, OH) where she was helping her daughter whose baby was born January 15th. Jean said it wasn't over 32° the whole month she was there and it was sure nice to get back to AZ and sunshine! She enjoys ham radio. Her daughter Cheryl, KA8TMI, took her handheld to the hospital and they talked back and forth a few times. Cheryl's mother-in-law thought it was great!

At this sitting K7SEC Phyllis is playing nursemaid to 3 Silkie puppies. After only one week the mother had to be taken away from the pups and since the OM is in Calif, on business, guess who has to force-feed them round the clock every 3 hours! I'm really looking forward to "running away to the convention". Thank you for all the good letters, gals, it makes my job enjoyable. 33.

EIGHTH DISTRICT NEWS

Vonna BuMouglz>, KB8YS

Greetings from 8-1 and. By now we should be out from under our snow and temperature should be up to or above freezing. Cabin fever should be letting up because the Hamfests have started.

WD8BTS Polly is going to New York the end of March to meet, for the first time, her pen pal of 22 years, Lillian Lewis of Christ Church, New Zealand. Polly is planning a trip to Texas this summer to visit her son so won't be at Convention.

KA8NXV Erica has been able to join our nets more often this winter because of school closings. She will be going to Germany sometime in June with her school class and is very excited. Her little sister KA8VAL is working hard on her General ticket. She is 9 years old and made 53 contacts in the Novice Round-up contest. We're all so proud of you both.

WA8EBS Eila's daughter Caroline is now out of the hospital after her last

surgery and is recuperating at her son's home in Olmsted Falls. Our prayers are with you, Eila.

K8MZT Shirley had been having a lot of difficulty receiving on 75 meters so she called the power company and complained. They found a bad transformer and changed it on one of our coldest days. Speaking up pays off. Way to go, Shirley.

WD8KIC Doris and OM Stan had a bout with the flu this winter but both have recovered and are as busy as ever. Doris has received some well-deserved recognition. The Massillon ARC named her the "Ham of the Year" for 1984 and presented her with a framed certificate and an engraved plaque. Congrats, Doris, we love and thank you for all you do for all of us.

WA8FSX/5 Ruth, formerly of Ohio, is very active in Arizona. Always helping someone, she was recognized by the Northwest Valley retirement communities' Volunteer Bureau as Volunteer of the Month for November. We were happy to hear of Ruth's recent marriage to Charles Stone. Congratulations from all of us in cold-land, Ruth.

WA9LYJ Mickie, another one of the gals that joins our nets often, is recuperating after surgery and is doing well. We wish you a speedy recovery, Mickie.

W8QOY Donna had a hair-raising experience. It was the day of daughter Jeanne's wedding, but Donna said the excitement was after the wedding. She was sitting in the car waiting for her OM Ralph and some men started banging on her window. Frightening, no?? It turned out that her car was on fire! Everything turned out all right and they were able to drive the car home.

WD8MEV Shirley who works in the Pediatric unit of their local hospital had a unique experience in December. Her 12 year old son Chucky had emergency surgery and was one of her patients. He is fine now. Shirley is hoping to take a class in "signing" for the deaf and also a hospital-related course in Orthopedics. Good luck, Shirley.

K8DHC Carol was elected President of OH-KY-IN ARS for 1985 (she was Vice Pres, for the past few years). Congratulations, Carol. She is also 10-10 DX Manager.

W8LGY Ruth's OM Ralph finally got "tower and beam up and vertical" but hasn't had much time for operating. They were planning a Florida trip in January if weather was not too bad. I hope they made it!!

WD8MEV Shirley is really looking forward to Dayton 1986. She is planning to "eye-lash" her adoptee Vickie ZS5VF. Someone better be there with a camera (with film!!!).

WB8FIC Jean now has her dipole up and it is doing a fine job (Jean and YM George put it up in -15° weather). She has been in Massachusetts for the birth of a new granddaughter, but she will be home in plenty of time to officiate at the Buckeye Belles Annual Meeting at Delaware, OH on April 14th. K8MZT Shirley and Jean finished the Buckeye Belle quilt in January and it will be on display at the Annual Meeting. This quilt will be the "Pre-Registration Prize" at Convention. Hope I'm the lucky one at Las Vegas.

W8WRJ Carol is settled in her new QTH in Mentor and her new antenna is better than her old one. Carol is also doing a great job on the 2 meter net on Monday night. The check-ins are growing every week.

KD8SC Rosemary's 2 meter net on Thursday night is doing just as well. I hope when the weather breaks and we can get out, that we don't forget these fun nets.

WD8DQG Carol, while spending Christmas in Mission, TX with her OM's parents, ran into KA8JCL Doris and OM from Farwell, MI who were wintering there. Carol had been trying to contact Doris on 2 meters for two months at home and finally received a Christmas card from TX. She sent a card back and they had a nice eye-lash visit in TX.

KM8E June's 80 meter antenna is still down and she had to resort to writing letters to let us know everything else is OK. June has a regular sked on 20 meters with her adoptee, EL2EF Diane of Monrovia, Liberia, Africa. It

so happens that Diane's Amateur Radio instructor in Liberia is the same teacher I had here in Akron, OH...Brother Donard, EL2AL, with whom I have a regulated on 15 meters. Small world, isn't it!!

WB8RZN Dottie's antenna is still down and she misses the girls on the net. We miss you too, Dottie. The twins (grandchildren) are doing great (a cute red-headed girl and they think the boy will be blond). She baby sat them and three neighbors came in to help...she says she headed them too. She says hello to all.

KA8CYF Helen was the hall guard at the Silvercreek ARA's classes. They now have six new hams in the area. Helen and KA8MPH Mary also keep active with the Meals on Wheels services and this is one winter when that is a very essential service. Helen's daughter Diane, WD8QWE, has been nursing a "tennis-elbow" since November. Good luck, Diane.

KA8JVL Betty will be enjoying sunny, warm Florida and then take a side trip to Texas to visit her son. She might be back in time for the Buckeye Belle annual meeting. Have fun, Betty, I'm jealous.

WD8DLB Kay, in Boca Raton, FL, finally got through to us on our Tuesday evening net. Conditions won't let us make contact during the morning. She and Ed attended the Miami Hamboree and are still going to concerts and plays at University. We were sorry to hear about Kay's mother's death in January.

WB9TDR Marilyn's OM Don, K9UQN finally graduated (after 3 years of hard work) with his MBA on January 11. Graduation ceremony was held in downtown Chicago, with a nice celebration dinner afterwards. Marilyn and Don were delighted to have N8BFI Marilyn and KB8PL Gary stay overnight with them for the Wheaton, IL Hamfest. The weather was so cold they had to PUSH Gary's truck into the garage to warm it up before Marilyn and Gary could start back home to Lawton, MI. N8BFI Marilyn's beautiful daughter Teresa was first runner-up in the "Miss Lawton" queen contest and is quite a celebrity now.

WA8ARJ Roberta vacationed in Florida in August. She stayed with her son Robby who is a Major in the Air Force and Project Co-ordinator for the Titan Missile. She had a personal tour of Cape Canaveral and had the opportunity to watch the blast-off of Discovery from only 3 miles away...as a special guest of Rob's Colonel. Seeing the blast-off in person is something she will never forget. She has some wonderful slides from the launch pad, blast-off, and 2400 miles down range. Thanks so much for sharing it with us, Roberta.

KA8GNR Byrness is planning to get back on the BB CW net very soon. She says things are looking up for her (recovering from injuries sustained in an auto accident) and OM W8LE Bob (recovering from a stroke). Bob is working hard to get his left arm and hand useful again, and is able to walk with the aid of a cane. He no longer receives therapy. Our best wishes to you for a complete recovery.

The following members were at the Cuyahoga Falls (Akron) Hamfest on Feb 24th: KB8YS Donna; W8WRJ Carol; KA8MNU Dolly; K8MZT Shirley; KD8SC Roseman KA8MPH Mary; WD8IKC Doris; KJ30/8 Joanne; N8FCP Maryhelen; N8FEB Pat; N8AJU Sue; N8EQU Cathy; WA8VTS Ann; KA8SWV Brenda and WD8BTS Polly. WA8VTS Ann and OM Lou left the hamfest early as they were on their way to Washington, D.C. Ann reported they were having a great time. They visited the Radio Station Smithsonian and were planning to operate the station, NN3SI, the following day. They also got to "touch" the moon rock at the AF and Space Museum.

WD8MIO Connie attended the ARRL Convention at Cincinnati, OH February 23/24 and reports she saw K8DHC Carol; N8EEG Sally; KD8KU Julie; KD8WS Sister Marjorie; and KD8US Marilyn. Connie is now back at work for the Telephone Company in WV.

KJ30 Joanne and OM Larry remain very busy with club work, VE Team FCC exams, her OM's year end business work and taking care of three harmonics, they both found time to attend and enjoy the Mansfield and Cuyahoga Falls Hamfests. Joanne is very glad to be active on the new 2 meter YL nets.

A18V Carol said the guys got a real laugh when she told them at their meeting hey; good our YL net was and we timed out the machine 3 times. Oh

well, we do have a reputation to uphold. Al8V Carol Richards is the energetic President of the huge Northern Ohio ARS (NOARS). We incorrectly listed her as AE8V in VLH #1. Sorry, Carol.

I want to thank all the gals for all the news this time and for the warm welcome when I do get the chance to join nets for the first time. There's a lot of news out there, gals. I can get on all modes. 33 and 76.

*(Ed Note: I just received (3/9/85) a note from W8UAP Marion E. Bees apologizing for sending her Directory Info, sheet so late. She says, "I came into the hospital as emergency on Feb. 21 with blood clots in my lungs that followed surgery on my knee that was done Feb. 7. I'm still confined in bed in the hospital with IV attachment until my lungs give me enough air to walk with crutches and not become exhausted." Marion, our loving thoughts and prayers are with you for your complete recovery.*

**NINTH DISTRICT NEWS** Ann Amhott, K9RXK  
.....

I am sitting at the kitchen table looking out the window at snow and ice. The weather has been so bad that local schools have been cancelled for the past two days. I hope that by the time you are reading this, flowers are blooming and winter has long been forgotten.

Adah W9RTH has been told that she has cataracts on both eyes and is having one removed and an implant done the middle of February. She is going to her daughter Floreine and son-in-law's home in Indianapolis while she recovers. The other cataract will be removed later. Adah got a new microwave for Christmas and reports she has been trying all kinds of recipes. You will have to let us know if you have an especially good one Adah. She has also been busy making gifts for the convention in June.

Diane WB9UKD and OM Larry WB9UKA are both teaching Electronics at Vincennes University. Over Christmas vacation they traveled Amtrack to visit son WB9UKE Larry, Jr. and wife Kathy KA9PFT in Shreveport, LA where they are both employed with ATT. WB9UKC Carol is studying Cosmology at V.U.

Margaret WB9YIF was traveling with OM to northern Illinois for a family visit and was visiting along the route with her 2 meter hand-held. She reports she had an exciting 3-way QSO with Jodie N8ALJ in Champaign, IL and Dot W9NBW in Mt. Carmel, IL. Margaret had just finished hand-knitting a sweater for me with my call letters on the back and told Jodie about it. Hi, Jodie! I'll see you in Las Vegas and show you the sweater. Margaret does lovely work and I'm proud of the sweater.

Dot W9NBW had to get a back brace and she reports that it helps her when she is up and about. OM Mac is also feeling better and has been able to walk to the mailbox. I hope you both continue to improve.

Peggy W9JUJ continues to be very busy with CW Traffic nets and Barb KD9JJB is quite busy with Phone traffic nets. Barb sadly reports that Rosie (whom I called Ruby in the last report), their beautiful doberman, was hit and killed the last week of December. Also Samantha their granddaughter has gone home so it's very quiet at their QTH. So quiet that Barb says she has been studying seed catalogs to hurry time along.

Mary KA9JJB and OM had sap running in their sugar Maples over Christmas and gathered several gallons. On New Years Day they made a gallon of syrup, since they it's gotten so cold I expect the sap has gone to the basement of the trees. Mary has been having fun learning writing with her talking computer. She says the computer's voice takes awhile to get used to but last report was that she was doing quite well with it. She is starting edelweiss seeds indoors for her herb garden. She received the seeds from a YL ham in France. We'll be interested in how they do, Mary.

Fran, K9ILK has seen deer tracks close to her QTH as she puts salt out for them. Her drive is so Ley that she has been parking her car on a hill and wears her golf shoes to walk from house to car. She's been busy feeding

the birds and reports that her Christmas Cactus has been blooming continuously since she brought it in last fall.

Mary KS9N and Betty KC9V are both Volunteer Examiners and have been quite busy with exams. Good work gals. Let us hear about your Hawaiian trip, Betty. I have joined a team of six other volunteer examiners and will be working with them in our southern Indiana area. Ann K9RXXK hasn't done anything exciting except getting stuck in a snow drift about one-quarter mile from home. Thank goodness for my 2 meter mobile-rig - I was able to get help: OM Frank with shovel.

I'd love to hear more from the Ill. and Wise. YLs, as well as Ind. YLs. Send me some news. 33.

TENTH DISTRICT NEWS

MaJ TVMMi, KBOZC

---

Spring is definitely on the way regardless of what the weather folks might be saying. I saw the first robin of the season this morning and that is a good enough indicator for me.

5-land's loss is our gain. Joy Dufraim has written that she and her family shall be moving to Missouri very soon. May of '8A was upgrade time for her and she now uses the call of NQ5R. Her oldie was KD5TI. Her new address shall be PO Box 223, Wright City, Missouri 63390. Congratulations, Joy, and welcome to our beautiful state.

Nina McKittrick, W80NAC, underwent some very major surgery in December of last year, and spent four days of her post-operative course in the Intensive Care Unit. The last word I received was that her doctor had given her permission to drive again and that she was continuing to mend. Our prayers are with you, Nina, for continued recovery. I apologize for not getting this into the last HARMONICS.

I've had a wonderful surprise in hearing from Marie-Jeanne De Clerck, ONAAYL. She is interested in organizing a YL gathering in her country and would like to learn more about United States YLs. She has written to all U. S. districts with this request. Perhaps there are several of you 0-land gals who would like to contribute to her efforts and tell her about your particular corner of our country. She welcomes slides and I would guess any other visuals you would care to send. She is also interested in hearing about you and your families, your interests, clubs, etc. I don't know if there is a set date yet, but I suppose the sooner Marie-Jeanne receives these parcels, the happier she'll be. Her address is: Heirweg B, 9990 Maldegem, Belgium. If you have any questions regarding this, please write to me, and I'll answer as best as I can.

The past two months have brought Jerry and I more quiet time; no complaints about that. The flu bug bit with a vengeance in mid-January. We are both feeling much better, but that darn bug keeps nibbling away every now and then just to let us know that he's still in the neighborhood. Ahhh-choo!

I am hoping that conditions improve soon 'cause I am missing my friends from Tangle Net very much. I'd been looking forward to seeing many of them at the Convention in June, but at this point I don't think we'll be attending. We may have to make a family-related trip and we don't feel that we'll be able to accomplish both. To all whn do attend: HAVE A BALL. My thoughts will be with you. 33 and God bless.

Greetings from the far North. We are having a short winter spell towards the end of February. Has been in the -30° to -40° range the last ten days. But after the real mild January we certainly can't complain. The sun is really bright and warm with the daylight up to 9^ hours now. It's a trade off. If the sun shines and the skies are clear the temperature does drop down at night. If the clouds come in it is warm but so gloomy..

Had a nice chat with Carol, WB7PWB/KL7. She lives on Ft. Wainwright, which is just on the other end of town from us. Her father was to drive up the highway, mobiling along the way, but as usual the bands were in horrible shape so we never did hear him. Hope they are having a nice visit. Carol has decided to go back to school since her children are all in school. She is going to study cosmetology and related subjects at the local Beauty School. Good luck to you, Carol.

Heard a visitor to our area, Ruth Ann, N6HIW on two meters yesterday. She is in the area to welcome a new granddaughter. Congratulations, Ruth Ann. Hope we can get together before you go back south.

All is going well at our QTH. The sorting continues. After 22 years here it is hard to decide what shall be kept for later when we come back ashore, and what needs to be disposed of. Won't have to prune my shrubs again this year. Our moose was back this week and did the rest of the ones she missed in December... .What fun to watch, but you don't realize how big they actually are until it is just outside the window and it is looking down at you. 33.

I am starting to get excited about the Convention in Las Vegas, coming June. Irene, VE3AUR and myself have our plans in order, and are looking forward to a good time.

Ivy, VE3IV and John, also Irene, VE3IRS and John (that's a nice popular name) are planning on the convention then going in different directions, lots to see and do.

Marjorie, VE7EH1 has been traveling, tried to get some news outside Ontario and all seem to be busy. Margaret, VE7DKC is at present in the Phoenix, AZ area, mobile. Good time of the year to be down that way.

Jeanne, VE2JZ received tickets for the Anne Murray concert. Her dipoles are up again, so we hope to hear her. The family has just got a female pup. Her son Brian was going to a winter camp on the Quebec-Maine border. That should be fun.

In the AC/DC CLARA contest last October, VE1BWP Jeannine was 1st, VE3EQE Margaret 2nd, and Thelma VE3CLT 3rd.

From Barb, VE3KTX: She is responsible for getting the Niagara Peninsula bulletin out on time. The club has just had their Hamfest and dinner/dance which was a huge success. She hasn't been too active on the air, was on YLAP CW contest, but missed the phone portion (for the first time since she was licensed). Jusf put up a new vertical antenna with 80 meter capabilities.

She enclosed one of her business cards. It is a new endeavour she just started in January. It is going over very well, and really keeps her busy. She has several YL hams in her classes. Business is: MICRO-GALS computing. B.A.S.I.C. programming courses for women..."Take the first step towards computer literacy.." If I lived closer I would be tempted.

So until next column, 33.
