YL HARMONICS is published by and for the members of the YOUNG LADIES' RADIO LEAGUE, INC. YLRL is a non-profit, fraternal organization comprised of Women Amateur Radio Operators, incorporated as such under the laws of the State of California. Dues are \$4.00 per year, due and payable March 1, and delinquent March 31. For new and reinstating members joining after August 31, the dues may be pro-rated by half the annual dues for that fiscal year (currently \$2.00). Dues for DX members are \$4.50, and may not be pro-rated for portions of years. Dues for a "family member" are \$1.25; and subscriptions by non-members are \$4.00 per year, and may not be pro-rated for portions of years.

RESULTS OF VOTING FOR CHANGES IN THE YLRL CONSTITUTION AND BY-LAWS

ARTICLE III-OFFICERS (By-Laws) Sec. 2., shall be changed to:

The President and Vice President shall be eligible to succeed themselves for a second term, but shall not be eligible for a third consecutive term. (This does not mean that they cannot run for ANOTHER Office - only that they cannot hold Office of President or Vice President for more than two consecutive years.)

PASSED 156 YES 15 NO

ARTICLE VI-OFFICERS (Constitution) Sec. 3., shall be changed to: Only full, family, or life members who have been members in good standing for at least two consecutive years immediately prior to taking office shall be eligible to hold office as defined in Sec. 1 of this article, or one year in the case of District Chairmen (Sec. 2).

PASSED 171 YES 19 NO

In addition to the 171 ballots counted for the CB&P changes, there was 1 ballot received with no identification

on the mailing envelope so that it was impossible to establish membership status. This ballot was discarded and not counted.

CONTEST RESULTS

We are deeply sorry about the errors made in computing the scores for the DX-YL CONTEST. In the CW portion, please note the following changes & corrections:

2nd Place CW: VK3KS

3rd Place CW: F9IQ

Phyllis, W2GLB, was "missed", Phyllis came in 4th Place in the Phone Section with a score of 1,102 points.

AWARDS

TO ALL WINNERS OF CUPS AND PLAQUES:

Due to increasing costs of small orders, all cups and plaques will be purchased and engraved at the same time, when the 1979 YLRL Contests are completed and winners computed. These trophies will be then mailed as soon as they are completed.

We regret the delay, but the cost of small orders is prohibitive. We hope all winners will understand our problem.

We wish to congratulate you, each and everyone, for your fine work and high scores. Please join us in all our contests and we hope you are continued winners.

Signed: Margaret, KI4W, and the Vice-Pres Committee.

Message From the President

Enjoy the Convention coverage!

Phyllis, W2GLB

Ed's Note: Phyllis made her message very short to allow space for the Convention pictures, etc.

Birthday Cake, YL 40th Convention!!!

PREFACE: Please send in your Ballot on this vital issue at once. The "RESOLUTION" states both the old articles and the articles as they will read after an affirmative vote of the members.

Please note that the "RESOLUTION" is typed in its entirety beginning on Page 5.

If you do not wish to remove this page from your copy of HARMONICS, this page may be duplicated.

BALLOT

RESOLUTION TO AMEND ARTICLES OF INCORPORATION of YOUNG LADIES' RADIO LEAGUE, INC.

Shall the Articles of Incorporation of the Young Ladies' Radio League, Inc. be amended as proposed to meet the IRS Standards for 501 (c) (3) status of the IRS code?

YES _____

NO _____

This Ballot must be returned to Ione O'Donnell, WA2DMK, Secretary. QTH: Newcomb, New York 12852

BEFORE 3 December 1979

NAME & CALL ON ENVELOPE PLEASE: THIS INFO IS NEEDED TO
VALIDATE YOUR VOTE

Yls: Eila, WA8EBS, has worked very hard for several years, gathering information and material, to bring us this IRS Ruling to "the last hurdle". Please give her and YLRL your support. Please VOTE on this issue, thereby letting Eila know that her efforts were not in vain.

To Eila and her hard working Committee; YLRL thanks you for your years of devotion to this project.

BY: Jerrie, K6INK

Dear YLs: Again I face the problem of no space for all of our regular features, even for my own column!! Forgive me for being late with this issue. Stoney & I were on a months vacation sailing our local waters. In Newport we had an eyeball QSO with Francis, WB6QBZ, & her OM Ernie, WA6QCA. This was delightful after the extreme heat we had here... To add to my delay, shortly after arriving home, I had an "accident". The shelf holding my Drake TR-7 Power Supply, collapsed and fell on my leg, with the Power Supply gashing my leg, almost to the bone. The stitches were taken out yesterday, but I'm still limping!! Always something!!

R E S O L U T I O N

RESOLVED:

That the provision of the articles of incorporation of the Young Ladies' Radio League, Inc. which now reads:

SECOND: The primary purposes for which this corporation is formed are:

To further cooperation among women radio amateurs; to develop proficiency in the art of amateur radio operation, and to further the interest of amateur radio.

In addition to the primary purposes, the corporation shall have the following general purposes or powers:

To engage in, carry on and operate anywhere and everywhere any and all business affairs, enterprises and undertakings which any citizen of the United States of America might engage in, carry on and operate, including any and all powers and rights of any such citizen to acquire, own, hold, deal in and dispose of any and all kinds of property, real, personal and mixed, tangible and intangible, including powers and rights to mortgage and sell and otherwise dispose of any part or all of its own corporate assets and property, subject only to any specific restrictions imposed by the laws of the State of California or the laws of the United States of America, and further, in addition to the foregoing powers which any such citizen of the United States of America might have in engaging in, carrying on and operating any such business affairs, enterprise or undertaking, to enjoy, exercise and hold any and all powers and rights which a corporation may enjoy, exercise and hold, including the holdings and use of franchises, licenses and rights of acquiring property by eminent domain, subject to any specific restrictions imposed by the laws of the State of California or the laws of the United States of America.

To form, promote and assist financially or otherwise, companies, syndicates, partnerships and associations of all kinds, and to give any guarantee in connection therewith or otherwise for the payment of money or for the performance of any obligation or undertaking.

To borrow money and to make and issue notes, bonds, debentures, obligations and evidences of indebtedness of all kinds, whether secured by mortgage, pledge, or otherwise, and generally to make and perform agreements and contracts of every kind and description.

To do all and everything necessary, suitable and proper for the accomplishment of any of the purposes or the furtherance of any of the powers hereinbefore set forth, either alone or in association with other corporations, firms or individuals, and to do every other act or acts, thing or things incidental or appurtenant to or growing out of or connected with the aforesaid business and powers or any part or parts thereof; provided the same be not inconsistent with the laws under which this corporation is organized.

The foregoing clauses shall be construed both as objects and powers, and it is hereby expressly provided that the

(Page Two of RESOLUTION)

foregoing enumeration of specific powers shall not be held to limit or restrict in any manner the powers of this corporation.

This Article SECOND: is amended to read as follows:

SECOND: The primary purposes for which this corporation is formed are:

To further education and cooperation among women radio amateurs; to develop proficiency in the art of amateur radio operation, and to further the interest and instruction of amateur radio.

In addition to the primary purposes, the corporation shall have the following general purposes or powers:

Said corporation is organized exclusively for charitable, educational, and scientific purposes, including, for such purposes, the making of distributions to organizations that qualify as exempt organizations under section 501 (c) (3) of the Internal Revenue Code of 1954)or the corresponding provision of any future United States Internal Revenue Law).

RESOLVED: That the provision of the articles of incorporation of this corporation which now reads:

FOURTH: That the principal office for the transaction of business of the corporation shall be located in the County of Los Angeles, State of California.

This article is amended to read as follows:

FOURTH: The place in this state where the principal office of the corporation is to be located is the City of Burbank, County of Los Angeles, California.

RESOLVED: That the articles of incorporation of this corporation are hereby amended by the addition of new Articles, FIFTH; SIXTH and SEVENTH; to read as follows:

FIFTH: The names and addresses of the persons who are the initial Trustees of the corporation are as follows:

Name:	Address:
Jean M. Kincheloe	P.O. Box 1430, Los Gatos, California 95030
Connie Hauck	794 W. 23rd St., Upland, California 91786
Gladys Eastman	Deceased.

SIXTH: No part of the net earnings of the corporation shall inure to the benefit of, or be distributable to its members, trustees, officers, or other private persons, except that the corporation shall be authorized and empowered to pay reasonable compensation for services rendered and to make payments and distributions in furtherance of the purposes set forth in Article SECOND hereof. No substantial part of the activities of the corporation shall be the carrying on of propaganda, or otherwise attempting to influence legislation, and the corporation shall not participate in, or intervene in (including the publishing or distribution of statements) any political campaign on behalf of any candidate for public office. Notwithstanding any

(Page 3 of RESOLUTION)

other provision of these articles, this corporation shall not, except to an insubstantial degree, engage in any activities or exercise any powers that are not in furtherance of the purposes of this corporation.

SEVENTH: Upon the dissolution of the corporation, the Board of Trustees shall, after paying or making provision for the payment of all of the liabilities of the corporation, dispose of all of the assets of the corporation exclusively for the purpose of the corporation in such manner, or to such organization or organizations organized and operated exclusively for charitable, educational, religious, or scientific purposes as shall at the time qualify as an exempt organization or organizations under section 501 (c) (3) of the Internal Revenue Code of 1954 (or the corresponding provision of any future United States Internal Revenue Law), as the Board of Trustees shall determine. Any such assets not so disposed of shall be disposed of by the Court of Common Pleas of the county in which the principal office of the corporation is then located, exclusively for such purposes or to such organization or organizations, as said Court shall determine, which are organized and operated exclusively for such purposes.

RESOLVED: That the provision of the articles of incorporation of the Young Ladies' Radio League, Inc. which now reads: IN WITNESS WHEREOF, we, the incorporators and persons hereinabove named as directors, have hereunto set our hands and seals this 15th day of April, 1960.

(Signed) Gladys Eastman

(Signed) Connie Hauck

(Signed) Jean Kincheloe

This paragraph is hereby amended to read as follows:

IN WITNESS WHEREOF: we have hereunto subscribed our names this 30th day of June, 1979.

YL HARMONICS is the official
publication of the Young
Ladies' Radio League, Inc.

'What you see is what you get' becomes 'you ain't seen nothin' yet'

Kay Eyman, WA0WOF

Members of the Young Ladies' Radio League (YLRL) had good cause for celebration when they met in Philadelphia 29 June through 1 July. Not only did they help fete America's 203rd birthday during Philadelphia's Freedom Week, they were also celebrating YLRL's 40th birthday during the 8th International YLRL Convention.

In honor of the occasion, Pennsylvania Governor Richard Thornburgh and Philadelphia Mayor Anthony Rizzo proclaimed 24-30 June to be "Young Ladies' Amateur Radio League Week." Two months earlier, Senator Barry Goldwater, K7UGA, had honored YLRL's services by reading an announcement of the convention into the Congressional Record.

Ethel Smith, K4LMB, founder of YLRL, briefly recounted the story of YLRL's origin. In 1939 she read an advertisement designed to attract the notice of YLs. Bordered in black lace, the ad noted that the contributions women had made to the service of Amateur Radio were going unrecognized, largely because no one even knew "how many of you YL key-twitchers

there are."

Ethel replied to this ad with an open letter to YLs, which was published in the July 1939 issue of *QST*. It read, in part: "Perhaps we should band ourselves together in a YLRL or something to that effect and make these women-ignoring editors sit up and take notice." Twelve other YLs agreed and responded to Ethel's letter.

By September of that year a constitution had been drafted and was approved the following month. The YLRL was born. It has since grown from its fledgling stage to an organization with over 1,400 members, representing more than 40

countries.

Ethel's address to the convention included two familiar phrases that aptly sum up YLRL's progress: "You've come a long way, baby... but you ain't seen nothing yet!" The 13 original charter members were recognized during a luncheon and information on their current activities was provided.

PJYL president and convention co-chairwoman Sylvia Soble, W3SLF.

Convention chairwoman Christine Haycock, WB2YBA.

CONVENTION HIGHLIGHTS

For those of you who were unable to attend the 1979 YLRL Convention and 40th Birthday Party (you were truly missed!), we will attempt to reconstruct the highlights.

Thursday, June 28, YLs began arriving at the Holiday Inn, in Philadelphia, from all over the country. To add to the excitement, was the presence of DX YLs from England, Germany, Luxembourg, Swaziland, and Alaska.

The official station, W3YL, operated almost continuously from Thursday until Sunday, with YLs and OMs making contacts on all bands. The station call was that of Sandy Rutiser, with Drake Twins furnished by Jan-WB2JCE and an ICOM-22 furnished by Mollie-K3FY5. A nifty QSL card, designed by Rose Ellen-N2RE, has been sent (or hand delivered) to those contacting the station.

Registration began Friday and YLs congregated in the Hospitality Room and the radio shack for eyelash QSOs, to renew friendships, and exchange swaps.

Saturday festivities began bright and early with a breakfast for officers and committee members hosted by YLRL President, Phyllis-W2GLB. This provided an opportunity for officers to become better acquainted, exchange ideas, and approve revisions made by the CB&P Committee, who had worked long and hard on Friday afternoon.

At the YLRL Forum, chaired by Phyllis-W2GLB, 25 clubs were represented, and the following DX YLs were introduced: G4BML, LX1TL, DK9ZL, JA1AEQ, JF1WMY, 3D7AG, and WN7ABK. Officers for 1979 were also introduced.

Following is a thumbnail sketch of committee reports: EILA-WA8EBS reported that we now have our IRS reclassification as an educational, scientific, and charitable organization; this means a tremendous savings in postage.

ETHEL-K4LMB reported that the Scholarship Fund is currently at \$380, with \$300 pledged. The Fund is administered by the Foundation for Amateur Radio, but contributions should be sent directly to the Disbursing Treasurer and are tax deductible.

A panel of YLs, consisting of WA2QYZ, W5RZJ, WA8EBS, W3BIW, and G4BML related their experiences in various phases of ham radio; all were both entertaining and enlightening.

Phyllis-W2GLB reported that there are still a few copies of the 1974 Directory left. The YLs present voted to print another super-type directory next year and Blanche-K1IZT was appointed as chairman for the preliminary work of gathering material, etc.

MARTHA-W6QYL proposed assembling a world-wide directory of YL operators and requested the support of all clubs and YLs in searching out the names and calls of all YLs throughout the world.

Discussion was held on the timing of the next convention, with a majority favoring conventions in 1982, 1985, and 1989 to enable us to celebrate our 50th anniversary. The site will be announced as soon as one of the clubs volunteers to be hostess.

Madeline Greenberg-W2EEO and her OM, W2LH, gave a most entertaining and enlightening presentation of the best way to put up antennas. This was geared specifically towards YLs, so you'll probably be hearing some super signals in the near future.

YLRL LUNCHEON - With Sylvia-W3SLF acting as Mistress of Ceremonies, the YLs (and a few OMs) were served a delicious luncheon, followed by drawings for prizes. In the typical YLRL tradition, lovely prizes were donated by members and clubs, so each YL registered received at least one prize and many received two. The table centerpieces, a brainchild of Bert-W3TNP, were gorgeous floral arrangements depicting our girl on the globe and were given as prizes at the close of the convention.

YL/OM BANQUET - Always a festive occasion, this event prompted many of the YLs to don evening attire, which was truly beautiful. Councilman Melvin J. Greenberg, of the City of Philadelphia, presented Phyllis-W2GLB, YLRL President, with a citation from the City of Philadelphia, proclaiming YLRL Week in Philadelphia. He was thoughtful enough to bring along extra copies so that every person present received one. Entertainment was provided by the Sweet Adelines, whose choice of choral selections and harmony brought a touch of nostalgia to the audience. Louise Ramsey Moreau-W3WRE, as main speaker of the evening, held the audience in the palm of her hand as she delighted us with tales of prominent women in amateur radio throughout the years. And then there were prizes, prizes, and more prizes, which generated all kinds of excitement.

SUNDAY A.M. BREAKFAST - Following the invocation by Rose Ellen-N2RE, Beth Taylor spoke of her experiences in obtaining a license the the difficulties she encountered along the way, both in getting the license and operating her equipment with a handicap. Our celebrity speaker, BEVERLY WILLIAMS, Anchorwoman for KYW-TV, in Philadelphia, encouraged us as viewers to make our preferences in TV programming known to the station managers and also gave us a glimpse of the humor which occurs behind the scenes in the TV Newsroom. Liz-W3CDQ followed with sketches of YLs she has met through ham radio, and Claire-W6TON demonstrated her bell collection, explaining the origin and history of each bell. This is a truly beautiful collection.

At noon, Christine-WB2YBA reluctantly closed the convention, the YLs attending reluctantly packed their bags, and even more reluctantly bid fond adieus before departing for home, taking with them memories of a glorious weekend (and a few cases of laryngitis) which will be a topic of conversation for a long time to come.

(Contributed by Jan, WB2JCE; thank you Jan)

NOT FOR SALE

ALL THE MEMORIES of the
YLRL 40th Anniversary Party,
The sincere ENCOURAGEMENT received
from thoughtful YLs,
A MIDNIGHT QSO with
YLs who truly listened,
The clever SWAPS,
including my frustration pencil,
The THRILL of meeting our friends
from across the seas and borders,
Those SPECIAL THANK YOU NOTES
from special people,
Sorri Folks, they can't be bought, they are priceless.

We Care about U

Thanks to Vi, W2JZX, for the new "Headings" she made for HARMONICS.

NOTE: Please note the correction for YLAP scoring:

ARRL Section to DX	- 2 points
DX to ARRL Section	- 2 points
DX to DX	- 1 point
ARRL to ARRL	- 1 point

All logs received within 30 days after Contest will be accepted.

Linda J. Skjervem, WB5LMZ, of El Paso, Texas, is the new recipient of YLRL Scholarship.

Linda is a Jr. at the University of Texas, majoring in Electronics Engineering.

YLRL sends thanks to Keiko, JA8EJH, and Harumi, JA8WQY, for the generous donation they sent to buy gifts for our Convention, and towards the Scholarship Fund. The Convention money was used to purchase prizes for the OMs lucky enough to attend.

From Diana, G4EZI: It is so nice to welcome so many YLRL members to BYLARA. Please note that an error was made in computing dollars to pounds. The current equivalent value is \$4.00, not \$3.00 as previously printed in YLH. Our poor Treasurer is having to make the difference up herself! It is all my fault, I just don't understand high finances, hi, hi!!

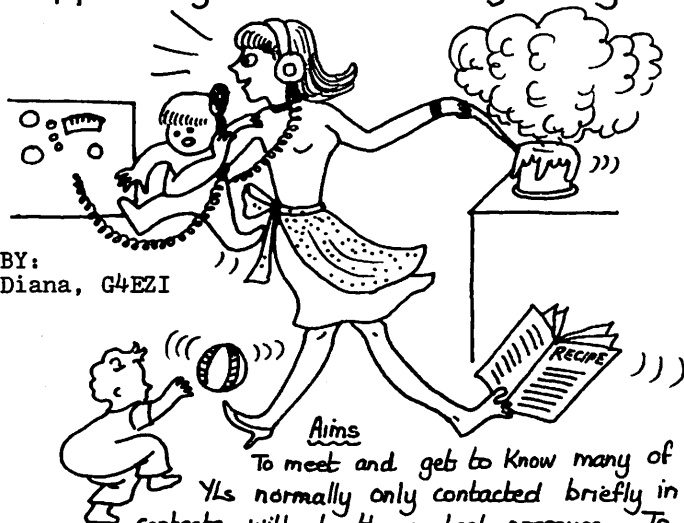

From Mary, G4GAJ, BYLARA Editor: We would like to have a "postbag" type idea, a bit like the various District News in YL HARMONICS; with lots of snippets of news from people, rather than long articles as we've been getting previously.

Please send all news to Mary for inclusion in Newsletter -- news of holidays, new additions to the family, license upgrades, rare DX or new YLs heard, etc. Anything which might be of interest to other YLs to read, no matter how short. (Ed note; how nice to know that BYLARA likes HARMONICS!!)

From Esther, W6BDE, BAYLARC Director: Please show a correction to indicate that G8LY, Constance; and ZL3AAB, Zelda; are adoptees of BAYLARC, & have been for years. Inadvertently, the club Treasurer, had been shown as sponsor. We worry that our two adoptees might think we had forsaken them.....

AMATEUR RADIO GRANDMOTHERS' CLUB AWARD: YLs, when QSL-ing to another YL, please show your number and date of Award, enabling other Grandmothers and/or Great Grandmothers to earn their Award also.

Support your YL Activity Days !

BY:
Diana, G4EZI

Aims

To meet and get to know many of the YLs normally only contacted briefly in contests, without the contest pressure. To have more personal QSOs than is possible in a formal net. To meet old and new YL friends without the necessity of making and keeping numerous skeds.

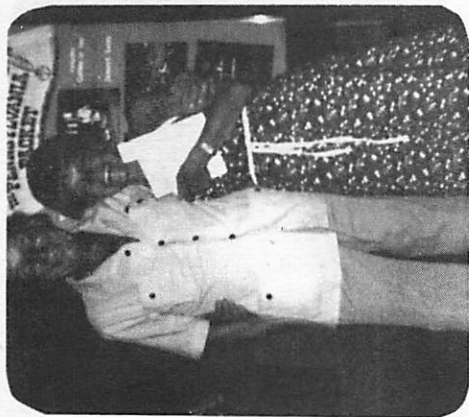

Dates The 6th. of Every Month.

Frequencies Around 14.288, 21.188, 21.388, 28.688 MHz.

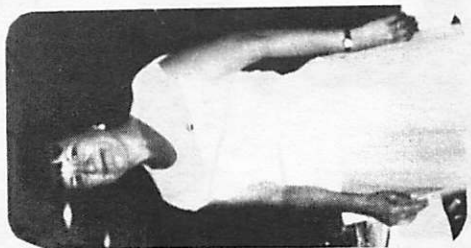

Times On the hour, every hour. Call "CQ YL" if no YLs heard. Others may be listening!

Due to the many pictures, etc., in this Issue of YLH, there will not be any District News. Next issue, will, of course, contain the District News. My apologies to the District Chairmen, who so faithfully send in their news each issue. Any pertinent information received to date, will be printed on another page of this issue. I will try to combine the remaining news next time. Thank you for your understanding, Jerrie, K6INK.

U P G R A D E

Congratulations to some very busy ladies.

Gerry is a new YL with a collection of calls: N1AMY for General class, March 1979. KA1FF for Advanced 17 May 1979. AG1U for Extra Class on 31 May 1979.

KA2EAU, Bonnie, passed her General in July.

WB2OHD, Peggy, passed her Extra Class along with her OM Tom, WA2OHD.

N2BAS, Dottie, now General Class, ex-WA2SHB.

WB3CEJ, Betty, passed General Class.

WD4NKP, Martha, now Advanced Class, as of 2 May.

WA8QPN, Verline, passed General Class in Jan. 1979

WD9UKD, Diana, now Extra Class.

A late note received from two YL-OM Up Grades:

WD4HHN, Kay, upgraded to Advanced; OM, KA4DBK is now a Novice.

WD4RFL, Evelyn, upgraded to General, along with her OM Henry, KA4BET.

Congratulations to all.

**We're convinced...we've built the world's
finest amplifier in its class!**

HENRY RADIO'S

1KD-5

THE NEWEST MEMBER OF THE FAMOUS HENRY RADIO FAMILY OF FINE AMPLIFIERS

The 2KD-5 and 2K-4A linear amplifiers completely fulfill the needs of discriminating amateurs who want the very best and are willing to pay the price. But we have long felt that many amateurs would be satisfied with less power if they could still have the same high quality and dependability. The 1KD-5 fulfills that need beautifully.

- Quality that is unmatched in any other linear in its class. The same high standards of engineering and construction as the 2KD-5 and 2K-4A. Heavy duty components guarantee years of trouble free, dependable performance.
- Smaller and lighter. Weighs about 27 pounds less... easier to take along on vacation trips and DXpeditions.
- Less expensive. If your budget is limited, but you still want a GOOD quality linear to kick your signal way up, with sharp, clear signals, the 1KD-5 will give you just about everything you want... and without sacrificing quality.

GENERAL INFORMATION

The 1KD-5 is a 1200 watt PEP input (700 watt PEP nominal output) RF linear amplifier, covering the 80, 40, 20 and 15 meter amateur bands (10 meters on units shipped outside the U.S.)

Tube Complement: Eimac 3-500Z glass envelope triode operating in a grounded grid circuit.

ALC Circuit: ALC Circuit to prevent overdrive from high power excitors, also boosts average talk power.

Type of Emission: SSB, CW, RTTY or AM.

Antenna Relay: DC relay system for hum-free operation, requires shunting contact to ground during transmit to key amplifier into transmit.

Power Output Indicator: Self-contained relative RF power meter.

Tank Circuit: Pi-L plate circuit with a rotary silver plated tank coil for greatest efficiency and maximum attenuation of unwanted harmonics.

Input Circuits: Cathode Pi input matching circuits for maximum drive and linearity.
Power Supply: Conservative power supply with solid state rectifiers for reliable long term operation.

Dimensions: 8 7/8" high x 14" wide x 15" deep

Weight: 48 pounds

Price: \$695.00

2K-4A floor console linear amplifier... still the "workhorse" of Amateur Radio. Engineering, construction and features second to none. Provides a long life of reliable service while its heavy duty components allow it to loaf along at full legal power. **\$1195.00**

2KD-5 desk model linear amplifier... lighter, more compact and less expensive, but still a heavy duty, high quality linear that will operate at full legal power month after month for years to come. **\$945.00**

Tempo 2002 amplifier for 2-meter operation. 2000 watts PEP input on SSB or 1000 watts input on FM or CW. **\$795.00**

Tempo VHF/UHF solid state power amplifiers for use in most land mobile applications. Call or write for list of models available.

Tempo 100AL10 VHF linear amplifier. Power output of 100 watts (nom.) with only 10 watts (nom.) in. **\$209.00**

3K-A linear amplifier (for export and military use only) Superior quality, extremely reliable. At least three kilowatt PEP input on SSB... 2000 watt PEP output. **\$1595.00**

4K-ULTRA linear amplifier (for export and military use only) For the most demanding operation... SSB, CW, FSK or AM. For general coverage operation from 3.0 to 30 MHz, but can be modified for operation on frequencies up to 100 MHz; 100 watts drive delivers 4000 watts PEP input. **\$3450.00**

All of the above except the 2002, 3K-A & 4K-ULTRA are available at Tempo dealers throughout the U.S.

Left to Right: Louisa, W5RZJ, with Myrt, ZL4GR; in New Zealand, where Louisa had a ball visiting old friends, & meeting new ones. Myrt sent along a gift for the Convention, with Louisa presenting a copy of "CQ YL" to Myrt.

Myrtle was the first licensed YL in New Zealand. In Feb. 1980 she will celebrate her 50th year of being a ham. Myrt is ex-ZL3AG, OM is Fred, ZL4AM. She remains active on the air. She is a lively interesting YL.

IN SYMPATHY:

Jessie Brabb, K7TWQ, passed away suddenly on 1 Sept. 1979. Jessie and her OM Clarence were very active hams in Idaho. Jessie was

active in MINOWs, having held the office of Secretary-Treas.

#####

NOTE: When hearing of the passing of a YL, please notify YLRL Secretary as soon as possible, so that a card may be sent to the family immediately.

BY: LEA ZWACK, WA2NFY - DX-YL CORRESPONDENT

Today I would like to introduce all the new members, I am sorry I forgot to do this the last time.

To every one, our heartiest welcome, we wish you all many years of Happiness and Friendship.

C6AEN, Sister David works as a Missionary in Bermuda in the winter months and comes home to Maine in summer. We wish Sister David, Gods Blessings for her work.

DF4ZX, Isolde, we welcome her as a new YL and will be listening for her call.

DF3TE, Elfi's family all are all Hams, she is very happy to belong to YLRL. Elfi visited the USA last year and says she had a great trip.

YU1OKS, Vesna, wrote a beautiful letter, in English that was "written so well". Vesna has not been on the air due to the study she had for exams. She has now passed her exams and is a D.M., congratulations Vesna. We hope to hear you on the air soon on voice. Vesna used to work CW.

A4XHY, Ute, lives in a rare DX country, we all would like to have a QS0 with you.

G4HYL, Sheena, is a R.N. and works often in patients homes. Her OM is also a Ham, he praises YL HARMONICS and the great job the YLs are doing; thank you John. Both have visited the USA. We hope to have more QS0s with both of you.

AP2YL, Neveen, is now in England for a 2 year stay. We will be looking for you on the air when you get back to your QTH in Pakistan. For the time being, Neveen is the only licensed YL in Pakistan.

SM5HYL, Rozita, met her OM on the air after communicating with him for 7 years, hi!! A native of Hungary, she now lives in Sweden with her OM Ken. Her dream is to visit the USA. Rozita operates on the YL System on Saturdays and Sunday.

Note: de Editor, Rozita's sponsor, has invited her & Ken to come visit. I am trying to set up a sked with Rozita. I received the nicest & warmest letter from her thanking me for sponsoring her. She is on phone, but does work some CW.

HB9BIR, Alice, is the first YL to win an Award for Foxhunting, congratulations Alice. They are a family of all Hams, which include her OM and their three sons. Great!

G4EYL, Ann is a busy YL, other hobbies include sports, sewing, and camping. Ann is marrie to a RAF Serviceman. We wish you a speedy recovery from your knee surgery.

VU2UGI, Usha, is from Bombay. OM is VU2GI, they have a "lively" little boy. Usha is interested in Kindergarten and Montessori teaching. She & the OM built their own rig.

There are very few active YLs in India.

VK6YL: Gill writes long & interesting letters about her activities. When her daughter Mandy was ten and very busy with her Jr. Girl Guides, Gill decided to study electronics, at which time she discovered HAMS, and decided that was for her! With the assistance of many amateurs, an 80 ft. tower was erected, climaxing in a lovely "Open Tower Day" with 200 attending, resulting in a lot of cooking!

OM Bob is not a ham, he is interested in big & little motor cars & steam engines. Gill enjoys T-Hunts. She was born in England but has lived in Australia for the past 25 years. Gil and Heather, VK2HD, have a sked going on 14.170 at 0730Z, daily except on Tues, called the NATTER NET.

NOTE: There is now a VK-ZL YL Net on Tuesdays at 0930Z on 14.332 and Thursdays at 0930Z on 14.295. All YLs are welcome, either alone or with their OMs (YL-OM Team).

VK2HD: Heather loves to talk to YLs and find out abt themselves and their countries, says she has learned a lot via Ham Radio. Heather is so happy to be a YLRL member thru the sponsorship of Pat, WB0SXN.

G80GX: Mary hopes to take the exam for a higher license in the future so that she can work her sponsor and other YLs. Mary belongs to the newly formed BYLARA and writes the Newsletter for them in Braille for any YL who requests it. We wish to thank you for your service Mary.

LX1TP: Patsy, daughter of our well known Lea, LX1TL. We will be listening for you Patsy, happy hamming.

I0MLX: Lilia is from Rome. We hope to hear you on soon, Lilia.

G4IAQ: Judith is the Secretary of the new British YL Club, BYLARA. We wish her along with BYLARA, many new members and many happy years together.

ZL1BPM; Lorraine has two daughters and one son. OM is ZL1APS. She enjoys knitting. Lorraine won the WARO Trophy in 1979 for getting the most contacts in 4 hours.

VP8QG: Dee lives in the beautiful Falkland Islands. We found the perfect sponsor for her, Amy, KB4QG! May you both have a happy friendship for years to come.

ZS6AB0: Kuki, So. Africa, is a Dress Designer. She enjoys Ham Radio and is active daily on 10 & 20 Mtrs. Kuki is a member of CLARA and is the President of SAWRC. She enjoys being active and making new friends. OM is ZS6AK, Mannie, they have three boys, 11, 9, & 7 years old.

ZL2QY; Pearl is recovering from eye surgery, and we wish her all the best. We are so happy for the first contact with Pearl and the ZL YLs. A special thank you to Pearl for helping YLRL grow and sending new YLs to us.

To all the new members, welcome and happy hamming.

ZL2AZY: Binny sends a lovely letter. She is the President of the New Zealand YL Club. She is very busy with the Convention, Nets, & visiting Hams. Binny works for the Government in Walkway Developments and Forest Parks.

OELYHW: Gisela is a new YLRL member who keeps very busy with her home and two children, as well as working part time. She has been licensed since 1976, but is not very active; her QTH has 80 people, so TVI is a problem! Gisela says she hopes to see America again and be able to spend more time on her next visit.

DLIMS: Juliane is a very busy YL. She loves Transmitter hunts. All are hams in her family, they enjoy skiing. Juliane sends special thanks to her sponsor, Dorothy, K7ESA.

G4GSZ; Lauraine is President of her local Radio Club and is very busy preparing for their next Hamfest, plus taking care of two lively boys. She was thrilled to have contacted the first ZK YLs. Her OM worked the mobile rig into W7 Land, not bad at all!!

ZL4GR: Myrtle is approaching her 50th year as a Ham. Our congratulations, dear Myrtle. She was pleased to meet Louisa, W5RZJ, and her OM Joe. Grateful thanks to the WRONES who adopted Myrtle.

Y04UJ: A beautiful Easter card was received from Mary. Thank you very much, we are looking forward to meeting you on the air.

PY1DVQ: Barbara loves to write letters and is happy her sponsor keeps in touch. Receiving her YLRL Membership Card was the greatest Easter gift for Barbara. She loves to correspond with US YLs.

Listen for the PY YLs on the BRYLA Net on Wednesdays on 14.200, 1800Z.

JR3MVF: Kyoko "Miyo" is so glad to be a YLRL member. She and her OM visited Europe, where they had a chance to work the ITU station in Geneva. JA Hams are not allowed to use Repeaters, so they were happy to be able to use them in Germany. Miyo had an eyeball QSO with Anne, F6CYL. In Japan Miyo is very active on 15 & 20 Meters.

F2SQ: Alice works CW most of the time. She did not find many YLs in the Contest. A Lady Amateur for 10 years, Alice is married and has 3 children. One son is also a Ham.

9VITT/WA40TN: Madge sends 73 & 88 from Singapore, where there are only about 40 licensed Hams, with only one other YL. Forty & Eighty Meters are very limited. A recent Convention brought many Hams together, with a good time had by all.

ZS6GH: Diana likes travelling with her OM. On their last trip to Europe they slept in 34 beds! They met many YLs and received a warm welcome every where they went. Diana keeps in touch via Radio and mail. Another hobby of hers is stamp collecting.

DK8LQ: Gertrude is a Nurse. Her work along with her home & children keep her quite busy. We hope to have a contact with you soon.

HB9ARC: Greta is too busy as a Dentist, we miss her on the bands. C U Agn during vacation time. All the best.

G3NOB: Rita writes such nice letters; Yes, I love the Post Cards with views from the QTH. I keep them in a

special album, along with YLs pictures, when I have one! I am waiting for a long QSO about the beautiful wildlife, birds, and flowers in your country. Best wishes to all from Rita.

HB9ACO: Helene tells about the 50th Swiss Amateurs Celebration -- all of here send good wishes for this special occasion. Helene is the Secretary for all the 3300 members, of which only 38 are YLs. So far she is "up to her ears" in correspondence for the great event. We will have to wait until she retires to have a QSO; we are sorry to hear that! Helene hopes everyone had a very good time in Philadelphia.

DL3SL: Uschi and her OM travel quite often. They always remember us and send pretty postcards from their travels. We thank you and we hope auf ein Wiedersehen in USA soon.

VK3KS: Mavis visited VK4 Land which she enjoyed. She is a very active YL. Mavis was the lucky winner of the Hager Award in the 1978 YLAP. She enjoys YLH, but sometimes it takes 3 months to arrive, so sorry to hear that. (de Editor, I hope now that Mavis is getting YLH via Airmail that she doesn't have to wait that long for delivery of YLH!) Mavis hopes we will have more VK YLs, as there are more Novices now.

1LMQ: Ada, we hope your are feeling better now; we are listening for your Call again. All the best to your family.

HB9YL: Anny has a little Grandson. She works part time with older people. Anny likes to work CW, and now that she has more free time, will try to call us.

P24OK/VK2AOK: Jane sends thanks to her sponsor, Chris, WB2YBA. Jane has a baby boy who keeps her busy, along with her vegetable garden.

There are 2 YL Novices in Papua, New Guinea, and along with Jane we hope they will upgrade and join us. Novices can only operate on 10 & 15 Meters. Jane is the Treasurer of the Radio Society, a very active group with abt 200 members. Communication is very vital in her Land; she says she is proud to be the first licensed YL.

JH1GMZ: Akiyo sent the Contest Rules for the JA YLs Contest to be held in September. We have to wait for a QSO until her house is rebuilt. Good luck, Akiyo, the pictures are lovely, thank you!

G3JZP: Jean found a dear friend in her sponsor, Donna, W8QOY. With low power and a poor antenna system, it is hard to make contact with the States. Jean lives near 6 small villages; she enjoys hill walking, music, dressmaking, and traveling by trailer to South West Scotland during vacation time. Jean's OM is a volunteer for the National Institute for the Blind.

G4HES: Shirley likes the US type of exam better, which uses more CW. In Great Britan, CW is not used much after the Exam. Shirley is teaching a Ham course for blind people in her Club, G4GRL. The idea of the course was Shirleys; great going Shirley. We will be listening for all of you.

OE6YHG: Greta sent along some interesting information in her letter; All YLs in OE Land have the letter Y in their call. Also, many OE YLs have only the so called "little license", which limits them to 2 Mtrs.

Greta is looking for a new QTH with enough room for all their hobbies, which include Ham Radio, Railroads, etc. We are looking forward to many contacts with you, Greta, from your new QTH. Good luck to all of you.

ON6RW: Mart met many hams & had a great time at the big Hamfest in Friedrichshafen. We are looking forward to meeting both of you next year in the USA. Good health!!

SM5XCX: Gunilla is happy to be a YLRL member. She would like to hear from her Sponsor more often. Most of the SM YLs work, resulting in few contacts. Gunilla & her OM, who is also a Ham, live on a farm with their two children. She works as a Secretary & loves her work. We hope to make contact with you soon Gunilla.

DF2SL: Anny was visited by JR3SQN, & her OM JRSQM. A wonderful time was had by all. I will talk more about this visit later, as it was a long letter, and I don't know where our Editor would find space to print it!!

I was so pleased to meet the following DX-YLs at the Convention: LX1TL, Lea; J1AEBQ, Fumi; JF1WY, Toshi, G4BML, Val; 3D6AG, Gerry; and DK9ZL, Ella. We send our Best to all and hope to meet all of you, plus many more, at our next Convention. Love to all.

Vy 33, Lia, WA2NFY

WORKED ALL STATES - YL

BY: STELLA L. McPHERSON, WA4WPN, CUSTODIAN

The following WAS-YL Certificates were issued for the first six months of 1979:

KL7JDI	WD0CQI
WA4OIB	K0IQ
WB0MPC	K5EJC
N8ANC	WB9YSY
G4EZI	KA5AZT

A comment from Marilyn, WB9FMC, who sends all the New Member info typed to me for retyping: Any gal having the opportunity to take the CPR classes at their local Red Cross - Do take them, I did and am glad that I did. It is better to know it, and not need it, than to need it and not know it.

Happy DXing to all, 33, Marilyn

NOTICE: Two corrections received regarding NEW MEMBERS, we are sorry for the errors, but it is not an easy job, at times, for Marilyn to read some of the handwriting she has to "decode"! No offense to Mildred or Verline, just a hint!!

K5LUZ: Mildred Bell, OM is K5LVA. They have been retired for 11 years, and both have had their Advanced ticket for 18 years.

W8QPN: Verline Ferris, OM is Don, WB8JYX, and owner of Ferris Radio. Verline is a member of MARAC #1064, TASYLS #57, and an associate member of Buckeye Belles. First licensed in 1965, upgraded to General in January 1979.

Let bygones stay gone

L to R: Toshiko, JF1MWW; Fumi, JA1AEQ; Art, W2LH, & W2EEO.

On 20 July Jerrie Stonier, K6INK, was the guest speaker at the San Fernando Valley (CA) Radio Club on the topic, "YLs in Ham Radio and YLRL." She had just returned from attending the YLRL Convention in Philadelphia, as the editor of *YLRL Harmonics*.

She conducted a very bright and amusing program when she asked each YL present to tell how that woman became interested in Amateur Radio. As a long-licensed operator, Jerrie described the difference between days past and "today" when it is commonplace for a woman to be a ham.

"Gone are the days," she said, "when an OM would write on a QSL, 'You have a good fist for a YL!'" She gave high praise to the OMs who have encouraged women into the once-male hobby. □

A YL IN THE SOUTH PACIFIC

By: Aola Johnston, ZLLALE

PREFACE: Aola is a new YLRL member, and during her DXing, gave many YLs new Countries. Due to lack of space, we will print her story in serial mode, as it is a delightful tale!

"When I first heard Ian, ZLLBCG; my OM Dave, ZLLAMN; & good friend Eddie, ZLLBKK, talking of a South Pacific DX-pedition, I did not for one moment think I would be involved. After the men had had preliminary talks & made tentative plans, Eddie found that due to business considerations, he would be unable to go. It was at this point that Dave asked me if I would like to accompany him and Ian on their trip. Hardly believing my good fortune, I quietly agreed, not daring to let those mere males hear my old heart pounding away.

Preparations began in earnest when we visited Polynesian Airlines and were advised of their Tri-Islander air fare scheme. This meant that in addition to our planned visit to Niue Island, we could as a bonus also visit Tonga & Western Samoa at a minimal extra cost. Naturally this idea appealed to all of us and bookings were promptly made. As we now had confirmed dates we began the task of advising people around the world of our plans. In a very short time I began to realise that I was going to be a much wanted YL in the countries I was about to visit.

I began to spend a fair amount of time on the air and found that people everywhere were awaiting our operations. Dave & I planned to stop over with Phil, 5WIAU, and his XYL Annie at Apia in Western Samoa, awaiting the arrival of Ian before moving on to Niue Island as guests of Harry, ZK2AE. On our way home we would spend five days with Bill, A35WL, & his XYL Joan in Tonga. Many skeds were kept with these good folks & plans, dates, times, etc. were worked out to everyone's satisfaction. It was during this time Phil mentioned to me that it would be advisable to bring cotton underthings up to the tropics. This became my #1 problem. The purchase, or more specifically the locating, of light cotton garments in the middle of a N.Z. winter is no easy task, believe you me. After several fruitless trips all was in order, bags were packed and weighed. rigs checked out & cleared with Customs and all systems were go.

Out of bed very early on Sat., 7th July, a hasty breakfast and off to Mangere airport with a crisp 3 deg. of frost hanging in the air. Formalities were soon over, although a certain amount of interest was shown in our "cabin baggage" -- mine consisted mainly of a remote VFO for our 101 whilst Dave's WAS the 101!! Our Boeing 737 took off at 8:20 AM & headed north into a beautiful, almost cloudless, sky. Dave was hoping to see the Kermadec Islands on the way but it was not to be. Clouds gradually thickened & followed us north until we landed at Tongatapu airport in the Kingdom of Tonga, about 2 hrs & 33 min. after leaving NZ - what a change, the temperature was around 85 deg. and I felt very much overdressed. My first impressions of the Pacific Islands were Coconut palms, very flat terrain and oh that beautiful warmth. No more woolies for the rest of the trip....."

(Sorry, but will continue in YLH, #6; 3 more pages to 'go')
(de ed: Welcome to Aola, my new adoptee.....)
