DEDICATION

This special 30th ANNIVERSARY Directory edition is dedicated to all members, past and present, of the Young Ladies Radio Leaguefrom our revered Founding Members to our very newest Novice.

Our Founders created the firm foundation for YLRL, and then, in turn, the torch has been passed to the numerous YLs who have contributed what was needed to build on that foundation and perpetuate the Founders' dream.

It is dedicated, too, to the many YLs yet unlicensed - even unborn - who will fill the next 30 years with the enthusiasm, loyalty, and endeavor which will carry YLRL to heights far exceeding the expectations of the original group.

Thirty years may be just a flick of an eyelash in the great scheme of things - but it is a long, long time for an idea to be carried on so lovingly by so many..... which is good reason for our faith that it will continue for many more Happy Birthdays.

ACKNOWLEDGMENTS

For historical and personal data, and for events and dates, I have drawn extensively on CQ-YL by Louisa - W5RZJ; on the History of Young Ladies Radio League, compiled by Vada - W6CEE - and published in the 1961 Directory; and from all the previous Directories. Thanks to each and every one of you for making this material available for this and future works.

33, Maxine Hanberry, WA6AOE, Editor

A Salute To Our Founders

YLRL is proud and happy, on the occasion of its 30th Anniversary, to re-affirm its gratitude to, and its affection for its Founding Members - the 12 YLs who answered the letter from Ethel, K4LMB (then W7FWB up in the state of Washington). This letter was a follow-up of an ad in the May 1939 issue of QST which asked just how many YL "key-twitchers" there might be.

This was the original group: W1GQT, W5HYF, W6RGX, W7GXI, W8SBB, W8TAY, W9CHD (now W6NAZ), W9NBX (now W6UXF), W9NLW, W9UA (now W0UA), W9WWP (now W6WSV), VE2HI, and Ethel, W7FWB. In no time at all they were organized, and a YLRL Constitution was adopted in October 1939.

When Ethel wrote her letter, she said in part, "Perhaps we should band together in a YLRL or something to that effect..." - and that's just what happened. And here we are - celebrating the 30th Birthday of that YLRL that began so casually. We are fortunate to be in touch with most of these Charter Members and proudly devote this section to bringing their stories up to date.

Ethel has been married for the past nine years to Tex DeBardeleben - W4TE - but she still uses her maiden name because most people have some trouble pronouncing Tex's name. They live on a nice little "antenna farm" on top of the highest hill in the county. Ethel runs a Drake TR-4, plus a Clegg Zeus on 6 and 2 - with 6 and 10 meter rigs for mobile. Tex retired a little over a year ago from the F.C.C., and now keeps himself busy with hamming and yard work. He is active on traffic nets.

Ethel is now looking forward to retirement in 1972 from an interesting but demanding 30-year career as a Research Specialist with the Navy Scientific and Technical Intelligence Center in Washington. In spite of this heavy schedule, she never has given up her amateur radio activities, which have included participation in local radio clubs, AREC (Sec. Emerg. Coordinator for State of Virginia), NTS traffic nets on both SSB and CW, Navy MARS - N0ADP - Quarter Century Wireless Association, Northern Virginia Radio Club, and is a WAYLARC trustee to the Foundation for Amateur Radio. She says she does a good deal of yard work and holds a minor office in Eastern Star. She's a member of YLRL, too, y'know - hi!

The W7FWB call was issued to Ethel in 1936, and she holds an Advanced Class license. She also held W3MSU. She was, of course, YLRL's very first President, and then served as Treasurer in 1957. The home QTH of the De Bardelebens is McLean, VA, and the phone is 703-536-8469. Ethel's birthday is Feb 13.

YLRL is proud of Ethel and hopes she has seen her fondest hopes for the organization largely realized. Thanks again, Ethel, for having that good idea back in '39!

Enid Aldwell (nee Carter)-W6UXF (ex-W9NBX)- became the second President of YLRL after serving as Secy-Treas. and Editor of the paper, first called "YL News" but changed with the second issue (Dec. 1939) to YL HARMONICS. She was active for many years in both YLRL and YLRC of LA (Charter member). Her Advanced Class license dates from 1935, and she enjoys membership in the Quarter Century Wireless Association.

When Enid's OM became a Silent Key several years ago, she took a good look at her life and, after special work at UCLA, embarked on a successful writing career - always on subjects to help others to fuller and more rewarding lives. She lists her occupation as Marriage Counselor, and is now associated with the Institute of Christian Counseling. Her work involves working with individuals, married couples, and groups, as well as conducting workshops.

Enid has a charming little book of verse now in paperback form, called "Inside Story," of which she says, "It is really a book of feelings. Others tell me as they read they find that they are reading about their own feelings." Copies of the book may be ordered from Enid for \$1.25 (incl. tax & postage).

Enid had no recent photo available, so we'll use the space to give you a sample of her verse:

It makes me happy
when I can relax and be myself
with you,
and know that I'm acceptable
to you.
It comes as a surprise,
because, you see,
I'm just not that acceptable
to me.

- Enid Aldwell

LIDA - WIGQT

Lida King - WIGQT - enjoys the distinction of having been the first District Chairman for 1-land! She held the job two terms, and says it was very pleasant hearing from the various YL seach month.

Lida says it doesn't seem possible that thirty years have gone by since YLRL began, and when we read of her activities today we realize why time never did hang heavy at her QTH. She and OM Jim-W1EVZ - still run their store in Holyoke where they specialize in TV antennas and accessories - 6 days a week, 9 to 5:30. After that, the usual household chores - Lida says she's considering a light on the lawn -mower so she can work later - hi!

All this activity gives little time for hamming, but her wonderful, warm letter leaves no doubt that, since that Advanced Class ticket arrived in 1933, radio has been a big part of her life and that her thoughts are with us. Jim has not been too well of late years, and our sincere wish is that he will soon improve - and perhaps retirement time will come and we'll again hear them both on the air.

Ethel - VE2HI

Ethel Pick - VE2HI - is our one and only Canadian founder - and she must have been plugging all these years to see a Canadian YLRL President - a reality in 1970 - hi!

In her letter, Ethel tells how in 1932 a friend installed a receiver in her summer cottage. Then he talked "at" her each evening and, being a YL, she was so irked at not being able to talk back that by the summer of 1933 she had her call VE2HI and a rig at the lake. But it wasn't quite as easy as it sounds, because there was no electricity available there at that time - so they installed their own power house, with the engine of an old Starr Continental car, the generator out of a submarine, and a transformer from the Westmount Light, Heat and Power Co. -

enough electricity for a village - hi! Ethel enjoyed CW for many years, and in 1939 when war broke out and amateurs were off the air, she joined a volunteer group working for the air force and army teaching code to volunteers and C.O.T.C. groups - the only woman in the group.

After the war, Ethel became a ham again - and gradually a "phone addict" - her words - hi! Since 1949 she has been Secy of the Montreal ARC, and helps put out their monthly magazine MARCOGRAM to their 300 members. She usually is on twice a day with the P.L. (Professional Loafers) Net - in fact, she is about as active as a ham can be. She enjoyed the Midwest YL Convention in Toronto where she won a prize for being the oldest ham present - always a YL to us, though.

Ethel taught school for many years, and on retiring was asked to take over the Library in a private Boys' School, where she still works three days a week. She also loves to travel and has covered most of the U.S., Canada, Hawaii and the Caribbean - and just this year enjoyed a month in England and Scotland. What a gal!

Anita Bien - W8TAY (W4JCR for awhile) - was YLRL's first Publicity Chairman and secured a good amount of coverage for the YLs, with the first big feature-length article in May 1940 QST. Anita's enthusiasm and energy make her a natural-born booster, and she has given very generously of her time and efforts for YLRL... holding the Publicity job from '39 through '45.

Anita was President of YLRL in 1942, and also edited the paper. This was in the difficult war years when the YLs did such a good job of keeping YLRL alive although no one was on the air.

Then there were the 10 years spent in Florida as W4JCR - a charter member of Floridoras, and 4th D/C were part of this era. When her OM Frank, W4JCS/W8SSV, became a Silent Key, Anita came back home to Ohio and, after reams of FCC correspondence, managed to get her old call W8TAY again.

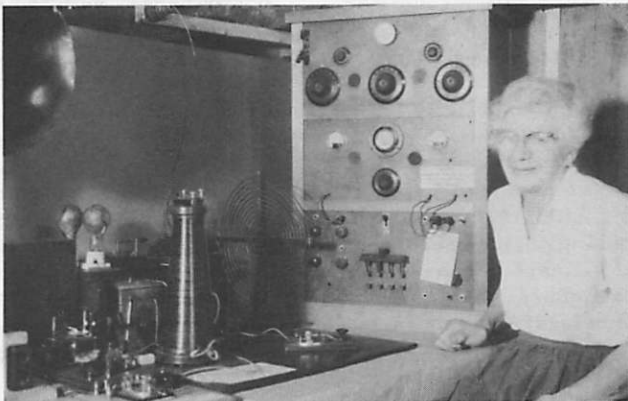

Anita - W8TAY

(continued)

Anita received her license on her birthday, March 1, 1939, and has put it to good use winning many service awards as well as contributing much to the YL picture - most recently as a member of Buckeye Belles. And she doesn't let up for a minute - right now she's working as a free-lance writer and is taking a two-year course in Communications. Other hobbies are photography, oil painting and gourmet cooking. She says she's unable to operate at this time from her apartment-type QTH, but we know she's there just the same through her wonderful letters that express her continuing interest in YLs and YLRL. We can always depend on Anita for early YLRL facts and figures from her fabulous file so carefully preserved all these years. And it was a distinct pleasure to meet this tiny but powerful YL in Denver.

Loretta Ensor - WØUA.

Few today remember when there were no YL radio operators ---- Loretta, the first Midwest YL, has continued on the air since 1923 when she became 9UA while attending Olathe High School so the school might have a permanent station - the first in Kansas! And today she seldom misses a schedule of the YL Jayhawker Net!

Loretta - WØUA -with Xmtr once used in Olathe High School. On table: Spark Xmtr and Xtal Rcvr built & used by WØBSP in 1916.

Most of her operating was done from the home station built by her brother, WØBSP.

Equipment was all assembled in the early days...with a gasoline-engine driven high voltage generator - which had to be hand cranked each time before coming on the air. From this station, her first contact was 9RR, a spark station in Kansas City, Mo.

In giving code lessons over the air from 1929 to 1941, Loretta helped many to become YL operators. In 1939, YL interest was strong, YLRL was formed, and Loretta was right there! When the 9th District was divided, she was appointed the first D/C for the new Ø District ... and the name YL Harmonics received its origin from her suggestion.

Loretta says that keeping the old farm operating is becoming a chore, since time has a way of catching up on all of us so we don't move as fast as we once did. But she has enjoyed working on the project of assembling a fine collection of relics of the past radio equipment used at the station and has several interesting displays set up in the farm barn.

Other 'specs' on Loretta are that she held 9UA and W9UA before becoming WØUA; her ticket is Advanced Class; her brother Marshall is WØBSP; her birthday is Apr 22; occupation, farming; hobbies: antiques of family and needlework.

If you are in the vicinity of Olathe, Kans. sometime, why not give Loretta a call at Spring Hill 686-3463 and let her show you the interesting radio display?

Lenore Kingston Jensen - W6NAZ - who, of course, is W9CHD on our list of Founders, could possibly be our busiest YL! In fact, she comes pretty close to disproving the old law of Physics which says we can't occupy more than one place at a time - hi! We turn on the TV - she's there; we turn on our rig - there's the familiar voice...but one thing is sure - wherever she is, she's doing a good job, and chances are it's a public service of some kind.

Lenore - W6NAZ

At present, Army MARS Vietnam patching is routine at Lenore's QTH; and a while back she organized a f.b. system of phone patches for the lonely service men who visit the USOs in this area - to put them in touch with home during the period when they are trying to adjust to a different type of life. In addition, Lenore is a reader for "Recordings for the Blind."

Lenore's Advanced Class license dates from 1939 in 9-land. Soon thereafter she moved to New York City where she helped found the NYC YLRL in 1942 as W2NAZ. She was active throughout the war years with code classes and other volunteer work. Around 1946 she came to Los Angeles, became W6NAZ, and joined the brand-new YLRC of LA, of which she is still a member. Lenore is now married to Bob Jensen, W6VGQ, an audio engineer for NBC. Bob has a daughter Cindy, WN6MQI; and son Steve, W6RHM.

Lenore - actress, writer, and a wonderful YL, served as Vice President of YLRL in 1947-48; was 2nd D/C in 1946; and was the Editor of our first two Directories. Her birthday is Oct 4.

Marjorie Frazier - W7GXI - received her Conditional Class license in 1938, and we'd guess her brother, Mace, W7GUJ, probably interested her in the hobby, because her OM Arnold is not a ham.

Located in Oroville, Wash. just below the Canadian border, Marjorie has not been within range of the YL clubs - and the Convention at Denver seemed to be a special treat for her. Sorry we did not get a picture good enough for reproduction - but at least we did have the opportunity to meet and enjoy her.

Marjorie served as 7th D/C in 1958; lists her occupation as housewife and Beekeeper and her hobbies as Knitting and Crocheting. If you are ever lucky enough to visit up there in the beautiful Okanogan country, give her a call at 509-476-2268 and see about an eyelash QSO. Her birthday is Dec 31.

Carol Anne Witte - W6WSV - was Carol Keating - W9WWP - when she received her Advanced Class license in 1936. She was YLRL's first Vice President and Activities Mgr. During WWII we find Carol in the Navy where she served in several capacities - she changed her name to Witte about this time, too, when she married Dick, W6WSW. After the war, the Wittes

Carol - W6WSV

settled in the Los Angeles area where Carol became a charter member and the first President of the YLRC of LA. She is a CW operator only, and a fine one.

A few years ago Carol embarked on a teaching career in Tustin H.S., but the hoped-for challenge was lacking; so now she is taking graduate work at U.C. at Riverside with college-level teaching her goal. Needless to say, all this has kept her off the air.

Carol and Dick have a daughter, Marcie, who is a college Senior; and a son, Mike, a Senior in high school. Dick is employed at Beckman Industries in Fullerton, gets on the air once in a while, and secured his Extra Class license last year. This might be contagious, we hope, and we might hear Carol on the air again one of these days. Carol lists her occupation as Homemaker/Teacher, and her birthday Nov 18.

Of the other four Founding Members, two are still members in good standing, but did not return the information forms. Unfortunately, the other two have been lost to us for some time, and we hope they will be located some day - no doubt with new calls, and possibly new names.

Jean Burkhead, W9NLW - lives in Champaign, Ill., but, as she was not written up in the last special Directory ('61), we have no information.

Mary Stocking - W8SBB - is now Mary Bamberg - K4UBT - in Clearwater, Fla. Perhaps someone there can tell us more about her - or maybe Mary herself will relent when she sees this and get in touch - hi!

Jean Doss - W5HYF - appears in several places as 5th D/C - always in Texas, including the cities of Happy (while serving as our very first 5th D/C), Amarillo in 1948, and Paducah in 1949.

Genevieve Capstaff - W6RGX - of Van Nuys, Calif. was active as the first 6th D/C, but we find nothing to indicate that she picked up her license after WWII.

AND SOME MISSED THE BOAT

Like some of our ancestors who didn't quite get their baggage aboard the Mayflower, many YLs joined YLRL immediately after its founding - in fact, the Dec. 1939 issue of Harmonics listed 24 members. By May 1940 the membership had grown to 99; and by November 1941 there were 235. Many of these YLs are still with us, and we value their contributions through the years. The problems of tracing changed calls and names, and the fear of omitting some who should be included, makes it impossible to list them at this time - we just wouldn't know where to stop. So we have limited this to the original 13. CQ-YL has a most comprehensive history of these long-time members, and if you haven't read it you should.

The more we look over the old copies of Harmonics and follow the names from year to year, the more we realize the devotion of all the YLs - and the happier we are to be a part of it all.

REMEMBERING OUR SILENT KEYS

'Though the key is silent, and the mike is still,
 We remember her well - we always will;
 For when sign-off time comes, and a YL departs,
 She leaves her signal here in our hearts.

Constitution & By-Law Amendment Results to Follow Later.

Audited by: Betty Peterson - VE3ASZ
Kathy Hrischenko - VE3GJH

Ballots concerning the constitution amendment are still arriving and the results of this vote will appear in a future issue of YL Harmonics.

It has been a most interesting election with ties in the 8th and 9th districts making it necessary to have re-votes there. Another point of interest is to note how the North, South,

East and West of the Continent is represented by four of the officers, Betty, Audrey, Janice, and Jackie---"guess I'm just an in-between" - hi.

First ballot received was from Carolyn W2VMQ. First from Alaska - Ann KL7JJO. First from Canada - YLRL co-founder Ethel Ve2Hi. First DX from - Constance G8LY, with the post-script, to which we can all raise our glasses, "Long live the YLRL".

Now the nitty-gritty - percentages! 43% of the total membership voted. District ratings as follows:-

8th dist. 70%. - 3rd dist. 66%. - Ve dist. 65%.

9th Dist. 48%. - KL7 dist. 46%. - 4th dist. 42%.

10th dist. 41%. - 2nd, 5th, and 6th dists. 40% each.

7th dist. 39%. - 1st dist. 32%. - DX 4%. - KH6 dist. 0%

To the Nominating Committee, Marge - Harriet and Annie, I would like to say thank you all so much for your efforts which gave YLRL an excellent slate of candidates, making the election possible. Betty and Kathy, thank you for your conscientious and efficient auditing of the ballots. Thanks also to each of the candidates for allowing your name to be placed on the ballot. A special thank you to each of you who took time to send in your vote.

33 - Ivy - Ve3Ezi.
YLRL Secretary.

CONGRATULATIONS, IVY !!

Ivy - VE3EZI - couldn't very well congratulate herself on being elected 1970 President of YLRL, so we'll do it for her - hi!

YLRL is delighted to welcome its first President from north of that friendly border. We can now truly claim to be international in scope.

We wish you a perfectly wonderful year!

1969 DIRECTORY
of the
YOUNG LADIES RADIO LEAGUE

This is a very large Directory, and it was necessary to save space in every possible way. To this end, the personal data is run in a code form, which really is not too difficult to read if you just relax and take it as it comes - hi! Here's how it works:

Listings are alphabetized by calls, as in Callbook, with some cross-references to take care of recent changes. Each YL's call is followed by her name and address, and her telephone number in parentheses. Then comes a code consisting of numbers and letters, something like this: A 57 58 Apr 10, meaning that she holds an Advanced Class ticket, was licensed in 1957, joined YLRL in 1958, and her birthday is April 10. After this is her occupation, the YLRL offices and appointments she has held, and her YL Club affiliation. Then comes her OM's name and call, followed by the calls, names and relationships of other hams in her family. Finally, a brief listing of her interests other than amateur radio, and perhaps other pertinent information. If any of the data is not given, it is because it was not sent in and could not easily be run down.

Unfortunately, only a few more than half our members returned the information sheets sent out in the March-April YLH, so all others are listed with call, name and address only.

This Directory has been brought up to date as far as possible, and supersedes all other lists of YLRL members.

Naturally, in a work this size there will be errors - I know I didn't always get the information in the right order, for instance. So if you find an error which is important, please notify the Editor so it can be run as Feedback - if not too important, just forgive me.

The Directory comes to you as a sort of Birthday Gift on YLRL's 30th Anniversary, from Marte, KØEPE, our 1969 President - who wanted it to the extent that she even offered to make up the difference in cost between this and a regular edition of YLH! What happens to "the best-laid plans of mice and men" happened to us this time for sure. The re-balloting on the Constitutional change prevented the planned inclusion of the Constitution in this issue (to make a nice package of Membership List and Constitution for our new members); and then some unexpected and unavoidable circumstances at the Editor's QTH delayed publication greatly. In the meantime, Marte - bless her - came through with her lively News Letter to save the day and give you some of the information which would be woefully late in the Directory.

Also, because this issue had to be double the size of a regular issue to accommodate the Directory, and because time ran out on us, the Sept-Oct issue was omitted, and the Nov-Dec issue is well on its way.

In spite of all this, your Directory is now in your hands, and we do hope you will enjoy knowing a little more about the YLs.

SILENT KEYS

We are grieved to report the passing of VE6ABV - Joyce Miyagawa, on Sept. 7 in a hospital in Calgary. Joyce was ill only a week or so, and so far the doctors have been unable to determine the cause of her death.

Joyce was best known in CW circles, was an excellent operator and a sought-after contact in YL contests. She was a member of CHC Ch. 4; was Grandmother #117; held YLISSB #867; and was a long-time member of YLRL.

We shall miss her, and YLRL extends sincere sympathy to her OM Tosh, VE6VE, and the other members of her family.

We learn of the passing of Margaret Pettee - W8OGY - on Aug. 2, 1969. Margaret had not been a member of YLRL for several years - she originally joined in 1956. She lived in Marquette, Mich. and was a teacher. YLRL extends its sympathy to her family and friends.

SYMPATHY NOTE

YLRL sends heartfelt sympathy to Peg Sayre - WA3GMN - whose OM Orville - WA3GMO - passed away on July 8, 1969. He had been ill for a very long time, with Peg at his side. Peg writes, "In a little while I'll get back on the air. He sure enjoyed this radio, and wanted me to keep it up." Peg's friends will be waiting for her.

GET WELL WISHES

Understand that Gertie - W8OIS - has been hospitalized. Hope this finds her AOK again.

BEST WISHES

Belated congratulations and best wishes to Past-Pres. Kayla - W1EMV - who is now married to 'Doc' Hale - K4MWS. They are dividing their time between his home in Port Salerno, Fla. and her QTH in Dublin, N.H.

CONGRATULATIONS

We have had wonderful news about our members who have stepped up to higher grades of licenses. Would someone care to estimate the gallons of midnight oil consumed in this effort - hi?

The 8th District can be mighty proud of two of their YLs who have made Extra Class! Carmella - W8NAL - and Rozetta - WA8USU!

Advanced Class tickets have been earned by Penny - WB2ZNN; Susan - WA6WFZ/5; Betty - WB6WGC; Janet - WB6WGN; Beth - WA7FFG; Leala - WA7FQG; June - WA7FRM; Fern - WA7GRD; Pat - WA7GVB; Beulah - WA8EKQ; Elsie - WAØRZF; Barbara - KP4DGP; and Lyla - KL7CSR.

Myrtle - WA6ISY - advanced to General from Tech.

Martha - WN5WKE - became WA5WKE with a new Tech ticket.

The following YLs took the big, big step from Novice to General: Jean - WB4JZJ; Janet - WB4KFZ; and Candy - WA6KRO.

Twenty in all - how about that? And there must be more. We did turn up a few who had not notified us when we went through the information sheets for the Directory. Congratulations to all!

MORE BOUQUETS !!!

Well, here's one more field in which YLs are doing a bang-up job - that of getting out Club Papers here and there. No doubt, there are many we haven't heard of in this work, but at last there is a place where down-trodden Editors can meet on common ground and share their complaints if nothing else - hi!

For those of you unfamiliar with this part of club work, let us tell briefly about the Amateur Radio News Service - ARNS. This group of over a hundred members (growing so fast, it may be over 200 by now) is made up of members of various radio clubs throughout the world who handle the Club Papers and/or Public Relations for the clubs. Shirley Rex - K8MZZ - was Secretary last year and is now Assistant Editor of the group's monthly bulletin - ARNS Bulletin. Well, to get down to business here, ARNS conducts

a yearly "Publications Contest" in which all the club papers submitted are judged by a competent group - this year: Dick Ross, K2MGA, Editor of CQ; Perry Ferrell, Editor of Popular Electronics; and Mel Snyder, WB2DLW, Pub. Relations Chairman of the Bergen ARA. The publications are judged for their merit in various categories, which serves as a f.b. guide for those of us who may be so close to our paper that we can't really judge it, or fail to notice when we are in a rut.

Close to 50 papers were entered in the contest for '69, and we're proud to report the results as far as YL contenders are concerned, as follows:

The BUCKEYE BURR, the Buckeye Belle's paper, edited by Marian - W8HWL - took 2nd place for its 'Local Ham News Coverage'; 2nd place for 'Club Member Contributions'; and third place for its 'Masthead.'

HAM SHACK GOSSIP, edited by Dot - W8RZN - and Fran - W8RZM - took first place for 'Local Ham News Coverage'; and 3rd place for 'Club Member Contributions.'

THE MURPHY MESSAGE, edited by Ellen - W1YYM - took 3rd place in the 'Legibility of Content' category.

YL HARMONICS took 2nd place for 'Legibility of Content'; 2nd place for 'Illustrations'; and 3rd place for 'General Format.'

This was a valuable experience for all of us, and something we can heartily recommend for anyone interested in Publicity and Public Relations for any club. The Bulletin is worth far more than the \$3 yearly dues. ARNS also meets each Saturday morning at 11:00 Eastern local time at 14.295 for discussions of a general nature. Listen for Andy - KØNL - of Auto-Call fame. Shirley - K8MZT - is NCS.

WORTH REPEATING

The ARNS Bulletin for Sept. carried portions of a letter from Roy Repp - W3TZW - which included a couple of suggestions - offered in a humorous vein, of course, but still carrying a couple of mighty good thoughts.

Roy says, "I found one way to streamline the operation, and that is to eliminate the 'Complaints' department. Just inform everybody that the first guy to complain will be the NEW Editor. I'm batting 100% up to now."

Also, "After considerable thought and deliberation, I have come to the conclusion that everyone wants a paper, especially if there is none; and they want it changed, if there is one."

This OM approach might not be a bad idea - hi!

FEEDBACK

From Ebba - VE5DZ - our V.P., come some corrections to the scores for the '69 YL-OM contest, as follows:

TAKE A LOOK AT YOUR OWN QSL CARDS

QSLing is, as it says in the book, "the final courtesy in a QSO." But, in addition to this, these cards often mean a great deal to the recipient as credit toward various awards. And, sometimes, because the cards have become such a familiar item around the shack, we forget just what they should convey-and do not always realize that for some awards the information is critically examined before credit is given. So why not be sure YOUR card is adequate for any purpose-not a disappointment to the YL or OM who receives it...not the one which has to be sent back for correction?

If you meet the following requirements you'll be on the safe side:

1. Include wording such as "confirmation of QSO" to indicate a two-way contact. Some like to see 2xSSB for a SSB contact.
2. Call and address of the station worked. And if you send the card in an envelope, be sure address is also on the card, as most awards require the contacts from the same or a nearby address.
3. Name of the operator you worked. (First name is sufficient)
4. Your own call letters (preferably on both sides of card).
5. Your full name, as in the Callbook. (Usually printed on the card-and easier to read than your signature.) Remember that for YLCC, the list must be alphabetical by last names.
6. Correct address of your station. (County, ARRL Section and Zone # are usually appreciated, though not required.)
7. Your signature - whatever you are called on the air.
8. Frequency used for contact - at least the band.
9. Mode of operation - CW, AM, SSB, RTTY, etc.
10. Signal report and date and time of contact.

No erasures or other alterations are permitted for many awards, so if you goof in making out a card, please have the courtesy to discard it and use another correct one. Most cards will tell station equipment, etc., as this is of interest to many operators, and award hunters will appreciate seeing your affiliations to indicate the eligibility of the contact for certain awards. Many cards are lacking in one or more of the above, through oversight - or because the sender is not particularly interested in awards and doesn't realize the importance of a complete card. Let's send out good cards that will keep everyone happy! Ham and let Ham - hi! 33, Maxine - WA6AOE

The above is a repeat from an old issue, at the request of Onie-WIZEN, YLCC Certif. Custodian, who must check over hundreds of cards each year. While we're at it, we might as well consider some other points not previously included. Now, don't throw out all your cards or give up QSLing - hi! But for those who find it time to order new cards: please consider the size of the card. The P.O. is working toward the standardization of all card and envelope sizes, and has already outlawed some. So have your cards standard postcard size. Until you have tried to wrap a bundle of cards for YLCC containing a couple of out-size cards, you may not appreciate this...but they either must be cut down or folded, and are ruined thereby. And most operators keep QSL cards in standard sized files - and out-size cards just won't fit, and will probably wind up out in the cold. Another thing to consider: most of the popular and sought-after DX stations who have long lists of cards to send out will appreciate a card with all the information on one side - in fact, some refuse to flip them at all...and you are the loser. At least, if the vital information is on the back of the card, be sure your call letters are there, too. 'Nuff sed. Happy QSLing!

CONGRATULATIONS!

To Howie - YL Watcher Extraordinary! Not only has he racked up that fantastic 1600 score for YLCC, but is the first amateur as far as we know to make DXCC-YL! This is an accomplishment hardly to be dreamed of and has taken quite a few years of concentrated effort. YLRL salutes Howie for his accomplishment and regrets that there is no suitable award for such a feat. It is most fitting that this far-out event occurred in the same year that man reached the Moon - hi!

Most of us remember the day soon after receiving our ticket and getting on the air that we heard Howie's call - and most of us wondered later how he knew we were there. Anyway, Howie has become a very good friend over the years (remember the 4-leaf clovers?), and we wish him 1600 more YL contacts.

MORE ABOUT QSLs

Forgot to say in the article on the opposite page that, with all the tricky writing materials we have today, we must be careful to use an ink which will not fade - or smear when handled. Good black ink will hold up and look neat no matter how many trips the cards must make to certificate custodians.

YLRL AFFILIATED CLUBS FOR 1969

WELCOME - and Congratulations to:

GAYLARK
MINOW Net
New York City YLRL
Penn-Jersey YLs
Portland Roses
WAYLARC

All the above YL clubs have satisfied the requirement of 50% YLRL membership on their rosters. YLRL appreciates their continued support and interest. To all of you who would like to have your Club YLRL affiliated, please forward your membership list in full, indicating with a check mark those members who are also paid-up YLRL members. And don't forget that if your Club sponsors one or more DX YLs to YLRL membership, you may include these in the count of your Club/YLRL members.

I look forward to receiving your request for your Club's 1969 YLRL Affiliation Certificate or re-affiliation sticker.

MINOWS ENJOY ANNUAL PICNIC

The picture below shows the eight members of the MINOW Net who attended their May 17th picnic. This "net that became a club" is very active, and in spite of their being scattered about in five states (with Assoc. members in Canada and Calif. as well) they seem to get together quite often. At present their members according to states are as follows: Wash., 20; Oregon, 6; Idaho, 4; Montana 2; and Nevada, 2; plus 1 in Canada and 2 in Calif.

The new 1969 officers are:
President, Jessie, K7TWQ; Vice-President, Ethel, W7WLX; Secy-Treas., Joan, WA7BDD; and Certificate Custodian, Frieda, K7PVG. Congratulations to all, and another happy and successful year! In the photo: Back row, L to R: K7UBC, WA7LOQ, K7RAM, W7FDE, WA7BDD, K7PVG. Front row, L to R: WA7KHB, W7IXR. Info via Jane, W7LXQ.

CONGRATULATIONS to the Chix on Six on the celebration of their 10th Anniversary! The club was founded in Akron, Ohio, on June 2, 1959, with 10 founding members. We regret that, due to the limited coverage of the 6-meter band, more of us cannot take part - but these gals really transmit a storm and are active in many facets of amateur radio. We would like to have more information as to their activities.

For now, we send hearty congratulations to all members and to their new President, Eila - WA8EBS - who was installed at a lovely dinner at Stouffer's Restaurant in July. We do not have the roster of Chix on Six, and wonder if they are not eligible for affiliation with YLRL??? The Secretary - Ivy - would be happy to check this out for you.

The LARKs had their Dinner-Theater Party back in May at the Martinique Restaurant and Drury Lane Theater, seeing Shirley Booth in Desk Set. A good time was had by all. Their annual election was held at the dinner. New officers are: President, Bernice-W9SJR; V. Pres., Adeline-W9LDK; Corr. Sec., Marie-WA9DKN; Rec. Sec., Gladys-W9GJB; Treasurer, Christiana,-K9TEI; Publ., Lolita-WA9PAF; Novice Rep., Diane-K9TRP; and Editor, June-K9TGK. Congratulations to all - have a good year!

New officers for the YL Radio Club of Los Angeles were installed at the home of Roxie - K6ELO. (This was the last celebration at Roxie's before her lovely home becomes a victim of the huge So. Calif. Freeway System.) Leading the club for the year will be: President, Vada-W6CEE; Vice Pres., Roberta-WB6DFN; Rec. Sec., Evelyn, WA6ZTW; Corr. Sec., Sharon-WA6TIY; and Treas., Jean-W6QOO. The club's annual picnic was held Aug. 16 - lots of fun, and discussion regarding the Convention in 1972. That time will be here before we know it!

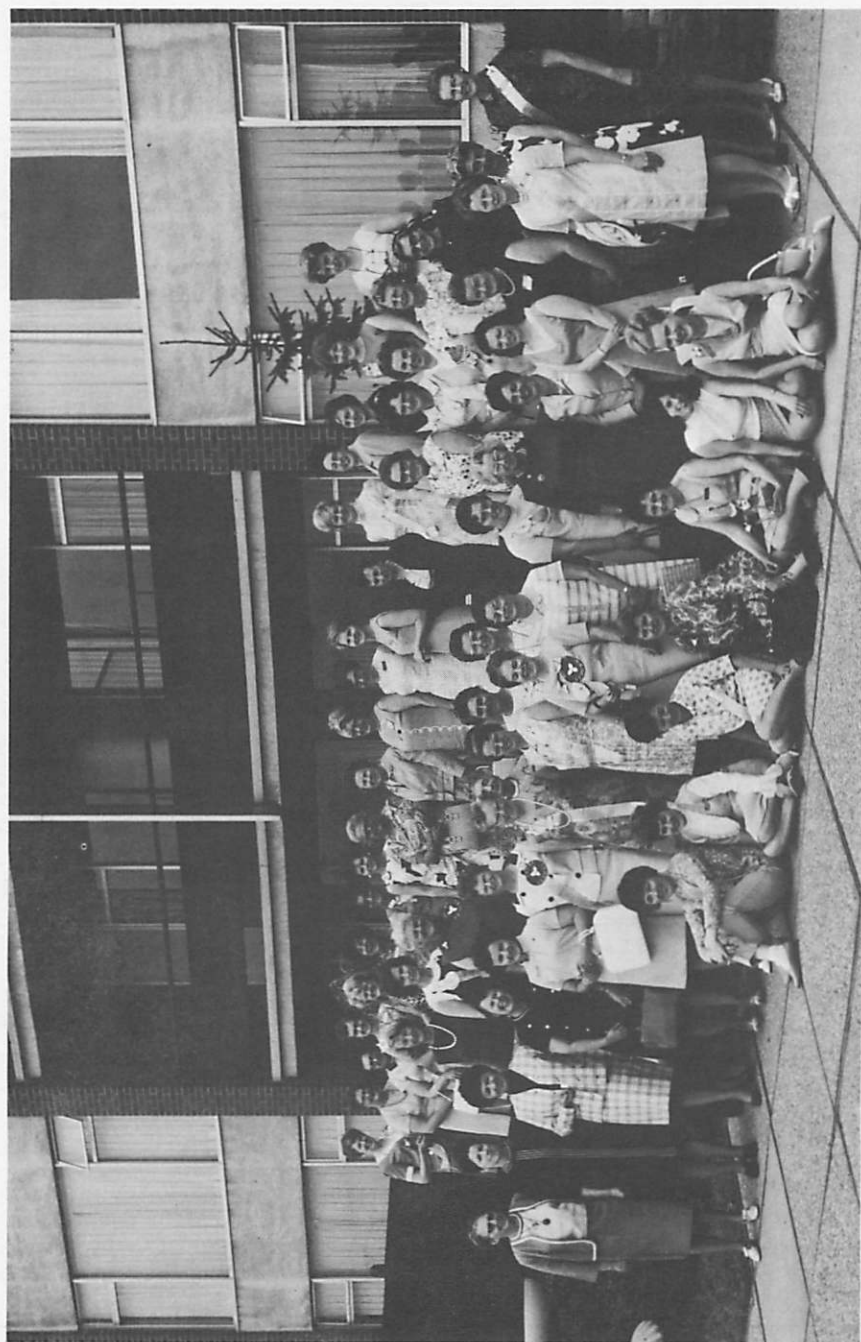

The Ontario Trillium announce their officers for 1969-70 as: President, Doreen-VE3FUR; V. Pres., Bubbles-VE4ST; Secy, Shirley-VE3GNG; Treasurer, Audrey-VE3CCO; Publicity, Betty-VE1AMS; Editor, Thelma-VE3CLT; Sunshine Convenor, Jean-VE3DGG; and Social Convenor, Irene-VE3BEI. Best wishes for a great year!

The Penn-Jersey YLs announce that they now have a net on the air - Thursday evening at 10 pm EDT (0200Z) at 3970. Welcome to all.

PJYL also has a new slate of officers for 1969-70, as follows: President, Bert-W3TNP; Vice Pres., Amy-WA3CAP; Secy, Rose Ellen-WA2FGS; Treas., Dottie-K3YPH; Elected member of Executive Committee, Carolyn,-W3GTC; and Trustee of Club Station Call, Harriet, WA3ATQ/WA3BLZ.

These gals worked Field Day in a big way, which we'll cover next issue.

And, DID YOU KNOW.....that in many countries, it is necessary to rent separate post office boxes for surface mail and air mail? Many people do not maintain boxes for surface mail - therefore, if you send QSLs by regular mail they may not be received. One way of avoiding 'junk mail'??? We certainly don't want our QSLs put in that class - hi!

really cut us short for everything else.

We are most grateful to Doris, VE3BBO, for the very efficient way of listing the YLs in the picture. We think it is much easier than the usual L to R arrangement where we have to count on our fingers or go all the way down the list to find a certain YL.

All reports of the Convention have been most complimentary to the Ontario Trilliums, the hostess club, and to all who took part. The prizes were many - and fabulous! The food was strictly gourmet-type. The entertainment was superb - rave notices are due the Jr. Ops who performed in such a professional manner. And how about that Pyjama Party? Bet that won't be forgotten right away! In short, the Canadian YLs have made it tough for the rest of us who must plan future conventions! And to think, in the foreword of the attractive program booklet, TOT President - Doreen, VE3FUR, says, "As a group, we have had no past experience in organizing an affair such as this." No one would guess!! Thanks to all who contributed to the success of this enjoyable event, and congratulations to Doris, VE3BBO, Chairman. Let us know when the next one is to take place, please.

INTRODUCING ... some new members

By Claire Bardon -W4TVT

Time is getting away from us - here's Fern, WA7GRD, of West Point, Utah, who joined our ranks last November. Believe it or not, her very first license, obtained in '67 was Advanced Class. Her OM is Rulon, W7WQC. Fern works as a Management Analyst. We hope she is enjoying the special privileges netted by the 'Upper Classmen' in her precious hours of operating time.

Meet Jean, WN4JZJ, of Charlotte, No. Carolina. She is married to a non-ham and works as a Secretary. As her application for YLRL membership came in the same year she received her Novice ticket, she probably has her General Class license by now. Eh, Jean?

Hello to Carolyn, WB4GDD, of Humboldt, Tenn. First licensed as a Novice in '67, she is now a General Class holder. Carolyn, the YL nets offer good company during the daylight hours when the OMs are away at work. CU on the air!

Linda, WB6QMD (Ex-WB6VSJ) is a General Class Licensee, who joined YLRL in January. She and OM Roy, W6WEM, live in Visalia where they own a drug store - she operates the Cosmetic Dept. I was tickled to see her little note at the bottom of her application, saying she operates 99 99/100% CW and 1/100% phone. Hi!

Jeannette, K6GFH, of Redondo Beach, Calif. is a housewife who has had a taste of travel - witness the former calls: CE1YAA and G5AAJ, besides having held W0BDB since being licensed in northern 6-land in 1954. She is a new member of YLRC of LA.

Stephanie, WA1IET, lives in Bellows Falls, Vermont - and you YLs who are working for WAS-YL know how hard it is to find many YLs in that state! Stephanie got her General Class ticket in 1967, and the only other ham in the family is son Alan, WN1IVZ. Of course, the OM is a doctor - and you know these medics have very little time. But we'll keep hoping, Stephanie, that he'll get interested too. What with four Jr. Ops, aged 11 to 17, we know the doctor's wife is also busy. She has earned CP-25 wpm, and you'll find her on 3680-3750 CW and on 3850 and above on phone.

And a big welcome to you, Sister M. Lauren, O.S.F., WA0RRJ - of Rochester, Minn. Sister holds a General Class license and is active as a Secretary in Administration at St. Mary's Hospital. She is an Amateur Radio volunteer for Civil Defense. She holds YLISSB #6968, has made W.A.S., and has just completed W.A.C.

In Tucson, Ariz. you'll find Sadie, K7OXW, operating all bands. Her OM is Doc, K7OXY, and Sadie was formerly K0SEW in Bayard, Iowa. She is a housewife, paints china, and is a Consultant for Fashion Two-Twenty.

It's really hard to think of a Novice going down to take the General Exam and coming home with Advanced rating. Wow! But that's the way Louise does everything - already she has joined ARRL, YLRL, WAYLARC, Bowie ARC (in Md. where she lives), and AREC. Louise likes to tinker and has even built some equipment for herself. Now she aims to learn enough Electronics to fix the stuff when it needs it. Look for her on 80 and 10 meters - also on 20 for Tangle Net.

33, CLAIRE

CW, ANYONE?

At right: Carrie - WA4BVD - 'power supply' for the new CW net, now tentatively called "YL International CW Net" in hopes of attracting some DX. Carrie, with Helen - WA5OVX, who did a lot of letter writing, now have a good group - and on three bands, mind you!

The gals meet on Monday at 1400 GMT on 7100 Kc; at 1600 GMT on 21.070 Mc; and at 1900 GMT on 14.070 Mc.

Well, that would be a delightful way to spend Monday - hi - and do the laundry on Tuesday, I guess. All YLs are welcome. How about it?

YL OPEN HOUSE NET

At left: Jane - WA5JFZ; and below, Kay - WA0FSK - the two ends of YL Open House Net.

This net, started around 1959, has always been a popular meeting place for YLs on Wednesday, near 14.288Mc, at 1800 GMT during Daylight Saving; and 1900 GMT during Standard time.

We remember when Irma - K6KCI - was NCS from the west end, and Ellen - WA4FJF - from the east. Ellen moved away and was not able to continue with the net, so Marge - K4RNS - took her place. Now Marge is employed during the day, and Irma does not have a

20-meter antenna at present, so Jane and Kay have taken over - and they're doing a mighty fine job, thank you. Both these gals have terrific signals, and you'll have no trouble at all finding them.

If you have not met the Open House group, better come right on in - you'll find a treat in store for you.

CU next Wednesday!

SOMETHING TO THINK ABOUT

A researcher reported recently that those most likely to succeed are the people who do the most talking..... well, Gals, we're IN!

If you're not getting in enough talkin' time, why not join a YL net - and be sure of success?
