PRESIDENTS MESSAGE

Seems we are late in getting Harmonic's to the printers, but have been beset with a few problem's that are now taken care. With being faced with a possible increase in 3rd class postage, it was necessary to take steps to procure a Postal Permit for Harmonics, so that those within the States would benefit from a small savings as the year progresses.

SAROC---truly a fun filled Covention! 1971 saw 24 YL's stop by YLRL's booth and sign, 1972 there was 44 YL's! Almost double the gal's found their way by to say, "Howdy" or man the booth while other's took time to eat or see other exhibits on display. It was a pleasure to have two of YLRL's Past President's in attendance, Marty KØEPE and Kay W8DUV (whom brought YLRL Scrap books for display) at SAROC and for YLRL's 33rd Anniversary Pary in Long Beach, CA in May. I'm sure that Marte, KØEPE must be very proud to learn of the number of YL's that signed the Guest Book at SAROC, as it was Marty that spearheaded this event at SAROC---now it's growing to be a real YLRL get-together to start a brand new year, a chance to really get to know each other.

YLRL'S 6TH

International Convention

Well, the time is growing short now, and activity here in California is building up - in fact, we're busy as the bees buzzing among the Orange blossoms. We hope our enthusiasm is contagious and to help pass it along, here are a few suggestions and memos. Of course, those who have attended past YLRL Conventions will need no urging - if it is at all possible, they'll be here. But for those of you who have not had this pleasure, please take our word for it - there's nothing like an all-YL get-together - and YLRL is unequalled for putting on the biggest and best.

There's lots more to do in Long Beach than lie on the beach.

And now a word about the setting for this big bash. In addition to the EDGEWATER HYATT HOUSE with its f. b. accommodations, beauty and barber shops, boutiques, lounges, cocktail bars, coffee shop and whatnot - plus its location overlooking one of the largest small-boat marinas in California - it is very close to many of the attractions you first think of when coming to Southern California. The QUEEN MARY is very close by car or boat; DISNEYLAND, KNOTT'S BERRY FARM, MARINELAND, PORTS O' CALL and all the beaches are very close by - within 10 to 20 miles; HOLLYWOOD, the MOVIE and TV STUDIOS, UNIVERSAL CITY and CENTRAL LOSANGELES are 25 to 30 miles; San Diego and Santa Barbara less than 100 miles; and Catalina Island is only 15 minutes away by seaplane - 2 hours by boat. The beaches and fishing, as well as numerous golf courses and other attractions, will be just perfect for your OM and/or Harmonics while you enjoy all the YL activities.

ACCOMMODATIONS: You will, of course, reserve your rooms directly from the motel. You should write to:

Edgewater Hyatt House
6400 East Pacific Coast Highway
Long Beach, CA 90803
Phone: (213) 434-8451 Telex: 65-6406

Be sure to tell them you are attending the YLRL Convention for the special rates. All rooms are large (two double beds) and have extra lavatories in dressing room, making them suitable for a group of 4 YLs. Children under 12 occupying a room with parent, free; no charge for crib. Credit cards: Hyatt, American Express, Diners Club and others. There is a Car Rental office at the Motel.

Some "fun places" for Campers and Trailers are a few miles down the beach. Remember, you'll be here over the Memorial Day week-end, so early reservations will be necessary. If you need such accommodations, you may request information when you send in your registration form.

"DON'T FORGET" DEPARTMENT

You must have your F.C.C. license with you to operate the YLRL Convention station. So - how about a string on your finger?

Be sure to bring a Bikini, Sunsuit, or whatever - because when you see the beaches you'll want to take in some of that sunshine. And, of course, there's a lovely swimming pool at the Edgewater Hyatt. Let the OM show off those wild swim trunks.

Bring a light wrap or sweater. It's warm in the daytime; evenings are cool-especially near the water. Boat trips are windy, you'll need a scarf. And - comfortable shoes! There are many attractions that require some footwork.

California is a most informal place - you can go almost anywhere in a pantsuit or shift. The YL-OM Banquet is to be a Luau, with all the trimmings... and they say that Luaus are even more fun if you're wearing a long muu-muu, or even a mini-muu-muu. So why not bring one along for the evening Hawaiian-style banquet Luau? OMs usually prefer a colorful Aloha shirt. But, of course, wear anything you like... just COME!

PIC-SWAP

A new event has been added. Pictures are always treasured when we get back home and the Convention is just a memory. You're going to make a lot of fine new friends - and swapping pictures will help you remember faces to go with the call letters and autographs you'll collect. So plan ahead! Have someone take a good snapshot of yourself and bring at least two or three dozen copies with you. They should be of wallet size or smaller. Bring your own QSL cards, too.

PRE-REGISTRATION

Early registration benefits everyone concerned. Naturally, your hostesses can do more for you and do it more easily if they know how many to expect. Group tours will be planned ahead, and if you do not sign up for them you may be disappointed. And, of course, there is the Pre-Registration Prize - the gorgeous hooked rug-YLRL type- being made by Harryette-W6QGX. You will want a chance to win it. Also, you'll save some money to spend on some sort of spree. You have nothing to lose and everything to gain by getting the registration form (enclosed in this copy of YLH) back as early as possible. Send it in today - you'll be glad you did.

Any questions about the Convention should be sent to:

WHAT MAKES YLRL RUN ?

Yls, of course! The opening of nominations for 1973 officers, and the urging to accept them, brings up the point that perhaps some YLs might hold back because they were not sure just what they would be getting into if elected. Our Constitution and By-laws state what is expected of our officers-but perhaps a less formal approach will be more readable and enable more of you to picture yourselves in one job or another.

The various jobs with YLRL have different requirements, but there are some things pertaining to all-and the YLs in them have several things in common. First, they are the ones who realize that we get out of anything just about what we put into it-they really want to be a part of what is going on. Then, they realize that YLRL cannot run by itself and that they must "plow back in" some of what they are deriving from it. Then, too, there is just plain curiosity-the desire to know what makes it tick. This last is one of the greatest dividends we offer-hi-because with our scattered membership and our officers miles apart, YLRL is different than any organization you might know about-that's half the fun. How do we keep together? where do we keep our things? Who does what, and when? Where do the certificates and trophies come from? Who prints the paper? How do some of the YLs get so well acquainted? Well, just step right up, accept a job, and you'll get wise in a hurry-hi-and enjoy every minute of it! Chances are you have said to yourself at one time or another, "I wonder why they don't.....?" or "I'll bet I could do a better job than she does." Well, YOU're the ones we want! We need your ideas-we need YOU! Even YLRL can be improved upon, or at least be kept up to date. So come on in get your feet wet- try it out, as many of us have done-you won't be disappointed! Here are some brief descriptions of some of the offices. Why not try them on for size?

DISTRICT CHAIRMAN: The starting point for most YLs, and a pleasant and interesting experience. The D/C is YLRL in her District, and she is kept up to date in YLRL matters so she can help the YLs in her area derive the very most from their membership. She may preside at YL meetings at local Conventions, and she will publicize YLRL and be always on the lookout for possible new members. She keeps in touch with YL Clubs and spends as much time as possible on the air picking up news for her column in YLH-just five News Letters during the year(we do not carry news in the Directory Issue). She receives letters from YLs in her area-some with news, some questions she can answer, and some questions or suggestions to turn over to the proper officer for attention. She is a member of the Board of Directors, becomes familiar with YLRL proceedings, and has a vote in whatever decisions come up during her term. She may be asked to serve on the Nominating Committee. She will be more interested in some aspects of YLRL than others, and this will influence her consideration of one of the major offices.

DISBURSING TREASURER: A YL who is the type to enjoy keeping her own check book in order and managing the budget may be prospect for Disbursing Treasurer. This formidable title does not mean she must be an Accountant. Our books were set up so that a "civilian" can handle them easily. It only takes a gal who is willing to be responsible for the YLRL

bank account, will pay our bills promptly, and make a simple Financial Statement two or three times a year. She is an ex-officio member of the Budget & Finance Committee and has their help when needed. She, too, is a member of the Board of Directors and has an active voice in YLRL decisions.

RECEIVING TREASURER: This YL collects the dues and sends out Membership cards in return. She is final authority on who is and who is not a member during a given year. She makes up membership lists showing all renewals, new members, re-instated members and all changes of calls, names, addresses, etc, and must have some means of duplicating these for distribution-or have another YL willing to help her with this. She is almost the first one a new member meets, and she enjoys many interesting contacts. For this office, a YL should be neat, accurate type who will keep correct records. After the dues-paying season, she makes up a Delinquent List of former members who have not renewed and sends out notices. She devises her own campaign for getting the dues in on time. She, too, is a member of the Board of Directors.

SECRETARY: Here's a fascinating job that covers almost everything-and offers excellent preparation for a YL who aspires to the Presidency. She keeps the most complete membership file, updated from information picked up here and there. She welcomes new members with a letter and other information; records all Amendments to the Constitution and other actions taken by the organization. She keeps special statistics as needed by the President and handles all general correspondence. She keeps records of our Affiliated Clubs checks their credentials and issues certificates and stickers. She conducts all elections of officers, from checking on the eligibility of candidates to the final tabulation of the votes. She also serves on the Board of Directors.

VICE-PRESIDENT: The V.P., of course, takes over in case the President becomes inactive-but under normal conditions she is most concerned with our contests. She is responsible for planning and publicizing the contests, scoring the logs sent in by participants, making up the results, and sending the awards to the winners. She chooses a committee to help her in all this, as well as special projects. She also supervises the various YLRL-sponsored certificates and fills the positions of Custodians when vacancies occur. She is a member of the Bd. of Directors and assists the Pres. when necessary. Scoring contest logs calls for accuracy and much patience with details. She will be happier in this job if she has held some other position previously and has taken part in the contests.

PRESIDENT: Seldom does a YL start here- and ideally she would have held all the other offices, though I don't recall one who has. But she does need to have an understanding of what all the other officers are doing, so she can keep all departments operating. Most Presidents will have some project for the year and will appoint YLs to help with this. At the beginning of the year she appoints her committees and gets them started on the year's work. She works with the Editor of YLH on publicity for her projects and any change in policy. She is concerned with keeping the Constitution up to date and the constitutionality of all YLRL actions. She finds willing YL's to fill vacancies that occur, and carries on correspondence on a variety of subjects. She is responsible for Public Relations. She does what ever needs to be done!

Howdy Shirley-WN6FIO of Sacramento. She's active mobiling and her OM is WB6KZN. Works as Estimate Supervisor for Ma Bell

Also in Calif. is Candace-WN6FUU of Manhattan Beach. She is a student. Her mother is WN6FUT, father-WB6GRA and brother WA6TNW.

Greetings to WN6HTH of Watsonville, Calif. Formerly KN7GDO and since that time this girl has suffered 14 heart attacks. Cheers Betty.

Hello to Linda-WN6HZP of Irvine, Calif. Father-WA6ZLJ, sister-WN6HZO, mother WN6HZQ, brother-in-law-WB6CCO. Wonderful family. OM expecting his call soon and at present working on his PhD!

Another Calif. xyl is Jeanne-WN6JSB of Torrance. Son is WB6PAV. She has a unique collection of "frogs"---some of wood brass and jade. Her arthritis keeps her from her former hobby of archery--once very active.

Here's another one hard to reach--Wyoming--where Susan-WA7RTE comes from Jacson. She is a member of Minow and Open House Nets.

Glad to have reinstated Lola-W6USE of Los Altos and with us again. Most recall her OM-K6TV and she holds a General ticket. A busy gal.

From Kent, Wash. we have Barbara-WA7NEX who has a General and the OM is WA7FDA. She is an Executive Secretary and keeps very busy.

cont'd next page 13

Welcome Barb-WN8IWZ of Columbus, Ohio. OM is Jim-WB8DMI. Greetings to Patricia of Fairview Heights, Ill. She is a housewife and her OM is WA9ZJY. Good luck to you Pat.

Another reinstated member is WB9HZV-Guinevere who was WN9TCH, then back at it as WN9BKY and now a Tech and still trying for a higher class. She is a Steno-Clerk and says, "I'M determined!" to get my General.

First District	Carol Ann WA1GU D/C
----------------	---------------------

Shakespeare once said, "Better to be small and shine.... than to be great and cast a shadow..." So here I start our First District column in a small way, but hopefully, the effort will make us shine! This fall marked the beginning of WRONE'S 16th year, and it was started off in the usual delightful fashion with an extremely enjoyable luncheon on the Mass./R.I. border. Kay, WA1JDE and her able crew of helpers, worked hard on favors, table decorations and arrangements...and her efforts were not wasted...we left that afternoon, a very contented group!

Leona, WLYPH is a new great-grandma! (Which makes her daughter-in-law Jean, K1IJV, a grandma.) I can just see those knitting needles...knever knapping, I bet! (OK-OK-- I promise to restrain myself from now on.)

Hilda, W4HWR was pretty welcome to the WRONE Yankee Lassie net each Wednesday morning she checked in as portable 1 from New Hampshire! She and Onie, W1ZEN, had a ball comparing notes on their respective family doings.

Speaking on Onie, WRONE owes her a new carpet. Seems she OM Woody, Blanche, K1IZT and her OM, all found themselves going around in circles, putting the WRONE Cookbook together and wore a path in the carpet! The individual pages were set on the dinning room table, and that was the only way they could put them in order. (Ever consider a conveyor-belt system?)

Carol Ann, WA1GU took a 14,000 mile cross country trip with her family this summer in their 11 ft pickup camper. She brought the mobile rig with her and had a ball giving our fellow hams new states (even when the temerature hit 110 degrees in Utah?) Carol is busy this fall with being a Brownie Leader, learning to crochet, and discovering 2 meters.

Yankee Lassies, which meets each Wednesday a.m. at 8:30 E.S.T, has an invaluable asset in its Net Chairman, Betty WA1AJN. This gal is really on her toes when it comes to putting a little fun into your hamming. Incidentally, it's sure nice to hear the gals from 2-land check in. Bea, WA2GPT, and Barb, WA2DRV are getting to be familiar voices on the net.

The last word from the gals was news of all the hustle and bustle involved in Christmas preparations. Knitting, baking, cleaning, wrapping, shopping, and writer's cramp were a all on the agenda. Jean, K1TVT and Jane, W1ICV, were anticipating all sorts of non-stop activity in their respective households. All Andrea, K1WLX could do was bemoan this winters lack of snow in New England. As they say about our weather, Andea, wait a minute! Time to say goodbye til the next issue. Thanks to all you great gals for your encouragement and good wishes,..to all of you, my favorite number, 33,

Patti, WA2RRI, and her OM, Fred, WA2RIM, have been very busy putting up a tower for their tribander. After many trials and tribulations, they finally succeeded in so doing, and at the present time their problem is getting the rotor working. Unfortunately, as a result of all of this tower climbing and roof standing, Patti came down with what amounted to a light case of pneumonia from which she is now recovering.

Chris, WB2YBA, was fortunate in having members of the Morris County and New Providence Radio Club come down and help repair her tribander and tower, and it is now all the way up in the air, and putting out fine S 9 signals. Chris gave her talk, "The perils of Christine and her Antennas" recently to the Yonkers, New Providence, and Morris County Radio Clubs. She will be presenting this same program with additional YL material at the YLRL Convention in Long Beach.

Madeline W2EEO, and her OM, Art, W2LH, were thrilled to host Tein, BV2A, and his XYL, Fu, from Tapei, who had been their hosts when they were in Tapei. They are also expecting friends from Perth, Australia very shortly, and have put up a new 63 foot tower which is giving them fantastic signal reports.

Eva, WA2BAV, and her OM, George, WB2AQC both from Romania, but now U.S. Citizens, got their general licenses in June, and two months later their advanced licenses. They have recently traveled through Europe, South America, and the Carribean and are planning a DX-Pedition in April of 1972 on the West Coast of Africa with the plan of perhaps operating in six to eight countries.

Helena, WA2LKC, and her husband, Kar, WB2LRK have made up a cute postcard certificate for all hams who contact them both. It is a very pretty little item. They operate on all frequencies.

Ruth Schlitt, XYL, of K2BM just finished working for the first annual banquet of the Yonkers Amateur Radio Club. The dinner was a huge success and Ruth was busy getting the prizes for the women. She and Cy are now getting ready for the HARC Convention in October of 1972.

Amie, W2EUL had a wonderful summer. She visited St. Vincent, Barbados, and Sorrento. After visiting the "Hot Pot" in Barbados Beach she is now accused of starting the volcano in St. Vincent to erupt. It was supposed to be extinct. Ha!

W2RAW, Katherine and her OM, visited the Island of Aruba and Curacao in November and were delighted with the shopping and sight seeing.

Lil, W2IQP, is changing her address. Her new address will be 431-13 Academy Terrace, Linden, New Jersey 07036. She is going to visit Israel in December.

Sue, WA2HLG, wrote a letter to the New York YLRL which met on December 11th in New York, and said that she took a vacation in Jamaica and had a ball. Her OM is still working at the college as an assistant to the registrar. She is expecting to get started working on her doctorate in education.

New officers were elected at New York YLRL Meeting, and are as following:
President, Amie W2EUL, Vice-President, Ruth W2OWL,

Treasurer, Madeline, W2EEO, and Secretary Helen Zuparin who is an associate member of the organization.

Trudy, K2UXW, Hudson County radio officer, and Rose Ellen, WA2FGS, active with Salem county got together last week along with other hams at Rose Ellen's QTH in south Jersey for a nice visit and business session. Another gal active in the Civil defense is Rene, WB2DQK. So the girls are doing a good job! Rose Ellen's OM just bought her a new 54 foot crank-up, tilt-over tower so she plans lots of DX.

33's,

Chris Chris, WB2YBA

Third District

Jane K3ZDN D/C

Many thanks to all you wonderful gals in 3-land for taking time out during the busy holiday Season to send news. Hope you all had a happy time and that 1972 is your brightest year yet.

Bert, W3TNP had an active Thanksgiving day entertaining 2 teen-age students from Valley Forge Military Academy. She phone-patched one of the boys to his family in Costa Rica and the other to his family in Venezuela via the Intercontinental Traffic net. Bert also has an ISSB #8379 now.

Mary Ann, WA3HUP and her OM spent 16 glorious days in Jordan as guests of King Hussein. They operated his station and made about 2,000 contacts. To top that, His Majesty gave them the first license issued to foreigners. So if you hear JY9AA you'll know that Mary Ann is back in Amman using her special privilege. Lucky gal! I'd be happy if Hussein would just give me a signal report.

Harriet, WA3ATQ spent many hours (25-30 per week) running phone-patches for the personnel on the hospital ship Hope on its recent mission to Kingston, Jamaica. She and her OM were invited to attend the docking of the ship in Baltimore, Nov. 22 and a party given later at the Lord Baltimore Hotel. Harriet also checks into the Eye Emergency net 3x a day and manages some traffic in between. That's activity.

Martha, K3FRQ received a new FM transceiver from her OM as a 25th anniversary gift. They have a repeater station and have had many good contacts with the new gear. She is still alternate net control for her local Emergency net.

Liz, W3CDQ participated in YLAP and QSO'd more DX-YL's on 20 cw than USA YL's! She is now a life member of ARRL. Liz spent a few days visiting VE3XE (formerly G2JK) and his XYL in Toronto and was able to keep her sked with Kitty, W4PPQ from his station.

Some of the gal's from 3-land who participated in YL-AP phone portion were Marie, W3MDJ, Irene, W3RXJ, Bert, W3TNP, Mary Ann, WA3HUP, Eleanor, W3BIW, Barbara, WA3GZT and Harriet, WA3ATQ.

Last June, Maggie WN3OTY earned the title of "Spirit of Field Day". She operated for the Penn Wireless Club for the whole 27 hours! Her son Joe, WA3 MRF (age 16) teaches "ham" to a few boys on Sunday and she hopes her son Billy (age 12) resumes studying for his novice. So do we! Maggie collects pictures of covered bridges. Any one have any to send?

Peg, WA3GMN, who is working toward her advanced, has been teaching her neighbor code. She's been so busy with this, working $\frac{1}{2}$ day for five days a week and crocheting and knitting that she isn't on the air much except for a Tues. sked

with Irene, WB6KGP with whom she visited last summer.

Hazel, K3RGT is happy to have her rig back from the factory and is pleased with the performance. She's been helping Yvonne Lee WN3PTW with her code and was instrumental in having her join YLRL.

Welcome aboard Yvonne! Hazel asks about a 3rd Dist. YL net: the PJYL net is Mondays 7:30 p.m. ,28:650 and Thursday 9:30 p.m., 3.970 + - ? That's a start.

Adri, W3KEO and her OM, W3DRS have a new super-duper rig on the way. They'll use the old one for cw. Maybe Adri will find time to get on the air now, altho her 4-harness rug loom, her flora-culture, and Bible study and teaching keep her occupied. Adri has found great pleasure in getting Harmonic's on tape and say's "THANK YOU" to all who make the tape library possible.

Alice, W3EXG still keeps skeds on Tues with Velma, K3AIF and Ethel, K3LLH on 75 meters, Alice is able to get on the high bands again after 3 years of struggling with a bad rotor and a beam stuck in the NE. It was a thrill for her to get on Open House 20 meters and hear the old familiar voices. Velma suggests that I join that Tues. sked on 3.970 at 9 am. I'd love to, Velma, but by that time I've already put in an hour's labor for the School District of Phila. Could we set a sked for 1977? I'll be free to keep it then...with much gusto!

Carolyn, W3GTC now has a 20 meter antenna which she's bound to enjoy now that she's joined the leisured class.

Edna, WA3NGV keeps cw skeds with Lin, W3HTD (Mon. 6:30 pm, 3.675).

Norma, WA3KKT went to radio school (with Peg, WA3GMN), then took her test in Buffalo and is now Extra Class. That's the way to do it!

That's all for now. Please send more tidbits to your Friendly News Gatherer by George Birthington's Washday (Feb. 22)

Jane, K3ZDN

RESULTS OF BOARD OF DIRECTORS LETTER

dated October 26, 1971

Due to the increased cost of YLRL pins (both gold and silver) from the manufacturer, the Board voted to raise the resale price to \$3.95, maintaining the same margin of profit as before. The small profit realized from the sale of jewelry and supplies is offset by postage and handling costs.

The Board voted against publishing actual election totals in Harmonics but elected instead to make these figures available to the candidates and officers following the auditing of the ballots. In the future the Secretary will include this information when she notifies candidates and officers of the election results.

Many thanks to the Board for its fine work in 1971

Sincere 33, *Jane, W3ZJCL*
President, 1971

Greetings from Fort Myers, Florida. This is my first column as 4th District Chairman and I wish to congratulate Carrie, W4BVD on a job well done. It will be difficult to follow in her footsteps. I hope each and everyone of the YL's in the 4th District will contribute news items for this publication.

W4BAV, Cathy and her OM attended the Hamfest in Immokalee recently. While on their trip, they visited one night with W4KTE, Walt and Alice Lindner, in Miami and also with K4GZ, Charlie and Minna May in Port Salenno. They intended to spend the Thanksgiving Holidays with W4TXA, Mae and Hlene Mac Lean but a serious auto accident caused a change in their plans. Their car has a badly damaged front end, but fortunately they escaped injury.

W4BIL, Fran, planned to hostess the Sparkles Christmas Party at her home, but had to cancel because of illness. Hope the "bug", whatever it was, has departed by this time.

W4BVD, Carrie, enjoyed a lovely vacation trip northward, and even went ice skating for the first time. And without even one mishap. She'll be skiing next we hear. She and her OM also visited ARRL Headquarters on Nov. 5th and were given a grand tour of ARRL and WLAW by Morgan, W4WFL. They also met Ellen, WLYL (ex WLYYM at headquarters. Ellen is one of the gang at ARRL.

WB4FYD, Margaret, is recovering from a broken ankle suffered last August. She and her brother are living in Fort Myers Florida for the winter season, then they return in the spring to their northern home. Margaret is active in the Florida's.

W4QBY, Dorothea, is still swimming daily, and loving it, even in December.

W4KOH, Ernie gets our "thanks" for her helpful advice and suggestions on soliciting news for this column.

W4SBB, Marcia, YLSSB President is very busy planning a really big summer convention in Clearwater, Florida. She also made the local news lately as hostess of a bridal shower for the lovely daughter of Dr. and Mrs Larry Brown, W4KOP.

W4UF, Dorothy, lived in the area that was struck by a tornado recently, Englewood, Florida. Luckily, she and her OM were not injured and their new home was not damaged either.

33, Frances, W4AAB

SYMPATHY

YLRL extends sincere sympathy to Maggie, WN30TY whose OM has become a SK. Also to Gladys, K7MFS whose OM, Ralph passed away in January 1972.

It is with sadness we report that Maraget, OZ1MR became a Silent Key in January 1972, Margaret at one time wrote for Harmonic's as DX-YL. It took some doing to come up with copies of some of Margaret's articles for reference. (This word was received from Ursula, DL3LS and from Beth, W7NJS.)

Margaret was at one time a member of YLRL, but for the past few years had been confined to a rest home with poor health and a heart condition, that was apparently too much to overcome with the onset of flu.

My records indicate that Margaret, OZ1MR was an Adoptee of Beth's, W7NJS.

REMEMBER JOIN THE YL CREW-----1972

Ho, ho, ho, and a Happy New Year from the fifth district! Also, HELP!! Does everybody have laryngitis complicated by broken arms? I've listened around the bands and peered into my mail slot for hours on end, all in vain. Must be the mail service because I wrote Santa asking for an antenna that I could transmit on, but he obviously didn't get the letter 'cause I didn't get the antenna! I can listen though, and you may take it from me that either the fifth district YL's ain't been transmitting or I've listened in the wrong places. I am unable to hear you gals on TYLRUN, and I miss you ever so much! By the way, what about these rumors I keep hearing about the goings-on at the annual TYLRUN Birthday Party at the stomping grounds of Cory, K5UKK???

Deanna, WA5KRI and her OM have been mighty busy building their distributorship, and we're all so pleased that they've been so successful; but we sure hope that in their goals for now they'll include putting that tower and antenna back up--there are a lot of us that miss her wit and perspective since she's been off the air.

Talk about a Class A prospect for YLRL! Bea, K5JGC, and her OM have a daughter, Dianne, who's squeezing studies for her license in between her studies as a junior at Southwest Texas University where she's already president of the Amateur Radio Club!

Was it the Gaylarks who had threw a wild party at the QTH of Frances, WA5MPM?

Where are all those WHOOTS, and what are they doing? Other people I'd love to hear about or from: Harriet, K5BJU; Nina K5TEY; Daisy, WA5TYH and especially Carole, WN5CGQ--can you imagine anyone being able to study for a license while successfully handling two very demanding careers (medicine and marriage)?? What a competent and highly motivated gal you must be! I am truly astounded, but so disappointed that we left Beaumont about the time you came.

I'm still limited to 2 meters for talking, although with our new repeater here, 2 is quite active and most enjoyable. I mentioned to the OM that failure to erect a working low-band antenna within 10 days of my unpacking the last box was grounds for a divorce, he just grinned and said, "Sure 'nough?" We are enjoying being back in our little hometown, and with help we're learning to process our own venison! We've become avid hunters---rotten shots, but enthusiastic, and the deer meat we've had so far has been food for the gods. Our big news of the moment is that the OM is going to a Spermarket seminar right after New Year's, and I get to go with him. And it's in Acapulco! Whoopee!! All of which brings me to say that now that Christmas is behind us, Won't you be my Valentine? Sit down now and drop a line! Tell me how you're getting out, and what other YL's are all about. The QRM us real nasty, and I'm stuck out here getting nowhere fasty. Drop me a line, give me a call, use pony express, but pick up the ball----Please send me your news!!!!

33, Ann WA5GLM

Don't forget to send your dues to Jackie, W6YKU

\$3.00 will do it----join the crew in '72

Best wishes to you all for 1972, and hope at the Long Beach Convention, May 26-27-28, we'll see most of you!!!

It'll be hard to follow Myrtle, WA6ISY, who did such a great job, but hopefully I'll be able to come up with some thing besides a "blob". (Has to rhyme with job, hi! hi!)

The latest from the L.A. -YL Club is of their very successful annual Christmas "Bash", where most of the talk was of plans for the Convention in order to make a real "Spalsh"!!

The Baylarks also had a very Happy Christmas event, and I only wish I could have went!!

As for me, my "on the air" time has gone to the local Elementary School library, where hours and hours I've spent in the last four months, and it's strictly voluntary. T'will be done and ready this week, with 2 days of work for the "crew", and what a "boone", for from now the students can say "The Library's Open", instead of "How Soon?"

I'm in need of some news, so gals, if you want no more of this "jazz", come on and give with some of your views.

D.I.S.I (Dare Isign it?)

33's

P.S. K6ENL, Aleta, Welcome back to Sacramento area!! (Just noticed in the last YLH address change list.)

Greetings from Superior, Arizona. A Happy New Year to everyone. What a year it will be! The YLRL Convention in May and one that gives special meaning to "33". This is the 33rd birthday of YLRL. I hope every YL will sponsor at least one new member. Just think what that would do for our membership.

Beth, WA7FFG brought the 7-land file to Superior. We had a nice visit. As I follow the Seventh DC's from previous years Beth, Mae, Jane, Carol and all the others it presents a great problem to do half as well.

This note from Verda, "K7UBC is the happiest YL in 7-land because she is the HONORED sponsor of Princess Munaah, JY2, wife of King Hussein of Jordan." (All the members of YLRL are honored to have Princess Munaah one of us.)

Bobbie, K7RAM will soon be living "downtown". She says plans are underway for a 2½ million dollar shopping center which will be located 1½ blocks from her home.

Ethel, W7WLX is going to spend three weeks visiting Hawaii and Tahiti.

Mary Jane, K7LSW is proud of a new 2 meter rig. She enjoys Races Net. Mary Jane had a very happy Thanksgiving at her daughter's home. Her 88 year old mother was well enough to spend Thanksgiving with them.

Helen, K7UJV and OM, Bob, K7UJU had a wedding in the family Son Mark was married to Joan Williams, November 14th.

Lisa, WA7MOA enjoyed a vacation trip in November. She and her OM, Lee, WA7HVL sent Thanksgiving in Pendelton, Or.

Lucy, W7EXA and her OM, Bob, W7EXI just completed a coaxial antenna for 40 and 75 meters. They are having wonderful signal reports on it. They also worked over the beam motor.

Carol, K7WUR reports that her back is better and the braces removed. We are all happy with the good news.

Betty, W7GFF and OM, Johnny, W7EAH attended the Hamfest

Cont'd next page

at Brownfield, TX. They were given a hearty welcome and enjoyed being there very much. The Taylors are really doing their part to create more Hams in Tucson. Tuesday night they conduct a Novice class in their home. On Thursday night they go to another home to teach theory to those who are working toward a General or Advanced licenses.

Beth, W7NJS is as busy as usual. She attended the Portland Roses Christmas Party December 13th. Everyone had a wonderful time. She spent Christmas in Seattle with her sister, Mary. Beth reminds all of you that need a YL from Hawaii to listen and let her know by May 1st on which band and what time you hear Hawaii best. Darleen, WA6FSC was Beth's guest from December 19th to 22nd. The Willamette Valley DX Club had a dinner for Darleen, she showed slides of her world-circling trip.

Beth, WA7FFG was pleasantly surprised to have Dee, K7WTW and her OM, Bill K7NNJ call on her during the holidays. Dee expects to be back on the air soon as they get an antenna installed. Beth was really pleased with the beautiful tribute which was given her for services rendered during her term as 7th D.C. She is proudly displaying in her Ham Shack.

Vera, WA7IVA and OM, Willard, WA7ISY flew to Colorado to meet and visit their son, Bill and his family when he was transferred to Germany. Vera has a new organ. They are real pleased with it's tone.

Joan, KS6DJ'7 is now a real 7-lander. Her new call is WA7SOK. Her work as a media specialist at the Senior High School in Medford is a challenging position and one she finds most satisfying. Her only problem is lack of time to get on the air.

Beulah, WA7BAI reports that her mother has been in the hospital for 2½ months. She is better now and we hope she continues to improve. Her Dad's birthday was in November. He is 95 years young.

We were sorry to hear that Bee, K7ZUV just recently had a tumor removed. An infection followed the operation and slowed up her improvement. We are pulling for you Bee.

We welcome Pegge, W7GQV to YLRL, some of you will have known her as K4NPY in Kentucky. Her OM is Ralph, W7JQX. They are very active on 2 and 6 meters in the Phoenix area.

Jessie, K7TWQ and her OM, Clarence spent a few days in Seattle. Clarence was having a new Pace-maker installed.

Edith, W7LIZ and OM, Jim, W7TCQ have been busy remodeling their home. They added another room and wired it for sound. They are very happy with the improvement.

Flo, W7QYA left December 22nd for Russia. Her OM is driving her to New York. There she will meet Nan, a friend from Montana who will travel with her. They expect to visit Hams whom Flo has contacted. We will enjoy hearing about your trip when you return.

At this QTH the Quad is still tied down on the roof. Wind and stormy weather are slowing up work on the tower. By the time you read this I hope the quad is up and I am back on the air. News PLEASE from everyone. A postcard telling me your news will be most welcome.

33,

Katharine, WA7FLC

Greetings from 8-land, and best wishes to YLRL Officer's for '72.

Now that the Christmas trees are down and the lights have been put away it's time to get down to the nitty-gritty of business again.

Speaking of Christmas parties, the Chix-on-Six had a pot-luck dinner Christmas party, exchanged gifts and had a great time. Everyone brought food and used clothing for the Indian Center in Cleveland. Later Dot WA8IJW took it all down there with a \$25.00 check donated from their special Treas. to be used for turkey or whatever the Indian Center decided was best.

Want to know why Eila, WA8EBS has such a twinkle in her eye? Her OM, Jim, W8BU and Paul Godley are pictured together in QST 1971 December on page 56. Story with picture.

Marge, K8ITF and Marte, K8EPE recently crossed "over the border" into Kentucky (without a passport) where they settled on a "big hill" and joined Tangle Net and gave KY YL contacts to all the gals who needed it for YL-WAS. This is real dedication to the Art and two great gals provided it.

Shirley, WA8ISE says she had two new grandchildren this past summer. Also, she is working part time at the hospital.

Bobby WA8ARJ's daughter Bev is sporting a new Pinto and is very proud of her possession. Bobby has been busy sewing, knitting and crocheting Christmas gifts. Sounds like a busy lady.

At last report Amy, WA8ORC was hoping to be moved into their house by October 23rd. She says she has been having problems with her fish dying in her new aquarium but thinks she has the problem solved now. Sure hope so.

Esther, W8ATB had a busy summer, she and family made a trip to Minnesota, Wisconsin and to So. Dak., visiting relatives and friends. Then they left for Florida the last week in October.

Marion, K8LHF's #1 son is in the State Police School in E. Lansing. She also reports that #2 son Wayne who is in Germany is in the hospital with hepatitis. (Hope he gets well soon).

Fran, K8RZI was visited recently by Ruth, KZ5RT who was on her way "to and from" Calif. Fran took her and her TR4 to the Drake Co. Later they were joined at Fran's QTH by Marge, K8ITF where the three had a most pleasant visit.

The Officer's of the TASYL's for 1972 are: President Marion WA8OCD, V.P. RoseMary, WA8VXE; Sec. Beverly, K8ZJU; Treas. Nona WA8CXF. Best wishes to this fine group of gals for a rewarding year.

The Buckeye Belles will hold their Annual Meeting and Installation of Officers Sunday April 9, 1972.

Sylvia, W8UTM had a wonderful last summer's trip to Africa and Greece, wish I could tell you about it but there isn't room. She said they arrived home one day ahead of their luggage.

Edie, WA8KMT us Net Control Chr. of the new Buckeye Belle net on Tuesday evenings at 2000 hrs. on 3.950 Khz.

Guess that does it for this time. Let me hear from you 8-land girls.

33, Lillian K8KCI

HAPPY NEW YEAR! I hope 1972 will be healthy and properous for each of you. A special thanks for making me your District Chairman and with your news and your HELP it will be a great year!

Congratulations to Joyce, WB9FJB. She received her advanced class ticket last summer. Studying for the advanced has increased her interest in power supplies and maybe in the next issue we can report on her building accomplishments.

Yours truly was on 10 meters recently and I was asked if I belonged to the Womens Liberation Movement since receiving the Amateur Extra class license. I laughed and said no, it was a goal-learning and having fun while doing it. That's what ham radio is all about, isn't it? We gals should "show off" a little more. It requires studying, reading and building. You'd be surprised what 15 minutes a day can do! There's too many hams that aren't involved---get into it--IT'S FUN!

W9GJB, Gladys, and OM W9GJA, and Harmonic spent their summer vacation in California via 747. They are also Grandparents to Krista who celebrated her first birthday October 25, 1971.

WA9BZR, Peg, just returned from a trip to the Pennsylvania Amish country, Finger Lakes of New York, Niagara Falls and lower Ontario. Peg and OM, Win hit the fall colors just in time in Pennsylvania and New York. They visited the covered bridge area and Brown County in Indiana. These two get around!

WB9ALD, Mary, worked the Santa Claus shift -- 10 hours a day, in a department store toy shop in hometown Litchfield, Illinois. Sounds like a fun job, Mary!

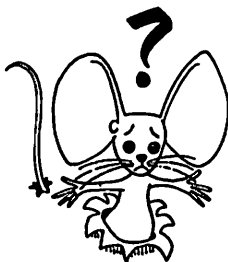

Remember February 20, 1972. That's the date of the Wheat-on Community Radio Amateurs Hamfest held in Du Page County Fairgrounds, Manchester and County Farm Roads in Wheaton. YLRL and LARKS will be represented so be sure and visit! Attendance was close to 3,000 last year, so get there early for the goodies.

The LARKS will be meeting in April--the first Tuesday. Keep it in mind and meet some of the gals.

And now a big thanks to Margaret for the excellent job she did! Let's hear from you, gal's!

33,

YOU DIDN'T FORGET SOMETHING DID YOU?

Hope all of you had a Merry Christmas and a Happy New Year's. My first resolution this year is to definately get my General. The OM says he is going to get his Extra Class. Gale and I have been helping each other with the code. Can't help him with the theory though!

The Colorado YLs had over twenty gals at the annual Christmas Luncheon. WØEFE, Marte came in from Kansas. Marte is looking really great, this year she even had shoes on (last time she was wearing slippers as she had hurt her foot)

The officers of the Colorado YLs were elected. WAØIYZ Linda Erb is President, WNØDAQ, Ellen Corder is Secretary, and KØWZN, Ann is Treasurer. WØHEM, Elaine High was presented a plaque in appreciation for all the work she has done as President of the Colorado YLs for the past three years.

The three mothers-to-be were given silver baby spoons. WØHEM, Elaine high, WAØMNM, Bonnie Vidmar, and WØLDU Charline O'Dell. Congratulations to the Grandmothers, WAØMNL, Rosie and KØWZN, Ann too!

The Colorado YLs are getting ready for the YL&L Convention. We still arn't sure how we are going to get to California as yet. If tou happen to see a group of gals hitch-hiking.....

haven't heard from the rest of you gals as yet. I please drop me a card or letter. Mary K. lowers, WAØSLX, 12891 Sheramdi St., Longmont, Colorado 80501

Aloha from Hawaii-

Tried to call some YL's during the Anniversary Party but no luck. Did however have a chance to talk to Jessie, WA6OET/KH, who was here for a few days and we did both talk to Jeanette WB6ZZM, that was the extent of it!

Will be looking for YL's as I now have a linear and should be able to get out---but antenna remains the same so hope I can hear the girls. The mini-beam is fine if signals are up and the band is open.

Hope all of you had a nice holiday season - *Dell*

All of a sudden the hustle and bustle is over and another Christmas is past. I hope everyone had as pleasant and rewarding a holiday as I did. Our weather co-operated with pleasant temperatures and Christmas card scenery.

Mary, KL7BJD made her yearly trip to Anchorage December 19 to play the organ for the Alaska Railroad children's Christmas party. Children payed more attention to Santa, but we older kids enjoyed the music.

Fay, KL7FLU finally got a new tower and beam up in November. She lost her other in a wind storm last January.

Beth, KL7HEJ is still working but still faithful with the Eye Bank traffic.

Jeanne, KL7BBL is in Seattle for business and pleasure and to visit the children going to school "outside".

The PARKA Club will have a New Year's party at the home of Edith, KL7CZU.

I had a rest this fall. I had major surgery October 20. November 20 and 21st was on a Caribou hunting trip and played all day, both days on the snow machine. For the first time in many years we found a huge herd of Caribou. At one glance around the hills we could see at least a thousand.

I have no news from the North Country. I'd like to suggest, due to the vastness of our state, we have at least two District Chairmen.

Happy New Year.

IMPORTANT NOTICE

DON'T FORGET YOUR ADOPTEES!

Those of you who have adopted DX-YL's in 1971, please consider now your adoptees for 1972. While our membership year does not begin until March 1, and YLRL dues are not offically due until then, it does take a little longer for the paper work in connection with Adoptees. Your application for an adoptee is sent directly to WA2WHE, Gretna Longware so that she can clear the YL's availability, and only then does it go through the regular channels--to the Receiving Treasurer.

So please let me know just as soon as possible your wishes---will you re-adopt your same YL, do you wish a new one, must you give up the adoption this year - whatever your plans please let me know. And you YLs and Clubs who have not participated in the program--why not let 1972 be the start of something new and very rewarding?

Remember - send your \$3.50 for each DX Adoptee direct to me.

Thanks and 33,

Gretna, WA2WHE

"JOIN THE YL CREW IN 1972", where: at Long Beach, CA of course! When: May 26, 27 and 28, YOUR Registration for this gala event enclosed, send it now today for a fun filled weekend with those L.A. YL's.

Greetings from all of us; May the love, Hope and Peace of Christmas abide with you throughout the New Year.

Marion, VE1BH is home again after hospitalization in Toronto, when she is not too well her OM checks into the TOT and CLARA nets.

Evelyn, VE3EPT and Marg, VE3AIZ just received their calls, they are studying for their advanced tickets now.

Devon, VE3ATO moved out to a farm so they will have more room for antennas etc. QTH still near Peterborough, Ont.

Eva, VE3EVA's OM Barney, VE3MB has come through an abdominal operation, will be home soon.

Doreen, VE3FUR and OM are having a new home built at Bancroft, ONT. The air up there in the country helps the breathing and allergies.

Jan, VE3BII is kept busy with CLARA nets, harmonic's and Editor of Clarion. She is also on the TOT nets. Ivy, VE3IV and Jan have a sked regularly and play chess...

Cathy, VE3CDH and family were ready to go on holidays but daughter, Dorothy has been in the hospital and they have to wait until she gets out.

Cathy, VE3CDH is assistant editor for Scarborough ARC news and OM George, VE3DGX is editor for second term.

Betty, VE3ASZ has just completed a course in CW traffic handling, she is getting to be a pro. You may hear her nearly every night. When she smells smoke as she did on a Monday eve what a shock on investigating to find flashing lights, police cruisers, and the people on her lawn, smell getting stronger she was sure her rig had started her house on fire. It was her neighbors house. The neighbor's OM was doing a plumbing job and the insulation and rafters caught on fire.

Jean, VE3DGG and OM Dave, VE3BAR report their seven war vets in Sunnybrook hospital are coming along fine with the course.

Doris, VE3BBO is asking Santa for a SSB rig.

Bubbles, VE4ST took Ted VE4TT who was just getting over the flu, to a Company Christmas Party at which she received her 10 year service pin.

Thelma, VE3CLT received her 25 year service pin from the corp. and belongs to the Quarter Century Club.

From Barbara, VE3BFN; The nicest part of the Trillium Pre-Christmas Get-to-gether was the number of blind and wheelchair members who were able to attend. Almost 50 members and OM's were present at the QTH of Jean VE3DGG.

Meryle, VE3EBS and Louise VE3AUZ and Ron from Toronto, Leola VE3DEA and Steve from Windsor and Fran, VE3EYL and Bob from London, all blind and all hams who added to the QRM. Through the kindness of a special van we were loaned, we were able to have Dorothy, Bessie and Lear attend. They are all in wheelchairs and all operators of VE3QEH at Queen Elizabeth Hospital in Toronto. We also had another guest who is a non-ham but in a chair. Her name is Coleen and her brother is a handicapped ham. They all had a great time getting to actually know the Trilliums they had spoken to many times, but never actually met before.

I hope I can fill the shoes of the previous DC's they have all done such a good job, but behind the scenes they are still gathering news for me.

33, Thelma, VE3CLT

DX-YL NEWS

Gretna Longware, WA2WHE
INTERNATIONAL MEMBERSHIP CORRESPONDENT
Box 426, Elizabethtown, New York 12932

Thanks to Verda for the following news from our DX gals. I am looking forward to hearing from them in the future .

Ludmilla, OD5FL has a new SSB station and will be looking for QSO's with USA on 20 meters. Is usually on at 2200 during the week and at 1600 GMT on Saturday. She and the OM are planning to visit the States this coming year and hope they can make the convention.

Helena, YV5CKR is home recuperating from major surgery. Get well soon, Helena.

Christmas greetings came to YLRL from Edna,ZS5OB-Joan GM3NYG-Gunilla,SMØCXC -Nell,G2YL-Angela,LX1YL-Nellie,XE1CI and from NYC, from Sonia,PY2SO and family who were Christmas shopping there. Sonia hopes to be on the air more as they will soon have new antennas up.

Ursula,DL3LS and OM, Henry,DL1RA spent a nice summer touring through Germany, Austria and Italy in their camper. Weather was extremely dry and sunny which caused a water shortage. They had fun participating in several mobile contests during the summer.

Corrine, ex-CE2SC and OM Max will be returning to the States from New Guinea in January and if not out on foreign assignment at Convention time, will attend. Their address for awhile will be 1451 Pastel Lane, Novato, CA 94947.

ILMQ writes that her son Beppe fell from his bicycle and broke his left clavicle. Her OM Tullie, I1MM has bought ham equipment that will allow then to get on SSB. After the holidays she will send sked information.

A Christmas newsletter from VK7ZA tells of the adoption of three Australian children. The double family had them in a dither for a while, but they are all settled now. For her annual new project she has taken up spinning and enjoys it very much, but her main hobby is still ham radio.

Anny,HB9YL writes that she has been very busy with book-keeping for the end of the year and making doll clothes for the Kindergarten children where her youngest daughter is a nurse.

That is all for now but next issue I hope to have more information on some new members. Please let me hear from all of you DX gals or if anyone will share letters from their adoptees to help me get started in my new job, it would be appreciated. Verda has always done such a nice job that I hope I can do half as well,

33, Gretna, WA2WHE.

Ye Editor received a card from AKaiyo,HS1AEY at the Holiday season which was much appreciated--will forward the enclosed letter to Gretna for her column. Another card received during the holiday season was from YO4UJ Mary and her OM, Sever, YO4WU of Romania, now I know why the gal's here vie for these various jobs in "Harmonic's" it's all the very lovely people you meet around the world, and we "thank them" for remembering us (YLRL)

ITALIANO YOUNG LADIES RADIO CLUB MEMBERS

First meeting of the YL's Italiano club was held at Mantova, September 26, 1971. Marked as follows are #1 ILQMT President, 2# ILPLH, founder and Secretary, #3 ILXYL, Treasurer and ILMQ whom was kind enough to send photo via Liz W3CDQ for publishing in YLH

It's a pleasure to introduce two Australian YL's Mavis, VK3KS, Austine, VK3YL and Liz, W3CDQ in Mavis's shack, taken May, 1971. What a wonderful time these YLRL members must have in meeting our friends across the sea. The smiling faces in this photo, leaves no question in ones mind about the delightful time they were having.

YLRL ANNIVERSARY PARTY

By

Dot Bedford - K4AOH

It's over now and am I beat, coffee cup is empty and OH what a
sore seat!
My elbows are red as they can be, foam rubber pads were useless
to me.
Our party comes but once a year, and on goes the fones over the ear,
My rig is loaded and I'm ready to go, just hope the OM will be a
good Joe.
The VK YL was coming in strong, and I thought I heard one from old
Hong Kong.
While listening for that far-away land - all of a sudden, what happened
to the band?
I thought 20 meters had at last gone dead, so I tucked myself in my
good warm bed.
Next morn I awoke - bright, fresh and hearty, anxious to get back to
the YL party.
To all I could hear I'd beg and would plea, to be heard by all - my
TR-4 and little ole me.
The ones I QRM'd I'm sorry as can be, but when I heard another call
and it was new to me,
I'd zero beat and calling I'd begin, and when I heard my call come
back, I'd be happy once again.
The other girls they would stand by till I said 33s, at all times they
were courteous and no one disagreed.
We all enjoyed our little game and made it all worth while, to know we
have so many friends over the country and so many miles.
And if next year all goes well, guess on the bands I'll be, QRMing
everyone again ---My TR-4 and little ole me.

.....

Dot wrote the above after the 1968 YLAP, and apparently her
enthusiasm has never lagged - because she was in there again this
year rolling up a great big score.

BETTER PARTICIPATION in YLAP-CW

We all admire the top-notch CW operators and this suggestion is
not intended to cramp their style in any way - BUT a lot of us are very
hesitant about trying to break in with our slower and uncertain fists.
We know the gals want contacts and would slow down for us if we could
get up nerve enough to ask them. Don't forget that we have a lot of
new YLs who might become regulars in the CW portion with a little
encouragement. And some of us old timers have for one reason or
another been away from CW for a time. How would it be to set aside
a certain time - like, say, the second hour of the contest - to pick up
the slowpokes? Think about it.
