# Message From the President

Greetings to each of you. It is with deep humility that I will take over as your President. I sincerely thank each of you for placing your confidence in me and I shall endeavor to do my utmost for YLRL. Happiness is serving others through Ham Radio and I shall be there ready to help. The past year as Vice President was very gratifying. I enjoyed receiving many fine letters during Contest Days. At this time, I wish to thank all the YLs who so graciously served on the Vice President's Committees.

Let us begin our year of 1977 with Enthusiasm, Courtesy, Promptness, and Kindness. With these attributes, YLRL is bound to grow and succeed in all its endeavors.

If at any time anyone has a suggestion to offer which will be beneficial to the organization, I would appreciate your letting us know. Let's keep YLRL growing by Right Thinking, Right Doing, and Right Living.

Very 33's,

*Beth*

Beth, President

## Silent Key

We received notification that Phyllis Allen, K4AZT, became a Silent Key on July 22, 1976. Our sympathy to her husband, Al, K4BAH.

**Y L HARMONICS** Is published by and for the members of the YOUNG LADIES' RADIO LEAGUE, INC. YLRL is a non-profit, fraternal organization comprised of Women Amateur Radio Operators, incorporated as such under the laws of the State of California. Dues are \$4.00 per year, due and payable March 1, and delinquent March 31. For new and reinstating members joining after August 31, the dues may be pro-rated by half the annual dues for that fiscal year (currently \$2.00). Dues for DX members are \$4.50, and may not be pro-rated for portions of years. Dues for a "family member" are \$1.25; and subscriptions by non-members are \$4.00 per year, and may not be pro-rated for portions of years.

# EDITORIAL

My name is Marlene Patrick Maslin, and with this issue I take over the post of editor of YL HARMONICS. Carrie Lynch, WA4BVD, who did this job for four years deserves some recognition here. I have never taken over a job in any volunteer organization where I have been so thoroughly prepared by the previous job holder as with this one. Carrie has put together a beautiful book of directions which allowed Nancy and me to step into the job with much more confidence than we would have had. Thank you Carrie!!!

Just a few words of personal background. I am a native Philadelphian, graduate of Temple University with a master's degree in education. I taught foreign languages for three years before the birth of our first child. My husband Al, W3DZI, and I will be married ten years in May and we have two children, Debra who is 7 and Stephen who is 3 1/2. I teach preparation for childbirth classes for a local group which Al and I co-founded last year. I received my technician ticket in March, 1973, right before Stevie was born and became quite active on 2 meters. Six weeks after he arrived, I got a recall notice from the FCC and had to haul myself down to take the test again. At the time, I couldn't see any great benefits from this, but there were. In April, 1975, I got my General on the first try by passing 13 wpm code. Now that a TA33 has been installed on the roof, I enjoy the infrequent times I work the low bands and really had a ball participating in the HF Sweepstakes with husband Al, Geoff, WB2AFM, Jeff, WA2ASO, and Harry, WA2DHD. If you are ever in our Philadelphia area, please give me a shout on the 147.66-.06 Radnor Repeater. I am secretary of the repeater association and monitor the frequency most of the day.

With this issue, HARMONICS takes on a new look. A different typewriter, and printer are responsible for the outward physical changes. But, please remember, HARMONICS is your magazine. Without your news and views going to your District Chairpeople, HARMONICS would not exist. In addition to the usual news, is there something that bothers you about ham radio in general or the treatment of women on the air in particular? Did you see a funny cartoon or read a poem or one-liner about amateur radio you'd love to share with us? Break out the typewriter, pick up the pen and drop your material in the mail to your District Chairperson. Please observe your deadlines as the District Women have my deadline, and I have my printer's deadline.

A special thank you to all the people who sent me holiday greetings and good wishes on assuming the editor's post. I will do the best I can to make HARMONICS a magazine of which we can continue to be proud.

# NOMINATIONS OPEN

YLRL has more members than ever before and we need the help of all of you to prepare a ballot of capable nominees who have the interest of the organization at heart. Read thoughtfully "WHAT MAKES YLRL RUN?" in this issue.

Is there an office that particularly appeals to YOU? Will 1978 be a year during which you would have the time required? If both answers are "YES" -- and you have been a full, family, or life member since Jan. 1, 1976, fill out and sign the Nomination Acceptance Form enclosed with this issue and mail it to the Nominating Committee Member in charge of your district.

If you are unable to serve, think over the YLRL members you know. Is one of them especially fitted for the office of PRESIDENT, VICE-PRESIDENT, RECEIVING TREASURER, DISBURSING TREASURER, or DISTRICT CHAIRMAN? Ask her if she is willing to run. If so, have her fill out and sign the Acceptance Form, and see whether you can get 5 endorsements either on it or by postcard.

Do not let the lack of endorsements keep you from sending in the name of a person who is willing to run. The committee can secure them. Letters have been sent to the affiliated clubs, asking their help, but we want a ballot giving choices of candidates for all offices and help is needed from those not members of local clubs.

Our ballot must be organized and ready by April 5. It IS early to be thinking of 1978 officers but carrying on the whole process by mail means we must have an early start. Perhaps some of you can send in names of several who have consented to run. With more members, we should have a fuller ballot- let's take care of it RIGHT NOW!!

Send your nominations or acceptance forms to the member of the Nominating Committee for which your district is listed:

Districts 1, 2, 3, 4 - send to: Bobbie Newman, WB2BHS  
RD2, PO Box 210, Oregon Trail  
Pine Bush, NY 12566

Districts 5, 6, 8, 0 - send to: Sandi Heyn, WA6WZN  
962 Cheyenne  
Costa Mesa CA 92626

Districts 7, 9, KH6, KL7, VE: Beth Taylor, W7NJS  
14637 Fair Oaks Avenue  
Milwaukie, OR 97222

Remember the Deadline!!! DON'T PUT IT OFF!!! ACT TODAY!!!

Tnx and 33,  
Beth, W7NJS, KH6GDS  
Chairman, Nominating Committee

## \*\*\*\*\* WHAT MAKES YLRL RUN? \*\*\*\*\*

YLS, of course!! The opening of nominations for 1978 Officers, and the urging to accept them brings up the point that perhaps some YLS might hold back because they were not sure just what they would be getting into if elected. Our Constitution and By-Laws state what is expected of our Officers, but perhaps a less formal approach will be more readable and enable more of you to picture yourselves in one job or another.

The various jobs with YLRL have different requirements, but there

are some things pertaining to all -- and the YLs in them have several things in common. First, they are the ones who realize that we get out of anything just about what we put into it -- they really want to be a part of what is going on. Then, they must realize that YLRL cannot run by itself and that they must "plow back in" some of what they are deriving from it. Then, too, there is just plain curiosity -- the desire to know what makes it tick. This last is one of the greatest dividends we offer --hi--because with our scattered membership and our officers miles apart, YLRL is different from any organization you might know about -- and that's half the fun. How do we keep together? Where do we keep our things? Who does what, and when? Where do the certificates and trophies come from? Who prints the paper? How do some of the YLs get wise in a hurry--hi--and enjoy every minute of it? Chances are you have said to yourself at one time or another, "I wonder why they don't...?" or "I'll bet I could do a better job than she does.?" Well, YOU're the one we want!! We need your ideas -- we need YOU!! Even YLRL can be improved upon, or at least be kept up to date. So, come on in--get your feet wet, try it out, as many of us have done. You won't be disappointed!!

Here are some brief descriptions of some of the officers. Why not try them on for size?

DISTRICT CHAIRMAN: The starting point for most YLs, and a pleasant and interesting experience. The D/C is YLRL in her District, and she is kept up to date in YLRL matters so she can help the YLs in her area derive the very most from their membership. She may preside at YL meetings at local Conventions, and she will publicize YLRL and be always on the lookout for possible new members. She keeps in touch with YL Clubs and spends as much time as possible on the air picking up news for her column in YLH--just five newsletters during the year (we do not carry news in the Directory Issue). She receives letters from YLs in her area--some with news, some questions she can answer, and some questions or suggestions to turn over to the proper Officer for attention. She is a member of the Board of Directors, becomes familiar with YLRL proceedings, and has a vote in whatever decisions come up during her term. She may be asked to serve on the Nominating Committee. She will be more interested in some aspects of YLRL than others, and this will influence her consideration of one of the major offices.

DISBURSING TREASURER: A YL who is the type to enjoy keeping her own checkbook in order and managing the budget may be a prospect for Disbursing Treasurer. This formidable title does not mean she must be an Accountant. Our books were set up so that a "civilian" can handle them easily. It only takes a gal who is willing to be responsible for the YLRL bank account, will pay our bills promptly, and make up a simple Financial Statement two or three times a year. She is an ex-officio member of the Budget & Finance Committee and has their help when needed. She is also a member of the Board of Directors, & has an active voice in YLRL decisions.

RECEIVING TREASURER: This YL collects the dues and sends out Membership Cards in return. She is final authority on who is and who is not a member during a given year. She makes up membership lists showing all names, addresses, etc., and must have some means of duplicating them for distribution--or have another YL willing to help her with this. She is almost the first one a new member meets, and she enjoys many interesting contacts. For this office, a YL should be the neat, accurate type who will keep correct records. After the dues-paying season, she makes up a Delinquent List of former members who have not renewed and sends out notices. She devises her own campaign for getting dues in on time. She too is a member of the Board of Directors.

SECRETARY: Here's a fascinating job that covers almost everything-- and offers excellent preparation for a YL who aspires to the Presidency. She keeps the most complete membership file, updated from information picked up here and there. She welcomes new members with a letter and other information; records all Amendments to the Constitution and other actions taken by the organization. She keeps special statistics as needed by the President and handles all general correspondence. She keeps records of our Affiliated Clubs, checks their credentials and issues certificates and stickers. She conducts all elections of Officers, from checking on the eligibility of candidates to the final tabulations of the votes. She also serves on the Board of Directors.

VICE-PRESIDENT: The V.P., of course, takes over in case the President becomes inactive -- but under normal conditions, she is most concerned with our Contests. She is responsible for planning and publicizing the contest, scoring the logs sent in by participants, making up the results, and sending the awards to the winners. She chooses a committee to help her in all this, as well as special projects. She also supervises the various YLRL-sponsored certificates and fills the positions of Custodians when vacancies occur. She is a member of the Board of Directors and assists the President when necessary. Scoring contest logs calls for accuracy and much patience with details. She will be happier in this job if she has held some other position previously and has taken part in the contests.

PRESIDENT: Seldom does a YL start here--and ideally she would have held all the other offices, although I don't recall one who has. But she does need to have an understanding of what all the Officers are doing, so she can keep all departments operating. Most Presidents will have some project for the year & will appoint YLs to help with this. At the beginning of the year, she appoints her committees and gets them started on the year's work. She works with the Editor of YL HARMONICS on publicity for her projects and any change in policy. She is concerned with keeping the Constitution up to date and the constitutionality of all YLRL actions. She finds willing YLs to fill vacancies that occur, and carries on correspondence on a variety of subjects. She is responsible for Public Relations, appears often at Conventions to conduct Forums, and represents YLRL whenever and wherever called upon. To state what the President does briefly: She does whatever needs to be done!!

## Renewal

It's time to renew your membership in YLRL!!

Dues are \$4.00 per year, due and payable March 1, and delinquent March 31. Dues for DX members are \$4.50 per year. Dues for a "family" member" are \$1.25.

Inserted in this issue is an envelope addressed to the Receiving Treasurer, WA2FGS, and a membership renewal form. Please use this form and send it with your check to:

Rose Ellen Bills, WA2FGS  
17 Craig Place  
Pennsville NJ 08070

A DX-YL membership renewal form and an envelope addressed to the International Membership Chairman, WA2DMK, is also included in this issue to all YLs who have adoptees. Please complete this form and send it to:

Ione O'Donnell, WA2DMK  
Newcomb, NY 12852

NOTE: If a DX member wishes HARMONICS sent airmail, she must pay \$7.50.

# CONVENTION

The National ARRL Convention will be held in Toronto, Ontario on June 3, 4, and 5. All YLs attending are invited to the CLARA meeting and CLARA's 10th anniversary luncheon to be held in conjunction with the convention. The theme is International Friendship. Information is available from Barbara Newman, VE3BFN, 1072 Royal York Rd., Toronto, Ontario, M8X 2G7.

# Notes

## ANNIVERSARIES

Sylvia Soble, W3SLF, celebrates 25 years as a ham. OM, Bill, W3QXT. Dot Saunders, W4UF, celebrates 50 years as a ham, First licensed in 1927 as 2BY, she was the only licensed YL in the 1927 Callbook.

Evelyn Gauzens, WA4WYR, is serving as Chairman of the Dade Radio Club HAMBOREE for the 17th consecutive year.

## A BIRTH IN THE FAMILY

Congratulations to Myrtle, WA6ISV, on the birth of her 2nd granddaughter (her 8th grandchild!!).

## HELPING TO UPGRADE

The FLORIDORA YLs have initiated a cw practice program to aid many Tech YLs to upgrade their licenses. Lori, W4VQZ, and Thelma, WB4AUR, have set up a twice-a-week schedule to accommodate the YLs. Tuesday evening and Thursday morning were decided upon. Only time will tell if this type program pays. They are trying. Tuesday, 6:30 local time on 3.745 and Thursday at 10:30 local time at 7.125.

## OF INTEREST

More and more YLs are being elected to offices in various radio clubs and on-the-air nets. This increased activity is reflected in much greater participation by YLs in contests, especially those not limited to YLs.

## DX EXTRA SPECIAL NEWS

German YLs are publishing their own YL magazine. Margot, DK5TT, is the Editor and they were kind enough to mail their first issue to Marlene, Editor of HARMONICS. It contains YL information, contest dates and other pertinent data. Good luck to Margot, DK5TT and the other YLs.

A proposition from the German YLs: Each month on the 15th, from 00 GMT through 00 GMT shall be YL Day. QRG - 14250, 14310, 21250, 21400, 28500, 28600. This will give possibilities to find each other, work for various awards, meet a new friend, or just plain rag chew!! So, all YLs, DX and Stateside, let's give the date a try!! Let Ione O'Donnell, Holcomb, NY 12852, know how this works out.

DID YOU KNOW? In Czechoslovakia, you must go through three stages to become a fully licensed ham. First, you are an SWL with an RP call. From 15 to 18 years of age, you are issued an OL call. Upon reaching 18 and a certain number of QSOs, you are given the OK call.

From Hana OK1JEM via Ione O'Donnell

# Important Notice

The book CQ YL has been updated again with a new supplement bringing the YLRL officers section up to date through 1977, plus a report on the 7th International YLRL Convention held in Houston in June 1976. If you have a copy of CQ YL and would like to add the new supplement (the pages are "slotted" so they can be inserted directly into the book's spiral backbone), drop a note with your request to author/publisher, Louisa Sando, W5RZJ, 9412 Rio Grande Blvd., N. W., Albuquerque, NM 87114. Please enclose \$1.00 to cover cost of printing and mailing. The one and only book about YLs in ham radio, CQ YL contains 23 chapters, over 600 photographs. Order your autographed copy, or a gift copy, from W5RZJ, \$3.50, postpaid.

A YL REPEATER IS BORN  
K3ENM

Did you ever wish there was a special place on one band where you could be sure of finding another YL to talk with? Picture 4 YLs sitting on the tailgate of W3MON's pick-up truck talking about this very thing. WA3YEQ, Gail, WA3ZUE, Becky, WB3AWF, Shirley and K3ENM, Hazel, talked it all over during the Hamfest in Warren, Ohio in Aug. Before the discussion ended, we had decided that we needed our own repeater. A place where we could swap recipes if we wished, where we wouldn't feel that we were holding a repeater when OM's had important technical projects to discuss.

We admit that the whole thing was a bit of wishful thinking when we left the Hamfest. Each of us independently tried the idea out on our OM's and, amazingly enough, they didn't laugh at us.

After kicking the idea around for a few more days, we decided to ask the other members of the Butler County Amateur Radio Assn. if they would allow us to place a repeater station in the clubhouse. Much to our surprise, they approved of our plan and gave us a greenlight.

Now the whole idea got going in earnest. We had a meeting, elected officers, selected a name for our group, and here we are up to our ears in a repeater in October.

We call ourselves THE LAUREL LASSES AMATEUR RADIO ASSN. Next we applied for a repeater license which hopefully we may receive in less than a year. Next K3ENM got her OM, W3MON, going through the junk in the basement and sure enough, here is just the transmitter & receiver from which a repeater can be built. No tubes, of course, but more looking in more junk boxes brought forth the tubes. Next came a power supply, and sure enough, all the tubes lit up and the receiver started to hiss. A trip to the Erie Hamfest on a cold miserable wet day produced a few more necessary parts. While all this was going on, WA3YEQ and her OM, K3FVH, began looking for materials to build a duplexer. They completed one cavity, tested it, and found it to have a loss of 1 db or less. It is BEAUTIFUL too! and they only have 5 more to go!!

Next step to secure a frequency. A letter to the Frequency Coordinator didn't get immediate response, so a phone call came next. That stirred things up a bit, but still nothing definite. Next, all 4 of us and W3MON and K3FVH went to the meeting of the Repeater Council in Indiana PA. This trip produced tentative results.

Will the LAUREL LASSES get their own repeater? Will we still be on speaking terms with our OMs by the time we do? Will the FCC come thru with a license?

Tune in next issue for the continued drama of what we think may be the first YL repeater!!

NOTE: If any other group of YLs has gotten a repeater going or has one in progress, we'd like to hear from you. Please write to Shirley Lehere, WB3AWF, 202 Fifth Ave., Butler PA 16001.

PLEASE DO THIS PROMPTLY!!

SCOTLAND--Joan, GM3NYG, also extends all members a very Merry Xmas and prosperous New Year. In Sept. Joan took a microbus tour in France and saw so many lovely sights. A 16th century hunting lodge set in a forest where you could hear the stags bellowing in the evening and watched wild boar (from the bus!!). A 16th century Cehenanceau which was the home of Henry II's mistress Dianne and wife Catherine de Medici, Chinon where Joan of Arc visited the Dauphin, 13th century Anger, the feudal stronghold and the tapestries of the Apocalypse. And many more.

VENEZUELA--Helena, YV5CKR, sent a very nice letter and also Verda KTUBC passed on news of Helena, and the news is the same. The center of Helena's life these days is Jozy, her grandson! A future Ham, she is sure. He already speaks in Hungarian and Spanish. Helena gets a few moments on the air, and is also working on a Persian rug in deep red with beige. Sounds beautiful.

SWEDEN -- Brigitta, SMØFIB, very kindly sent a list of the two meter repeaters in her country. There are 44 repeaters located throughout the country with 6 UHF repeaters. Several of them have a time out of 20 minutes.

NEW ZEALAND-- Marion ZL1BKL, now has her hotel manager's license which she hopes to use in the future. She is looking forward to another YL DXpedition, possibly Kermadees and Norfolk Island for CQ World Wide Contest. Hoping to get the callsign VKØAA. Marion also keeps busy as a National NZART counselor.

Sponsors, once again it is dues paying time. Don't forget to renew your adoptee by March 1.

Happy Valentine's Day.

Added note from Japan

I received a very nice letter from Nozomi Gohara, Secretary of JLRS (Japanese Ladies Radio Society). JLRS has 320 members. Nozomi enjoys working 14 MHz CW and 432 MHz FM. Would like to QSO on 14 MHz CW or SSTV if it is possible with a YLRL member. You may write her at the following address: 41 Higashi-takahara Tanaka, Sakyo, Kyoto, Japan 606.

# DISTRICT NEWS

One - Land	Edna, K1VEB, District Chairman
------------	--------------------------------

The WRONE fall luncheon was held in Mystic CT at the Wharf Restaurant at the Ramada Inn. All New England States were represented, with 32 members and 6 guests present to enjoy a good time. Spring luncheon is to be held in the Portsmouth NH area.

Bea, K1OKC, and OM Harold, W1WTH, left Augusta Maine the 2nd week of Nov. for the Chicago area to visit and then on to Virginia Beach where they will spend Xmas. The remainder of the winter will be spent in Florida. Bea surprised Yankee Lassies by checking in from Virginia Beach to wish all a happy holiday.

Jean, K1TVT, had an extra busy Nov. with a toy sale and the wedding of number four daughter, Gerry. Making the wedding gown, her own gown, and finishing touches on another daughters'. Jean is having rig problems and off the air temporarily.

Seemed to be a good number of girls working the contest in Nov. About net time was given over so all who wished could get some points. About twenty gals going at it there!!

K1IIF, Ruth, worked contest and lost her voice, luckily right after it ended. Ruth is busy as always traveling on business trips. Had just spent the weekend in Dalls TX.

Everyone reports being busy with holiday preparations. Bonnie, W1GQZ, knitting socks and making tree decorations. Onie, W1ZEN, with her cookies, candies, gift items, place cards, and dinner parties. "Chatter" was still on time. Betty, W1AJN, has recently had a two meter antenna nut on and without a doubt enjoying that band.

Carolyn, K1BJZ, enjoyed a trip to California this summer to visit several sisters. Visited the MARS radio station at the Presidio (AAM6USA). Carolyn is a MARS member.

Another year beginning and in order to have a column of interest, need news. This past year the news has been about the same few girls because I pick this much up from chatting and listening on the net. I did receive one letter during 1976. Thank you Billie, K1NEI. Please read Marlene's From the Editor Column in this month's issue.

Happy and Healthy 1977 to all.

33, Edna K1VEB

Two - Land	Bobbie, WB2BHS, District Chairman
------------	-----------------------------------

W2GLB, Phyllis, and OM Bill, W2GTX, spent the Xmas holidays with children and grandchildren in Seattle and Spokane, Washington. We wish to thank Phyllis for volunteering to be the new YLRL Property Custodian.

W2PVS, Betty, has been enjoying a Wed. sked with her brother in Hartford, Conn. This was made possible thru W1VGF, Ken, the Custodian of the State Armory Civil Preparedness Station. She has also been helping a YL friend with her CW.

WA2VIE, Tina, has been working a lot of DX. She has enjoyed talking to Ursula and Henry, plus many YLs in Europe and the U.S. She is busy keeping the woodstove burning.

Congratulations to Cheryl, WA2DKC, a new YLRL member from Elbridge, N.Y. She wrote informing that the YL ham population is growing in the Syracuse area. They have a YL net on two meters. If you are in the area, try their 31-91 repeater. They have a fun time at 10:00 am every Tues. Topics range from the lifestyles of guinea pigs to the latest shoe styles. Cheryl - try the Harem Net, Wed, at 10:00 am on 3.930 -invite yr friends.

WA2DMK, Ione, is Secretary-Treasurer of the newly organized GARA (Greater Adirondack Radio Assn.). The repeater site is on Mt. Morris, near Tupper Lake. Give her a call on 147.93 - .33. GARA President is Brian, WA2WXG, from Tupper Lake.

Minerva, WB2JNL, and Lennie, WA2SVZ, visited with Ione and Jim. Their stay was cut short because of a snowstorm. They went to a dinner & meeting in Rutland for the 2 meter repeater assn. for the Killington Repeater. They hope to have the whole family for Xmas Eve and day.

We are looking for YLs interested in running for District Chairmen in 1978. Beth, W7NJS, Sandi, WA6WZN, and I will need your help. We would like at least 2 candidates from each district. Districts 1, 2, 3, and 4 please send your nominations to me with endorsers' signatures and the candidate's consent if possible.

Hope '77 is a good year for all. See you on the Harem.  
33. Bobbie, WB2BHS

Three - Land

Norma, WA3KKT, District Chairman

Although the 1977 officers have by now picked up the yoke, we would be remiss without a sincere thank-you for the excellent services and fun reading provided by our 1976 retirees. To our grand editor who along with our officers and committeement "put it all together" from around the world, and last, but not least, to our own District #3 Chairman, WA3HEN, we salute you.

We look forward to your contributions, ladies, and hopefully, a listing of any and all YL novices in your area, complete with when and where they may be found on the band.

33, Norma, WA3KKT

Four - Land

Thelma, WB4AUR, District Chairman

W4UF, Dot, marks 50 years of radio in April, 1977, and will be presented with a certificate at the Treasure Coast QCWA annual luncheon. We congratulate her!!

K4RNS, Marge, received her 19th sticker for YL contacts. That means 1100 YLs contacted and QSLs received - a record performance.

W4QBY, Dorothea, who celebrates her 80th birthday soon is very active on the air with her new Kenwood TS 520, checking in on the Devil's Triangle and Orange Juice nets. She recommends getting on 10 to keep the frequencies for hams.

W4EHN, Betty, has had her radio license for 20 years and became eligible for the Old Timers' Club. Looking forward to QCWA at 25 yrs.

YLs Win Contests: W4BAV, Cath, won 2nd place, Class II of VHF Space Net Triple Anniversary Contest in July - to add to her many other certificates for 6 meter operation. W4RVW, Lynn, won the left-footed cw contest at the Melbourne, FL hamfest - and would you believe it, her prize was a mike!!! P.S.: She was on a lucky streak; she won a ham (a baked one for eating) at a Thanksgiving drawing.

Upgrading Licenses: Many YLs are studying, but one who has accomplished upgrading is WB4SOU, Ginger, who now holds an Advanced. In line with this, the FLORIDORA YLs have set up cw practice sessions as an aid

to the many YLs holding Tech licenses. W4VQZ, Lori, and WB4AUR, Thelma, started it off on Dec. 16 and 21, evening and morning sessions, and will have the assistance of other FLORIDORA girls.

Active YLs: K4KUU, Maxine, and her OM participated in the Jacksonville, Florida Fair and handled 135 messages, a real community service. WB4NTW, Nancy, can be found every Thurs. am at 7.277 conducting the GEORGIA PEACHES net and she meets the emergency nets, too. W4WYR, Evelyn, checks in on several traffic nets and still is finding time to be TROPICAL HAMBOREE Chairman. This is a big job as Dade Radio Club sponsors this hamfest every year and expects over 3000 to register this year, many from Central and South America. Lots of manufacturers' exhibits and a huge flea market. WB4NDX, Sally, spends 99.9% of her radio time on 10. WB4NYN, Micki, spends considerable time on radio astronomy combining 2 hobbies. WB4QDE is happy to be using K8MZT, very much preferred by her. W4RVW, Lynn, was elected Secretary/Treasurer of Lake/Sumter Repeater Assn. and is very active on 2 (37/97). K4RNS, Marpe, checks in regularly on Open House, Floridoras, and Georgia Peaches.

WB4AUR requests and requires input from Four Land YLs. Please let me know whom I should contact and/or what nets I should try to meet (keep in mind my QTH - Miami) to get YL news items. I need all the help I can get.

33, Thelma, WB4AUR

Five - Land

Sue, WA5FVH, District Chairman

We are presently getting ready to head for Colorado in a tent camper. We did it last year and had a ball!!

Let me introduce myself to those of you I haven't yet met. I am the daughter of K5JKV and K5HXN, the XYL of WA5ABA (EC for Harris & Montgomery Counties), and the mother of

WB5RFR (Mike, 16) and WB5RFS (Lisa, 12). I am a member of YLRL, ARRL, GAYLARK, S.T.E.N. Amateur Radio Campers, and T.C.A.R.S. I have been code instructor for T.C.A.R.S. Amateur Radio License classes for the past year and a half and in January, will teach a complete Novice class. both code and theory. The OM, harmonics, and myself edit and publish STENSCOPE for the South Texas Emergency Net monthly. One of my net peeves is when someone says, "You don't work, do you?"

It was a great pleasure meeting so many of the YLs at the convention this past summer. I felt as if I'd known you forever.

Annie, K5JKV, and Frances, WA5MPM, and their OM's handled world wide traffic for the YMCA International Peace Conference in November.

K5JCY, Bertha, is the new president of Tyllrun. W5LGY, Helen is

the outgoing president and merely changing jobs as she switches to Secretary-Treasurer. Good luck to both.

Bea, K5JGC, is new president of Gaylarcks. Lillian, WA5WZF, is Secretary Treasurer. Jane, WB5NLM, is program chairman, & has an interesting and diversified year planned for the Gaylarcks.

Sue, WB5SHS (one of my former students) just returned from Sears School for TV technicians in Dalls.

Nancy, WA5ZDI, and OM finally managed to retire and have moved to a new home in Kerrville, TX in the heart of Texas Hill Country.

Louisa, W5RZJ, has moved into her new home called "Te Atalu" meaning "The Dawn". She hopes to have new pages for CQ YL ready in January.

Since so much of my "spare time" is spent in behind-the-scenes jobs, I'd sure appreciate any news any of you gals would send me.

33, Sue, WA5FVH

Hope everyone had a very Merry Christmas and are busy keeping their New Year's resolutions. I want to thank all the girls for sending me news and hope they will continue to help.

The North County San Diego YL Radio Club held their annual Xmas party in Fallbrook. Midge, K6BUS, and Elsa, W6JZA, from the LA group attended the party as well as visiting the Lawrence Welk place on their weekend trip. Meta, WA6BNS, planned to spend the holidays with family at Crested Butte, CO.

The BAYLARCs enjoyed a holiday luncheon in December in Millbrae. Mildred, W6KHM, writes that Louise, W6PCR, is off again, this time to the Philippine Islands for a month. Bon voyage, Louise; write me the details when you get back. Claire, ex W4TVT, has a new 6-land call, W6TDN. While visiting her brother in Nov., she stopped in at the BAYLARCs meeting and was most welcome. Marsha, K6DLL, had a nice visit with Ken, J4LRZD, and his XYL. Ken works for Kenwood and is attending school over here for 1 year at U C Davis. Sally, WB6FOA, and OM Ted, WB6IVS, attended BAYLARCs potluck luncheon in Nov. Blanche, KLIZT, and OM Wes, KLHTK, are temporarily in the Sacramento area--they spent a weekend in October at Moss Beach with Esther, W6BDE.

After 47 years of poking typewriter keys and allied tasks, Esther, W6BDE, has retired and revised her daily agenda to include "sleeping in" every morning, leisure travel, daytime YL nets (as soon as that antenna is replaced), and other assorted goodies. Beulah, W6NLM, and OM Clint attended an Airstream Trailer Rally at Pelican Point in Half Moon Bay. Another member of the Airstream Group, Rachel, WA6EOA, and her home on wheels were also there. I understand that Rachel can park that 31 footer with all the expertise of a professional.

The YLRC of LA held their annual Xmas party; a potluck luncheon and gift exchange. Myrtle, WA6ISY, gave Irma, K6KCI, her certificate for high score of YLAP--1975. Rose, WA6LRW, took a day off from teaching her code class for the Long Beach Radio Club to attend the party. Dorothy, WB6OSP, has a new QTH--Big Bear Lake. Jerri, WA6QFO, will soon be leaving for South Africa to join her OM. Good luck to her on her new adventure!! Madge WA6LWE, reports her daughter-in-law, Judy, got her license, WB6KAB. Mary Kay, W6JMC, had a nice trip to Mexico, spending 5 days at Yucatan and five days at Mexico City. Maxine, W6UHA, keeps a schedule with Ethel, VE3DTW, on Wed. 2230 GMT at 14.280-- all YLs are welcome to join in. Mary, W6VAP, was a house guest of Roberta, WB6DFN, and Glen, WA6NDL, in their 32 foot trailer. They had a great time traveling together. Mary also got to visit her family in Iowa on the way back. She had pictures of her trip at the Xmas party and they were very impressive. While Beth, K7YGV, and OM Bob, K7YGV, were visiting Irma, K6KCI, and OM Lu, K6CHU, they went out to dinner with Joan, WA6QKC, and OM Duncan, K6LHA. It was sure a pleasure to meet Louise, WA6AUK, and her OM Bill at the YLRC of LA Nov. meeting held at Esther's, WA6UBU, QTH.

Got any news? Write to me, or check in on the working girls' net-- Thursday night at 0500 GMT at 3.933 MHZ. Hope to B C N U!!

33, Sandi, WA6WZN

A new year and to further acquaint you with some new members:

Sue Haley, WB7AWQ, prefers CW to phone. Checks in on RACES on 2 meters on Mon. evenings. She & OM WATRGZ, both licensed locksmiths, have a Lock & Lawn Mower Repair Shop. She has 2 children - Kevin, 12, and Linda 11. Likes sewing.

Sharon Biser, WATZUK, became interested in hamming through her OM, KTYP, licensed for 15 years. She is active on Novice parts of 40 & 80. She supervises the Computer Services Div. of the Sheriff's Office in Lane County, Oregon. Enjoys knitting and sewing.

Donna Mollan, WB7FDE, Vancouver, WA, has been interested in Amateur Radio since her brother was licensed 20 yrs. ago. A fifth-grade teacher with a 5 yr. old daughter, she is active on 15 and 80 on week-ends. A member of Clark County Amateur Club.

Doris, WB7DFL, Seattle, recently reinstated, wife of Bill, W7YT, who is President of Western County Cousins. "When in need, call on a Country Cousin."

Helen, W7GGV, Editor of a Pocatello home club paper. After Houston, she visited in-laws in Florida and relatives in Connecticut. Expecting 2 meter equipment for Xmas and is getting an antenna on the roof.

K7JPI, Betty, does volunteer work at the Bend Welfare Office, in connection with physical examinations for children.

The hams of Seattle were invited to staff a booth at an exhibit put on by the CB group, Nov. 19 thru 21. W7LCS, Toddy, WA7TLL, Marion, & W7RVA, Ruth, were among the 14 hams who answered questions about amateur radio. MINOW and YLRL literature were distributed.

W7OVV, Irma, is a recently reinstated member. Nov. 10 - acted as Net Control, coordinating Seattle & Tacoma stations on 2 and 75 with a local 2 meter base station and portable 2 meter gear accompanying a search on Mt. St. Helens. The 2 missing men were later found after a fatal fall into a crevasse.

Vi, W7EIU, expects to be back on 75 if their needed parts ever come for repair of their power supply.

Opal, WA7ZVG, and OM made a 3 week trip to Europe in Oct; enjoyed a visit in Amsterdam with Hil, PAØHIL, and Ed, PAØNMN, a dentist; took a boat trip up the Rhine with stops at Heidelberg, Cologne, Strassburg; visited Lucerne and Milan.

Marion, WA7TLL, and OM Ray, WA7TSO, spent four weeks in Japan, Singapore, Penang, Bangkok, and Hong Kong. A bit disconcerted with bathing arrangements in Japan. Amazed at smaller scale in everything. Repaid a visit to a young Japanese ham who had visited them in Seattle last year. Treated royally with food and gifts.

WA7QQN, Helen, Secretary and PR person for Bellingham Club. Busy working WAS - has all but RI.

Sympathy to Ethel, W7WLX, on the death of her father, 81.

A linear is making all the difference to Orissa, K7KIU.

Joan, WA7SOK, Supervisor of Media in Portland Public Schools, busy mastering computer lang. A working computer now handles circulations of central A-V collection.

W7QME, Ruby, is joining the QCWA, NW Chapter. Congratulations!!

4X4NW, Devora, has been a YLRL adoptee of MINOW for several years.

WA7IRD, Willie, contacted her on the air when she was G5AJS in London. Jean, WA7OII, had a sked with her in Haifa back in October. Irma, K6KCI, assisted her and Devora was able to contact many MINOW members. They are hoping to maintain contact at two-week intervals.

WATIRD, Willie - back on 75 meters after repair work by her son. OM Ken, after September surgery and resultant complications, is making slow recovery.

Eight-Land

Dorothy, W8RZN, District Chairman

Season Greetings from "8" Land. Right now it is snowing and blowing out, with a good possibility of Santa's arrival in his sleigh.

Before starting the new year, we wish to thank the past District Chairman Rosaline Victor, WB8DOX, for the nice job she has done and congratulate her on her Amateur Extra Class License. That's a great accomplishment!

Ruth Rickett, W8LGY, along with her YM Ralph, W8BTW, will be spending the Holidays in Florida. Their daughter Sylvia is playing in the Ohio State University Band at the Orange Bowl Game. What a wonderful way to spend the Holidays!!

Marvel Tyson, W8HUX, attended the YLRL Convention in Houston this past summer celebrating her 25 years in amateur radio. She is in the hospital in Toledo for observation. We all wish her well.

WB8OUD, Sister Marjorie, shared a bit of news with the editor of the BUCKEYE BURR, Lillian Abbott, K8CHI, from which we quote, "Marie Sutton, OA4CY/WA8JLF came to visit her several times and worked IMRA net from Gr. Marjorie's station. Marie has been in Lima, Peru for three years, and came to the states for her parents' golden wedding anniversary and after a few weeks returned there."

We were also happy to read YLRL had passed the 1000 membership mark once again. Hope we can go further beyond that this year.

Please read Marlene's message in the Editor's column and, if you have anything to contribute to the column, please pass them on to me.

Anyone needing applications for membership, just ask - they are available on request. You can find me almost any Monday, 9 AM, EST, Buckeye Belle Net, 3950. I'll be glad to send them on.

Nine - Land

Dori, W9VNG, District Chairman

Greetings from Grayslake, IL. The last issue carried the good news of LARK(Ladies' Amateur Radio Klub)reactivation, listed their new officers. Added news: one can get an Award for working 10 LARK members (on the radio-land lines don't count). What better way to contact a LARK than via their nets Wed. 8:30 pm, 40 mtr. CW 7130; Sun. 9:00 pm 40 mtr.7240, phone. LARK also decided to adopt a DX-YL. She is from Japan. LARK notes tnx to Secretary WB9THM/N Dawn. Congratulations!!

Dottie, WB9NCT, enjoys operating the Green Bay 2 meter machine. During a 75 mtr. QSO with WB8TLL, Sandie, Dottie heard of another YL, Betty, WB9PKJ, later met her on 75 and they now keep in touch on 2, using regular morning QSOs as alarm clock.

Dorothy, WB9RCY, and OM Wayne, WB9QGW, discovered the fun of mobiling and County hunting during travels through KY, WV, IL and Iowa. County hunting is addictive. Once you get on frequency, it's hard to leave.

Feb. is coming and with it, the Wheaton Community Radio Amateurs will be holding their annual hamfest, Feb. 13. Flea market is a busy place.

Without your letters, there is no column. Don't count on the other YL to write, as she is counting on you and that equals no letters at all. Remember the 1st of February, April, August, and/or October or any time and write me. Share with others and be sure to read our new Editor's statement in the FROM THE EDITOR column.

Greetings to all from Arvada CO. To Glenda, WAØTNI, many thanks for your fine job covering Ø Land news for the past three years.

In introduction, LeMar, WBØLFM, and I have 2 married daughters, 5 grandchildren, including Dave, WBØNNE, son of daughter, Cecily of Arvada. Memberships in YLISSB, 10-X International and MARAC (Mobile Amateur Radio Awards Club), operating as a team on these nets and individually. We have His & Her shacks sharing an 18 AVT antenna and are both working on 5B/WAS. Spent Xmas in Bainbridge Island WA with daughter Becky and family. Ran mobile some of the 3075 USA counties for MARAC County Hunters on 20 and 75.

Gayle, WBØILR, monitors 69-09 repeater in Independence MO. OM John, KØHMI, and she participated in Field Day for the 5th year. Parents of two sons. She is an avid quilter, especially enjoying creating her own designs.

WØRAW, Bertha, checking into Tylrun Net after several harrowing months with her own and OM Stan's (WØFXW) medical problems.

Irene, WBØMPC, and OM Tom, WBØTMI, members of Aksarben ARC in Omaha, report great Midwest ARRL Convention. Their club continually offers class for upgrading along with Big Sister or Brother helpers. Irene wishes YLs were given more to do in her club. She & Tom begin Advanced class upgrading in January.

Flo, WØLQL, member of YLRL since 1940, very busy reorganizing her life since OM Bruce WØJO, joined Silent Keys in July, 1975 after 40 years of marriage. Plans to continue living in Pine River MN although in the midst of the confusion of home remodeling. Only on 75-M phone at present, hoping to expand activity in '77.

Karen, WAØNNC, busy running from Sioux Falls' Hamfest in June to National ARRL Convention in Denver in July, and Omaha's Midwest ARRL Convention in October. She and OM Bernie WØYOY edit and publish KERCHUNK newsletter for Sooland Repeater Assn. of which she is secretary. Also is office secretary for First Baptist Church, president of the local Civic Nucomers Club, and mother of two young sons. Hopes to upgrade to General some day.

In Denver at a fun meeting with a large turnout, Colorado YLs held their annual luncheon and election of officers. For 1977: President: Darla, WBØDUV; Vice-President: Moe, WNØRTF; Secretary: Marie, WBØHUC; Treasurer: Elaine, WØHEM; Historian: Pat, WØUAJ. It was my pleasure to have as my guest at the luncheon and to introduce Phyllis, WIZMI, a long-time member of YLRL and Portland Roses. She has recently moved from Portland to Denver and is a new member of Colorado YLs.

My thanks to all who wrote. I have a warm feeling of friendship and of knowing you now. If any news is not here, you missed the deadline and it will get into the next issue. I'm looking forward to hearing from others of you too. My news must reach Marlene by Feb. 25.

Happy New Year everyone!!

33, Peg, WBØLFO

Haouli Makahiki Hou - Greetings from Hawaii for 1977. YL activity in the 50th state is rather limited. Ardell, KH6TI, reports that due to antenna restrictions she is unable to put a station on the air. She does volunteer work at the hospital and enjoys bowling several times a week.

Eleanor, KH6HPK, the only YL Extra Class in Hawaii, reports being active in the Army MARS. Also has a new ReGENCY HR2A rig and is active on 2 meters. Busy with a new business and 3 small children.

Ona, KH6IQK, is now on Guam awaiting household and rig arrival so she can get on the air. She will be operating portable K66.

Ruth, WA8FSX, and OM W8FGD, are spending the winter in the islands and operating portable KH6. Once the antenna problems of operating from a condominium are solved they will become more active. Their daughter Nan, WA8BND, and family from Ohio spent the holidays with them.

Mary, KH6HPS, on Maui is active on the Confusion Net and very busy with her music. An organist for the church, she spends a lot of time practicing piano and organ. Her daughters and grandchildren visited during the holidays.

A new job is keeping Mary, KH6HQO, busy and inactive at present.

Enid, KH6IHW, also is inactive but is very much into Hawaiian music. My activity has been primarily involved with the Confusion Net which meets Monday-Friday at 2030 Z, 14305 MHz. The net handles international traffic and YL participation is welcome. Look for net control Al, W7GUR.

As all New Years begin with resolutions, mine is to increase time on the air and make the YL presence more noticeable!! CU on 14305.

Aloha!!

33, Sarah, KH6CBT

The Canadian members take this opportunity to send their Greetings for a Happy, Healthy and Active 1977 to all members of YLRL. All YLRL Operating Awards were recently published in the CLARION. So look for more VE stations working for the Certificates and participating in the contests in '77.

Diana, VE7DIO, writes she is the only female ham in the area with about 50 Oms. She works all bands and contests whenever possible. Has 2 young sons and expecting a 3rd child in March, so keeps busy. A native of Australia, she has travelled quite a bit. Before moving to B.C., they had been VE8NN and VE800 in the North West Territories.

Jeanne, VE2JZ, is Secretary of CLARA this year and runs their evening net. She enjoys HARMONICS and the pictures and checks into YL Open House during the winter when her young son is in school in the mornings. Keeps busy with her stamp collection and tending two dogs, one of which is only 4 mos. old. Tries to get on the air most afternoons.

Thelma, VE3CLT, retired this summer and is keeping busy as President of Trilliums and helping with ARRL convention plans. Also keeping the paint brush busy sparkling up her home now she has more time.

Bubbles, VE4ST, sends greetings from Manitoba. Misses the Trillium 20 meter net which has been discontinued but keeps regular skeds with Barbara, VE3BFN, at the old time and frequency and still looking for others to join in on Saturdays. Is planning a trip to Iceland with her sisters next June. Iceland is her ancestral home.

Vivian, VE3HGA, was invited to visit with Onie, WJZEN, when visiting in the Boston area, and to attend the WRONE Luncheon in November; she had to miss the luncheon. She really appreciated the hospitality extended to her while visiting in New England. Also visited Jeanne, VE2JZ, while in Quebec. Viv's daughter Glenda takes Code and Theory now; hopefully another ham in the family soon.

Marjorie, VE6LC, was really impressed with the Black Hills and Mt. Rushmore and the Passion Play; also amazed by the golf ball size hailstones which damaged some of the cars there when a sudden storm arose.

Tess, VE3HIR, has asked for YLRL info so look for a new member soon. She is very active and takes part in many contests.

Barb, VE3BFN, still busy with the Gals at Queen Elizabeth Hospital, getting them on the air and out in their wheelchairs for dinner, shopping trips, conventions, and any other excuse she can find.

Thanks to all members who sent in information. Will look forward to hearing from more of you throughout the year.

33, Barbara, VE3BFN

From the YL BEAM by the South African Women's Radio Club.

MARRY NOT A RADIO HAM. (With tks to "Carrier" East Rand Branch.)

Verily, I say unto you, marry not a Radio Ham, for he is a strange being, possessed of many devils.

He speaketh eternally in dit-da, and he spelleth his words without vowels.

He knoweth countries only by prefixes; he learneth his Geography by Zones.

He stayeth up late at nights, for reasons known only to him, and thou wouldst not believe his stories if he told you!

And when he courteth his damsel, he keepeth a Log Book; when he maketh a trip, he views not the scenery, but looks for Antennas.

He picketh his seat in the car by the rig therein, and not by the damsel beside him.

He holdeth a damsel's hand only to measure the fist, and he embraceth only to test the strength of the muscles.

He checketh the vibrations of her heart with WWV and he reckoneth her strength of raising antennas.

Verily, though she expecteth chocolates when he calleth, she openeth the package to find Filter Chokes!
