Y L HARMONICS is published by and for the members of the **YOUNG LADIES' RADIO LEAGUE, INC.** YLRL is a non-profit, fraternal organization comprised of Women Amateur Radio Operators, incorporated as such under the laws of the State of California. Dues are \$3.00 per year, due and payable March 1, and delinquent March 31. For new and reinstating members joining after August 31, the dues may be pro-rated by half the annual dues for that fiscal year (currently \$1.50). Dues for adopted DX members are \$3.50, and may not be pro-rated for portions of years. Dues for a "family member" are \$1.25; and subscriptions for non-members are \$3.00 per year, and may not be pro-rated for portions of years.

YL HARMONICS: Editor.....Carrie C. Lynch, WA4BVD

WE MUST HEAR FROM YOU

When you plan to move, please send your change of address immediately. This will assure the mailing of YLH to the proper QTH. Please remember that under the bulk-mailing system, Harmonics will not be returned to me. It will be discarded by the Postal Service. When this happens, it necessitates another copy, or copies (depending on how many issues you may have missed), being mailed to you at first class postage rates. It costs YLRL approximately 77¢ to replace one issue in this manner. Your attention to this will be most helpful and save YLRL this unnecessary expense.

Send change of address to the Editor and to the Receiving Treas.

EDITOR
Carrie C. Lynch, WA4BVD

Flint, Michigan 48507

PRESIDENT'S MESSAGE

The nominating committee is talent-scouting for capable, enthusiastic YLRL officers for 1975. Here's a little poem we might think over:

ARE YOU SOMEBODY ELSE?

There's a clever woman called SOMEBODY ELSE
There is nothing that Gal can't do.
She's busy from morning 'til way late at night
Just substituting for YOU.
You're asked to do this, you're asked to do that
And what is your ready reply?
GET SOMEBODY ELSE, Miss Chairman,
She can do it better than I.
There's so much to be done in our service,
So much, and the workers are few,
AND SOMEBODY ELSE is getting tired and worn out
Just substituting for YOU.
So, next time you're asked to do something worthwhile
Just give them this honest reply;
IF SOMEBODY ELSE CAN GIVE TIME AND SUPPORT,
You can bet your last dime, SO CAN I.

A wider circle of active members can bring forth fine, usable ideas. If your D/C or some nominating committee member asks you to serve, I hope you will answer the way Benjamin Franklin did "I have never sought an office but I have never turned one down when asked to serve." Also, I have always admired the philosophy of Marcus Aurelius "If man has done it before, so can I, but because man has never yet done it, is no reason I can't."

What can I do for YLRL? Remember we get out of anything just about what we put into it. YLRL promotes International Friendship. Let's all uphold this ideal with ENTHUSIASM.

Eila **WABEBS**

A Proposed Raise In Dues

It appears that an increase in YLRL dues is necessary due to the rising cost of postage, etc., and other ever rising expenses in the running of YLRL and the various programs we support.

Part of your dues are spent on contest awards, part on administration and other YLRL activities, and part on YLH. YL Harmonics is the largest single expense and the largest part of your dues is spent on this activity. (The CB&P limits YLH costs to 2/3 of the amount received from dues, and based on 900 members this would be \$300 per issue.) Here is a summary of the expenses for YLH #1-1974.

\$231.75	Printing
21.46	Mailing envelopes
5.00	Pro-rata share bulk-mailing fee
37.25	Bulk mail postage
10.56	First class mail (for Officers, Alaska, & Canada)
2.20	Air mail (Canal Zone, Puerto Rico, & Hawaii)
39.90	DX air mail
3.00	Misc. (Address plates, ink, glue, paper, etc.)
	(This is not all inclusive. For instance, there was in this issue a mimeographed form which cost \$7.50 in addition to the expenses listed)
<hr/>	
\$351.12	

As you can see, this exceeds allowable expenses by \$51, and it's going to get worse. From the postal rate increase that we already know about, postage will be up (if this was applied to YLH #1) \$11.24. This means that YLH #2 will be about \$62 over budget. It is still not known (at this writing) about increases, if any, in DX air mail rates—currently 40¢, 50¢, or 60¢ (depending on location) per issue per DX member. When this excess expense is applied to all six issues, we are in excess of \$372 over allowable expenses for YLH alone. And, of course, all other YLRL expenses are going up, too.

We must set the wheels in motion now if we are to have an increase in dues, so that it may become effective for the dues which are due March 1, 1975.

Some members of the Board of Directors have favored a straight "across the board" increase, others favored a pro-rated increase, or an "across the board" increase coupled with a postage surcharge for any member receiving YLH in any way other than bulk rate (with the exception of YLRL officers).

These are the three alternatives to be offered, and will be placed on the ballot for your vote in the next issue—YLH #3. Study the proposition and think it over carefully before time to vote.

INCOMPLETE COPY?

If you should receive an incomplete copy of the YL Harmonics magazine, please return the entire magazine to the Editor, and another one will be sent to you. We need the incomplete copy to refer to the printer.

TO ALL YLRL EX-PRESIDENTS

Vada Letcher, W6CEE, wrote an outline history of YLRL officers, events and achievements for each year from 1939 through 1958. It is my earnest desire that this be brought up to date this year. Will EACH EX-PRESIDENT of YLRL since this date please write up one page of her year's history that she would like preserved for posterity and send it to our newly-appointed Historian—Marcia Rast, K6DLL, who will compile it and add it to Vada's fine work. If you can also make three carbon copies or Xerox copies of it at the same time, it would be helpful. Let us all know your important accomplishments as a YLRL President. You made history—now let's record it. Thank you.

HISTORIAN:

Marcia Rast, K6DLL

ANNOUNCING

YL - DXCC

The
Young Ladies' Radio League, Inc.

Is pleased to announce a new addition—YL-DXCC—to their family of awards. Full information will be announced at a later date.

Also

YL - DXCC

Sponsored by
Canadian Ladies' Amateur Radio Association

Work YLs in 100 different Countries
(use approved DX Country List)

OPEN TO ALL YLs and OMs.

No QSLs Necessary

Send complete Log data with signature and \$1.00 or 10 IRCs
to

CLARA CERTIFICATE CUSTODIAN

Cathy Hrischenko, VE3GJH
30 Lisburn Crescent
Willowdale, Ontario
CANADA M2J 2Z5

Stickers available for each additional 20 Countries

REQUIREMENTS:

Send complete log data and self-addressed
envelope and postage.

CLARA also announces that there has been a modification in their CLARA Certificate: All U.S.A. stations have been moved into the DX portion so ONLY 5 contacts are needed instead of 10.

AFFILIATION WITH YLRL

ARTICLE XIII - AFFILIATED CLUBS, from the CB&P

Sec. 1. Local clubs of women radio amateurs shall be eligible for YLRL Affiliated Club Membership when 50% of the licensed members of such club are YLRL members in good standing. Written application for affiliation shall be made to the Secretary, accompanied by a roll of the membership of the club and designation of the geographical area covered. Election shall be by vote of the Executive Board. A Certificate of Affiliation shall be issued by the YLRL Secretary.

Sec. 2. Affiliation of the YLRL affiliated Clubs shall be renewable annually at the beginning of the club year and shall require submission of an up-to-date membership list and affirmation of eligibility.

Sec. 3. YLRL Affiliated Clubs shall be independent organizations and shall pursue no course of action in the name of YLRL without first obtaining written permission of the Board of Directors. If the name "Young Ladies Radio League" or "YLRL" is incorporated in the name of the local club, it shall be qualified as to location or territory served by the local club.

Sec. 4. Any action or policy pursued by an affiliated Club which is in opposition to the Constitution or policy of YLRL shall be cause for cancellation of affiliation within the discretion of the Board of Directors.

Sec. 5. For contest purposes, the membership of Affiliated Clubs shall be limited to those members actually residing within the geographical area specified in the application for affiliation.

TO ALL YL NETS

Please send the following information for the Net Directory—YL Harmonics #4.

Name of Net, Frequency, Day and Time of Net, and Net Control Station.

Please don't forget to do this so that your net may be listed, and listed correctly. Send this information to the Vice President.

Christine Haycock, WB2YBA
361 Roseville Avenue
Newark, New Jersey 07107

Congratulations

YLRL congratulates Helen Morse, WNØGQL, for having successfully passed the General exam on January 3, 1974.

NOVICE NEWS

Cynthia Bishop, WN4FCH
NOVICE CORRESPONDENT
Dorris Trailer Park, Lot 6
West Columbia, S. C. 29169

Well, it's time for another issue and not a word from any of you. I know you all love your operating, but try and tear those fists away from those keys and put them around a pen and write to me. This is your column and I can't know what you think unless you write. So get to it!

Things have been hectic around here lately. I'm just starting to get things cleaned up after the Novice Roundup. After coming home from work, the OM would cook supper while I operated. Of course, that left dishes to be done plus a little cleaning up! All total, I got in approximately 15 hours and a couple of thousand points. Hope some of you were in the NR. Kind of hard to distinguish the feminine fists in all of that commotion! This is actually my first contest and I've been bitten by the contest bug. Even when I hit a "dry spell" and couldn't get any contacts, I just couldn't quit!

The next contest will be the YL-OM Contest the second weekend in March. I'm going to get in as much as I can, but this time the OM and I will have to share the rig. Sometimes he must wish he had never gotten me into amateur radio.

Columbia got some good news recently. The FCC will hold exams here in May and November so I'll be pulling out the old books soon and give the General a try in November.

Let me hear from ya'll.

ENTHUSIASM

DX-YL NEWS

Gretna Longware, WA2WHE
INTERNATIONAL MEMBERSHIP CORRESPONDENT
P. O. Box 426
Elizabethtown, New York 12932

Winter is almost over, membership renewal time is past, the weather cooperated with us so we managed to survive the first winter of the energy crisis with just worries but no real problems.

Hazel, GM3YXY, has been waiting to sell their house to move into another nearer where her husband is now working. She is still working as a Telex operator but hopes they will be able to move in March. They have had terrible gales of wind which took part of their central heating chimney.

Helena, YV5CKR, wrote Beth of her happiness in winning the Gold Cup for YLAP CW. Also comes the news that her son was married in November. Helena is still doing quite a bit of painting and her OM makes the frames.

News from Darleen, HC2YL, is that her baby, Diane Renee is doing fine but that momma came down with hepatitis in November. Hope you are all well now, Darleen. She put her sick time to good use in wrapping up her book about ham radio, which we are all anxious to see.

Congratulations to HK5AZA, Ana, who received a silver medal from the National Assembly for distinguished service to the National League of Radio Ham Operators and also received the silver award as the Radio Ham of the Year 1973 in the HK5 zone. Her OM is now a ham with the call HK5CBY.

The condx for YLAP were very disappointing to Gunilla, ex SMØCXC who is now SM5CXC. She had hoped to meet many girls from the U.S. but band condx only allowed 3 contacts. No, she has not moved—just the number has changed in her call.

Anny, HB9YL, says conditions are much better for hamming now that she is living in Berne.

A very nice letter from one of our newest members, Ellen, LA5HS, tells of the soaring prices in Norway and how the energy crisis is hitting them. Ellen is on the very southern part of Norway, not northern as I said in last issue. If any of you gals can, look for Ellen on 20 meters from 1200Z to 1500Z most days.

We have another new member from Norway. LA5IS, Bibbi, who is an adoptee of Joan, WA7SOK. I hope to have more info on her for the next issue.

I would like to thank the following girls for getting their adoptee's dues (or their own if self-paid) to me before the deadline: ZS5OB, W7NJS, K7UBC, W7LXQ, WA4BVD, WA6UBU, K8MZT, K1GSF, Gaylarks, W1HOY/KP4, NYCYLRL, K7UJV, W6YKU, YLRCLA, Alaska Lassies, WB4WTD, K1LCI, North Country YLs, WA7SOK, WA2WHE, W6MFP. Also the girls who have notified me they wish their adoptees held for them, as this is a help.

If you aren't going to adopt, please let me know so I can give the girl to someone else, and her membership won't lapse.

Let's hear from more of you.

33,

Shelna
WA2WHE

Sympathy Notes

It is with deep regret that we announce the passing of Lynn, W4CSP. Lynn became a Silent Key on January 6, 1974, OM of Jeannie, K4RHU. YLRL extends our deepest sympathy to Jeannie.

It is also with deep regret that we announce the passing of Bill, W2CDZ, OM of Rose Ellen, WA2FGS. Bill became a Silent Key on February 2, 1974, and YLRL extends our deepest sympathy to Rose Ellen.

And we are sorry to report the passing of Fitch, OM of Helene Cheney, W1YWT. He was laid to rest February 11, 1974. Fitch was not a "ham," but he was a Magician by Hobby and entertained several times at the WRONE's Luncheons. YLRL also extends our deepest sympathy to Helene.

We just learned, too, that Jack, WB4NRV, OM of Mickey, WB4NYN, became a Silent Key on January 8, 1974. YLRL extends our deepest sympathy to Mickey, also.

We also just learned of the unexpectedly lost of the 18 year old daughter, Tina, of Rosemarie, K8VFR, and her OM Ed, K8MDV. YLRL also extends our deepest sympathy to Rosemarie and Ed.

Moving?

YLRL - MOTTO - 1974

SOME NEW MEMBERS by WA2FGS

Harriette-WN2KCM is from Saugerties, New York. Her OM is Walter-WN2JMF. She is a Cashier/Homemaker and enjoys 15 meter DX the best. Other hobbies: Guitar, Reading, Meeting People and Sports.

Dell-WA4ERN is from Jacksonville, N.C. Her OM-John has no call. She is Secretary-Treasurer of Onslow County ARS. Been playing with the idea of getting a ham ticket for 15 years and took Novice last April and Advanced last August. She is just getting things put together now and working CW but hopes to get on a phone rig real soon.

Marie-K6MKA is from Ingelwood, Calif. She works at HAC Space and Communications Group as an Electronics Assembler.

Marilyn-WN9MFC is from Hales Corners, Wisconsin. Her OM Carl is not a ham but her two sons David (13) and Bob (9) are studying for a ticket. She enjoys speaking Spanish on the air. She is trying for WAS-YL. She has WAC, worked all VE's - VO1 - VO2. Also has WAS combined 40 and 15 - close to WAS 40 needing Nevada, KH6 and KL7 plus Idaho. In preparation for General she goes one night a week 50 miles to attend classes where the teacher is W9NHE-Ted. Looking forward to having the General by Field Day.

Mary-WN0LFO is from Denver, Colorado. Her OM-LeMar is WN0-LFN. Both have just returned from a 4 week, 4500 mile trip with their travel trailer thru 7 of the radio areas, operating their rig portable. It was a lot of fun and education for us and a great experience for a pair of novices. They plan future extended portable-in-trailer traveling and are hoping to find other hams who share this interest. Know of any?

73's

A Correction

Helena, YV5CKR, was second place in the Phone Contest, with a score of 6,240. I had her score listed correctly but omitted it in listing the winners. I am sorry.

WA8EBS

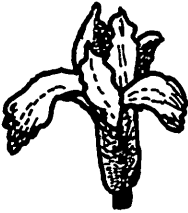

DISTRICT NEWS

Two - Land

Barbara, WA2RDV, District Chairman

W2RAQ, Catherine, took a tour of Alaska a couple of months ago, via Ketchikan, the Inside Passage, Mt. McKinley, Nome, and above the Arctic Circle to the north slope—Purdhoe Bay. Drove through miles of stored pipeline and oil drills. Panned for gold, too. She thinks it's a big beautiful state.

W2EEO, Madeline, attended QCWA dinner with Sen. Barry Goldwater as main speaker and got a great picture of him. Also busy getting organized as Disbursing Treasurer of YLRL and having visitors in from England.

W2EUL, Amy, wishes everyone a happy, healthy and prosperous new year. She is beginning the year right by obtaining some ham gear, a Kenwood TS520. Now to get some help with the antenna, and here's hoping we hear her on the air soon.

WB2YBA, Chris, is in Australia visiting and staying with Alfie, VK3LC, and his XYL, Iris, in Melbourne for a few weeks. Will attend the World Congress of Sports Medicine, also. Then will drive to Sidney and stay with Hebe, VK2AOK, and her OM Dick. Also expects to see VK3YL, VK3XB, VK3KS and VK2AIA, and hopefully many others.

WA2BAV, Eva, "Am very busy with the baby but plan to spend more time on the air. Planning for our trip in April, hoping to operate from Turkey and Greece."

W2OWL, Ruth, "I have officially retired as custodian of the Continuous Membership Certificate after almost eleven years. I have enjoyed doing the work and hope Jackie, W6YKU, who takes over will enjoy it too."

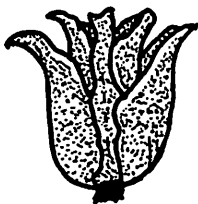

WA2RIX, Ruth, "Have been busy planning YL projects for the National ABRL Convention in NYC in July." (Her OM, K2BM, is Chairman) "We spent Xmas vacation in Illinois visiting our youngest son, Jeff, W2PXI, also enjoyed other eyeball QSO's around Champagne-Urbana."

W2GLB, Phyllis, is still active in YLISSB'ers and NY PON on 75M and various other YL nets, has with her OM put together two Heathkit 2M kits and opened up a whole new world.

WA2RDV, Barbara, has lotsa antenna work to do as soon as weather warms up as our quad came tumbling down in an ice storm in December. Also have less air time because of job in an electronics factory, which she enjoys very much.. like putting together Heathkits all day!

NYCYLRL had a luncheon meeting in January at the Market Diner in NYC, attended by about twelve YLs. Beautiful prizes were furnished by Sam, OM of V1, W2JZX, many tnx, Sam. WB2YBA installed 1974 officers, Prexy, Ruth, WA2RIX; Sec. Eva, WA2BAV; Treas. Madeline, W2EEO.

33, Barbara, WA2RDV

It is my pleasure to write the 3-land column for this issue; it is also a pleasure to know that when it is printed we all will be enjoying beautiful weather and looking forward to lovely days.

Bert, W3TNP, was pleasantly surprised on Christmas Day with a gift of a new transmitter, a Kenwood TS520, from her OM, Ernie, W3KKN. Bert is very happy and is busy transmitting. Bert is taking a course in Spanish one night a week.

Jane, K3ZDN, keeps her skeds with Maurice, HB9AHO. She had a very enjoyable visit with his XYL, Lola, when the latter visited relatives in Cherry Hill. Jane and Lola had a nice chat and exchanged gifts.

Harriet, WA3ATQ, and OM Harry, K3YJK, are enjoying life in the beautiful Poconos. We offer our congratulations to them on their 25th wedding anniversary. Harriet is still checking into the eye bank net for the Delaware Valley Eye Bank and keeps in touch with Brazil for the Ship Hope as they still have personnel down there. She sends about one thousand birthday messages a year for the President of the Women Marines' association and is kept busy. We know your good work is greatly appreciated.

We offer our deepest sympathy to one of our PJYL members, Rose Ellen, whose OM Bill, W2CDZ, died on February 3.

We have some news from Norma, WA3KKT, from Corry, Pa., who informs us that she is a member of a YL net called the Western Pennies, a sub net of the W.Pa. C.D. (Races) net. They meet on 3990.5 at 9:30 P.M. the first Sunday of each month following the W. Pa. net. An invitation is extended to all YLs to check in, and to get acquainted with other YLs on the air.

The net control is Hazel, K3ENM, of Butler, Pa. who puts out a very powerful signal with her ARISO and SB220 linear, feeding a Window antenna. Her OM is Charlie, W3MON, and son Jim, K3CMN, W8GMG whose persistence at twelve resulted in both Mom's and Jim's General tickets. Hazel is a transplant from Harrisburg, Pa. She has served many terms as Secretary-Treasurer of the Burler Co. Amateur Radio Assn. and 1974 will continue to prove her ability in this area. She enjoys numerous hobbies including many handicrafts, fishing, swimming, gardening and sewing. She finds time to work all bands 160 through 2 m., but joins the OM in visiting the Warren, Ohio Hamfest and the Skyview Shop and Swap annually. She visits son, Jim, in Cleveland, Ohio. Usually vacations are spent on their boat on Lake Arthur. This past summer they participated in the handling of traffic from the Boy Scout Jamboree. We offer congratulations to our very efficient net control.

The second Hazel, K3RGT, of Warren, Pa. reports in faithfully on her Drake TR4 and inverted Vee. She is Navy MARS NØYDT and an ARRL member and YLRL. Being retired she does much volunteer work including serving regularly on "Meals on Wheels," the snack bar at the hospital, the "Twice Around" shop for church and telephoning for Senior Center. She knits, crochets, paints, and creates "Hazel

original" cards for various occasions—among them her QSL card. She spends time visiting her son in Cleveland, Ohio, and daughter and family in Memphis, Tenn. She attended the annual W. Pa. Races picnic at Indiana, Pa., and the Navy MARS W. Pa. and Ohio at Butler, Pa. Hazel also attends a weekly French class and is a member of a nearby local radio club.

The next check-in is V1, WA3BAA, of Seneca, Pa., who booms in on an SB 300 and 401 using a dipole antenna. She is a retired school teacher, now enjoying her spare time working with her OM Al, WA3JZZ, in the Dental Laboratory. She is vice chairman of Retired Teachers, Alpha Tau Chapter of Delta Kappa Gamma, member of ARRL and YLRL, the Fort Venango Mike and Key Club, checks in on the daily Garbage net and the Fort Venango County 2 meter Emergency Net run in conjunction with the Races. She enjoys golf and gardening and she and her OM travel to Elmira, N.Y. for the Garbage Collectors get together in August, also to the Races picnic at Indiana, Pa., this fall.

Next is Norma, WA3KKT, of Corry, Pa., checking in on a Galaxy V using a dipole. Norma is a timekeeper for Associated Spring Co. recently completing 25 years of service. She holds the Extra Class ticket and won the award for first place CW receiving at the 1972 Syracuse, N.Y. Rags Hamfest. She has taught code classes at the Presque Isle Radio Club of Erie and the Corry Radio Club, W3YXE, where she is also Recording Secretary and station trustee. She was also Treasurer of the WA3QDT Erie Club. She is chairman of the Supervisory Club of the Raymond Employees Federal Credit Union and in that capacity is responsibility for the auditing of the books on a semiannual basis. She is a member of ARRL, YLRL, and frequently sends on-the-air code practice during the noon hour at her second station WA3RTR. She has built Heath equipment for herself and others, helping novices to get on the air. She participates in Field Day activities and frequently operates the Forest County Emergency Station. She is often heard pounding brass on 80 meters in the evenings.

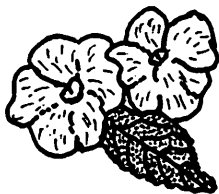

There are several other members in the Western Pennies Net whom you will be interested in meeting in the next issue. Due to our space limitations we cannot include them all here.

Send your news for the next issue to Jane Jones, K3ZDN, 19 Edgemoor Road, Cheltenham, Pa. 19012. Her deadline is April 15th.

33, Edna, WA3NGV

THANK YOU.

Eila, WA8EBS, plans to start very soon to evaluate the questionnaire and ballots from the bulletin she sent to the Board in January. She says that the answers are still coming in and she appreciates the sincere interest that prompted practically a 100% response and she will evaluate it and have results for the entire membership in YLH #3.

Greetings from the Fourth District and your Fourth District Chairman, WB4NTW.

W4BAV, Cathy, is in the hospital in Bradenton as the result of an automobile accident. We are happy to report that she is getting along well and will be home soon. Her QTH is: 647 Jungle Way, Sarasota, Fla. 33580.

Hilda, W4HWR, has taken up knitting and is knitting a sweater. Her plans include a trip to South Dakota and a cruise to the Bahamas.

Our newest member of YLRL in the Fourth District is Scott, WA4ERN. And to her we extend a most hearty welcome. She checked into the Georgia Peach net this past Thursday and we are looking forward to the day when she will become a member.

Timmie, WB4LQO, is rejoicing because one of the OMs she helped to study for his Extra class ticket made the grade.

Welma, K4RYJ, and her OM, Basil, are planning another trip to Indiana as soon as he can travel. Basil is recovering from a stroke and doing very well. All good wishes, Basil.

Jean, WA7OII/4, is very busy with scouting and 2-meter activities. She reported that with 15 watts from their mobile, she worked into the Columbus repeater from a point seventy miles from home. The repeater is sporting a duplexer which has increased receiver sensitivity considerably. Jean is also successfully raising African violets.

WA4EPM, Edna, made 97 contacts in the Novice roundup and was very happy to give many novices their first Georgia contact. She also enjoyed participating in the first weekend of the ARRL DX CW contest.

YLRL extends deepest sympathy to Jeannie, K4RHU, for the passing of her OM Lynn, W4CSP, January 6, 1974. A member of the YL International Sideband System, the Breakfast Club, and a charter member of the Southern Coffee Club. He will be greatly missed by his many friends. On about March 1st, Jeannie will again take up residence in Columbus. The new QTH will be: 2701 Peabody Ave., Columbus, Ga. 31904.

Our deepest sympathy is also extended to Micky, WB4NYN, for the loss of her OM Jack, WB4NRV, January 8, 1974. The cause of his passing was a heart attack suffered at age seventy-three. Micky's QTH is: 150 S.W. 50th St., Cape Coral, Florida 33904

The latest news at this QTH is that we have a dish washer so new it has just been installed. In January during the Simulated Emergency Test, we had a visit from Jeannie, K4RHU. She observed while our club station, W4HBB, was Net Control Station for the Georgia Single Sideband Association, operator, WB4NTW.

To see your news in print, drop us a line. From our house to yours,

33, Nancy, WB4NTW

Renew Your Membership

My deepest thanks to all of the Five Land girls who responded to my request for news.

Heard from Ann, WA7NXV/5, who is the only YLRL listed in Mississippi. She is in Gulfport and while she says she is not too active on the ham bands, she is extremely active in Navy MARS. She and her OM, WA7JLL/5, are the parents of a two year old and another baby due in August.

Helen, K5ECP, had an enjoyable QSO with Margaret, WB5-BEM, when she visited her daughter in Albuquerque in December. Helen and her OM Jim, W5EF, recently joined RACES and a two meter net.

Louisa, W5RZJ, her OM and son, Matthew, are planning to attend the graduation of their older son, Parker, from Dartmouth in June.

WA5TNU sold her employment agency in September. She is now retired and a silversmith. You can find her on 75 meters.

Opal, W5UXW, is one busy YL. She visited her daughter in Kansas last fall and then came back to Texas to stay with a granddaughter while her son-in-law was in the hospital so her daughter could be with him. She writes that at the present time a sister is in the hospital in Colorado Springs. We hope she will be improved.

Mary, K5MPI, up there in Springdale, Arkansas is president of TYLRUN this year and she is already creating enthusiasm for the fall birthday by giving us the dates and some preliminary plans. Circle October 18 and 19 on your calendar and hope the gas problem gets better!

Congratulations are due Sue, WB5CUR, "Texas' Southmost YL." She received the Certificate of Merit at the S. A. Radio Club Christmas party. What a thrill to be named the "Outstanding Traffic Station in the South Texas Section." Sue is running Cory, K5UKK, in Shreveport a close second with her Scout work. With Cory it is Cubs and with Sue it is Girl Scouts. How grateful we should be to these girls who give so much of themselves.

Grace, K5MRU, is still quite busy on 10 meters.

Cindy, K5ZPD, has changed her name. She is now Cindy Jones and lives in Dallas. Our best wishes to you, Cindy.

Lillian, WA5WZF, is still working eight hours a day, enjoying her grandchildren and still finds time to go to choir each week. We were sorry to hear that she lost her father in November.

Bea, KGC, and her OM Tom are looking at the other side of the coin now. Their daughter Dian, WN5JAA, is in her first year as a school marm in nearby Bellaire. My dear, you wouldn't believe---!!!!

K5DJS, Mary Jo, had fun teaching code and theory to 6th and 8th graders at Kinkaid School where she teaches.

K5BJU and OM flew to and spent five days in Mexico City. Then flew to Phoenix, Arizona, for Thanksgiving with their son and his wife. Harriet and her OM spend many weekends at their farm. She divides her time up there between her KWM2 which she takes with her and laboring on the barn which they built.

Annie, K5JKV, was so delightfully surprised to be the recipient of a life membership in the Texas PTA presented by the PTA of Cooley School. Annie is looking forward to retiring in June.

Frances, WA5MPM, is still marking time waiting for her Houston apartment to be ready. In the meantime she spends her time packing, unpacking and running medical traffic for the Halo net. It was such a pleasure, too, to get Deanna, WA5KRI, together with Ana, HK5AZA, her DX adoptee, on phone patch. They had such a good time and it turned out to be Ana's birthday!

33, Frances, WA5MPM

Six - Land

Violet, W6CBA, District Chairman

Well, gals, we're supposed to be in the middle of winter here, but it looks like spring is just around the corner in Whittier. From the news gathered here in 6-land, it looks like most gals have had a busy holiday season and early 1974.

BAYLARCS—A Christmas luncheon in Millbrae was a huge success. Highlights of the gathering was everyone visiting with K6CUV, Lee Fisher who they had not seen in about 10 years. Then they adjourned to W6KHM, Mike's QTH for December business meeting. Followed by a visit from Santa and a happy hour.

WA6GQC, Elsie, has made a speedy recovery from pre-Christmas surgery. A repaired metatarsal. Good News.

K6EEE, V1, and her OM Roland, W6CEU, spent the holidays in Hawaii. We are also sorry to learn V1's sister in San Francisco passed away last summer.

WORKING GIRLS NET—because of the change to daylight savings time, the net has had a problem with long skip looming its deaf ear. The gals meet on Thursday night at 2100 PDT.

K6KCI, Irma, reminds us the "Round Table" on Friday meets at 11:00 a.m. PDT on 7.235.

W6MFP, Agnes, has been on a trip back east.

K6AYJ, Edith, will be preparing for a wedding in her family.

W6PJU, Mildred, is doing a history on the North Counties Radio Club.

WA6ISY, Myrtle, and her OM Tom, W6PIF, were at the YL-OM banquet and she looks like she is doing fine after January surgery.

W6NZP, Evelyn, attended the YL-OM banquet and everyone enjoyed visiting with her.

W6CBA—since I mentioned the YL-OM banquet, may I say a grand time was had by all. Forty-five members and guests had a delicious prim-rib dinner. A musical program was furnished by the "Rio Hondo Chapter of Ladies' Barbership Quartets" and an up-to-date talk on the latest happenings in the ARRL by Southwestern Div. Director W6KW, John Griggs, OM of K6EKO, Roxie. Last but not least, lots of good fellowship.

Thanks to all for the written contributions in this column. Keep those cards and letters coming in, folks.

33, V1, W6CBA

HELLO FROM 7-Land:

The Minows are sending a year's subscription of QST to their Romanian adoptee, Mary, YO4UY.

Ethel, W7WLX, and her OM Roy, WA7AZI, of Tacoma recently made a quick trip to Saipan to attend the wedding of long-time friend Len, ex W7DXH, now KG6SW.

The Minow picnic will be June 2nd in Coeur d'Alene, Idaho.

Flo, W7QYA, and OM Mel, W7VMB, of Montana are golfing in the sunshine of southern California this winter.

Bea, W7HHH, is still in St. Charles Hospital, Bend, Oregon, following her October 12 automobile accident. She was in traction until early February. She can now be up a bit in a wheel chair and is making some use of a walker.

Beth, W7NJS, of Oregon has been net control on the Monday Honeybee Net, while Bea has been incapacitated. The net meets on 3917 at 1500 local Pacific time.

Jane, W7LXQ, of Washington spent the end of February and early March in Hawaii.

Gwen, W7NOB, of LaGrande, Oregon, and Helen, WA7QQN, of Bellingham, Washington, visited on the Honeybee Net. Their husbands are cousins, but the girls have never met.

WB6RFE, Lucie, whose heart is in 7-land, is a faithful on the Minow and Idaho C.D. Nets. We couldn't get along without her relays when long skip is on.

WA7GMX, Pat of Washington, came out second best in a car-truck collision. Her car, a brand new Cadillac with less than 2000 miles on it, was a total wreck, but fortunately Pat was just bruised and shaken.

Jessie, K7TWZ, and OM Clarence are still in Desert Hot Springs, California. They plan to return to their Idaho ranch in March.

Vicki, K7VSG, of Washington is getting married in late spring in Sicily. Her parents, Frieda, K7PVG, and Hugh, K7PVF, are making the trip to Europe for the wedding.

Verda, K7UBC, of Idaho was scheduled for surgery early in March. By the time of this printing we hope she is well on her way to recovery. Verda is the permanent net control of the Idaho C.D. Net and does an excellent job.

Ruth, WA7RVA, and her OM of Seattle had their complete station stolen. Fortunately most, but not all, of the gear was recovered.

Bobbie, K7RAM, of Washington has been experimenting with her kiln making fused glass pretties.

Ethel, W7WLX, of Tacoma is enrolled in a Chinese cooking class. Recently the class made a field trip into Seattle and visited noodle and fortune cookie factories and then shopped at several Chinese and Japanese grocery stores buying supplies for the class.

If the bands are lousy, can better days be close at hand? Luckily the Post Office is still on the job, or news would be even scarcer. Many thanks to all who wrote.

A card from our ever-active President, Ella, WA8EBS, reports that the Buckeye Belle Net on Monday mornings has fallen foul of poor propagation, but there are signs of improvement. She has been busy (as always) with YLRL Presi-

dent's messages, bulletins to the Board and replies, and the new YL-DXCC matter, announced in Harmonics #6. She enjoyed being on YL Open House and Tangle Nets and loved it. She is a great-grandma again; the new little one is Charity Anne Davis. This is the 6th great-grandchild. The Chix-on-Six Valentine's party was Feb. 12th at Elaine's, WA8QFL.

A note from Bobby, WA8ARJ, explains why we haven't heard her on the air lately. She is now working full time at the Lansing Credit Exchange, typing computer scoring sheets, and expects the job to last until the end of April. Two nights a week she is taking evening classes in Book-keeping and Office machines. Hope those A's keep coming in, Bobby! The bowling lanes occupy another evening, but no scores were mentioned. She is looking forward to another grandchild around the end of February, maybe a boy this time.

Kate, W8EIR, and her OM George, have had it with rainy Arizona and stayed in Michigan this winter. So far George's asthma hasn't been too bad. She says Michigan chairs are more comfortable to rest in. Their miniature brown Doxin is a live wire and keeps "the old folks on the ball."

Our sympathy goes to Rosemarie, K8VFR, and her OM Ed, K8MDV, who unexpectedly lost their 18-year old daughter Tina on January 21st. May time bring healing to her family. Rose writes also that on April 5th their oldest daughter, Rebecca to Fraser High School coach, Mario Borrocci. Rose Rebecca graduated from Wayne State University in December as a Special Education teacher. On August 12th Rose and George will celebrate their 25th wedding anniversary.

A most happy letter from Dorothy, WN8PRJ, announced the good news that she had passed her General test. In December she passed the code but flunked the theory. "Today was a red-letter day for me, passing the General theory test. And on my second try. Now when I say this, I mean theory for me was very hard, and I have been studying so much that some times I thought my brain would go bye-bye. It sure has all been well worth it, because I feel so good about passing. I got my Novice ticket in May 73; however, I didn't want to wait until my ticket was almost expired before I got busy with my General. Both my ham sons were excellent teachers to cram that (ouch) theory into this so called brain, hi!" Now that she can leave the books alone, she will start hunting for South Dakota and Alaska to complete her WAS. Congratulations from all of us and welcome to the club. We all remember that wonderful feeling when that pesky test is at last conquered.

Best wishes to you all—may your Spring cleaning turn up something you never thought to see again—may the Easter bunny bring peace and happiness along with his sweets!

33, Rosemary, WA8VXE

Nine - Land

Carol, WA9NEJ, District Chairman

CONGRATULATIONS and a big YLRL welcome to Joyce Lauterbach, WN9NUL. Joyce just received her call and has already been going after states. OM is WA9BHH and they live in New Lenox, Illinois.

Judy, WB9GWP, has moved from Mt. Prospect, Illinois, to Champaign, Illinois, and not only has changed her last name as of December 22nd (her OM is WB9GWO), but goes to night school, works as a clerk-typist, and is extremely active in the U of I radio club. The U of I radio club, W9YH, has just moved into a new building between two 150 ft. towers with Judy assisting the raising of a TH-6 and an 11 element 2-meter beam onto one of the towers. She gets on RTTY on 20 meters on the weekends, has a HW-200 and is in the process of putting together a homebrew tone burst for it. That's ENTHUSIASM-----as we say in YLRL!

Another extremely active YL is Marilyn, WN9MFC, from Hales Corners, Wisconsin. Marilyn needs only KL7 for WAS on 40, WAC and WAS combined for 15 and 40, DXDC, 16 states YL confirmed, and is working hard toward getting her General class license. Her OM is not a ham but prints her QSL cards and is her chief engineer. Marilyn speaks Spanish occasionally when on the air, but plans to stay 99% CW. Besides all this, she is secretary of the West Allis Radio Club and her future plans include hidden transmitter hunts on 29.6 and 2-fm from the car. Gud luk es our hats off to u, Marilyn.

Congratulations to Evelyn, W9LWK, and OM Larry, W9LWI, on their 50th wedding anniversary. Imagine all that hamming time put in—Hi!

The Wheaton Hamfest was a giant success with 3,000 in attendance. Coming up—De Kalb in May and Starved Rock in June. Please note that the Starved Rock fest is in another location this year.

WCRA meets every third Thursday and first Friday of the month, 8 p.m., at the Du Page County Civil Defense Center.

Thanks to those who sent the news and keep it coming. Next deadline is April 23. Gud health and happy Spring.

33, Carol, WA9NEJ

EDITOR'S NOTE:

I would like to give a special "thank you" and "appreciation" to all for the nearly 100% meeting of the Harmonics deadline.

Next deadline for Harmonics is April 25, and I am hoping for a full 100% this time.

My sincere thanks, Carrie, WA4BVD

First, I would like to say "thank you" to Ollie, WAØWAD, for sending in the list of new officers of the Colorado YLs. Then, a big congratulations to all the gals.

Thank you for voting me in as Ø-land D.C. and I'll try to do a good job with your help. I must apologize for not sending in news for the first issue, but we were busy with moving at the time. We only moved five miles south of where we lived in C.R., but it might as well have been 500. All the work is still involved. We now live in the small town of Shueyville, Iowa, on a half acre lot with a creek just across the back fence. Our back yard slants perfectly for sledding and our boys, Neal 11, Curt 9, and Greg 6, have done a lot of that this winter. We all love it here in the Nature and Quiet.

Congratulations are in order for a lot of our Ø-land gals.

Helen, WNØGQL, passed her General test in January and we will be looking for her on phone real soon.

Marty, WAØYNC, took first place for Ø-land on phone-CW combination in the YLAP contest. She spends a lot of time on the MARS frequencies and CW.

Margaret, WBØBEM, gets double congratulations. First for a new grandchild born on Christmas Day—then for getting the Colorado Picon Award from the Rocky Mountain Division of ARRL. One of the reasons for this award is the Primer for Novices that she is writing. Three chapters have been published in QST and make for interesting reading.

Barbie, (ex K5YIB) WØPCD, and OM Dick moved to Durango, Colorado, in October after lots of years of dreaming about living there. She is working as Secretary of the San Juan Board of Cooperative Services so she doesn't have much time for hamming. They will build their new home in the spring up 7500 feet on the mountain, and when the antennas get put up we will be able to copy her well when she gets on. Barbie and Dick went to the Photographic Society of America (PSA), Regional Convention at Corpus Christi, Texas, in May. In June, they visited Colorado at the Pikes Peak Regional Convention of P.S.A. where Dick presented a program on motion picture sound, combining business and pleasure. In August, a trip through C.R., Ia., Minn., N.D., and S.D. Then in October the long awaited move to what sounds like a beautiful location in Colorado. So happy you two finally found your dream come true.

Martha, WØZWL, is in her 20th year as manager of the South Dakota Weather Net on 3960 KHZ at 7 or 7:30 A.M. She has a new Thunderbird Tri-Band beam and should sound great on 20 meters after she gets back from visiting her family in California.

Bertha, WØRAW, was busy with canning and redecorating all the rooms in her home. Since she missed so much time on the air, she has been checking the Texas YL Roundup Net at 10 A.M. on 7280 KHZ, and also at 8 A.M. on 3940 KHZ. They are buying a Regency HR 212 and hope to meet more Missouri YLs on two meters.

Glenda, WAØTNI, and OM, WAØTFD, are waiting for spring to get our antennas up in the air where they belong. We got a new FPM 300 so I have been "hamming" a lot to check it out and make sure it is working good. It makes for a good excuse anyhow, gals. Been busy with selling Beeline Fashions and bowling. I finally got a 247 game with a 587 series after 19 years of trying. I am NCS for the Iowa 75 Meter Phone Net on Tuesdays on 3970 KHZ at 12:30 P.M. and check in each day. There is also one at 6 P.M. each day so I can get any traffic newswise that you can send my way. Hope to hear from you real soon. My next deadline is April 25th. Hope everyone has a healthy, happy 1974.

Our new address is: R.R. 1 Box 219 B, Swisher, Iowa 52338.

33, Glenda, WAØTNI

KH6 - Land

Ardelle, KH6TI, District Chairman

Sorry to have missed December - I was busy and it just slipped by. Will try to make it up.

The OM and I cancelled our trip to Tahiti as Pan Am kept changing schedules because of the fuel shortage. We would have wound up with less than a week in Tahiti and a three day wait in Pago Pago for a flight back - the flight, incidentally, that crashed on landing in Pago Pago! Oh, well, we'll try it again someday when things settle down.

Mary, KH6HPS, is really hamming and doing such good things. She ran patches over Christmas for college students to their parents, relatives and friends in Micronesia - around forty contacts to Truk, Ponape, Saipan, Yap and Majiero. Later on she had two 2nd grade classes - about 40 youngsters - and ran a patch to their school and let each child talk to the Principal. Sounds like fun - how I wish I could live on Maui.

Between my lousy antenna situation and the QRN from the hospital across the street, I can't hear the girls on the YL net. Understand a YL from Honolulu checks in, but Mary doesn't know her call. Wish she'd send in news to me.

33, Dell, KH6TI

SORRY: There was no district news this time from One-Land.

APPLICATION FORMS

Anyone desiring "YLRL Information and Application Forms" may obtain them from the Supplies Custodian, Londa Shultz, WA2CRW, 111 Acorn Drive, Scotia, New York, 12302

Greetings from the land of ice and snow. Winter has finally hit with full force. South-eastern Alaska has had its share of deep snow this year.

Ruby, KL7FSO, in Sitka, had back surgery last summer. She is recovering nicely. Ruby is very active with the Cancer Association. We had wonderful visits when they met here, but the last few years all meetings have been in

Anchorage.

We have lost one of our most active Lassies. Trudy, KL7GFU, and her hubby, KL7GFT, have moved to sunny South Carolina. They have purchased a home situated on a lake so Dick can keep the old fly rod in practice. We surely miss your cheerful voices up here. Good luck.

Lyla's, KL7CSR, OM retired in November from the Alaska Railroad. They have been working on a boat for several years, and now are down to building the shrimp and crab pots for catching those goodies. They have the boat based at Whittier, which is just a hop and skip from Anchorage. We certainly wish them luck fishing this coming summer.

KL7FLS, Bess, writes that working pretty well takes up her time. But she also has been knitting a bedspread, crocheting an afghan, and typing a manuscript. Sounds like she is keeping busy. Bess is also very active with Army MARS nets, both 2-meter FM and Teletype. She and the OM plan to retire to Arizona in 1975.

Rose, KL7FQQ, and OM Stan are really putting in the hours on the new home. Stan is hoping each weekend will bring a break in the weather so they can make a trip to the mine. But with our coldest temperatures of the winter just this past week, it's a bit early in the year. This week the tile is being glued to the floors. All the painting is about done, and all sorts of boxes and cartons are arriving. Rose is still active with the State PTA, and is our city Community Club Awards Manager.

Not much has changed around our QTH. The OM is still on his crazy mixed up shifts, so I am not on the air too often. But I have been listening to the nets the last month, but band conditions have been very peculiar. Have hopes they will improve soon. I do miss all the news, and good girl talk.

I didn't receive any news from the rest of you gals. Please, won't you drop me a line???

33, Betty, KL7FJW

ENTHUSIASM

YLRL - MOTTO - 1974

Editor's Note:

I received a lovely letter from Ebba, VE5DZ, in which she says that she has not heard from any of the VE YLs. Come on, gals, and fill Ebba's mailbox with letters of what you have been doing. We all want to hear about you and your activities.

For us YLs, especially in the deep south, I would like to share with you what Ebba wrote about the weather in Saskatchewan:

"We certainly have had our share of snow and storms this winter. Road conditions have been bad, especially out in the country. We live 8 miles from town, we have 3 small towns of a population of from 250 - 500 around us, which are 7-8-9 miles away, so we can take our pick. But seems Colonsay is our main one."

"We have been blocked in for a week, the snow had drifted up against the garage door so badly, one just could not dig out the car, so had to wait for our neighbor to come and plow it out. I don't know what we would do without him, he's really swell, as he's opened up the road after every snowfall and storm."

Ebba also writes, "I just finished remodelling the neck of a sweater. It had a knitted turtleneck on it, and they didn't like that so I tried to make a round ribbed neck on it, but had a little problem, as it was a very fine knit, so had to use my finest knitting and needles, and pick up the stitches 1 x 1 which took a long time, especially when I kept dropping them as fast as I picked them up, but I finally got it done, hope he likes it better."

"I do a lot of knitting and crocheting. Also have a afghan on the way, then I'm caught up for a while. Love this kind of work in winter time. Summer? well! that's different, then I want to be outside, in the garden, and go for long walks—something one doesn't do too much of anymore. Easier to jump in the car and take off."

"Enjoyed my little trips last summer to the utmost, hope I can do likewise this year. Now that the family is grown up and scattered all over, gives us a chance to see more of good old Sask. hi hi! and other parts of Canada."

Thank you, Ebba, for your interesting letter and hope that you don't mind that I have shared it with our readers.

33, Carrie, WA4BVD
