DX NEWS

Betty J. Becker, 905 Crestview Dr. Arlington Texas

OZLMR, Margaret writes: As the 20M phone band is dead at the mont I'll give you some news: Finally I got my General, or "B" license, and I am mainly on 20M fone, and causing quite a stir as I am a XYL, and as the OZ'S say 'an English speaking Danish stn"! Even tho I've lived in Denmark for over 10 years I've not lost my English accent, and so 'SM' and 'OZ' OMs investigate when they hear me on the air. I was delayed in getting on the air as the OM and I more or less rebuilt the station here so as it would be TVI and BCI free before I got crack- ing on fone!hi. On 6th April I heard WIZEN, Onie and the club stn WIGLA/Pl on 20 fone, I under- stood it was a special amateur radio week and the club stn, whose operator I believe was Blanche, was having a busy time. I called Onie and Blanche but they did not hear me due to QRM from all Europe. However they did work one Danish XYL, OZ7AI, Annike, and those gals over there in Mass. sure gave Annike a big hand. After I called Onie, I had several Europeans OMs call me so I QSY'd from the freq. and lured the OM's away too! HI! I would sure like to add that Onie and Blanche were coming into this QTH with a very FB signal and I hope one day to hear them again. To my knowledge OZ7AI and myself are the only SYLs working on 20 fone so you gals in the states have a double chance of working an OZ-YL now. On 7th April I had a wonderful surprise, I had a QSO with CTLEY, Tony, and he called CYLYE, Hilda who is his XYL, and so I had a QSO with them both, it was really grand! I had read so much about Hilda in Harmonics and my OM Paul, OZLPR, has had QSOs with Tony so it was like talking to old friends, and as I've also talked with Hilda I've scored a point over OZLPR! I am having fun on fone, it's a lovely change from CW, but I shall not give up CW completely as I guess I'll get more DX with the key than I shall ever get on fone, tho I have had a 4X4 on fone, but the QRM was terrific! Congrats, Margaret, you can bet we'll all be listening for you--Betty.

Editor SEZ---Our deepest sympathy to Blanche KLIZT, on the loss of her father May 31st. To all DCs--Having a dreadful time chopping your wonderful news--the Membership list takes so much space, something has to give. Will try to carry over in next issue. Bettie, K7BED, has been having post-operative problems since sugery some time ago, new hiway forced her to move, so has had problems with Continuous Mbrship Certs. They'll be along gals. Lenore, W6NAZ, -- "Am wondering who my unknown benefactors are--delighted to receive an A-1 Operator Certificate. I will try to live up to it". Lenore also sent FB GMT Conversion, will print next time. Eyelash QSO with Jean, K6QQD, she still has a few Directories. They'd make FB gifts at only \$-50 per.

WILL YOUR DISTRICT WIN THE BATTLE OF THE BALLOT?

PRESIDENT'S MESSAGE

Dear YLs:

This has been a busy and interesting two months. Among other things our local radio club participated in Amateur Radio Week as proclaimed by the Governor of Massachusetts. Because the OMs had to work days the YLs of the club handled all the daytime operating hours. We did work some of you - wish we could have worked all of you.

You will find on the back page of the Harmonics a YLRL membership application. I hope everyone will look for new members. Remember there is a prize for the YLRL member that brings in the most new members each year.

Congratulations to Shirley Rex, K8MZT, the 1961 winner who has her choice of a YLRL Charm, Pin or Stationery.

This is probably the most important issue of Harmonics you will have all year. It contains your BALLOT. This ballot is your voice in YLRL. You can mark it in the comfort of your home - put a very small 4¢ stamp on the envelope and when you have dropped it in the nearest postbox, you have exercised your privileges as a YLRL member.

If the ballot looks slim - stop and ask yourself two things: First - "Did you or your club send in a nomination?" - Second - "Did you agree to run for office if nominated?" Remember the Nominating Committee only acts as a clearing youse - you must send in nominations and accept nomination when asked to run.

Another feature has been added to YL Harmonics. Beginning with this issue Harmonics will carry a list of clubs who have Affiliated or Re-affiliated with YLRL for 1962. If you do not see your club listed, ask your club secretary if she has sent in for affiliation - remember you must apply each year.

The number of DX YLs adopted so far this year is well ahead of last year but there are still lots more gals waiting to be adopted. If you wish to be a good neighbor to one of our DX YLs, send your check and request to K5MJW.

Whether you are camping, surfing, mountain climbing or just plain relaxing in your own backyard I hope you all have a wonderful summer.
