## PRESIDENT'S MESSAGE

Hi Gals,

Here it is - election time again. Be sure and note the deadline for mailing your ballot. I must admit that I am very disappointed in the ballot this year, but I know the Nominations Committee did the best they could. I had so hoped they could get two nominees for every office - at least for the four major offices. However, here we are again - five offices have only one nominee, and one office with no nominee!! Considering the size of our membership you'd think we could come up with a full ballot, but if you gals don't get your nominations in to the Nominations Committee there just isn't anything we can do about it. Now won't you all at least vote? As I have said before, it is your duty as well as your privilege.

Note too, that there is an amendment to be voted on this time. It concerns an increase in dues. Heaven knows we hate to raise the dues but if we are to continue giving you Harmonics magazine at its present size and at its present frequency we must have the increase. With the raise in postal rates the cost of mailing YLH has increased more than 100%. Prior to Jan. 7, 1963 we could mail YLH for 5¢ per lb. It now costs us 12¢ per lb.! The postal permits which in 1962 costs us \$30.00 cost us \$45.00 this year. Add to this the increased postal expenses of all officers, certificate custodians, etc., and you won't have much trouble seeing where the money goes. Aside from the actual printing of YLH (which is now being done professionally) our biggest single expense is postage. Please vote "YES" for the dues increase!

It has come to my attention that there has been considerable discussion on the possibility of paying up back dues in order to get a Continuous Membership Certificate. In 1959 the Executive Board made a statement of policy as follows: "Future awards of the certificate will be based on the membership record of the Secretary and/or Treasurer of YLRL as of June 30, 1959. No payment for dues for previous years will be accepted after that date." I know there was some feeling at that time that YLs could "buy" the certificate by paying up back dues. However, that was not the intent, and the following explanation was given at that time: "During the infancy of YLRL some of our records were incomplete. When the Continuous Membership Certificate was announced, the Executive Board recognized that long standing members should not be penalized for lapses of membership due to incomplete records or conditions existing during the war which were beyond the control of the individual. The Executive Board, therefore, permitted payment of past dues in order that all members' records would be complete. Anyone interested has now had sufficient time to correct the records, and future awards will be based on continuity from the records as of June 30, 1959".

Since 1959 there has been no official action by the Board of Directors or the Executive Board allowing for any payment of back dues after 1959. It seems to me that as things stand now we cannot accept payment of any dues other than for the current year and the year immediately preceding. Notices of dues being due are always published in YLH. To my personal knowledge, all gals not paying their dues by the due dates were sent notices in 1960, 1961, 1962 and 1963. So there is really no excuse other than procrastination for anyone missing out on her continuous membership record I believe enough leeway is allowed by permitting anyone to pay dues for the current year and the year immediately preceding, i.e. 1962 and 1963. Certainly no dues may be accepted for years prior to 1959. That was made very clear by Executive Board action and could only be changed by further action of the Board.

Report from the meeting of the Board of Directors: There was a brief 'meeting' of the Board of Directors in May. We had been presented with two proposed amendments to the By-laws. As you know, according to the Constitution, all proposed amendments must be approved by the Board. The first proposal had to do with the increase in dues and you will find it included on the ballot, as the Board approved it.

The second had to do with the automatic succession of the Vice President to President. This proposal was voted down by the Board of Directors. However, there were several comments on the cards the members returned to me that lead me to believe that most of the Board members would be in favor of an amendment calling for some qualifications for a candidate for the presidency other than having been a member of YLRL for two years. The majority of opinions seem to be that perhaps a candidate for the presidency should have held some office (preferably an elective office) in YLRL (and even more preferably one of the other three top offices - V.P., Sec. of Treas.), but that it should not be pinpointed to any one particular office. I personally feel that a President would find it much easier if she had held some office in YLRL before. I know I would have certainly not undertaken such responsibility had I not felt that my three years as Treasurer of YLRL had given me good insight into the routine and problems of the organization.

While on the subject of amendments, I would like to remind you all of the proper procedure for this action. Write up the amendment showing what Article and Section of the Constitution, By-laws or Procedure you wish to have amended and show how you would have it read. Get signatures of five YLRL members on the proposal and then send it to the President of YLRL. She will then present it

to the Board of Directors at the earliest possible time. If the Board approves the proposal, it will then be put on a ballot in YLH for the members to vote on.

One other point I wish to bring to your attention at this time. Next year will be YLRL's 25th Anniversary. As part of the observance of that occasion I think it would be nice to make some sort of special recognition of those gals who were Charter Members of YLRL and who have maintained their membership continuously. I would like help on this. I have, as the original thirteen gals, the following calls: W1GQT, W4JCR, K4LMB, W5HYF, W6NAZ, W6RGX, W6UXF, W6WSV, W7GXI, W8SBB, W9NLW, W9UA, and VE2HI. Of those, I believe all but W5HYF, W6RGX, W8SBB, and W9NLW have maintained their membership in YLRL. If anyone can give me any further information on this I would appreciate hearing from her at the earliest possible date.

The Continuous Membership Files have been completely brought up to date, and are now in the possession of the new custodian, Ruth Siegelman, W2OWL. Anyone having any question about her Continuous Membership Certificate should contact Ruth.

One last little bit, and then I'll quit - Honest!! I know this will be covered in the First District News, and many of you have already heard the news on the bands, but I want to make sure no one is left out. Our Editor, Edie, K1EKO, has a new baby girl - Janet Lee, born April 15th. Congratulations from all of us, Edie - we are very happy for you. I know you will enjoy having a baby girl around - they are so much fun to dress, hi!

33,  
Jean.

Blanche Randles, K1ZT  
 TRL Vice President

There were 400 logs submitted this year and everyone, both TIs and OMs, seemed to enjoy the contest. I would like to thank all of you for your friendly and thoughtful comments that were received with so many of the logs.

To all of you TI-CW operators I must pass on the comment that appeared on so very many of the OM logs. Better than half of the logs made comment complimenting the TIs on their operating procedure. Girls - I think this is quite a compliment, and something to be really proud of.

To those of you who sent in carbon copy logs may I ask once more - PLEASE, in the future, do not send in a carbon copy of your log. The carbons smudge and are very difficult to read.

To those of you who sent in so many just plain beautiful logs - I thank you! You will never know what a pleasure it is to check a neat, orderly, legible log. My thanks to all of you for the wonderful participation in this year's contest.

NOVICE NEWS SHEET

Alice Sturdevant, W7DVH

Weddeburn, Oregon

Ruth, WN8FQR, her OM, Marv, WN8FQS and their daughter Sharon, WN8FQP all got their licenses in September 1962. Their son is Mike, WN8ETS. He got his license in June 1962 and he is responsible for his Father, Mother and Sister getting their licenses. The older daughter, Barbara, started to study for a novice license, but she became too involved in school work and had to give it up. This is her first year of teaching - she teaches English and Spanish in Junior High School. They are almost an "all ham" family, but not quite. Marv, Mike and Ruth are studying for their generals. Sharon is a senior in High School and has a part time job besides, so she doesn't have much time for hamming. However, she hopes to study for her general this summer. Mike was just 13 years old when he got his license - he's in the eighth grade. Since becoming interested in ham radio, Ruth doesn't have time for her other hobbies - crocheting, knitting, needlepoint and sewing. The family works 40 meter CW exclusively, but hope to get up an 80 meter antenna when good weather finally gets around. Ruth has her RCC award already.

WN8FZX, Ellen, was licensed in November 1962. Her OM is Howard, W8BEI, and they have seven children. She has been working the 80 and 15 meter bands, and has worked 30 states, 24 confirmed. She worked 29 of the states on 80 meters - the other on 15. She is working on Ohio counties, and has 22 confirmed. She hopes to get her general soon. Out of the seven harmonics Ellen and Howard hope to get at least a couple of hams in the near future. She is looking forward to getting 'Harmonics' and making contacts with YLRL gals.

KN7VSG, Vickie, is a teenager, and the daughter of K7OFX, Pat. Other new novices in the 7th district are KN7VOD; KN7VSD, Kay; and KN7VHN, Mona. Understand Mona hasn't been on the air much on account of a new baby - Congratulations on the new harmonic, Mona.

Dear YLRL Members,

The Buckeye Belles wish to announce the YLRL SEWING 'B'. 'B' stands for the Bedcover project. All YL clubs and groups, including DX/YLs, will be asked to HAND embroider their club emblem or some insignia representative of their area (in full color) on a square of indianhead that we will provide. It is our desire that the work be uniform, with a minimum of printing. If there is printing necessary, please use YLRL blue #1036 American Thread Co. or write us and we will provide some.

Already some of the squares have gone into the mail with instruction sheets. If your club has not received one, please notify K8ITF, Marge Farinet, 1608 Rangeley Ave. Dayton, 3, Ohio. These should be finished and returned by February 1, 1964, so she can make the coverlet. Hope she has some left over for a luncheon cloth or two.....

Happy SEWING B to all, and may we have the privilege of seeing you in Ohio when we meet to celebrate the 25th Anniversary of YLRL. This Bedcover can be won by a licensed YL only.

The Buckeye Belles
