PRESIDENT'S MESSAGE

Hi Gals:

Last issue we had many pots boiling, but no finished products! This issue, our election one, brings 3 changes to vote on for our Constitution and By-Laws, previously approved by the 1964 and 1965 Boards of Directors.

In the By-Laws, ARTICLE VII, Section 2; the change to make this Section 2A and add Section 2B to read:

"Section 2B - Rules governing the issuance of YLCC, WAS/YL, WAC/YL and the DX/YL Certificates may not be changed or amended except as set forth in ARTICLE XIV, Section 1 of the By-Laws."

Since our certificates represent the image YLRL wishes to present to the world, any changes should be given full consideration of both officers and members.

Those of you who saw our financial statements at the Convention Forum, and who read the ones regularly in Harmonics, will know it is necessary to again raise our dues 50¢, making ARTICLE II, DUES, Section 1 of the By-Laws read:

"Full Members, \$3.00 except Family Members, \$1.25; Associate Members, \$3.00; Novice Members, \$3.00; Adopted Members \$3.50; Subscribers, \$3.00."

This will make our YLRL dues, including Harmonics, only 25¢ per month, and in this day, how can you get anything less than that? We are in the planning stage of re-working the magazine to give you lots more for your money. When passed, this change would take effect next year, 1966.

Our third and final change would be to the By-Laws, because of the change last year to two Treasurers. This would make both Treasurers, as well as the Secretary and the Vice President members of the Executive Board and ease the burden of correspondence of the President. This was recommended by 5 of the 6 Past Presidents of the President's Advisory Board, and 19 to 3 of the Board of Directors. To read:

"ARTICLE VI, Section I, The Executive Board shall consist of the Vice President, Secretary, Receiving Treasurer, Disbursing Treasurer and the President, who shall have all the powers of the Board of Directors between the "meetings" of that Board. The Board of Directors shall define in broad terms the duties and authority of the Executive Board." (The underlined words are the change.) (Editor's Note: See page 5 for the proposals and their numbers and then vote on the back of the Ballot sheet at the end of this issue.)

Please read the qualifications of each girl on the ballot and then VOTE. The nominating Committee has done a fine job and a Herculean one. PLEASE VOTE!!!!!!

It is with real regret that the resignation of Helen Harris, W1HOY, was accepted. Helen has been Eastern Membership Correspondent since 1962, and has done a very fine job.

The main topic of conversation these days must be the proposed FCC regulations on licensing and changes in call letters. I do hope you will all think carefully about this and send in your views pro and con to your ARRL Director. I would like to quote a very interesting paragraph I ran across in "Autocall", published by the Foundation for Amateur Radio, Inc., Washington, D.C. The paragraph appears in W8MGQ's column, "Reflected and Directed":

"Does FCC need call sign revision to police the bands? Apparently FCC's staff thinks so, and so far, has convinced the Commissioners to the point where they have spelled it out in the Docket proposal.....We understand the FCC has leased teletype circuits between its monitoring stations and also to Gettysburg, where they have that famous computer with all the license data on magnetic drums, or such. We have been told by persons knowing more about computers and data storage than we do, that it is perfectly practical for any FCC monitoring station to interrogate the computer by teletype -- and in seconds, to get back an answer giving the name, address and class of license of any amateur, just by furnishing the computer the call letters. If this is correct, couldn't the policing be done by this?"

And if this is so, why bother to change calls at all! Isn't it more feasible to use electronics for radio work than mess up the call business? Anyway, something will be done.

33 and Vote

Martha A. Edwards, W6QYL
YLRL President, 1965

(Editor's Note: ARRL Official Bulletin NR 6, dated May 24, 1965, notifies that the Directors at the Board Meeting in Quebec voted to ask FCC to grant First Class Licenses to all holders of Advanced class licenses and that the suffix of an Amateurs call not be changed throughout the career of the amateur, unless he changes call areas.)

SECTION 2B (to read) - "Rules governing the issuance of YLCC, WAS/YL, WAC/YL, and the DX-YL certificates may not be changed or amended except as set forth in Article XIV, Section 1 of the By-Laws.

HONORARY MEMBER SHALL PAY NO DUES.

3. ARTICLE VI - EXECUTIVE BOARD

Section 1 - (The first sentence now reads) "The Board of Directors shall elect from its membership an Executive Board of three members who shall....."

CHANGE IT TO READ:

"The Executive Board shall consist of the Vice President, the Secretary, Receiving Treasurer, Disbursing Treasurer and the President who shall....."

Vote on these proposals on the colored Ballot sheet at the end of the issue.

It was great fun! Many logs arrived with notes which I cannot acknowledge here. Comments from the OMs ran like, "Had a wonderful time" - "The YLs are wonderful operators" - "The OMs can take some lessons from the YL ops" etc. One of the most frequent comments was, "Where were all the YLs?".....I did a lot of monitoring in both sections of the contest and had the same question. The OMs are enthusiastic about this contest, but we have to make it worth while for them. Next year let's turn out - even if not to make a high score - just to give the OMs the contacts they are looking for.

VHF Section

There were many protests when we continued the VHF Contest, so we finally substituted the VHF Section of the YL/OM Contest. In spite of all the supposed demand for a VHF contest, only five logs were submitted! All were YLs. I can see no justification for YLRL to continue to sponsor this contest. Sorry, Gals. If you still want to have a VHF section, let me know, but I think a minimum number of logs must be submitted before the expense of a prize can be considered. The five logs submitted were:

K1ICW - 127.5 * K8CEN - 48.75*
 K1MGP - 90. * K9ZVW - 62.5 *
 K1TOP - 86.25*

VICE PRESIDENT'S MESSAGE

This issue of Harmonics contains the membership list. Look it over very carefully and take note of the number of members in YLRL at present. Pretty sad, isn't it? Two years ago, we had reached the 1000 mark in membership. At the Ohio convention in 1964, it was announced that our membership had dropped to 750. Today? At this rate, YLRL will be unable to function in a few years. The expenses of running a national organization are pretty much the same whether we have 500 or 1000 members. The big difference is that with 1000 members we have the money to cover those expenses and with 500 we do not.

Membership is not my domain as Vice President of YLRL. However contests and activities are. You all seem to enjoy YLAP and YL/OM Contests. They cost money. The cups and engraving are not free. The certificates are not free. The expense of a contest by YLRL runs close to \$50. Do you want to see us abandon our contests? Under the heading of "Activities" comes Harmonics magazine. Harmonics costs us in excess of \$250 per issue. If we eliminate the contests and Harmonics, what do we have left for you? It seems to me that if we are going to allow our membership to drop to such a dangerously low level we may as well admit we have been failures.

At the Ohio Convention, many of the founders of YLRL were present. Those who were unable to attend sent a message to the YLs by a tape recording. It was, and I'M sure all who listened will agree, a very moving experience. I wrote a note to Lenore, W6NAZ, to thank her for the tape and told her there was hardly a dry eye in the house. Are we, in 1965, going to let down the wonderful gals who in 1939 had a dream? I would hate to think so. I would be ashamed if YLRL were to fail simply because of a general apathy and an attitude of "let Jane do it".

I don't know what you do with your other issues of Harmonics, but please, gals, keep this one at your operating desk, table, or whatever you use, and each time you meet a YL on the air, look for her in the membership list. If she is not listed, tell her about YLRL and urge her to join.

We have plans for the future which are rather ambitious. We cannot even consider making these plans go into effect with the present membership.

In 1939, a handful of YLs had a dream. In 1965 another handful of YLs also have a dream. Our dream is to take what those women began and build on it until YLRL is known to all women amateurs in the world and they are eager to be members. Wouldn't you like to be part of that building? Then make YLRL a regular part of your vocabulary. Let's make a vow that each member will bring in at least 1 new member this year. We'll worry about next year when it comes. With 10,000 licensed women amateurs in the world today, YLRL should not have a goal of 1000 members, but a goal of 5,000. ARRL boasts that they represent 1/3 of the amateurs of the U.S. Let YLRL boast that we represent 1/2 of the women amateurs of the world.

EASTERN MEMBERSHIP CORRESPONDENT HONORED BY WRONE

On May 27, the members of WRONE held a delightful Tea in honor of Helen Harris, W1HOY. Helen is a Past President of WRONE, was on the Convention Committee in 1960, has been Editor of WRONE Chatter for 2 years and for the past 3½ years has been YLRL Eastern Membership Correspondent.

Sam, Helen's OM, has taken a new job and they are moving to Arecibo, Puerto Rico.

The tea was a lovely affair held at the home of Onie, W1ZEN and many members of WRONE were able to be present and wish Helen, Bon Voyage and best wishes in her new home.

WRONE presented Helen a disc for her charm bracelet inscribed with her Call and the dates of her service as Eastern Membership Correspondent. There were many other gifts and many many letters and telegrams from her friends. During the afternoon she wore a lovely red corsage, a gift from her Secret Pal.

WRONE will miss Helen and her cheerful willingness to be of service at any time. We'll miss her friendly smile and her sincere friendship. Our very best wishes to Helen and Sam both, in their new home and interesting new country. Our loss is Puerto Rico's gain. Come back soon Helen.

W1HOY at Tea,
(KLEAV's Back!)

NEW "CQ YL" CHAPTERS

We are very happy to announce there are two additional chapters for our book "CQ YL" just off the press. Totaling 12 pages, they are Chapter Six-A, covering the 3rd International YLRL Convention sponsored by WRONE and held at Cambridge, Massachusetts in June 1960, and Chapter Six-B, covering YLRL's 25th Anniversary Convention sponsored by the Buckeye Belles at Columbus, Ohio in June 1964.

Thanks to the YL clubs, you may get these chapters as free supplements to your copy of "CQ YL" just for the asking! The Buckeye Belles paid for all of the printing of the chapter on their Convention, and a number of other clubs contributed to the cost of printing the earlier convention chapter.

If you have a copy of "CQ YL", send your request for the new chapters to: Louisa Sando, W5RZJ, 4417 11th St. N.W., Albuquerque, New Mexico, 87107. Please do include a couple of 5¢ stamps to cover the cost of mailing. The chapters will be mailed flat and all pages are slotted for easy insertion into the spiral binding of the book. If you don't yet have the book, copies of "CQ YL" are still available (\$3, postpaid) and all copies mailed will be completely up to date with the earlier published supplements as well as the new chapters.

(NOTE: YL Clubs will receive bulk shipments for distribution to members. Also, if you attended the Columbus Convention, you will be sent copies of these new chapters. Please notify W5RZJ if you have changed QTH since June '64.) Some copies of the earlier supplement were returned to W5RZJ by the Post Office as undeliverable, they were for: K3NLU, K8QEI, K8VBO and WA9EMI.

(Editor's Note: I have received my supplements and it was wonderful to relive both Conventions all over again!)
