Y&J Harmonics is published by and for the members of the YOUNG LADIES' RADIO LEAGUE, INC. Y1RL
 is a non-profit, fraternal organization comprised of Women Amateur Radio Operators, incorporated as such under
 the laws of the State of California. Dues are \$3.00 per year, due and payable March 1, and delinquent March 31.
 For new and reinstating members joining after August 31, the dues may be pro-rated by half the annual dues for
 that fiscal year (currently \$1.50). Dues for adopted DX members are \$3.50, and may not be pro-rated for portions
 of years. Dues for "family member" are \$1.25; and subscriptions by non-members are \$3.00 per year, and may not
 be pro-rated for portions of years.

Mini-Editorial; Summer is almost upon us, YLH is ready for printers and we didn't beat the postal deadline, some news was late in arriving. The D/C news is severely pared in order to have all the other items it is necessary for this issue to contain. Election time is here, show your appreciation to the Nomination Committee by voting, not tomorrow, but today! Pictures that had to be left out for lack of space, will be in future issue's as soon as possible. Any corrections for the Directory issue (net's, certificates, club's) should reach here soon as possible, not later than 15, July. The same will apply for address corrections, so that any last minute change can be included.

For the information of those that may have been misinformed "Tangle Net" is a year round YL Net (14,295 at 1800 GMT, Thur.) you are always welcome, N/C K0EPE, Marty

Our sincere wish for a summer just loaded with the best of everything for each and everyone of you, remember to share this summer fun with your D/C, so that she in turn may share it with all of us.

president's message

Election time is here again and may I stress the importance of exercising your right to vote in our annual election of officers. The Nominating Committee has provided you with well qualified nominees for the various positions on the ballot and now it's your turn to show your confidence in them

by promptly returning your ballot. Please read the biographies carefully, then choose the YL you feel will do the best job for you and YLRL next year. Remember, you can only select your favorite YL by voting.

ALASKA Only two questions required action by the Board of Directors: 1) confirmation of ballot auditors and 2) a proposal to eliminate the low power multiplier from all YLRL contests. Rose-KL7FQQ and Trudy-KL7GFU were unanimously confirmed to audit the ballots. The low power multiplier proposal ended in a tie vote so now it's up to you to decide. Do you want to retain it or would you like to see it abolished? Please give this much thought---talk it over with your YL friends who run low power---get their opinions---weigh the pros and cons very carefully and then RETURN YOUR BALLOT to the Secretary. Your participation in this election is important. By failing to vote, you permit others to elect officers and decide policy for you.

A very special thank you to Carrie, Margaret and Elsie for their splendid work on the Nominating Committee and to all of the YLs who so graciously allowed their names to be placed on the ballot. Good luck to all of you!

CONGRATULATIONS! are in order.....to the Buckeye Belles on their 10th anniversary.....to the WRONes on their 15th anniversary and to the Georgia Peaches on their reorganization.

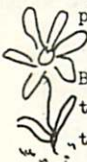

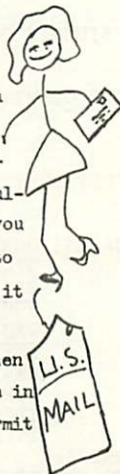

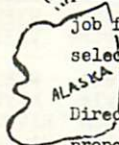

With summer fast approaching and vacations just around the corner, remember that my QTH is in the Finger Lakes area of New York State so if you're passing through, do drop in for an eyelash QSO---sure would love to meet YOU! Have a very pleasant and safe summer.

33 for now,

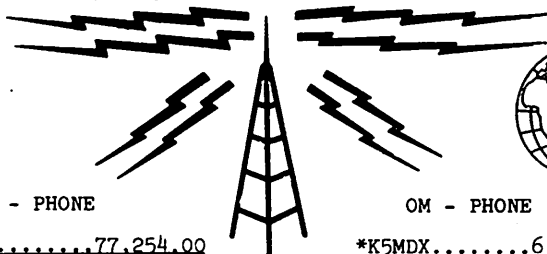

Jan-WB2JCE

What a wonderful contest this YL-OM 1971 was, the many notes enclosed with the logs---some with suggestions as to how we might better improve the contest next year, some with complaints as there were several other contests going on at same time. YLRL contest dates are set almost a year in advance of the contest (YL-OM) there is little that can be done at the time the dates arrive, but hope that the others have chosen a different time. My "thanks" to each of you for the neat and legible logs, it made my job a delight to do. 33, Mae, K7QGO YLRL VP 1971

Note: * Before a call means that low-power multiplier was claimed. A call underlined means that person received a certificate for high score. In addition, where only one log was sent in from a DX Country or VE District, a certificate was awarded to the sender. If your call is not listed above, your log was disqualified. Please check the YL-OM Rules before submitting your log; it must be complete and be sure you have signed it!

Membership Contest

The results of the 1970 membership contest have been tabulated and our congratulations go to the hard working winner, Harriet - W A 3 A T Q. Harriet may select her prize of a YLRL pin, or charm, or stationery, at her earliest convenience.

Thank you to all of the 59 YLs who participated in the contest by bringing new/reinstated YLs to YLRL.

Thank you Betty, KL7JUN for your work of keeping score throughout 1970 and final tabulation of the results. Let us all keep up the good work and goodluck in the next contest.

Sincere 33

Ivy - Ve3iv (new call)
President 1970. 7

INTRODUCING ... some new members

As you may imagine, copy that appears in May/June HARMONICS leaves the writer's desk in April--and grumble, grumble--I think we returned from Mexico too soon--won't it ever warm up in the Blue Ridge Mountains?

Now, you'd expect such weather at the QTH of our Novice friend Nancy WN1LYG, up in Nashua, New Hampshire. Nancy and her OM, Ernie, WN1LYF are Novices, but probably not for long. Generals soon?

We greet another new member, Helen, WN1NGY of Chester, Vermont. She's a student and you should see all the hams in her family! There's WA1JMS, K1UZG, and WN1NGZ. When not hamming or studying, Helen enjoys Girl Scout activities. She raises Dachshunds too.

Hello, Joann, K5OHY, down there in Houston! I note the Gay-larks have taken you under their wings--as I see K5BJU is an active member and your sponsor. Joann has a General class status. She is the wife of a non-ham.

Also from Houston comes a new Novice member named or nicknamed, "Bert". That's WN5CEM. She's a homemaker and her OM, Frank is K5VQY. She's currently struggling with study for the General Class Exam. Last fall she completed a course in Business Machines, when her school work's done, she enjoys reading just for pleasure. She also likes to sew.

Wow! Just look at all the new YLRL friends we're acquiring from Houston, Texas!

The next three interesting members are all from Houston, all of the same family, a Mother, a daughter, and a daughter-in-law and no matter in which order they are listed, each is very important in her own right.

There's Nancy, the daughter--WB5CAM, a Technician, and the XYL of Howard, WB5CAN. Nancy's Dad is W5EYM, her brother is K5AOG and her sister-in-law you will meet momentarily. Nancy's nine year old son Howard is lucky to have his Mom working with Cub Scouts and six year old Elizabeth is fortunate her Mom likes to sew. Nancy does church work, plays bridge and goes sailing. She is also an avid cook and gardener.

Hello Glenda, WN5CAL, we hear your married to Nancy's brother, Ross that's K5AOG. They have three small children--Ross III, Paul and Lisa. Glenda is working on her General Class license, but still finds time for art, sewing, cooking and gardening--also water-skiing.

And Nina, WN5BVU, that very special Mom--welcome to YLRL!! This ambitious and interesting grandmother of 5, has two "children" at home. (They're really two Bassett Hounds. Hi!) Nina is a registered nurse and to top it off, has earned a Masters in Political Science. She enjoys reading, likes to garden, plays golf, when she's not hamming.

And here's another smart gal--Janet, WB4OUN of Mayfield, Kentucky. (Hope you got that--KENTUCKY, gals--a rare one for WAS). Janet's an accountant and a bookmobile librarian. She jumped from a Novice call in 1969 to Advanced Class in 1970. Her brother used to be W4TQY back in 1940, but let his license lapse. You'll find Janet working 40 M. CW. She's still rock-bound in the Novice band. She hopes to try for Extra Class in '72. Bet she gets her 16 year old son interested in the hobby too.

Greetings to you, Donna, K7LPZ/VE7. Donna lives in Maple Ridge, British Columbia, Canada. She holds a Conditional license. You'll hear her on 14.250. The OM, Lee, VE7BDJ isn't the only other

ham in the family. Her Dad is K7HSM and her Uncle is K7HSN. Her one wee Harmonic, Sherril is 2½. Donna can boast of CP 35 wpm. She is a member of CLARA, had worked 180 countries by Sept. 1970. She runs a KW SSB on 10-30 Meters. She serves as an ORS.

We'd like to welcome back an old member, Ann WB2MXB of Batavia New York. She's married to a non-ham, Edward. Son-in-law, John is WA2UKS.

Meet Pam, WA1FSI, of Framingham, Mass. Her OM, Jack is WA2AXL. Pam is an EXTRA-class operator. She formerly held DJØUT in Germany. She prefers traffic-handling.

A new YLRL member in Waterford, Conn. is Margaret, WA1KMP. She's the XYL of Charles, WA1KMO. Margaret holds Advanced license. She is a WRONE, and belongs to CHC. She likes to SWL. She serves as Corresponding Secretary and Editor of the N.E. Chapter, --of CHC, Margaret?

Out in Snowflake, Arizona (Wonder if that's in the Rockies?) you'll find Mary, WN7NHO, a Novice, a housewife--married to Bob WA7ICC. Glad to have you with us, Mary. Saw your picture and article in October ØST.

Greetings, LaVerne, WBØPFY! This gal lives in Thousand Oaks, California. She's a Technician, a homemaker and wife of Mike, WBØIWF. In Mid-November she became a member of Laylarc.

Then there's Kathi, WN7PUX in Coeur d'Alene, Idaho. Hello, Kathi, we hear your OM is not a ham. For one "not employed", you surely are busy! Gals, she teaches bassoon, oboe and flute. (The OM is a band director in the school system). She is trying her hand at writing a book, also likes to paint and read. Her eight year old daughter is becoming interested in ham radio.

Meet Aggie, K3WKG, of Levittown, Pa., a General-classed licensee. The OM is Don K2VRP. Aggie belongs to the Pa. Wireless Association, holds Navy MARS call NØXSQ. She enjoys rag-chewing on 10 and 75 meters.

We're pleased to have new member JoAnn, WB2OHQ of Loudonville N.Y. with us. She's a Technician, is married to amateur, Phillip WA2ETB. JoAnn is a member of the Albany Amateur Radio Association.

Another Technician, Helene, WA3BVQ of Philadelphia, Pa. joined our ranks last November. Her OM, George is an old-timer. His call is W3HK. Welcome, Helene!

Hi, Viola! That's WA3BAA, of Seneca, Pa. Her OM, Alfred is WA3AZZ. Viola is a teacher. She has a General ticket.

Hello to you, Ruth, WA2GWA, up in Frenchtown, N.J. Her OM is not licensed, but son, Peter, is WA2USK. Ruth is employed by RCA. She has a General Class license.

Meredith, we're glad to have you. This gal is WB8EOC and she has an Advanced class ticket. She lives in Cheviat, Ohio, is a retiree, married to John, WB8CLE. Hope you enjoy YLRL, Meredith.

We welcome WN5CUR, Suzanne of Los Fresnos, Texas. This young housewife is an RN and works part time in the nursing profession. Her OM is Bill, WA5YXS.

Harriet, W6DOY is a resident of Atascadero, Ca. -- a good place to be retired. Her OM, Phil is W6PA. Harriet works Army Mars, belongs to QWCA and OØFC (She was first licensed in 1928). She also belongs to the Estero Radio Club.

We'd like to welcome back Irmalee, K7UOW, now of Alderwood Manor, Wash. Back in 1957-1958 Irmalee was a YLRL member with former call, KØRDV. She's a General-class licensee, --got her first call back in 1956. Her OM is Bob, K7OUX.

Our very best to you, Sister Marie, WA2ACC, in Rochester, NY. She has an Advanced Amateur license and serves as a teacher. She's a member of IMRA and of YL SSB.

First District Florence WA1GQZ D/C

Spring is slowly coming here in the center of Maine, still quite a bit of snow but the birds are coming back so our hopes are high that the snow will soon be gone.

Too early to give a report on the 15th Anniversary of WRONE being held at PUBLICK HOUSE, Sturbridge, Mass. From what I have heard the Committee have a grand time planned for the members. So far know of three attending from Maine, Leona, WLYPH and Bea, K1OKC, probably be others. Bea will be a house guest of Onie W1ZEN. Vena W1MKO plans to go also.

Carolyn, K1BJZ has not been on the air this winter, rig trouble, but expects to be on soon.

Barb, K1PCZ's OM has been in hospital, but is home now recuperating. The Yankee Lassie's wish him a speedy recovery.

Carol Ann, WA1GU, is very active in radio club work, she has been Net control month of April and rehearsing for a musical for benefit of local hospital. Busy gal! Next Harmonics will have a list of all her activities.

Hope to have news of more of the Gals next issue. I wish you all a very happy summer.

BUCKEYE BELLES 1971 NEWLY ELECTED OFFICERS:

- PRESIDENT-----Lillian Abbot, K8CKL
- Vice President-----Mary Ryden, K8ONV
- SECRETARY-----Lucy Benner, WA8BWD
- TREASURER-----Eila Russel, WA8EBS

Congratulations! to a fine group of gal's.

It has been a fairly quiet time for the past couple of months in the second district area as far as news is concerned. The New York YLRL held a meeting on March 13, 1971, which was attended by nine members. The meeting was held at the home of Helen Zupran our associate member and secretary of the New York YLRL.

K2OTW, Debbie Clearfield, who is very active with the Hillside, New Jersey, Civil Defense was present at the meeting, as well as her mother, Lil, W2IQP. Debbie said that her son is busy learning code, and her husband Les, W2YGM, who is on the Hillside Police Force, has been busy teaching teenagers radio. Debbie herself is learning to ski.

At the meeting of the New York YLRL, Chris, WB2YBA was busy telling Debbie about the trouble she was having with her tower being stuck, and the following day on Sunday, Debbie's husband Les and her daughter appeared at Chris's house with a couple of wrenches and crowbars in hand, and proceeded to get her tower unstuck, and showed her how to use a hand power drill to turn it down. After having gotten the tower down, they still had the problem of reaching the antenna itself, which is about ten feet above the base of the tower. Les solved this by tying a Stepladder to the mast, (and almost giving Chris heartfailure) for fear that he was going to fall off! He was able to find a loose connection which was repaired and replaced, and that put Chris back on the air at least for about a month. Two weeks ago another wind storm apparently loosened up either that same connection or another connection. Chris is now going to have to run the tower down again and recheck the connections. This time, however, Chris has bought herself a 40 foot aluminum extension ladder so that she will be able to reach the antenna in a safer manner. Chris also announces that she has been promoted to the rank of full Colonel in the United States Army Reserve.

Madeline, W2EEO, with her OM Art, W2LH, has been busy touring Oceania. Although we were unable to speak directly with Madeline and her OM, we did speak with Hebe, VK2AOK, who informed us that Madeline had spoken to her on the phone and was planning to get together with her. Hebe's daughter Jane visited Chris, WB2YBA at her home, in New Jersey for three days at the end of March. Jane had a wonderful time visiting New York and seeing all of the sights, and fortunately, thanks to the repairs mentioned, was able to have an hour long conversation with her mother in Sidney, Australia. As a matter of fact it is one of the best connections we have ever made with Australia.

Vi, W2YZX, was unable to attend the meeting in New York because she was attending the 70th birthday celebration of her brother-in-law, and she felt that was a real landmark. Vi and her OM Sam attended the Quarter Century Association luncheon at the Belmont Plaza in March. And Vi states that she was the only girl there. The guest speaker was Bill Leonard of CBS TV, and he remembered doing a radio broadcast with Vi back in 1947. Vi keeps very busy making beautiful scrolls that are presented to such people as Governor Rockefeller, Ed Mc Mahon and other celebrities in the area.

Well, this is about it for the moment. We hope that we will have some more news next time, and I do hope that all the Two-lander girls will please drop me a note now and then and let me know what they are up to so I can include it in this column.

Spring has finally arrived in the Philadelphia area, and along with it Daylight Saving Time. A thought to remember, when in doubt as to which way to set the clocks is to Fall back, Spring forward, hi!

Had a lovely letter from Liz, W3CDQ, who spent two wonderful weeks in Ft. Lauderdale, Florida visiting with Kitty, W4PPQ. As of this writing Liz is on a South Pacific tour with plans of visiting Fiji, Samoa, parts of New Zealand and Australia. Liz hopes she will have enough time to at least have an eyeball QSO with Mavis, VK3KS and Thelma, ZL2JO, as she nears their prospective cities. She operated in the YL-OM contest, and was hostess for the Waylarcs March business meeting.

Betty, W3UXU, is attending classes at a local University studying geophysics, among other things, and enjoys checking into the Waylarcs Wednesday evening net.

Meg, W3UTR, is also attending classes Saturday morning at the University.

Sandra, K3SQX, is busy revamping her antenna system and working her station.

Irene, W3RXJ, is planning to attend the Mid-West YL Convention in May. She took off a few hours from work the other day, to check into the Seven Day Week Enders Net and enjoyed chatting with old friends.

Jane, K3ZDN, phone patches two of her former students, who are now at U.C.L.A. to their parents every Friday evening. She checks into the East Care Net every morning and evening on her way to and from work. Jane also operates mobile on weekends when she visits her summer home on the coast. (Tuckerton N.J.)

Mollie, K3FYS and Edie W3AAU, had a fabulous time on their vacation in Majorca. They brought back a pin featuring a Majorca Pearl to be sent to the Mid-West YL Convention as a door prize donation from the P.J.Y.L. Club. Mollie recently had the misfortune to be involved in an automobile accident. Mollie escaped with minor bruises, however, her car was damaged.

Amy, WA3CAP is so busy working she has not had time to check into the P.J.Y.L. net lately. Keeps in touch with club members via landline.

Aggie, K3WKG, is the proud owner of an Advanced Class license. Congratulations!

Heard from Marion, W3FTP, who still resides in Okinowa, and enjoys living there very much. Not much time for hamming at this time. Marion sent along clippings which will be reprinted in our P.J.Y.L. QRV.

Aggie, WA3INJ, a new member of YLRL, has checked into P.J.Y.L. net regularly the past month. It is a pleasure getting better acquainted with you Aggie. She is a member of Army Mers and checks into their traffic nets regularly.

The P.J.Y.L. Radio Club was invited by the Philmont Mobile Radio Club to attend their March meeting at the Franklin Institute. The highlight of the evening was the presentation of the current program, "Astrology: The age of Aquarius," in the beautiful Fels Planetarium. The Franklin Institute is the home of the Philmont's Club Station W3TKQ. My next deadline for news is Aug. 20, 1971. Tnx sgn for all the news. I hope all of you have a happy and safe summer. I'll be anxiously waiting to hear all about your summer vacation plans.

33, Bert, W3TNP

As you read this, the Floridas will already have had their Annual Meeting, with elections, at the Orlando Hamfest May 22nd and 23rd. ILYG, Alda, has been sponsored by the Floridas as a YLRL Member.

The Georgia Peach YL Net was reactivated March 25th. New Officers elected are President, K4RHU, Jeanie; Vice President W4WHR, Hilda; Secretary, WB4NTW, Nancy; and Treasurer, K4HSC, Meg. Other stations present were K4AOH, Dot; WA4EVD, Carrie; and W4KOH, Ernie. Plans for offering a certificate (again) are being considered. Net meets Thursday at 9 A.M. EST on/or near 7277. YLs in the 4th District are invited to join.

W4AAB, Fran, anticipates a trip to Ohio the last of April with a stop in Gatlinburg, Tenn. on return trip. Fran's mother passed away in Calif. March 8th. Our heartfelt sympathy to you and yours, Fran.

K4AZT, Phyllis, has been taking golf lessons and won the ladies' tournament in Class B. OM Alb, is master of the S.S. Marine Victory.

W4BAV, Cathy, was on the East Coast for a week, has had company, and then the rig was off the air for a few days, so could not even listen to the Florida Net.

WA4BVD, Carrie, has received WAYLARC certificate # 59.

W4EHN, Betty, can defend herself now, having taken a Police Protection course.

WA4EPM, Edna, participated in the ARRL DX contest. As her rig was acting up, she only made six contacts, but did manage to get one new country.

WA4HAX, Ruth, has moved to Orlando, Fla. only 25 miles to Disney World. Their three daughters extended invitations to all their friends to come visit and see Disney World. Ruth figures if only half of them show up, they will have company--not counting relatives, until 1975!

K4HSC, Meg, and OM Gordon; as they watched a storm, saw their boat suddenly picked up and put down in the middle of the lake by a small twister.

K4LMB, Ethel, is the new Editor of Auto Call magazine.

WB4NTW, Nancy, had what she call a "Mini Hamfest" with a visit from Jeanie, K4RHU, and OM Lynn, W4CSP.

WB4NYN, Mickey's daughter and her family will be down to visit for Easter vacation. The grand children will stay with them while her daughter and her OM do some sightseeing.

K4RHL, Ellie, enjoyed a visit from Jane, daughter of VK2AOK. Ellie is planning to go on a Mediterranean cruise on her daughter's yacht in April and hopes to be Maritime Mobile.

K4RHU, Jeannie, is keeping her hand in at building/putting together a complete stereo system; amplifier and pre-amp (solid state), all from scratch.

WA4SBK, Marcia, thinks the most interesting facet of amateur radio is finally meeting some of the people "you have talked too!"

W4TVT, Claire, and OM Jack, W4RHC, are home from their 14,000 mile trip which saw them celebrate their 30th wedding anniversary New Year's Eve in Amarillo, Texas. Jan 7th found them in Las Vegas at the SAROC Convention, then south into old Mexico then to Mardi Gras in New Orleans and over to Florida before returning home.

W4UTO, Mary Anne, is the new certificate custodian for YL CHC Chapter #4, and VP for the 4th District CHC Chapter #79.

Greetings from the beautiful gulf coast region of the 5th District. Spring is here with all the beautiful flowers. I thought for sure this spring I'd have nothing but weeds in my flower gardens, but weather has favored me with cool breezes and although we need rain badly my flowers are real pretty. I'm not fortunate like most of you to have room for a vegetable garden.

W5QWI, Lenola "Peg", ex-W9MLE writes she does very little radio operating lately except for the CW portions of YL-AP and YL-OM. She used to chase DX when in Indiana and even that has lost it's interest. Her arthritis does bother her at times and makes CW difficult. Hope you were able to be in the YL-OM contest Peg.

K5OPT, Ruth and her OM Gene, W5EJT have been very busy planning their 1971 dream vacation. They will be leaving San Antonio the 24th of April for a six weeks stay in Europe.

K5GMI, Ruth was hostess to the WHOOT club for their regular monthly meeting.

K5UKK, Cory and WA5TYH, Daisy had a real nice visit with K5TXQ, Evalyn's QTH early in March. Evalyn has been busy with the Brownies Cub Scouts, and ROTC. Her three children seem to require a lot of her attention. They tried to go camping Easter weekend and found the park at Tyler all filled up. WA5TYH, Daisy has been busy planting a garden and working in about her home.

W5RYX, Lyn has assumed some duties at her church which is keeping her busy these days.

K5LUZ, Mildred had a real nice vacation in the "Big Bend" area.

Before I forget it, TYLRUN has voted to change the rules of their certificate. They used to require contacts with 25 of their members, they only require 10 contact with TLYRUN members now. If you contacted a member years ago this still counts as a good contact if the member was in good standing at that time. Details can be obtained from certificate custodian, K5GBX, Bernelle Johnson.

WA5ZZA, J. Coe writes there will be changes in NCS of the Tuesday YL Novice nets. Joan, WA5WGA will be NCS on 21,150, 1800Z the afternoon net; and WA5ZZA, J. Coe will be NCS on the morning net at 1500Z on 7175. WN5CUR, Sue will be her assistant NCS. Sue is a new YLRL member and her QTH is Los Fresnos, Tx. She has 3 little children, two in grade school and a baby boy about two at home. Join the girls on the Novice nets. I remember when I was a novice how thrilled I was when I could talk to another YL. Remember to go slow so they can read you!

WA5ZZA, J. Coe has passed her General license. She is also a full fledged member of AIR Force Mers. She is not equipped for SSB yet, but has a transmitter on order. Her daughter, Allison was married in January.

WA5ZZC, Hazel is another new YLRL member. Welcome to our group Hazel and hope you have many wonderful hours of hamming.

WA5ZVN, Lassie from Baton Rouge, La. has just received her technician license, do hope you work toward your general ticket Lassie and can join us on the various YL nets.

GAYLARKS set up a communications message center at the American Association of Neurological Surgeons Meeting at one of our local hotels April 18 through 21st. Many messages were handled and a big "THANK YOU" comes from each and every GAYLARK to those who helped by taking our messages and passing them to there destination. Bea, K5JGC will be our hostess planning a big field day again this year. Wish you could join us. Rain, wind, or heat, we'll be out in the pasture with the animals and bugs hollering "CQ Field Day" and trying to rack up a good score for our YL Club. See You on the air during the contest.

Greetings from 6 Land;

The March meeting of the YLRC of LA was held at Hemet, Ca. After our luncheon at Sir Geroge's, we went to the QTH of W6TDL Clara for our dessert and meeting. About 30 attended and we had a good time. We found out the Queen Mary would not be ready for our convention, so we were ask to think of a different time and place. Our April meeting was held at the QTH of Vada, W6CEE in Reseda. The decision of the group was to have our convention in Long Beach, on May 26 thru 29, at Edgewater Hyatt House.

This hotel overlooks the Long Beach Yacht Marina, and the Queen Mary. It is a short drive to Marineland and Disneyland. There is complimentary buses to the Long Beach Airport. There is also buses to the Queen Mary for tours. The May meeting of the YLRC of will be May 15, 1971 at 12:00 Noon. We are changing the date this time because of the Fresno Hamfest conflicts with our meeting.

WB6BBO/W3WRE, Louise, just received the 35 year Veteran Award for Volunteer services from the Pasadena Chapter of the Red Cross. She will be a speaker at the Mid-west YL convention in Cleveland, Ohio next month. She works CW mostly and has a large collection of keys.

K6IHD, Gwen is a busy bee these days, she is helping with phone patches, W6NAZ, Lenore handles from Viet Nam. Together they have passed over 27,000 patches for Army Mars.

W6JCA, Betty will be hostess for the YLRC of LA, for the June meeting. She is a medical secretary at the Long Beach Memorial Hospital.

K6JCL, Jenny and OM Bob, W6DO had a nice vacation in Febr. They went to Spain and Portugal. Jenny had a one day side trip to Tangiers, where she rode a camel and had a trip through the Kasbah! Wow-

WA6LWE, Madge is recovering from surgery she had on April 13th, she is a busy person. She averages 500 messages per month for the past eight years to Viet Nam, via Navy Mars. She is doing well and will be back on the air as soon as possible.

W6PJU, Mildred reports on a new YL group forming, the first meeting was held in March, at the QTH of W6GERF. The group is from North San Diego, Ca. Hope to hear more of this FB group.

W6VDP, Mary had surgery in March and is doing well. She is on the Working girls net every Thursday.

W6BDE/WA6MAO, Ester is back on the air with a vertical antenna on the roof, out of the way of the galloping night steeds that get loose around her QTH. Thanks to K6VGV and WN6LAX, (OM and Harmonic of WA6LIZ).

The Baylarks had their March meeting at the QTH of WA6LIZ, Dorothy. The April meeting will be at the same place with W6BDE being the hostess.

WA6FSC, Darlene will be operating from Tonga as VR5DK at 14.275 MHZ or near by, she was heard working at 0645 GMT. She will be there til May 15, 1971

WB6ZZM-x-KH6AFN, Jeanette is a new member of the Baylarks, has advanced license. She is active on the low bands. She heard a distress call early in March from a geologist from La Harbre, Ca. who was stranded in a ravine in a remote area of Nevada. Luckily his breakdown was mechanical, not electrical so he could call out on his mobile rig. Jeanette called Ira's YL on the landline, who called the Hughes helicopter service in Las Vegas. Then followed a dramatic 4 way QSO, Jeanette, Las Vegas Air control tower, pilot and the stranded geolist. Congratulation's to Jeanette, on this public service.

In the spring with all its splendor and grandeur the OM turns to thought of gardening and fishing, while his YXL plans her house cleaning, and a young man's fancy turn to love. We hope that with winter far behind us, we can plan for the various activities which will be thoroughly enjoyable to all. Life is short at the very best so we should make each and every day count. Let's hope that each and every one will have a grand and glorious summer.

We are indeed sorry to hear that a few of our members are not feeling up to par. Bertha, K7CHA, has a slipped disc which has been bothering her since last October. WA7IRD, Willie, had a growth removed from her back. Carol, K7WUR, has had a disc removed, is in a cast and will be wearing it for 3 months. She expects to return to work in May. Betty, K7UXN, has an infection in both hands. Her trouble has been in the ligaments and has been rather painful. We sincerely hope that these YL's have a speedy recovery.

We extend our sympathy to Beth, W7NJS, who has just recently lost her sister Laura. She passed away March 18. Laura had been in poor health for several years.

We want to welcome WA7OII, Jean to YLRL. Jean and her OM WB4JBS/7 have two Harmonics. Jean is an RN. Does volunteer nursing for the Red Cross. In June her OM, who is in the Army will be sent to Viet Nam and Jean will go to Alabama to live.

We were very happy to hear the melodious voice of W7QYA, Flo on the air again. She has been touring South America for three months. She flew from Miami to Buenos Aires, with stops at Baem, Manaus, Rio and San Paulo, Igaucu Falls in Brazil Asuncion, Paraguay and Buenos Aires. From there they went back North through Santiago, Chile, La Paz, and Mexico. They traveled mostly by rail and bus so they could see the country better. Flo visited Sonia, PY2SO in San Paulo, met her OM, PY2CQ Jose and two daughters. In Santiago, she met CE3QR, Olivia and her wonderful family. In all cases Flo reports it was wonderful to meet these folks, who were so kind and hospitable and through them she really had a better understanding of the people and the countries she visited.

Betty, K7UXN has spent a few days in California, recently visiting with friends through the Southwest, but due to the heat and time element she had to miss many friends. In June she will have as her guests Ake, SM5EAC. Betty is expecting to go to Europe, London first stop, for the English Chapter #8 of the CHC-FHC Convention in July. She was pleased that she was able to twist Mike's arm, W6KHM to go along. They will tour Europe after their jaunt through the British Isles.

On their way home from Desert Hot Springs, Jessie, K7TWQ and her OM Clarence went to Redwood City, Ca. They visited with WB6RFE Lucie and OM Don, WB6NWX. While there they all went sight-seeing and enjoyed it very much.

Bea, W7HHH, visited at the home of Beth, W7NJS in March. Bea is N/C for the Honeybee net which use to be known as the Oregon YL net. It was started about 20 years ago. Bea conducted the net while at Beth's home. She has served most of the 20 years as N/C. Joan, KS6DJ/7, was also a guest at Beth's that afternoon. After the net the three YL's visited and went out to dinner. It was Joan's first meeting with Beth and Bea.

Bettie, K7BED and four members of her family spent three wonderful weeks in the Hawaiian sunshine in March. They divided their time among the four islands. Bettie had a good landline QSO with Dell, KH6TI.

Spring is here at last and after a bout with surgery, I am well on the road to recovery.

Bud and I attended the Dayton Hamvention this week end. We had the opportunity to visit with old friends and met a few new also, we picked up a few lines for the Harmonics.

W8UAU, Retta, joined YLRL at the YLRL booth at the Dayton Hamvention with the help of her Mother, W8UAP. I'll tell her about it when I see her.

W8EIR, Kate, and OM George, W8UGD spent October in Arkansas and Texas. On returning, George became seriously ill and Kate fell and hurt her side. Both were using the aid of a walker for a while. Kate isn't too active on the air at present. She has been knitting for two expected grandchildren that are due this summer. Hope all is well now, Kate.

K8KCD, Elizabeth and OM, K8KBN, Ron celebrated their 25th wedding anniversary April 4th. She hasn't been active on the air lately, but enjoys reading the YL Harmonics.

W8KMT, Edie writes the Buckeye Belles had their annual installation dinner at the San Dar in Bellville, Ohio on March 28. Fifty-two people were served. Our Buckeye Belle President, Shirley Rex, K8MZT, planned a very interesting program. A most interesting, amusing, and enlightening speech was given by W8DUV, Kay. Kay spoke on how to get 40 hours out of a day and believe its hilarious plus practical. After our speaker, business conducted etc., we had the installation of new officers for the year of 1971. K8ITF, Marge worked overtime on favors that were appreciated by everyone--A Buckeye Belle emblem set in a glass paper weight.

WN8CJF, Rhonda just received her second Novice call. The old call was WN8ZBJ. When the Best's lived in Malta, Rhonda had a "ham" friend, WB2DJG, Vince from E. Orange, NJ, for a visit over the spring break at Easter time.

W8IJW, Dot says the "Chix on Six" have spent all their meetings and some extra sessions on workshop getting ready for the Midwest YL Convention and enjoyed every minute of it. In between, some of the members managed a few other things.

W8ABU, Eva and K8TFR, Carolyn found time to pass their advanced test. Congrats! A few of our group spent some time in the sunny south---W8ESZ, Lucy and her OM, W8ETA have been in Madeira Beach all winter; K8TFR, Carolyn and OM, W8ZKH, Bill and Vivian, W8DSJ and her OM, W8DRX, Mark vacationed in the warm climate while K8WHX Vicki moved to Miami Shores. On the other hand, Eva, W8AHU went skiing in Vermont.

The "Chic on Six" assisted the Cuyahoga Amateur Radio Club who provided communication by teletype and 2m FM for the Telethon held by the Variety Club of Cleveland, April 17 & 18. The \$125,000 proceeds went to several handicapped and mental retardation groups in the area.

Lucy, W8BWD bowled a 541 series plus the handicap on the team event at Ohio State Tournament.

W8RZN, Dot stopped off at the Dayton Hamvention on her way home from Florida. She doesn't have much time for Hamming.

K8CXT, Lillian's OM Jim, K8CKJ and their nephew Gene, W8UQI teach the GCARA Code and Theory classes in Cincinnati.

Greetings from Indiana and many tnx to all you gals who took time from busy schedules to write me. It is indeed good to hear from you! Hope many of you were able to make it to the Midwest YL Convention at Cleveland.

Carol, WA9NEJ and OM, K9GHR attended SAROC Convention at Las Vegas. They enjoyed three fun filled days, attended seminars and met many old friends as well as making some wonderful new ones. Carol reports that the Wheaton Community Radio Amateurs held a record setting Hamfest Febr 21. Attendance was over 3000 and YLRL was on display. Good going!

Adah, W9RTH, Frances, WA9AMB and myself represented the HAWKS at the Indiana Radio Club Council this year. Meeting was held at the Blind School in Indianapolis. Next get together will be the annual IRCC picnic-hamfest. This will be Sunday July 11 at La Porte County Fairgrounds. La Porte, Ind.

Jean, WA9BWT keeps busy running phone patches to Viet Nam.

Orma, W9BJH and OM Donk are flying to England in July to attend the CHC Convention. Orma is Net Control of daily CHC Net on 14340. We will be anxious to hear about your trip Orma. Sounds like a glorious vacation trip!

Virginia WA9EYL and OM John recently celebrated their Coral Anniversary. Many friends stopped in to congratulate and share coffee and a piece of Virginia's delicious cake. Now if you want to know just which one is the Coral---you will have to ask her, hi!

At this writing Julia, W9LRT remains in Patrick Henry Hospital at Newport News, Va. following a stroke, Julia would be happy to hear from some of her friends. Our prayers are with you and may you soon be home.

Gloria, W9GHO has fun chasing DX on 10 and 15 Meters. Congratulations on that SSB DX Award.

Adah, W9RTH retired from the Telephone co. April 17. Future plans include time for YL Nets, Hamfests, Eastern Star Activities, picnics, camping trips and Grandchildren! This is retirement? Sounds great gal and live it up.

The next issue will be the Directory and vacation time for many of you. Don't forget to let me know about your summer activities, trips etal. Half the fun is sharing. A most happy and healthy summer to all and "as you slide down the bannister of life, may the slivers be pointed in the right direction". CU in September.

Greetings to all the gals from Zero-land. Spring in Nebraska is the nicest time of the year, after a long cold winter, the warm sunny days are very welcome.

Our Colorado gals are a little late again, but better late than never. WB0BEM, Margaret is a new member of the Longmont Amateur Radio Club, she works 20 & 40 meters. You can yak with her on 7190 at 8:30 (Novice Net) welcome to the club, Margaret. We hope we can welcome her to YLRL soon.

But more important--"it's a BOY" John Wesley. WA0VDO Marian & her OM have a brand new baby born March 18, Congratulations! Margaret has gone to Kansas to be with the family and get acquainted with her new grandson.

WA0SLX, Mary writes the Colorado YLs have changed the Colorado Counties Award, effective Jan 1, 1971. Any and all endorse-

ments are eliminated for mixed mode operation, cost of Certificate will be \$1.00, extra charge of .50¢ for the Special Seal for working all 63 counties. QSL cards must be verified in writing by at least two hams or an Officer of an Amateur Radio club, Custodian: Claire Bourchin, KØYJC.

The merry March meeting will be held at Mary's, WNØYCQ, the April meeting at Elaine, WØHEM. Anyone needing pictures for the Silver Dollar Award, KØBTV will be there with her camera.

KØMAS, Libby has had a wonderful time with Ellie, K4RHL in Ft. Lauderdale, Florida and it was a "ball" operating in Bermuda. She saw a group of 9-land operators last week. Libby has been busy with painters on the inside. They start on the outside the first week in May. Everything is going to have that new look at Libby's.

WNØBJK, Annette has passed the General license test, Congratulations! She has checked into the Novice net with Jay WN5ZZA and Jean, WA5WCA and enjoyed meeting others there. Now Annette has been called back to work and won't be able to meet with them. But is still trying to learn a lot about being a ham as well as a member of YLRL. She enjoys Harmonics. We do hope to meet her on the air sometime.

WAØRZF Elsie and OM Walt celebrated their 7 anniversary February 26, 1971. The OM is not a ham. Elsie has also received her Gold Sticker.

The next issue of Harmonics will be the directory issue. It will be some time before you will be asked to send news. By that time each one of you gals in Zero-land should have lots of news. Please send me a part of that news.

Aloha from Hawaii-

No news to speak of. However I now have a Minibeam in the attic(!) so now can get on 10, 15 and 20 meters. Have only had the beam a short time and the bands haven't been good but will try to get on the YL Open House Net. Not only the bands are bad but so is our unusually rainy spring weather.

L'll be vacationing in Maine in August and September, Have a nice summer every one.

Break up is finally in progress in Alaska!

We still have some snow with spots of ground showing through. Always reminds me of the three yeald old boy playing with his Christmas dump truck. He said, "I'll be glad when the dirt comes"

Jean, KL7BBL, and Doug of Mt Village are in Seattle to order supplies for a busy summer at their remote stores and their fish cannery.

KL7FQQ, Rose, came to Anchorage April 24 for the Alaska Congress of Parent-Teacher's Convention. She had very little free time, so I was happy to get a couple of hours visit with her. Rose has the story that OM, Star, received a \$5.00 Christmas present, with which he put a few dollars and got a snow machine!!!!!!!

Some news of the North country. "Thanks to KL7FNM, Elaine"

WL7HBD, Kathy and her OM have returned to Flat to prepare for another season of placer mining. When they got there the population was just three, only one of them female. Another old widow, will return soon and in May Kathy's mother-in-law will be back from outside. Kathy is studying so she can get her general ticket next winter. No way for her to take test where she is.

KL7FKH, Fanny, and OM George fixed up an old cabin on the Tanana River at Cozna (a deserted village fifty miles below Manely Hot Springs) and have spent the winter there. When their sno-go broke down, my OM Bob, KL7FNL gave George step-by-step instructions for fixing it on the air. We had parts dropped to them by plane. George packed down a strip and a bush pilot picked them up and took them to Fairbanks for Christmas. They are back now and getting ready for prospecting this summer.

I, KL7FNM was Godmother to a baby in Ft. Yukon at Easter and had a nice visit with the family, my first trip there. On my way thru Fairbanks, KL7FJW, Betty rounded up some of the local lassie's for a lunch in town. Met KL7GFU, Trudy's sweet Mom from Austria and saw some of the wedding preparations for Trudy's daughter. June, KL7DEJ and Trudy did a magnificent job on the gown. Betty, KL7FJW, made herself a lovely pink dress, she'll be cutting the cake. Carol, KL7GBG and Flo, KL7DDB were there too.

Flo, KL7DDB and OM Dick had a lovely trip outside and are back at Lake Minchumina.

Jim and I (KL7CSR) got a surplus railroad express truck and made a winter camper. We put a small wood stove and bunks in it. We can hang the bunks up and run the snow machines in. When we get where we are going, we run the machines out and have a 7x12 foot cabin. It is so much more comfortable than sleeping in a tent, when it is zero to thirty below! We are looking forward to a full summer of boating, fishing and hunting. Hope each and everyone has an enjoyable summer. Til next time,

33, *Lyllis KL7CSR*

Greetings to all the YLs from Canada!

Ina, VE5HO had her equipment on emergency standby during the worst flooding in Regina's history. Hope your mother's condition is much improved.

Yours truly, VE4ST, celebrates twenty-five years married on June 8. Celebrations may include a trip out west and hopefully eyeballs with some of our western members.

The CLARA representative to the Canadian ARRL Division and Canadian Amateur Radio Federation meeting in Ottawa was Barbara VE3BFN. Among matters discussed was a united Canadian stand on FCC bandwidth proposals. Barbara plans to vacation in Europe this summer.

Irene, VE3BEI, has returned home following a pleasant stay at the QTH of Audrey, VE7AKT. Among vacation itinerary were 3 enjoyable days on Vancouver Island.

A green thumb is sprouting at the QTH of Mildred, VE3GTI. Now that the snow has melted at her QTH she has discovered a small garden in her backyard, so plans are a foot for a few radishes and some lettuce. One regrettable thing about summer is the loss of the use of the snowmobile.

Cathy, VE3GJH, lost her 20 metre and 40 metre beams in the storms. She assists the OM in putting out the Scarborough Club paper. She is working two mornings a week as an occupational therapist. Daughter Cathi, VE3DCH, is working on her advanced.

Congratulations to Ivy, VE3IV and OM Cliff on becoming Canadian citizens. Almost the entire interior of the house has a fresh coat of paint. Only the right kind of drapes for the ham shack still remain elusive.

Congratulations to Eva, VE3EVA, for being honoured at a recent Scarborough club meeting, for being the first licensed YL ham in Scarborough, and the first YL ham to join the Scarborough Club. She received a standing ovation. Received the enjoyable write-up on Eva and her OM from the local Scarborough news paper.

Antenna problems are plaguing the Evan's residence(Jean, VE3DGG) following a recent ice storm. They lost their 20 metre beam, 2 metre beam and TV aerial. Jean has been readin back issues of TOT Topics and enjoying them all over again.

Jean, VE3BII, should be recovering from surgery by the time this is in print. She will take a well-deserved rest from the CLARA presidency during recovery.

Doris, VE3BBO, also lost her 20 metre aerial in the recent ice storm. It is hanging down from the top of the tower.

Skywide Club of Metro Toronto has undertaken the project of getting 2 YLs and 4 OMs at the Queen Elizabeth Hospital on the air as amateurs. They will all use the same station using the call, VE3QEH. These folks are in wheelchairs, etc. The YLs are Bessie Howse and Dorothy Aldridge and have been on 20 metre phone.

Chris, VE1AKO, reports they will probably remain in Lower Sackville until the end of June and their move to Port Hawksbury. She is now the official custodian of the Sparkette club call VE1YL. She had an eyeball with white caner, Peggy, VE1ZY, who was in Halifax from New Brunswick on CNIB business.

Hope to meet many of you at the Midwest YL Convention in Cleveland, Remember to write by August.

Greetings Gals! How many of you have ever received a Western Union Telegram from a foreign country? I was thrilled beyond words when I received birthday wishes from Maria, YO4UJ via Western Union! It really made my day!

I was also very happy to hear from Alla, UV3GL who is a busy mother of a one year old son. She is also busy studying at Moscow Steel and Alloy Institute and will graduate this summer. Her future profession is electronic engineer (semiconductors) and she will work at one of the Research Institutes. OM is busy building a transceiver, working on a linear and hopes to get a quad antenna up this summer and perhaps by fall--we will be able to contact them.

Nell, G2YL spent a holiday in Gibraltar and also a trip to Morocco. She was delighted to hear Devora, G5AJS being interviewed on the BBC Radio about a QSO she and OM had with King Hussien, G5ATM, who was then in the London Hospital.

Mary, 9M3SPD who is ex-K5SPD is finding out what it is like to be rare DX! She's keeping busy with Bridge, studying Mandarin in complete with calligraphy, sewing classes, pattern drafting and golf. I hope many of you have been able to contact her in 9M-land.

Renata, DJ9SB thanks the WRONE members for adopting her again her health is improving at last, she has gained some weight and has lots more energy. She had quite a time getting in the YL-OM contest. Her OM and friend put a new dipole and the wire broke so they soldered it and finally at 1900 GMT it was ready to go (it was dark at that hour there). She said they couldn't have picked a worse weekend for the contest as there were six other contest on and QRM was terrific. She heard only one YL from ON-land and one from USA during whole contest.

Wonder how many have contacted Darleen, VR5DK? I'm always in the wrong place at the wrong time, hi! Perhaps by this time she has visited HB9YL, DL3TB, DL3TBC and EA8GZ.

Our newest members are ILZMT, Valentina who is President of the Italian YLRC and adopted by WRONE Net. ILMQ, Ada was adopted by W3CDQ Elizabeth and ILYG, Alda, who is Second P.R. of Italian YLRC was adopted by the Floridoras. CR6YY, Maria was adopted by WA8VXE. I hope to have more news and pictures of these YL's in a later issue. Another new member is YS1JSL Jacqueline who was adopted by Irene, WB6KGP. She was born in France and has been living in San Salvador for 16 years. OM's call is YS1JL and son is YS1ML. Her son will be graduating in Sept. from Northrop Institute of Tech. in California as an Engineer. They have two married daughters living in the States. Jackie works part time in the Library of French cultural center and tutors French at home. She is active on the bands around 0200 GMT around 14.275 and 14.320.

The next issue of Harmonics will be the Directory issue--so I will see you all in Sept. Those of you who have a guilty conscience about not sending me any news--grab up those pens, so we can bring everyone up to date on happenings at your QTH. I send best wishes for a healthy, happy summer.
