YL HARMONICS: Editor.....Carrie C. Lynch, WA4BVD

YL HARMONICS is published by and for the members of the Young Ladies' Radio League, Inc. YLRL is a non-profit, fraternal organization comprised of women amateur radio operators, incorporated as such under the laws of the State of California. Dues are \$3.00 per year, due and payable March 1, and delinquent March 31. For new and reinstating members joining after August 31, the dues may be pro-rated by half the annual dues for that fiscal year (currently \$1.50). Dues for adopted members are \$3.50, and may not be pro-rated for portions of years. Dues for "family member" are \$1.25; and subscriptions by non-members are \$3.00 per year, and may not be pro-rated for portions of years.

# PRESIDENT'S MESSAGE

The nominating committee has come up with a fine slate of officers to run YLRL in 1974. A separate ballot is provided hoping that this will encourage more ballots to be cast. Please exercise your privilege to vote and send your ballot today to Secretary Myrtle, WA6ISY.

At the April 2nd Board of Directors' meeting, it was voted unanimously to establish a high-scoring certificate for Novices who participate in YLRL's contests--second and third place certificates issued where participation warrants.

It was also voted at the April 17th Board of Directors' meeting to purchase an addressing machine for the Editor of YL HARMONICS. Funds for this purchase are to be used from YLRL's savings account.

YLRL's Convention Kit finally reached me on April 19th after being shipped from Nevada on March 1st. Rather than ship it to the next president, and run the risk of more damage in transit, I will keep it here until our next convention in .976. Don't forget that we have a Mini-Kit which is light in weight and easily mailable. This kit is for promoting YLRL at conventions and hamfests that attract mostly local amateurs. This is in the keeping of the Property Custodian, Londa-WA2CRW.

33, *Carrie*

Carrie C. Lynch, WA4BVD  
YLRL President - 1973

## ATTENTION

There has been much interest from YLs and YL Clubs wishing to adopt a DX YL into membership with YLRL, but are not quite sure how to go about it. To adopt a YL, write to our International Membership Correspondent (Gretna, WA2WHE) for information.

Also, there seems to be some misunderstanding about the dues. Dues for DX members and adoptees are \$3.50 per year (March 1st to March 1st) and may not be prorated for half years as are the stateside YL dues. In making payment, please make your check payable to the Young Ladies' Radio League, Inc. and send directly to Gretna.

RESULTS OF BOARD OF DIRECTORS' MEETING - December 10, 1972

Increase President's travel allowance from 4¢ per mile to 6¢ per mile total round trip (calculated from Rand McNally) at time of YLRL Convention. Retroactive to January 1, 1972.

YES 17 NO 0

Should ARTICLE IX - Voting, Sec. 2. of YLRL Constitution & By-Laws as amended October 1969, be changed in such a manner that the number of votes a candidate receives at election not be published in HARMONICS.

YES 7 NO 10

That all material and articles submitted to the Editor of HARMONICS and used in its publication, shall become the property of YLRL.

YES 16 NO 1

Discontinue the YLRL Printer's Cut until such a time a more realistic price can be obtained.

YES 17 NO 0

Mae R. Hipp, K7QGO  
YLRL President - 1972

RESULTS OF BOARD OF DIRECTORS' MEETING - January 15, 1973

Ballot Auditors for 1973 shall be Marie, W6JEP, and Jessie, WA6OET.

YES 17 NO 0

Replace the wording (when the next printing of YLRL Constitution, By-Laws, and Procedure Policy is required) of PROCEDURE POLICY, Sec. 5A to conform with the new system that has been established between the Secretary and the Receiving Treasurer.

YES 18 NO 0

Should a proposal be placed on the ballot for the membership to vote on as to whether or not they want the actual figures of all candidates to be published in YL HARMONICS.

YES 16 NO 1

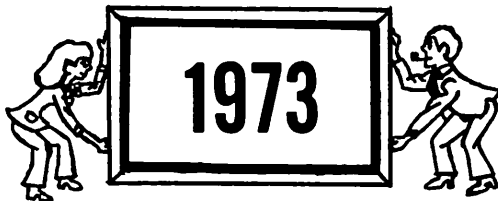

Shall the dates and rules for the new DX-YL to STATESIDE YL contest stand as submitted.

YES 16 NO 1

Checking the YL-OM logs, establishing a system of operation, tabulating results, handling publicity and obtaining and awarding trophies and certificates for this contest has been my "baptism of fire" as Vice President of YLRL. It was a challenge and I enjoyed it. In the 188 logs that I checked there were more than 12,500 contacts and the response seems bigger and better each year. It is truly a grand affair and gives all of our YLs an opportunity to greet old friends and make new ones. The excellent representation of DX participants augurs well for our new DX-YL to Stateside YL contest which makes its debut this coming January. It is also fine to have our novices join in the fun and to know that we have more good YL operators developing and taking part. Ohio's Buckeye Belle President, Mary K8ONV, did not qualify as one of the top contestants in either section but if there were a combined - score trophy, she would have placed first. Congratulations to all the winners. Trophies and certificates will follow in due course. And thanks to all of you who entered and helped to make this event a great success. Hope you continue to be active in all of YLRL's future activities.

33 - Eila WA8EBS  
Vice Pres. of YLRL

**EDITOR'S NOTE:**

At the deadline for getting Harmonics to the printer (May 5th), we still did not have candidates for the first and third district chairmen. I plan to print the ballot separately and, hopefully, we will have candidates in time to include them on the ballot, which is enclosed as a supplement to this issue of YLH.

INTRODUCING SOME NEW MEMBERS-----by WA2FGS

Application blanks have been forwarded to all YLs who participated in the recent YL/OM contest who are not already members and we look forward to hearing from several of these gals.

KLTVT-Jean is reinstated after being absent about 5 years. Welcome back Jean from Mechanic Falls, Maine.

WB2BHS-Reberta is from Pine Bush, N. Y. She holds a general class and uses her Swan Cygnet mobile. A former teacher of El. Ed. The OM is A1-WA2UKR. Goes by "Bobbie."

K3BHU-Catherine (Katie) is from Pine Grove, Pa. She holds a general ticket and is Sec'y at CATV. The OM is Ted-W3DGX.

WA3QLU-Annemarie is from Chalfont, Pa. She holds a tech. class and her OM is A1-W3DYQ.

WA6DDB-Carol is from Woodland, Calif. She is an associate student in Biomedical Research and formerly operated in Bangor, Wales during 71-72 under GW5AXH. Her father is W4CXG and brother in law is WB4TYO.

WA6IPI-Betty is from Pleasant Hill, Calif. She holds a general ticket. Ham radio saves phone bills--OM is Capt. U.S. CG (Retired) and son is WB4JMW/5. Two elder sons in Army and 3rd son is Navy veteran.

WN7TLL-Marion is from Seattle, Wash. OM is WN7TSO and both are working on general ticket. Good luck. Son is WA7TLK.

WN9KHN-Lucile is from Chicago, Ill. OM is WN9KHO. They both attend radio classes studying for their general. Good luck to you both.

WN9LEB-Carol is from Bloomingdale, Ill. OM is WB9HIP and she is studying for her general. We wish you all the luck on your exam.

KL7HMG-Kandy is from Cape Pole, Alaska. She holds a conditional and the OM is KL7GOG. Both are active on Civil Defense net--Fridays.

INTERNATIONAL MEMBERSHIP CORRESPONDENT  
P. O. Box 426

Membership dues have been coming in quite well. Just a reminder, if you haven't sent in the dues for your adoptee, please do.

A new member is Diane, VQ9DC, from Mahe, Seychelles Islands. She is an adoptee of Darleen, HC2YL. Licensed a year ago, her interest in radio goes back to her Service days with the WRENS (Women's Royal Naval Service) in which she served as Communications Signaller. Later she took shifts with her OM on a Security Net. Her OM is VQ9MI. Diane is the only licensed YL in VQ9 land. They have lived there about a year after 16 years of farming in Kenya. The island is only 18 x 4 miles but very beautiful. They live on the seashore, but are surrounded by huge trees.

From VK3YL, a note telling of the dry period they have been going through but that at last it has broken and the golf courses and gardens are looking well. During the month of February they had several heat waves over 100°F! 14 mcs has been very poor so her hamming has been limited.

It seems so strange to read that Iris, ZS2AA and her OM are leaving May 1st to spend the winter months at Kidds Beach! Iris is again Coordinator of the Queenstown Agricultural Fair. She says they may live in the Bundu but they do make their own fun, and explains that Bundu is a South African expression meaning edge of beyond and pronounced Boondo. I wonder if that is where our expression "live in the boondocks" comes from?

From Christa, DJ1TE, a letter that she is QRV on all bands with her Galaxy GT550 and 5 element beam. She has lots of QSOs with US OMs but can't find YLs. She would like to know of nets on 20 or 15 to meet YLs on, so would some of you net managers drop her a note, please. Christa was very anxious for the YL meeting in April where she would meet Ursula, DL3LS, for the first time.

Helena, YV5CKR, sends us this picture of her second CUP with the proud owner holding it! Also two of her paintings are in the background. What beauties and it is great to have such a talented and versatile gal in YLRL. We're proud of you, Helena.

G8LY, Constance, asks me to pass on her thanks to YLRL for the YLAP contest certificates and also her 15 year Continuous Membership Certificate. She congratulates every-

one elected to office this year and sends many thanks to those who produce the "much appreciated by this DXYL" Harmonics.

We are moving this week. What an uproar! Please notice that my address will be just P.O. Box 426, Elizabethtown, New York 12932.

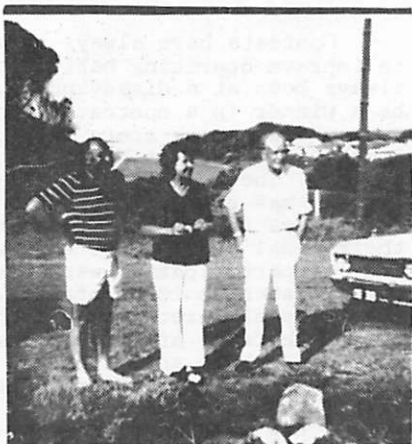

33,

# NOVICE NEWS

Helen Morse, WNØGQL  
NOVICE CORRESPONDENT  
933 Orville  
Kansas City, Kansas 66101

Contests have always provided much fun and a fine way to improve operating habits, but the Novice YL operator has always been at a disadvantage, for she could never hope to be a winner in a contest. The General-plus crew could run-up a whopping score with the help of their many privileges, and the poor Novice YL had no chance to be the top scorer. The good news this month is that our President, Carrie, has proposed our YLRL offer separate certificates to Novices that participate in YLRL sponsored contests. If their final score shows they were a leader in their section, and, if participation warrants, second and third place certificates would be offered. A ballot was provided to all the Board of Directors, and the majority vote has been received in favor of this proposal. Now we have the incentive to win, so keep an eye on the Contest Calender, and have at it. Many thanks to Carrie for her idea.

A big welcome to Sharon, WN8OPP, from Fairborn, Ohio, and to Jessie, also from the Buckeye State, who will be tackling that Novice test soon. Good luck to Jessie and to all the "old-timers" that will be up-grading. Sharon should be very active on the YL net (YLN) before long. Hope all of you give this slow-speed CW net a visit, and get to meet some of us. We handle a lot of formal traffic, but being a traffic hound is no prerequisite to check-in. Come meet us Thursday mornings at 1400 GMT on 7123 KHZ.

At the time of this writing, I am making plans to attend the Dayton Hamvention, so hope to see many of you there, and possibly churn-up some more material for this column. Also looking forward to meeting many old acquaintances for a good eyeball QSO. CU there.

## Medical Amateur Radio Council, Ltd.

The Medical Amateur Radio Council will hold its Seventh Annual Meeting at the Hotel Plaza in New York City on June 28th, 1973 in conjunction with the Annual Meeting of the American Medical Association. Speakers and reports from many parts of the world will be featured in the scientific program.

Christine E. Haycock, M.D., WB2YBA, will speak on "Women's Role in Amateur Radio." Dr. Haycock, who is Assistant Professor of Surgery at the College of Medicine and Dentistry in New Jersey, has been an amateur radio operator for many years, and takes an active leadership role in the Young Ladies Radio League. Dr. Haycock's talk will be illustrated.

# DISTRICT NEWS

One - Land

Marge, WA1KMP, District Chairman

Think Spring is here but really don't know. April 7, we had a snow storm which lasted all day. Week before K1QFD--Phyllis and WA1AJN-Betty were excited about all the crocus in bloom. Guess they come out early regardless of temperature. In Conn. the forsythia is turning yellow and notice daffodils are out in spite of snow.

Will have to report on WRONE luncheon in next issue as deadline for this issue happens to come before the big event. WRONE gals have a secret pal game in which they exchange cards and gifts. At end of year they reveal the names at spring luncheon. Keeps one in suspense for whole year trying to figure out who that person is sending beautiful cards and gifts--a real fun game. Lots of credit go to Onie-WIZEN for organizing it.

K1BJZ-Carolyn reports the Yankee Lassie Net is doing quite well. The girls are real great as far as taking net control and sometimes the net is run round table style. This net is run on Wednesday morning at 8:30 on 3.910 MHZ. An attempt will be made to organize a CW Net for novices if enough interest is shown. Sorry Carolyn, but received this news too late for last issue. Carolyn is also Army MARS.

Received a note from W2QHH-Howie. He checks into WRONE Net quite often and reported he has 2,000 confirmed YLCC now. That is a lot of gals. Congratulations.

K1VEB-Edna is a stamp collector including first day covers. WA1GQZ-Bonnie is also a stamp collector. WA1KMP will be glad to help out with needed stamps or covers. Have some duplicates.

WA1LZR-Helen lives in Franklin County, Maine. That is a very rare county for County Hunters. She and Peggy-K1GSF have a sked together every Thursday.

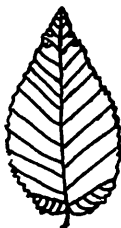

ARRL Convention for New England Division will take place at Hyannis, Mass. Sept. 29 and 30, 1973. No other news has been released yet.

W1YPH-Leona is feeling much better and reports she isn't doing much of anything but relaxing. Her OM Kay is just great taking over her job. She said lots of family activities this spring with graduations and wedding. Really hope she will be up to all this activity.

WA1KMP checked into WRONE Net for first time last month and really discovered that the mike doesn't bite. Was very nervous but the girls were all understanding and made things easier. Ever try checking in on USB when net is on LSB? Donald Duck, Marge. HI.

Marge-WA1KJE on an eight day trip in Ireland visiting with relatives. Using a self drive Fiat car, Says, what an experience driving on left side of road. she spent two days with relatives. Now touring around the Cliffs of Moher, near Lahinch Co. Clare.

With Spring and summer coming up, please keep me posted on activities for next issue which will be Sept. Have a nice summer and CU again in Sept.

It's always a real pleasure to have Spring arrive and always, somehow, surprising to find how many really nice Spring chores are to be done that one forgets about each year. Anyway, hope all you gals are enjoying the Spring weather.

Rose Ellen, WA2FGS, reports no snow for the new ski slope in her area and I'm not sure whether she was complaining or not, hi. She's completing her 2nd year as secretary of Amateur Radio News Service. She also had seven students of the organ, teaching evenings after working in the office all day!

Trudy, K2UXW, had a busy time in Feb. when her son Roy was married to Rosa Elena in a church wedding with a reception following in Secaucus. All went as planned and nine hams also attended, including Rose Ellen, WA2FGS, and Om, W2CDZ. Trudy designed and made her own gown to wear of lavender shades with gold trimming and accessories. Her son Cliff was one of the ushers.

Phyllis, W2GLB, and her OM attended the hamfest at Johnson City in April and had a great time. They met many MARS members and even some from Conn. The hamfest was held at St. John's Ukrainian Hall and Phyllis says the ladies put on a fabulous meal featuring Ukrainian dishes--delicious. She also is looking forward to attending the Rochester hamfest next month. Speaking of Spring, she is taking golf lessons now too.

Lin, WB2HCL, has been working hard helping get the 1973 Hamburg International Hamfest organized for Sept. 15 at the Erie County Fairgrounds in Hamburg, N.Y. They hope to set up formal or informal meetings of YLs at that event. Space will be available, motel reservations can be arranged, the trailer sites are excellent and there are picnic facilities. Sounds real interesting Lin. How about it gals--let's all think about meeting out there in September.

Clara, W2RUF, will be putting on a CW contest at the H.I.H., also.

Ruth, W2OWL, finally sold her HT37 and now hopes she can get new two meter FM equipment and be back on the air soon.

Bea, WA2RST, teaches at Junior High School #185 in Queens, N. Y. and in addition to her regular teaching duties, she is conducting a girls class on amateur radio. The school has an Amateur Radio Club and Bea is expecting that she will soon have a group of new YL novices. She passed her license examination and now has her general license as of March 30th. F.B., Bea.

Helena, WA2LKC, just received her ARRL Code Proficiency Certificate for 25 words per minute. She is also playing with her new two meter FM transceiver.

Madaline, W2EEO, and her OM, W2LH, are returning to Israel in June since Art, W2LH, was asked to give his Antenna Lecture at the International Symposium of Amateur Operators to be held there.

Patti, WA2BRI, and her OM Fred, WA2RIM, recently won a beautiful trophy for coming in third as a YL OM team in the 1972 YL-ISSB QSO Party. Patti is now editor of the New Providence Amateur Radio Club Newspaper and they are both in Army

## MARS.

Chris, WB2YBA, is now in the process of studying for her amateur extra class license having at long last completed a six year Army Command and General Staff School course. She is also acquiring an RP synthesizer and a matching rig so she can stop buying crystals and be able to get on all frequencies as the repeaters keep changing them. Again, Chris, many thanks for supplying me the news of the N.Y. area gals.

V1, W2JZX, attended the Quarter Century Wireless Asso. Luncheon on March 27th and recently made up certificates for George Plimpton and Howard Cosell and is doing the 1973 certificates for the YLRL.

Jan, WB2JCE, has new address--Box 406, Star Lake, N. Y. 13690 and in spite of move and all reports having a good dipole up for 40 meters and spends a lot of time on ECARS. Jane, WB2JDM, came up from Bath to help her in spite of eight inches of snow that day! Jan and Sandy, WA2CUZ, plan to set up the ECARS booth at the Rochester hamfest. Very best of luck, Jan.

Edna, WA3NGV, District Chairman

Spring is truly with us again and it is beautiful as always. Easter was late and lovely this year. Now we will all look forward to a happy summer.

Your chairman received some third district news from D. C. and Maryland - courtesy of Liz, W3CDQ. She spent a week in Fort Lauderdale in February and met Kitty, W4PPQ, with whom she has a sked on Tuesdays at 4 p.m. on 14,050 KC. She also had a week in St. Thomas, Virgin Islands; while there she met KV4AA, Dick Spencely, and his charming XYL. Dick had arranged a sked with Kitty which took place when Liz visited him - on phone (the first time for Liz HI) and CW.

DJ1TE, Christa, WAYLARC adoptee is on phone these days looking for YLRL members. She is on the 14 and 21 MC SSB. She is hoping to visit the U. S. next year.

Michele, F5VV, another WAYLARC adoptee is on 14 MC CW and looking for YLRL members, too.

Ada, I1MQ, adoptee of W3CDQ, is also looking for YLRL members on CW; she had a good signal and can be found around 14,050 - 14,070 KC. Her OM, I3MM, is also on CW and is an O. T.

WAYLARC officers for 1973 are: President - Meg Cauffield, W3UTE; Vice President - Irene Akers, W3EXJ; Secretary - Sandy Rutiser, K3SQX; and Treasurer - Maxine Harris, WA4UWK.

A very nice letter was received from Norma, WA3KKT, from Corry, Pa. Norma has had Extra ticket and she is recording secretary and Station Trustee of W3YXE, Corry Radio Club, Treasurer of Erie Presque Isle Radio Club and code instructor of EPIRC, WA3QDT. She won the 1972 CW Receiving championship at Syracuse, N. Y. The contest was conducted by W2BWF of Buffalo, N. Y. and started at 25 wpm. Norma received a beautiful plaque and it was well deserved. She is presently serving on the Erie Hamfest Committee - the hamfest will be held May 5th. In addition to all these activities, she

builds Heathkits for herself and others and handles novice exams for both clubs. She is a member of the Western Pa. CD Net SSB Sunday mornings. Congratulations, Norma, you are doing so many worthwhile things.

There is one other YL in Corry - WA3PSH, Sherri, who is 14 years old. She can send 35 wpm and is on 80 meters daily. You are to be congratulated, Sherri.

It was mentioned in a previous column that Louise, W3WRE had returned to the East to live in Glenolden, Pa. She is so glad that she was able to keep her W3 call as a second station. She has had this call for twenty years and is most proud of it. Louise is YL editor of QST. Now that she is settled here at last she is on the air and as always, on CW. Louise states that in her book, CW is the only way to fly-HI! She has her key collection all set up. It is the largest one in the world - 191 at present and more coming. Louise's antique brass collection takes the form of telegraph keys. This is great, Louise, and you are to be congratulated for such a wonderful collection.

The Penn Jersey YL Club met at the home of K3YPH, Dottie in March and at WA3RKZ's, Lea, in April. Both meetings were most enjoyable. We are invited to meet with Pack Rats in May. A June picnic is planned at Shirley's, W3VNN.

Bert, W3TNP, received her 15-year continuous membership certificate from YLRL. She participated in the phone portion of the YL-OM contest and tries to check into the PJYL nets as often as possible. Bert has a brand new microphone - a surprise birthday present from her OM. You are lucky, Bert.

Jane, K3ZDN, had a visit from our overseas honorary member, Maurice, HB9AHO. He lives in Zurich, Switzerland and was here for a visit with relatives and found time to visit Jane with whom he has regular skeds. Edie, W3AAU, and Mollie, K3FYS, went to Jane's and had the pleasure of seeing him personally,

PJYL has a new associate member, Bonnie, WB2ALQ. We are happy that she has been able to join us. She has changed her QTH several times, but it is now Edgewater Park, N. J. She is interested in 2M FM and is hoping to branch out soon. Her OM is Frank, K2SQS.

Carolyn, W3GTC, states that the 27th Powder Puff Derby has all stops arranged. The take-off date is July 13th. Carolyn handles the communications through YL operators along the route. The race starts in Carlsbad, California, with stops in Prescott, Arizona; Albuquerque, N.M.; Liberal, Kansas; Topeka, Kansas; Waterloo, Iowa; Champaign, Ill.; Flint, Michigan; Niagara Falls, N.Y.; and ends in Elmira, N.Y. on July 16th.

Dottie, K3YPH, took a trip to Florida in a military plane and toured the U.S. Naval Air Station in Jacksonville. She got to see the repair of the U.S.S. Saratoga which had recently returned from Vietnam.

PJYL extends sympathy to Mollie, K3FYS, on the death of her mother, and to Edie, W3AAU, and Shirley, W3VNN, on the death of their father.

Thank you for all the news received. Have a good summer.

33, Edna, WA3NGV

Greetings from fourth district and the Hostess City, Savannah, Georgia.

Congratulations are in order for Jo, WB4NKO, who has passed her Advanced. Jo has been checking into the Georgia Peach Net regularly and it is so nice to have her back.

Sally, WB4NDX, is awaiting the completion of her new home, where she has installed a mail box so that she is kept busy collecting mail from the new QTH altho she will not move for a month or so. We have missed her on the Ga. Peaches during her absence, caused by numerous rig problems.

Cathy, W4BAV, didn't let bad weather keep her away from the Floridoras' eighteenth anniversary luncheon in Tampa. She reports 21 Floridoras and 14 OMs attended. Their next meeting is scheduled for September at the Melbourne Hamfest. Congratulations on your appointment as Publicity Chairman for the Floridoras, Cathy.

Betty, W4EHN, informs us that she has been enjoying ballroom dancing. Congratulations, Betty, upon your election to the Presidency of Floridoras; we think they chose wisely.

K4HSC, Meg, is to be congratulated upon her election to the Vice Presidency of Floridoras, as well as her appointment as Net Manager. Good show, Mer!

WA4BVD, Carrie, and Edna, WA4EPM, had a visit with WB4NTW and her Mother on March 24 and a good time was had by all.

Welma, K4RYJ, participated in an Arts and Crafts Show sponsored by the Woman's Club to which she belongs. Her entries were a black knitted pants suit and a white strand of pearls, which she had crocheted. Blue ribbons at the local and district levels and certificates at the state level were her rewards for her labors.

Jean, WA7OII/4, recently rented a camper for a weekend trip to see how the family would enjoy camping. The trip was such a success that they plan a camping vacation in the Smokies this summer.

Dot, K4AOH, and her OM, Don, were the guests of Hilda, W4HWR, and her OM, Joe, in celebration of Dot's birthday. We understand that they had a wonderful time.

While visiting family, Jeannie, K4RHU, and her OM, Lynn, attended the Columbus Hamfest.

A big thank you to those who submitted news for this column. The deadline for news for the next one is September first. Have a nice summer and report your good times for our next column. We would like to hear from you.

33, Nancy, WB4NTW

It's nice to have news of friends we know, but indeed delightful to hear from YLs who haven't checked in since I have been writing 5th district news.

Gloria, WA5PQX (Shawnee, OK), and WB5INS (Sulpher, OK), is excited about getting WAC/YL (CW). Gloria's "additional station" at Sulpher is located at Lake Arbuckle. Someone gave her a 1944 Hallcrafters SX28 rcvr and a 1947 Collins

32V-1 xmtr. Sounds like she will have something interesting to work with.

Via Beth, W7NJS, we have news of Exa, WA5SVH. Wait! Before you ask, let me tell you. She was named after a friend of her mother's. Exa admits that the unusual spelling of her name does cause some comment, especially on CW. For certain, hams can remember after a first contact with Exa. She and her OM, both retired, live in Silsbee, Texas and spend some of their time raking pine needles and working in the yard. They have a HW 101 to a SB 200 with a CL 33 up 60 feet on a homebrew tower. She hopes to be on 40 and 75 soon. Exa and her OM are looking forward to a Mexican caravan trip in September.

The Houston area girls have already been planning for the YLRL convention. Mark your 1976 calendar to come join us. In addition to getting things rolling for the convention, Annie, K5JKV, and her OM hosted a family reunion of Annie's family at the Smith country home near Horwood, TX, known to most local hams as "Gopher Hill." There were about 30 attending from as far away as Columbus, Ohio. Sue, WA5FVH, and OM have a new car. Sue's birthday was April 27 and her present was a camping trip. Marth, WA5WKE, and OM also have new wheels. Guess who has been taking care of six babies?

K5MIZ, Alverta, has her hands full of Siamese kittens! She has decided the best part of April is the passage of the income tax deadline! Jeanette, WA5VGJ, is busy as church organist. The church is in a new building with a computerized organ which has a card reader. She has weddings every weekend this spring! Mary Jo, K5DJS, really enjoyed the national math teachers convention which was held in Houston this spring. She learned how to program a computer and said she had more fun feeding in the information. Would you believe it is Betty, W5ERH, who is going to be a grandmother. Due to the illness of Betty's mother she closed her flower shop, but catering wedding receptions keep her busy. She is also going back into real estate! Now what we want to know is who is going to have time to rock any grandbaby? Deanna, WA5KRI, and Lillian, WA5WZF, did not make it to the March GAYLARK meeting. On the way to the meeting Deanna's car went into a ditch and was wrecked. Lillian sustained a broken leg. Thankfully, Deanna was wearing her seat belt and only got a broken nose. Lillian is home now and able to be up some with a walker. Audrey, K5PFF, has a track star in the family. Her son David continues to set records at the high school meets where he competes.

Ann, WA5GLM, is playing nurse, but not to her family this time. Her horse had the flu and Ann had to give daily injections of penicillin and cortisone. She also had to give the other horses flu shots to prevent their catching it. We must admit, Ann is getting lots of mileage out of her nurses training!

33, Deanna, WA5KRI

**CONGRATULATIONS:** The following YLs have up-graded their licenses to Technician class: WN6EJP, WN7OXZ, and WN8LAI. WN9GWP is now WB9GWP (don't know what class). WA0MYF has achieved Advanced.

It looks like spring is arriving in Santa Rosa. Things are beginning to dry out after all the winter rains, and it's gardening time again.

A card from Lenore, W6NAZ, says she is now patching servicemen in Thailand for Army MARS after Vietnam closed down. Also, recording celebrities for American Heart association radio campaign.

WB6BAC, Bobbie is very busy. Beside being very active on nets and especially WESCAR, she and OM are planning a retirement home in Oregon. She holds skeds with her son WB6SQI, who is in the Airforce and daughter-in-law WA6ZLF. She keeps in touch with another son, and daughter plus 8 grandchildren.

K6RLR, Jane writes she finds little time to be on the air. She pilots their plane, does the thousand and one odd jobs necessary at the family law office, and takes care of their acre of ground. She and OM are going to find time for a trip to Hawaii around the first of May.

WA6IPI, Betty, a new ham and new member of YLRL hopes to be more active. She likes CW, but checks into traffic nets, holds skeds with her son WB5JAS, is a volunteer service worker with the Red Cross, plus helping other hams study for their licenses. She says in spite of having had expert help around her she would find her own private spot to study for both her novice and general class licenses. She built her own novice rig and the SSB rig she is using now.

K6ELO, Roxie has joined the BAYLARCs, OM John is W6KW and is Southwestern Division Director.

At the April meeting of YLRC of Los Angeles, Jessie, WA6OET, gave a report on her trip to the South Pacific and New Zealand where she had a nice eye-ball with Thelma, ZL2JO. Thelma is an adoptee of the YLRC of Los Angeles.

WB6ERF, Nell just returned home from a trip to Santa Cruz. She was mobile so made arrangement with hams along the way to stop and have eye-ball QSOs.

W6KHM, Mike writes she and her daughter-in-law had car trouble on their way to Mich. After two break downs they finally bought another car to finish the trip. She says it took them 8½ days. Mike, we hope you find an easier way home.

K6DLL, Marsha reported on net the other evening she had a phone call from Darleen, HC2YL. Darleen and OM was in the states for the Calif. DX Convention and then spent some time visiting hams, friends and family before returning to Ecuador.

By the time you receive this Harmonics everyone will be thinking about summer vacations, picnics and hamfests. My next news will be in Sept. Everyone have a nice summer and get your news to me by Aug. 15. Don't forget to send in your YLRL dues before going on that vacation.

33, Beulah, W6NLM

Spring has Sprung Gals! Back to the lawn mower, planting flower beds, pulling weeds, spring house cleaning, and finding those muscles you didn't remember you owned.

We gals in 7-land, and I know all members of YLRL want to give a special thanks to our President Carrie, WA4BVD, for the cover work and the beautiful and interesting drawings decorating our YL Harmonics. We all appreciate your fine artistic ability, Carrie.

We also want to commend Gerry, K7YDO, for the many months she spent on Navy MARS and also on 20 meters working through skeds with Hospital ships, then with Viet Nam MARS stations furnishing phone patches at this end. A job very well done, Gerry.

Orissa, K7KHU, is on the air with a brand new rig and reports she intends to attend a few hamfests this year.

Jill, WA7KSD, sold her home in Tacoma, Wash. and she and her three children are going to Korea with her husband Paul, WA7ESD, and will be gone for two years.

Claude, K9HRC/7, OM of Hazel, K9QGR/7, will have eye surgery on May second. Hazel also has a new grandson born April 1 of this year.

Nancy, WA7TWG, and her OM John have gone east to attend the wedding of Nancy's daughter.

Bee, W7HHH, has closed their Bike Shop after 44 years of being in business. She reports she is now going to do some traveling and spend more time with her "Ham" radio hobby.

Helen, W7UJV, is very enthusiastic about the new YL she met on 15 meters. The YL is Yoko, JH3PYE, and Helen is adopting her for YLRL. Yoko's OM is an actor on TV and on the stage. Helen and Yoko have a sked on Sundays at 0200 GMT on 21,386 and she invites others to join them.

At this QTH, my daughter Jean and her four children spent a week visiting me and things really buzzed around here for that week.

Thanks once again gals for the news notes and keep those letters coming. Hope you all had a very happy and blessed Easter.

The Buckeye Belles held their Annual Meeting Sunday, April 8th, at the Christopher Inn in Columbus, Ohio. Officers installed were: President--Mary Ryden, K8ONV Milan, Ohio Vice President--Lucy Benner, WA8BWD Mason, Ohio Secretary--Jean Blakeslee, WB8PIC Delaware, Ohio Treasurer--Elaine Simon, WA8QFL N.Royalton, Ohio Certificate Custodian--Marge Parinet, K8ITF Dayton, Ohio. Memorial Station W8MBI Custodian--Edie Best, WA8-KMT Cambridge, Ohio. Installation Officer--Thelma Zwayer, K8TVS Toledo, Ohio.

The Michigan YL club, the Tasylys, held an election recently, also, with the following results: President, Marion

Van Til, WA80CD; Vice President, Rosemary Davidson, WA8VXE; Secretary, Bev Stoner, KBZJU; Treasurer, Nona Schneider, WA8CXF; Tattler Publisher, Ruth Wardell, WA8YPY; Tattler Editor, Bobby Lemon, WA8ARJ. We had a get-together at the Muskegon Hamvention March 24th, with lots of gab and even a little business done! We were very pleased to have Eila, WA8EBS, and her OM attending and enjoyed getting reacquainted.

All YLs are invited to a Get-together April 28th, 10 to 11 a.m., at the Dayton Hamvention. Further details available at the YLRL booth.

Dottie, W8ETT's OM Mac, W8ETO, wrote a very newsy letter while waiting for her to finish shopping. He has retired from his job temporarily but Dot is still manager of the tape and record department of a music store in Wooster. With their new 27 foot Airstream, they are going on vacation in May, visiting friends and relatives from Illinois to Arizona and seeing all the sights. They will also set up their trailer with all the others on the "Blacktop Jungle" at Dayton.

Kate, W8EIR, and her OM have returned from a trip to Arizona and were glad to see sunshine as it had rained much of the time they were out West. She enjoyed visiting with Katherine in Superior and Fran in Tucson after talking with them many times on the air.

Another traveler just returned home is Jeanette, K8PYN. She enjoyed all of the Hawaiian Islands via air and bus, with a circle bus tour of Oahu, attending the Don Ho Show and luau, and a day of island hopping. From her lengthy article in the TASYL Tattler, she can't wait to go back later this year, hopefully with the OM this time.

From Edie, WA8KMT: "This is my first day back in the office since Marla (my 16 year old daughter) and I had surgery on our ears. A stapledectomy is a little more uncomfortable than they led us to believe and puts one out of commission for about 10 days. In mid July an audiograph will show how successful the surgery was. The doctor expects I will show more improvement than Marla, due to differences in structure of our ears. This has taught me one thing--students who cannot count the dits in code might need a hearing test, as I never could count dits, only the dahs in numbers, etc. I can hardly wait to see what improvement there may be. I only wish I had made a tape of my cw before the operation." All of wish for a big improvement, Edie.

Beware of the "stamp collecting virus"! Its latest victim is your correspondent, who even managed to get stamps stuck to her fingers instead of the album page. Lots of fun anyway, and sure adds to the conversation among friends and relatives. The Post Office likes to see me coming!

Best wishes for good DX, good eating, good fishing, and happy vacations!

## REMEMBER

The next issue of Harmonics is the Directory issue which contains no district news. Your next deadline is September 1st. Please have your news reach me on this date. No news again from the Tenth District.

Nine - Land

Carol, WA9NEJ, District Chairman

Hi from Nine - Land. Spring has arrived so early this year and no one's complaining-hi. We have had an awful lot of rain, though, and hoping it doesn't mean another season of floods. The OM and myself are in the process of looking for a new QTH and looking forward to getting that antenna up this summer. New home, new baby, new DX.

Congratulations to Joyce, WB9FJB, and OM, on number 2 harmonic. Douglas Kenneth arrived March 13th weighing in at 7 lbs, 7 oz. Now they'll know the joy of one of each.

Meet Judy, WB9GWP. She prefers building her equipment, works CW, 20 SSB, and is considering going for the Extra Class. Judy has a teaching degree but would like to study data processing and become a computer programmer.

Virginia, WA9EYL, and OM WA9FXE, just returned from a Florida vacation. They mobiled 20 mtrs. and kept in contact with their harmonic. Of course, playing golf every day gave them a good suntan.

Evelyn, W9LWK, and OM Larry, are keeping busy as usual with their travels. They just returned from California.

(If I had gone to California, I don't think I'd come back!)

Fran, K9MWC, has recuperated from an operation and is back at work.

Remember the HAWK ROOST meets each Sat. a.m. at 7:30 CST with K9ILK as net control.

Starved Rock on June 3 -----

And in August there's a hamfest every Sunday, so let's see some of you come out. Watch the various mags for dates and locations.

This past year I was a Brownie leader and must tell all of you what a great experience it is and was to work with Scouts. If you have any spare time whatsoever, they certainly need you. They have enthusiasm and interest in everything, including ham radio. I lectured to cadette and junior troops--must we forget the Cub Scouts--hi. Most of the girls had never seen a radio station let alone know what ham radio is. You're reward is their faces, their interest, their questions, and their "thank you's." So, be an informer and aid in world friendship.

Hope you all have exciting summers and will remember to send me lots of news.

KL7 - Land

Rose, KL7FQQ, District Chairman

Elaine, KL7FNM, was just recently in Fairbanks. It seems that her OM, Bob, gave her a week's trip to Fairbanks as a Christmas present, and she was just now collecting!

Trudy, KL7GFU, corrected me on my sloppy reporting in the last Harmonics. It seems she had visited in Austria, not Germany as I stated, last fall. While there she met with over 22 hams and their families at one meeting. She also reported that she went to the various homes of these hams to talk with her OM, Dick, every week end. She

was very proud to have met them all. She told us that Dick is planning on retiring in July, and that they are planning on selling their home, and leaving the state of Alaska. We will truly miss you Trudy!

We have a brand new general in Alaska now. She is Kathy Agoff, who will be leaving this month with her husband and new baby daughter for Flat, Alaska. Her husband and she own a gold mine at Flat, and go out there every summer.

Betty, KL7FJW, is just as busy as ever. She gave the program at their recent garden club meeting. The topic was African Violets, and Betty should be an expert if you take into consideration all the plants she has! She and Ralph, her OM and son Jimmie are busy remodeling their basement, with the purpose of installing a pool table! Also busy this summer remodeling their cabin at the lake, so she is one busy gal.

As for me, we just this week held our State PTA Convention in Fairbanks, and I acted as Convention Chairman. All I have to say is that I'm glad it is all over! I am now the new Secretary for the Alaska State PTA, so imagine that I'll be quite busy with that job. I have been asked to attend the National PTA Convention, held in St. Louis, as Alaska's representative on May 17-24. I'm certainly hoping that I can make it.

I haven't any new from the other YLs in Alaska, please--won't you all drop me a card? Hope everyone in this great big wonderful world has a lovely summer!

Ardelle, KH6TI, District Chairman

Aloha from Hawaii -

Mary, KH6HPS, expects to have a 4 element beam up by the time this gets into print, as well as a 40 meter dipole, so should be working lots of the YLs by now. I envy her - good luck Mary!

Haven't heard from Mary, KH6HGO, so guess everything is about the same.

I'll be leaving for W1-land June 4th for a few weeks - back here about the middle of July.  
Have a nice summer everyone.

VE - Land

Martha, VE5YY, District Chairman

Time does have a habit of slipping by rather quickly. After the delightful winter we had, weatherwise, it seems that we just had to have a last bout with the weatherman. I happened to get caught in the midst of one of these snow storms, and was snowbound on an out-of-town trip when 8 inches of snow was dumped on us unexpectedly. Now, of course, we're looking forward to the mild weather so that we can get out for golf, barbecues, picnics, and what have you.

First of all, our sympathies go to Jean Evans, VE3DGG, who recently lost her husband Dave, VE3BAR. Our thoughts are with you, Jean.

By this time the Dayton Hamfest will be history. Cathy, VE3GJH and her OM were planning to attend. I can just imagine all the rag-chewing that went on.

I understand that Phyllis Vinge, VE3EHP, managed to get her advanced ticket. No doubt she will be keeping the air-waves active. Congratulations, Phyllis. Also congratulations to May, VE1AMB, who won the LOLA award and the Player Plaque.

Cathy, VE3GJH, entertained at her QTH with a wine and cheese party in honor of Doree, VE3EUV, whose marriage took place on March 24th. About 45 YLs, OMs and friends gathered together for a delightful get-acquainted party. The TOTS presented Doree with a five-piece Trillium china.

I understand Audrey Hughes, VE7AKT, will be moving to Ottawa this summer. We know that she will be warmly welcomed into Ottawa circle.

A newsy letter from Ebba, VE5DZ, indicates that she has had a busy winter. She spent some time with her son and daughter-in-law in Calgary and helped them welcome a new granddaughter into the family. A few weeks later she was again babysitting, this time for her daughter and son-in-law while they spent a few weeks vacationing in Mexico. She is also preparing for her daughter's wedding in July, and in addition her son also became engaged! She says she's been too busy to try out the new receiver that her OM bought while they were in Calgary -- but not too busy to offer her services to make some things for prizes for the Saskatoon Hamfest.

Mae, VE5OH, seems to be covering her territory adequately as Area Rep. for CLARA. She is gradually creeping up to 100% membership and at latest count I think she has acquired as many associate members. Keep up the good work, Mae.

I hear that Stella, VE6VF, has had a session in hospital due to surgery. I trust the doctors treated you kindly and that you are well on the way to recovery.

I hope that all of you will have a good summer, at the lake, visiting friends, or whatever your plans may be. I trust that all of you are able to take in at least one Hamfest or Convention.

## BETTER WRITE YOUR CONGRESSMAN

I am sending a copy of the bill which I read partially on WCARS today. I think it should be printed in YL HARMONICS (it is authentic, hi!) The members should be encouraged to write their own representatives in the U. S. Congress and members of the Committee on Interstate and Foreign Commerce urging them to support the Bill.

Irma, K6KCI

93rd Congress, 1st Session, H.R. 3516, in the House of Representatives, January 31, 1973.

Mr. Teague of California (for himself and Mr. Bennett) introduced the following bill; which was referred to the Committee on Interstate and Foreign Commerce.

### A BILL

To amend the Communications Act of 1934 to require that radio and television receivers meet certain technical standards for filtering out interference.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,  
That section 303(s) of the Communications Act of 1934 is amended by inserting "(1)" after "(s)" and by adding at the end thereof the following:

"(2) Have authority to require that apparatus designed to receive broadcasts comply with standards of the Commission under this paragraph (2), when such apparatus is shipped in interstate commerce, or is imported from any foreign country into the United States, for sale or resale to the public. Standards under this paragraph shall be prescribed by rule for the purpose of requiring the filtering out of interference. Such standards shall include a requirement that all interference from any amateur station, and any citizens radio service station, operating on its assigned frequency, be filtered out."
