### MINI-EDITORIAL

Along with all the "farewells" in this Issue of YLH, we'd like to remind you of the several newly elected Officers and District Chairmen to whom you should now direct your correspondence: W2JCE, Pres. K7QGO, Mae, V-P and EDITOR for YLH; Sec'y KL7FJW; Rec. Treas., W6YKU; Disb. Treas., K6HHD. D/C's to whom you send NEWS and PIX for YLH: WA1GQZ, W2YBA, W3TNP, WA4BVD, K5EFF, WA6ISY, WA7FFG, W8UAP, WA9HLW, WAØRZF, KH6TI, KL7CSR, VE4ST.

DX-YL Correspondent remains K7UBC. DX-YL News and DUES go to Verda. DX-YL sponsors may send their checks to VERDA, \$3.50, for renewal by 3/1/71.

Dues of \$3.00 for Stateside, KH6, KL7 and KP4 and KZ5, as well as VE-YLs should be sent to Jackie, W6YKU, by 3/1/71, too.  
PLEASE MAKE ALL CHECKS PAYABLE TO "Y L R L".

The GAYLARKS look forward to next issue(s) of YLH to be put out by K7QGO. We KNOW she'll publish superb issues and know, too, that she'll have a FUN year in doing them! We wish her every good fortune in this endeavor. Again, "the birds" THANK each of YOU for the confidence given us! -K5BJU

## President's Message

Like so many of my predecessors, the time has now arrived for me to say farewell, not goodbye; for I will be in the background.

YLRL has realized many accomplishments during 1970. Our convention kit has been on display at three major conventions & YLRL information has been uppermost at many more, in addition to the publicity given us freely through the magazines of several individual YL Clubs.

Our membership too is increased over this same period for last year, and we welcomed the Alaska Lassies to YLRL affiliation.

YL Harmonics through the untiring efforts of all who reported news, and the magnificent management of Gaylark; has maintained its status as the publication of which we are all justifiably proud.

To all of the YLRL Personnel whose names and positions are listed in the front of each issue; "it has been my pleasure to work with you". To our most important asset; YOU the Member, "YOU are the reason for YLRL and it has been both a distinct pleasure and a great honour to work for you". My sincere thanks to you all.

\*\*\*\*\*  
\* As we reflect this year; I ask all of you to join me in a \*  
\* moment of remembrance and prayer for our Silent Keys; and \*  
\* for our members & their families who suffered a bereavement.\*  
\* \*\*\*\*\*

To the new crew who will be taking over in 1971, good luck, happiness, and I hope you will enjoy it as much as I have.

Sincere 33,  
Ivy Smythe - Vezezi  
President. - 1970.

### "A Special Thank you"

It is a well known fact that behind every successful man, there is a woman. It is also a fact, but one which is not generally acclaimed, that behind every successful woman, there is a man. So it is with YLRL. Many of our member's O.M.s have helped in many different ways.

Pete WØ C M. (Marte's O.M.) has this year donated to us our beautiful new continuous membership certificates.

Kirby W5 V W F. (Harriett's O.M.) recently introduced 6 new YLRL members from his theory class.

Bob W7 R D. one of our subscribers, constantly spreading the YLRL word on the bands & introducing new YLs to our fold.

Our O.M.s who wait with pangs of hunger for dinner, while we put the finishing touches to a letter, or sign a certificate that someone is waiting for, check just one more log; complete the membership list; file one more card; prepare a financial report; or finish a column we are preparing for Harmonics.

Last but not least, our Printer and his staff for the beautiful reproductions of YLH throughout 1970.

To all of you, for your help and patience. "Thank you".

Young Ladies' Radio League. Inc.

Ivy Smythe--Vezezi.

President.--1970.

# A MESSAGE FROM PRESIDENT-ELECT:

May I express my thanks for the honor of serving as your President in 1971. It is a task I approach with much humility and will do all within my power to prove worthy of your confidence. My congratulations and thanks also to the 1971 Officers and Committees, elected and appointed to serve with me.

Please note these changes in 1971 Committee Chairmen. Welcome to Gretna Longware-WA2WHE, who will be our new Supplies Chairman and a big "thank you!" to Bea Chapman-KLOKC, who has served in this capacity so faithfully. Carrie Lynch-WA4BVD has been appointed 1971 Nominating Chairman--her entire committee will be announced in the first 1971 issue of YL Harmonics, together with a complete listing of all committees.

The YLRL Convention Kit will be displayed at the SAROC Convention in Las Vegas, Nevada, January 7 - 10, 1971. Anyone planning to attend this convention who would be willing to donate two hours of time to "man" the booth, please contact Mae-K7QGO or Faye-K7YVN. They'll be waiting to hear from YOU!

As the holidays are fast approaching, may I wish each of you a most happy and healthy holiday season and a bounteous new year, filled with many blessings.

Sincere 33,

*Jan - WB2JCE*

## HAPPINESS is .... GOING TO SAROC

You may recall the glorious, glowing reports of the SAROC Convention this year that several of our YLRL-ers attended in "fun-town" Las Vegas. They tell us that once you have attended a SAROC Convention, you'll never miss another! 1971 boast the 6th National Convention, January 7 - 10, 1971, Sponsored by the Southern Nevada Amateur Radio Club, Inc. (P.O.Box 73, Boulder City, Nevada - 89005). Along with the swell-elegant "surprises for advance registration", cocktail parties, tickets for drawings, the latest in electronics available to be viewed in the exhibits, and many, many other "goodies", there will be a YLRL BOOTH again in 1971. Send your inquiry as to room availability, registration forms, etc. to the above address...And, by all means, let Mae, K7QGO or Faye, K7YVN know you'll be there to help them in the Booth. Sounds like great fun - KNOW a wonderful time will be had by all!

## SILENT KEY

It is with deep regret that we announce the loss of W6QMO, Jeri Bey. We quote the article authored by her close friend Esther, W6BDE, in the BAYLARC "SPLATTER"; October, 1970.

"For the second time this year we have suffered a regrettable loss. Charter member (BAYLARC), W6QMO, Jeri Bey, joined the ranks of the Silent Keys on the evening of our last meeting, September 25. Jeri was the founder and first president of the YLRC/SF which later was renamed BAYLARC. Jeri was an avid CW operator and traffic handler, a member of YLRL active on the Northern California Net for many years and participated in many ham and YL events and activities. During the past two years Jeri suffered several severe heart attacks and was greatly restricted in activity. Our sincere sympathy goes to OM Chuck, W6PHS, in his loss."

YLRL joins BAYLARC in this expression of sympathy to her family and loved ones.

## SYMPATHY NOTES

We wish to express our sincere sympathy to Kayla, WLEMV and her OM, Doc, K4MWS, who suffered the loss of their New Hampshire home by fire. The complete loss of the home is a tragedy in itself - but the heart-breaking reality of the many treasures we store in a home, so many of which are not replaceable, is an even greater tragedy.

We have none of the details at this writing, other than that our President, Ivy, VE3EZI, learned of the fire and immediately got on 75 meters. In QSO with Kay, W2WCL, on a frequency on which Kayla usually operates, this disaster was confirmed to Ivy. Kay reported that Kayla and Doc were indeed fortunate to escape with their lives - that in the rush to leave the burning edifice, Kayla found herself without even a pair of shoes.

We thank God with the Hales, and their many, many friends throughout the world, that they escaped personal injury. The address of WLEMV remains the same - Box 224, Dublin, New Hamp. 03444 - though they now temporarily reside in a Motor Inn and anticipate being there for several weeks (original estimate was until early to mid-December). The telephone number at the "refuge" is (Area Code 603) 924-3876.

Kayla has promised to prepare an article for YLH regarding this disastrous experience. We are grateful that she's alive and has the opportunity to do so.

I am sure that Kayla would, after such a traumatic experience, want us to remind each of you who will decorate your homes for the forthcoming Holidays with candles and beautiful, colorful lights, to take every precaution to make yours happy, Holy days rather than a holocaust!

Best Wishes for a SPEEDY RECOVERY to K1MGP, Fran, who has been ill throughout most of the summer...KL7FLS, Beth who was hospitalized for surgery in late October...VE1TK, Ann, who fell and broke her hip....

Sympathy to Annie, K5JKV and to her daughters Martha, WA5WKE and Sue, WA5FVH, in the recent loss of their mother and grandmother, respectively.

COURAGE ...is fear that has said its prayers.....Anon.

This treasured Certificate is but one of many presented by the Officers of YLRL to the many YLs who have served in one capacity or another during 1970. You have no doubt heard/read a recipient of such an award express her pleasure in having received it. The one presented to GAYLARK was proudly viewed by those present at the September meeting, and has taken its place in the Klub Scrapbook. Both the Klub Certificate and this one are received with "lasting appreciation" to YLRL for entrusting this novice crew with editing and publishing Y L HARMONICS in 1970.

Pres. - 1971

Outgoing GAYLARK President, Margaret, K5MXO hands the gavel over to the President-Elect, Lillian, WA5WZF. This, however, was one of those "staged" deals, 'cause the new officers are installed at the Anniversary Meeting-the Sunday (evening dinner meeting) nearest the 28th of January each year. GAYLARK will be a teenager in January, 1971 - Her thirteenth birthday will be celebrated on 31 Jan 71!!

## Notes from the Editor...

These "Notes from the Editor" are, in reality "Notes TO the Editor" that she'd like to share wid you...

"Congrats on a FB job on YLH, one could hardly realize that the transition had taken place, unless they looked at the names in front of the book for publisher and editor" -K7QGO..."YLH is very nice and I enjoy every page of it..." -K7UBC..."Good luck with HARMONICS. I surely enjoy this magazine and read it from cover to cover" -WAØFSK..."Congratulations to you and GAYLARK on your new endeavor and I'm sure you will be a smashing success and YLH will have a whole new look for '70" -WB2JCE..."...You gals are off to a flying start with the first issue...think the decision to call each issue by number rather than the month is good" -WB2JCE..."Just had to write a few lines to tell you how impressed I was with my Jan-Feb issue of YLH..." -WA3FWI..."Gud luck to all the GAYLARKS and many tnx for taking on this big job" -W6YKU..."May I add my compliments and congrats to all those who have already sung ur praises for the wonderful work you and the GAYLARKS did on the 1st issue..." -WB2JCE..."Last YLH was GREAT; keep up the gud work..." -WAØFSK..."Just finished reading YLH and wish to offer my congrats to you, the Staff and all the GAYLARKS for a tremendous job well done" -W3TNP..."Just wanted to say how much I enjoyed the 1970 YLH No.1...the publication is excellent and I wish you all the best in this tremendous undertaking" -K7TWQ..."...delighted with YLH that arrived today and had to drop GAYLARK a line to let you know how much I appreciate the job you've accepted for 1970...continued success to all of you in publishing our beloved HARMONICS" -W3EXG..."CONGRATS on the wonderful job on YLH...hope more of the members will participate from now on" -WA6AOE..."...belive I prefer dates on YLH rather than issue nr, however understand the thinking that preceded this more, and if it meets with general approval, I accede. ...again, congrats for continuing success to all the GAYLARKS" -W4TVT..."The 'girl watcher' note brought amused comment from several of my gud friends, really I'm too old for the general meaning of the term, but YLs are very special people to me and the best friends I have ever had were/are members of YLRL". "Gud pix in YLH seem to be enjoyed by all"... "I appreciate how much hard work has gone into your FB job on YLH" -W7RD..."YLH is just GREAT! Love the cover... 'A Brand New Year' is one of my favorites and illustrations are great...The GAYLARKS are to be congratulated on a beautiful job and their willingness to take on this, chore...A labor of love it has to be and as an ex-Editor, I can really appreciate the work involved..." -K5YIB..."The gals continue with their praise of the FB job on YLH in the letters I get with news from the 7th district" -K7QGO..."Harmonics very enjoyable - good paper - good print - good format and shows a lot of hard work...and we members ought to take time to say 'thanks'" -W8DUV..."Harmonics just wonderful" -KL7EJW..."Congrats on #3 - a real hunder!" -WA6AOE..."Appreciate ur gud work - YLH is fine" -W8TAY..."Directory is just gorgeous!" -WA6AOE.... "You gals are doing great job - sure nice to have it on time!" -W1ZEN..."Doing a wonderful job with YLH. Keep up the gud wk" - K1OKC..."The Directory Issue - what can I say! It's really beautiful. Comments on air praise it" -VE3EZI..."Tnx vy mch for nice YLH" -RP4DGP..."Another terrific issue of YLH. How do you do it? ...is a paper we can be vy proud of" - K5YIB..."Congrats on such a fine YLH (#4, '70)..think Directory issues should be of general info...maybe someday we can have one with PHOTOS.. tnx for ur work" -W6NAZ..."I miss the MONTHS on cover - hope I can learn what '#5' is" -W1ZEN..."YLH is fb, interesting magazine" -WØTUV..."...continue to be amazed at ur industry, ingenuity and

## time flies

1970 has flown by...perhaps because busy minds and hands have little time to dwell on any one facet of a given year. This has, indeed, been a busy one for GAYLARK because of the several quite challenging features of the years' activities..Not the least of which was getting out six issues of YLH. Wouldn't it make interesting reading to say 'each and every "bird" worked feverishly on YLH throughout the year'? But terribly unrealistic, isn't it? Many of our twenty-two "birds" did work diligently on YLH; others offered to help, but when their help was needed the Editor was too busy to get part of the project to them; others could not have been less interested - but that's the way it should be! Just like in any hobby, one will be more interested in one phase of it than in another. That's cause we're individuals first, GAYLARKs next. Those gals who have not chewed their nails to the quick over the deadlines, have done more than their share of shouldering great responsibility in other Klub projects for the year, and its well that they have, because the following have been pretty much pre-occupied with YLH: K5MTZ, K5MXO, K5PFF, WA5DYC, KRI, MPM, WKE, WZF and K5BJU. Special TNX to K5PFF, tho' YLRL V-P, so ready to help.

NOTES TO/FROM THE EDITOR...(continued from pg. \_\_\_\_\_  
achievement. Am sure all WAYLARCs join me in heartfelt tnx"-W4TVT  
... "My tnx to all you gals who did such a magnificent job in compiling, editing and publishing YL HARMONICS. These sentiments are echoed by the NYC-YLRL." -W2OWL... "GAYLARKs have done a fine job and deserve a 'pat on the back' at this time." -WA3ATQ.....

AND THEN, there were those that scorched the postman's hands in delivery...two from our more 'transient' YLs when the YLH was sent to the QTH they provided, only to be returned, charged 10¢ to buy it back, re-addressed, re-stamped and mailed to the QTH the POST OFFICE put on the returned issue - and then the YL had a fit because it was sent to an address other than the one she had supplied! One of these YLs even said she would not honor a single QSL from the address correction printed in YLH..that we paid 6¢ to mail to her, 10¢ to buy back and another 6¢ to remail. Then there was the one from a VE-YL who demanded to know "why the VE column was not in the #2 YLH - '70?" The "Mini-Editorial" had already been prepared for #3 YLH, so she was referred to that issue....AND THEN, let me assure you that Raj, K7NZO, does a tremendously good job of taping the YLH's for the sightless... After every issue I have received a detailed list of errors from one of her listeners, with carbon copies to many others...(that is, in some instances)...I really have to have a good laugh (tho sometimes almost thru tears) at the volumes of mail after each edition that praise the "faultless", "error-free" copy in each YLH...I know where the goofs are, but the sad part is that by the time the copy is prepared and the printer's deadline barely met, the proof-reading is not as accurate as it should be! Oh, how I've wished that Raj taped the copy BEFORE it was a printed volume!

These many comments are offered because there have been many inquiries about this phase of editing and publishing YL HARMONICS.

IT'S BEEN GREAT FUN! And, if there were 72 hours in each day, we'd fight to keep the job of putting out YLH for another year - at least! THANK YOU for allowing us the privilege of serving YLRL, and each of her constituents, in this manner. *K5BJU*

NOTE: It has been brought to the attention of the Editor that the address given for the Custodian of the CMC was not correctly listed in the 1970 DIRECTORY Issue of YLH, on page 11. Ruth's correct address was given in the front, page 3, of that issue, but her old QTH was listed in the body of the paragraph regarding the CMC. We're sorry, Ruth - and we're grateful that this is not one of the Certificates for which application must be made.-K5BJU

### DX-YL

A note from the DX-YL CERTIFICATE Custodian, Emma - WØJUV, says that many of the applicants for this Certificate are still sending their QSLs to her for confirmation, and this is NOT necessary. You will note on page 12, 1970 DIRECTORY Issue:

- Item 2. Send LOG EXTRACTS, showing time, date, station, band, mode, RST reports and your own QTH and name. (Emma says "Let's add: PLEASE DO NOT SEND QSL CARDS").

## Something To Think About

In a letter of 9 Oct 70 from Roy L. Albright, W5EYB, Director, West Gulf Division, ARRL, to all Division members, he concluded a most worthwhile three page, very comprehensive, thought provoking message to each member of this Division with this item:

"I was deeply impressed recently by my good friend, W2TUK, when he said, "With all the sincere appreciation of our hobby there is always heard the voice of the dissenter, the fellow who thrives on controversy. There is a place for disagreement and no one agrees more than I that our American Radio Relay League, as fine an organization as it is, can be improved. However, improvement usually results from the concerted efforts of a dedicated group whose goal is to build and not destroy...to build well on a good foundation, not the sands of whim, selfish gain and envy...to join together with their fellow radio amateurs and push together rather than pull apart. Your cooperation via communication of your constructive thoughts and ideas is the key to a successful building program. YOU are the ARRL!"

THINK ABOUT IT !! Does this not also apply to YLRL? Local clubs?

Meet four YLRL-ers who are NORTH NEVADA YLs - yep, another new YL CLUB. Have not gotten word of their affiliation, as a club, yet...but you can bet they will be an Affiliate Club - soon! The past-master of recruiters, Mae, K7QGO, is the ram-rod of the group. Never has there been a more staunch supporter of YLRL.. and here she's pix'd with three lovely helpers... WA7MOA, absent.

Left to right...Ruth, WA7OWY, Mae, K7QGO, Faye, K7YVN and Barbara, K7KCY. This photo was taken by Leonard, W7PBV, SCM for Nevada, at Sierra Hamfest, 8/70.

SIXTH INTERNATIONAL Y L R L CONVENTION - APRIL, 1972

MARK YOUR CALENDARS...SAVE YOUR NICKELS...CLEAR THE DECK....

We learn from the BAYLARC "SPLATTER", courtesy of W6BDE, Esther, that it was announced by Vada, W6CEE, on the Working Girls Net on October 6, that the 6th International YLRL Convention will be held on April 14, 15 and 16, 1972, aboard the QUEEN MARY in Long Beach. Esther sez, "The YLRC of Los Angeles has worked hard to secure this enviable Mecca and we congratulate them on their achievement. We all plan to attend!" Tnx for the info, Esther...and CONGRATS to YLRC of LA! Of what greater accomplishment could the Queen Mary boast than to have been "loaded" with YLRL-ers???

1970 TYLRUN BIRTHDAY PARTY - HOUSTON -6,7 Nov.

The Texas Young Ladies Round Up Net held the Annual Birthday Party in Houston, first weekend in November, with the GAYLARKS hosting the group. This giant, economy sized eyelash QSO was enjoyed by: WA5GLM, Ann; K5JFJ, Julie; K5YIB, Barbie; K5BNO, Doris; W5RYX, Lyn; K5MPI, Mary; WA5NVS, Edna; K5UKK, Cory; who came from Arkansas, Oklahoma, Louisiana and various areas of Texas...The GAYLARKS who greeted them: W5ERH, Betty; K5PFF, Audrey; K5MXO, Margaret; WA5KRI, Deanna; WA5WZF, Lillian and WA5MPM, Frances and Annie, K5JKV. Arrangements were made by W5ERH and K5PFF and place favors (would you believe a turquoise bird..A miniature "GAYLARK" perched at each table setting?) were so cleverly done by K5MXO. WA5KRI, Deanna, whipped up a cute little apron for all present to sign...then she won it! Next year the TYLRUN members can look forward to being hosted by Cory, K5UKK, in Shreveport, Louisiana... This gathering is always the first weekend in November.

PENN - JERSEY Y L CLUB

The most recent issue of PJ-YL QRV announced that the newly elected President, WA3FDW, had resigned, and a new leader for that Club will be elected at the November meeting. WA3ATQ, Harriet, is Custodian for their Club Station (WA3MOI) and W3GTC, Carolyn, is the Certificate Custodian. PJ-YL QRV will no longer be mailed out, but will be distributed at meetings.

VERDA SIEBENTHALER, K7UBC  
INTERNATIONAL MEMBERSHIP CORRESPONDENT  
905 Hastings Avenue, Coeur d'Alene, Idaho 83814

Once again its time for HOLIDAY GREETINGS! My, doesn't time fly? Do you suppose its in a hurry to go someplace? Hi!

It's a pleasure to announce we have four new DX members: Nellie, XE1CE; Virpi, OH2BE; Angela, LX1YL; Leela, VU2CP.

Nellie is the adoptee of the Portland Roses, whose OM is also a ham, XE1TX. They have 3 daughters, Patricia, 16, Debora, 10, and Lorena, 9. Nellie works as a volunteer nurse at a Childrens' Hospital for which she received a gold medal last September for 20 years of service. She loves to read, knit and talk on radio.

Virpi was stewardess and the OM was "sparks" on the ship M S FINNEAGLE on a recent trip to the U.S.A. On their return trip they stopped at Rotterdam, Bremen, Turku, Kemi, where they had a nice hamfest with local hams on the ship. She can only operate CW now, but is hoping to make her needed 300 contacts (required for eligibility to take General Class exam!). Virpi is the adoptee of KL7FPM/7 - our Alaskan gal who is now in nurses' training in Salt Lake City.

The GAYLARks have adopted Angela - our first YL in Luxembourg. She's had her license since 1963 and is active on 10, 15 and 20 meters. She has worked all states except Wyoming and still needs confirmations on Idaho and Utah. How about you gals in Wyoming setting up a sked with Angela and give her that last state? She works 20 from about 0600 to 0800 GMT and 15 and 10 Meters (when the band is open) from 1300 to 1600 GMT. Her OM is also a ham and they have an 18 year old son. We hope to have a pix of Angela for next issue of HARMONICS.

Leela read about YLRL in QST then wrote to me asking for information - I'm very happy to say she is now the adoptee of Betty, K7UXN. We hope by the time this issue reaches you that many will have contacted Leela, and many of our other DX-YLs, during the YLAP. Leela tells us there are about 20 YLs in her small country, but due to the restrictions regarding the acquisition of station equipment, most of the YLs are QRT. However, they do have a club building with a good Xmr and Rcvr - so let's start beaming toward INDIA!

HB9YL, Anny is now at her new QTH (see OFFICIAL NOTICES) and is recovering from a broken foot. If any of the YLs planning a trip to her country, she would enjoy having them as her guest.

Helena, YV5CKR is home after a wonderful trip to Europe. She and son rented a VW and traveled over 1600 miles, visiting and sightseeing. Now she is very busy trying to catch up with hundreds of QSLs and letters.

It's always a pleasure hearing Christina, EA8GZ on the YL-ISSB and saying "HI". It would be wonderful to hear more of our DX-YL members checking in. The YL-International Sideband System meets daily on 14.332, starting at 1600 GMT, and they operate very late.

I'm sorry I missed the YLAP-CW portion...I was willing, but my rig was not! However, my good friend, Joan, WA7BDD, represented Idaho - and she tells me she contacted Mavis, AX3KS.

Corrine, es-CE2SC, sends her new QTH (OFFICIAL NOTICES), but she does not think they will be on the air from New Guinea as it takes too long to get a license and they plan to be there only a year.

Must say "33" now - keep the letters coming, cause I surely do appreciate every one!

THE WINNERS

**DAYS**

WINNERS TIE FOR FIRST PLACE:

Barbie - K5YIB

Donna - K7LPZ/VE7

Barbie, K5YIB	86	Jan, WB2JCE	33
Donna, K7LPZ/VE7	86	Julie, K5JFJ	28
Mae, K7QGO	46	Ruth, K7WRS	24
Jane, WA5JFZ	41	Carol Ann, WALLGU	22
Marge, K8ITF	37	Ivy, VE3EZI	20
Connie, WA0PWY	37	Shirley, K2OYG	18
Mary, K8ONV	36	Katharine, WA7FLC	14
Audrey, K5PFF	34	Mavis, AX3KS	12

I heard more than 40 girls in the HOWDY DAYS CONTEST - some of whom just got "caught"! Barbie, K5YIB, was overheard chatting with a group from Minnesota, including WA0UXO, Ellen, who was so new to ham radio that she sounded downright shakey--suppose it was the mike? It was interesting snooping!

I only wish that more of the girls who were in the Contest had submitted their log. All of the logs that I received were from YLRL members.

CONGRATULATIONS to our tied First Place Winners!! I do hope that each of you who participated had fun hunting for YLs!

*Audrey, K5PFF*

AUDREY BEYER, K5PFF  
1970 YLRL VICE PRESIDENT

Note: It has been brought to my attention that we are using, in our contest rules, the wording regarding ARRL Districts erroneously. ARRL does not designate the DISTRICTS, the FCC does! ARRL does, however, designate our SECTIONS. We should re-word our Contest Rules to read: "...each U. S. Call District, VE Call District and Country". You "contest gals" think it over and let your 1971 Vice-President hear from you. Such an 'insignificant' matter can cause much grief to the several interpreters and their contest judges.

de K5PFF

\*\*\*\*\*

We have been advised by Marcia, WA4SBK, President of the YL-ISSB System, of the following:

YL-ISSB QSO PARTY  
May 21, 22 and 23, 1971  
Beginning: 2300 GMT, 21 May 71  
Ending: 2400 GMT, 23 May 71

And, speaking of parties, we're reminded of a sign we recently saw in front of a liquor store:

"PRESERVE WILD LIFE...  
THROW A PARTY!"

It's a red and gold October morning in Southern Rhode Island and the swamp maple by the pond is a study in modern art as the rising mist diffuses the glorious colors. Hard to believe that when this written word becomes the printed word the scene will have changed to a charcoal drawing of twigs, branches and ice!

One thing does not change. YL's everywhere keep busy and active, and those in one-land are no exception. Carol Ann, W1LGU, is a truly energetic gal. She is the able editor of the Oscillator, newsletter of the Valley Amateur Radio Club of Springfield, Mass.; she has made her first solo flight, has joined several Amateur Organizations, and is System Control for the YL ISSB System on Fridays, as well as NCS for October on the Yankee Lassies net on Wed. mornings. That's what I call Active!

Another "flying gal" is Delores, W1LLOM, better known as "Sandi", who has also made her first solo flight.

From Fran, K1MGP, who has been ill since first of June- "Had a rough time and was just beginning to feel like myself again when on my second time out, I fractured my foot and ankle...I am now home from the hospital in a thigh high cast, get around some on crutches." That is certainly adding insult to injury, Fran, and we hope you are fully mended by now, and will enjoy much good health for a long time.

Carol, W1NKSE, is active on the Novice bands, and is working on her General ticket. Lots of luck, hope it happens soon, Carol.

Carolyn, K1BJZ, (whose antennas seem to provide snack food for squirrels) added a temporary U.S. Census job to her many other activities.

Jean, K1IJV, won the CW contest at the convention in Boston, taking 40 words per minute! WOW!

Paula, W1ANR, and her OM Jan, went to Holland for a visit in August. They had a wonderful trip and met Ursula, DL3LS and OM, Heinz, DL1RA, at a hamfest in Germany.

Norma, K1WXF, kept the YLRL booth at the N.E. Convention well staffed with YL's. The booth was set up by Carolyn, K1BJZ, Marge, W1KMP and Carol Ann, W1LGU, and was a huge success. I understand there were many YL's from many areas present.

Congratulations to Betty, W1AJN and Marge, W1KMP on passing their Advanced Class Exams.

There are going to be lots of warm little fists come Christmas, because the Maine Knitters are busy as beavers. Bonnie, W1GQZ, Leona, W1YYPH, and Phyllis, K1TMO, all report their knitting needles are flying. Barb, K1PCZ is working on another afghan! It MUST be that stimulating climate they live in.

It has been a privilege to endeavor to assimilate and report news of the First District YL's. I think the best "by-product" of this office is getting to know the girls better, and meeting so many new ones. I heartily recommend that each YLRL member try it at least once.

To my successor, Bonnie, W1GQZ, (who doesn't much care for knitting the thumbs in mittens) I send my best wishes for a fine year in 1971, as well as notebooks, papers, letters, lots of good will - and, hopefully, lots of good news!

It is entirely possible - even probable - that you will have an opportunity to support the growing sentiment regarding the "humane" treatment of our prisoners of war in Southeast Asia.... or - better still - the release of these men! Also, immediate identification of prisoners held is urged. PLEASE SUPPORT!!!!!!

Hi - I'm sure we're all happy to have survived this exceedingly hot Indian summer, which followed immediately on the heels of a hot summer.

We had our last meeting at the home of Madeline, W2EEO, which lasted longer than usual, since we were involved with the latest plans for the HARC Convention, of which we are the hostesses.

W2EEO, Madeline, has been swimming and DXing (in that order) a good deal at her summer QTH -- otherwise, a quiet summer.

W2MUV, Alma, has not been well but we're delighted to hear that she is well now.

W2OWL, Ruth, has had lots of illness and several deaths in the family - we're so very sorry - our sincere condolences. She hasn't been on the air for over a year but hopes her rig will be in working order soon.

WA2HLQ, Sue is newly married. Congratulations! We all wish the newlyweds the best always.

WB2YBA, Chris has been elected 2nd Dist. Chairman for 1971. She spoke at Forum at HARC convention, showing slides from New Zealand and Australia, including Hams she visited there -- was also the banquet speaker.

W2YZX, Vi is finally back on air -- good luck! I'm sure she was missed and her many friends will be happy to hear her again.

Helen Zuparn, associate member and our secretary, is in Europe. We hope she's having a wonderful vacation.

Ruth Schlitt, associate member, XYL of Cy., K2BM, is busy organizing Yonkers ARC and as Activities Chairman for HARC convention. No. 2 son attending Univ. of S.C. and No. 3 son, W2PXI, is a Senior at U. of Ill.

W2ACC, Sister Marie Regina received her Advanced ticket in June, is on 10 and 40 M, and has just been adopted by us.

K2BBW, Frances says the Yonkers ARC has been revived and on Sept. 16th held their first meeting. Frances and her OM are giving a fur demonstration at the HARC convention. Also, the new club will have its own table at the banquet. Fran is still studying for her Advanced ticket -- good luck!

W2YCX, Carlisle lives and works in Okinawa as an electronics engineer with the U.S. Army. It's interesting that since they may choose the last two call letters, she chose her initials. She is KRACH in Okinawa - has very good Japanese rig with vertical antenna - belongs to Radio Club, church group - goes shopping and sightseeing - loves the Okinawans - met two native boys, teen age hams who are building rigs in their school physics club. When she returns, in two years, she will have much to tell us.

W2RUF, Clara, her call explains a rough time but she loves it. Busy in many radio activities - has a county net - gives three sessions weekly in net procedure, traffic handling and emergency know-how. Uses CW usually, except in car. Has 30 yr. certificate.

WA2FGS, Rose Ellen - still busy as ever radiowise and personal, hi! She sends best 33's to all the gals.

W2UXM, Sallie and OM spent part of summer in the middle west visiting a son and his family - on return visited ships in port - hope to make a short cruise the latter part of the year. On week ends went to different mountain resorts hoping to locate a cool and suitable place for next summer.

As this is my last new report, I want to thank all the YLs for giving or sending me their timely stories - their happy ones and their sad ones. We are always interested in our friends, their joys and sorrows and hope that the former will outshadow the others.

33, SALLIE - W2UXM

DON'T FORGET...January 1 is the deadline for the copy to be received by your new Y L HARMONICS Editor, Mae Hipp, K7QGO (5655 Yukon Drive, Sparks, Nevada - 89431). All of you new District Chairmen will want to help her get YLH off to a good start for 1971! News from members to their D/C's should be sent to them by mid-December, so they will have time to incorporate your item(s) into the column submitted to Mae by 1/1/71.

HAPPY HOLIDAYS from my QTH to yours!

I can't believe that this year is almost over and with it my term as Chairman of our Third District. It has been a most enjoyable term as D/C. I hate to see it come to an end. You gals have been most cooperative in sending me news for 'your' column and I greatly appreciate it. I especially want to thank the PJYL for their wonderful newsletter that kept me informed of all the activities in the eastern end of the State and the WAYLARCS for their news of the Md. and D.C. areas. I hope you all will be as helpful to our new D/C Bert W3TNP, as she takes over the 3rd District for 1971. Congratulations to you Bert, and I know you are going to enjoy the job. Please remember to send your news to K7QGO for the January 1, 1971 deadline for the next issue of YL Harmonics.

Liz, W3CDQ, wrote to me and told me some of the highlights of her wonderful European trip. Her trip included a detailed visit to Italy and a lovely scenic tour to Ireland. She visited with G2GL, Nell, and while at the Italian Riviera she met Mario, I1ER, who was visiting there also. She returned home in time to attend the late summer festivities of the D.C. area QCWA.

Bert, W3TNP, was hostess for a recent meeting of the PJYL's at her home. The highlight of the meeting was the showing of pictures taken at the Midwest YL Convention at Flint, Michigan earlier this year.

Pat, WA3FDW, the new president of PJYL, holds her Advanced Class License. She is involved in Amateur TV and 2 Meter FM. She is presently taking an Electronics course at Penn State University, Ogontz Campus. Quite an undertaking for a YL and we wish you a lot of luck and success.

Harriet, WA3ATQ, and her OM entertained some of their ham friends at their second home in the Poconos this fall. The guests were Betty, VE3ASZ, and her OM and Rose Ellen, WA2FGS, and her OM. Imagine the rag chewing that took place that weekend. Harriet writes that they had a real ball. She has recently added a few more awards to her already great collection. She now has her Buckeye Belle Certificate, her DXYL #149 with a '10' sticker and another BPL. Harriet is keeping a weekly sked with her adoptee PYLMHB, Marlene and with Marge, WA3FPP, whom she had the pleasure of meeting recently.

Our local Fall Sideband Dinner held at Monroeville, Pa, was a huge success. We served 63, including Hams and their XYL's from Pa., Ohio, Ill. Indiana, Virginia, W. Va., Conn. and New York. There were two other licensed YL's besides myself in attendance. They were WA3DOY, Susie, and WA3FXN, Kathy, who made the trip from Philadelphia with their father, W3LGR, and their younger sister, Jamie, who is an SWL. They have one other sister who is also a ham, but was unable to attend. My house guests for that weekend were WA1FKX and his lovely XYL from Connecticut. I was Reservation Chairman for the affair and will serve in the same capacity at the Spring dinner in May. So if any of you gals are interested in attending, please let me know. It sure would be nice to have a few more YL's there.

I couldn't close without a comment or two on the newest member of our family, Cookie, my Boston Terrier puppy. She is about chewing the house apart at this stage. Her conquests include the kitchen wallpaper, the kitchen linoleum, and the mixer cord, to say nothing of a few bedroom slippers!

In closing, let me once again thank all you gals in 3 land for making my year as D/C a most enjoyable experience.

I hope you and yours have a Very Merry Christmas and a Happy New Year.

Vy 33, ZETA - WA3FWI

We sincerely appreciate the cooperation given the Editorial Staff of Y L HARMONICS throughout 1970. The District Chairmen and Committee Chairmen, Certificate Custodians, et al, have been most helpful in the preparation of material the members of YLRL have (apparently) enjoyed throughout the year.

Though the praise has come to GAYLARK, we could not have done our job had you not done yours so well. THANK YOU!!! -K5BJU

What a beautiful time of year! The country side, hills, and mountains are just a breath-taking panorama of color. Mother Nature has certainly been working overtime this year. What a wonderful time of year for a trip. That little bug called "homesickness" bit me and the OM was unable to leave, so I drove to Illinois by myself to visit family and friends. It was a great adventure for me, and I'm ready to go again.

Claire, W4TVT, and OM Jack, are on the go. Their first stop was London. Claire called Jaynie, K4BNG/G5AQI, and Jaynie took them to Windsor Castle. I received a postcard from Stockholm after that, and they were heading for Germany. Quite a trip and know Claire will have many interesting tales to tell on her return.

Mary, W4HRD, and OM Randy, are the proud parents of a boy, born October 5th, and named Laurence Christopher. This is their first Harmonic and know Mary's hamming time will be pretty well taken care of for awhile.

Ethel, K4LMB, has been bitten by the DX bug. She has been operating quite a bit of 15 and 20 CW during the day now that she is enjoying full retirement. She and OM Tex took in the Boston ARRL convention and then spent a few days at Niagara Falls.

Betty, W4EHN, is a member of the Daughters of the Mile, and enjoyed a bus trip with members and 38 Shriners, to the Shrine Crippled Childrens Hospital in South Carolina. The D. of N. provide artificial limbs as their project in this wonderful institution.

Fran, W4AAB, got a thrill and scored a point for ham radio, when demonstrating how ham radio works to some friends, and having JYL-King of Jordan answer her "CQ".

Bessie, K4CVR, and OM Ray, enjoyed a trip to Wisc., Mo., Kansas, N.M., and Arizona, spending some time in Tuscon, their former QTH. Bessie enjoyed eye-lashing many YL's, among whom was Marte, KØEPE.

Ellie, K4RHL, off for another trip to Africa, with a stop in Rome on return trip around second week in November.

Cathy, W4BAV, won a CB Transceiver, with mobile whip antenna at the Melbourne Hamfest. Anyone for CB??? Hi!

Frances, WA4NFA, and OM Jack, have returned to their St. Pete QTH permanently, as they will no longer go to Ocean City, N.J. to operate the hotel.

Nesta, WN4PXN, and OM Newt, are on another freighter trip. Rosalie, WA4FJN, received a postcard from Pusan, Korea, telling of dodging a typhoon and purchasing a SSB Transceiver in Yokohama. Last report, headed for Kobe, Japan, 3 port stops and then across the Pacific to San Francisco, to drive home.

This is my last column. I have thoroughly enjoyed this past year and I do want to thank everyone for their neat letters and news items. A big special thank you to Cathey, W4BAV, who has kept me posted on all the Floridora activities. Congratulations to Carrie, WA4BVD, your new 4th D/C, and all my best wishes for a very successful, newsy year. Will pass along all the news from this area, Carrie, and try to help you as you have helped me this past year.

So, for now, Bye-Bye, take care, and thank you. It's been great!

A man was driving in the country one day, and saw an old man sitting on a fence rail watching the automobiles go by. Stopping to pas the time of day, the traveler said, "I could never stand living out here. You don't see anything, and I'm sure you don't travel like I do. I'm on the go all of the time."

The old man on the fence looked down at the stranger, and drawled, "Ican't see much difference in what I'm doing and what you're doing. I set on the fence and watch the autos go by, and you set in the auto and watch the fences go by. It's just the way you look at things."

I have enjoyed my year of being your 5th District Chairman, and appreciate all the girls who have helped by keeping me informed.

It is with a sad heart that I report the loss of Annie's, K5JKV, mother the first part of October.

Frances WA5MPM, is enjoying her retirement from school, but felt a twinge of the old calling when she heard Annie tell about the Halloween Carnival at school.

A special thanks to Helen WA5OYX, who has done quiet a bit of recruiting for YLRL. She tells us there should soon be a Mississippi YL on the air. Her OM Tom has made her a typewriter keyer. We're all anxious to hear her using it.

Here is a letter I received while trying to recruit Mississippi YL's: (an OM with YL name)

"Dear YL:

Thanks for your offer of membership in the YLRL. However, there may be some doubt about my qualifications. I have held an amateur license for quite a few years and several Hot Shot young OM's have tried to make time with me over the air (CW).

One romance in particular went so far he sent me a big commercial photograph of himself. My wife said it had gone too far and gave me orders to stop it.

Another affair that I know of involved the name "Beverly". Beverly had a thing going with a young OM and when developments reached the photo exchanging stage, Beverly got his wife's cleaning woman to sit at his rig while he took a picture. This poor woman had been born homely and her looks had steadily deteriorated for over 60 years. Beverly says he got dropped real quick.

I agree with the song "A Boy Named Sue". Male babies should be named Jim, John, Bill, etc. Not Sue, Beverly or Gail.

I will keep the application blank pending your decision on my qualifications.

You use the symbol "33". I have been associated with amateur and commercial radio communications for 48 years and that is a new one on me.

(Opr. Note: Gail gave permission 33 plus 40 plus 15 to you.  
for us to publish) G.G. (Gail) Benson W5G1H"

Elaine, WA5PRJ, and her sister enjoyed a trip to Branson, Mo. the setting of "The Shepherd of the Hills" movie. Very beautiful country.

Mildred, K5LUZ, has been missing from the air for quite some time. She assures us everything couldn't be better. She and Jess just sleep late. They enjoyed a trip to Colorado, among other things this year. Good to hear you again, Mildred.

The Howdy Days and YLRL CW contest are past. We seem to have had very good participation in both. You girls who didn't make it sure missed a lot of fun, also missed visiting with old friends and making new ones, maybe next time.

We enjoyed seeing Joan's, WA5WGA, picture and Novice-CW gang. Keep up the good work girls. Maybe some of us others can join you sometime.

Heard Barbie, K5YIB, in both Howdy Days and CW contest. She says she is a working girl and very busy, but when the contest flag goes up, she's like an ole bull who sees red.

I have visited with Ruth, WA5VJW and OM Tom - they have joined the lucky people who have a nice Camp Trailer, but have trouble finding time to use it.

My OM Dick has retired from the Air Force and is just about ready to start his own business. That is one reason I felt I should not accept any nominations for YLRL offices, but hope to help any where needed. Best luck to Audrey, K5PFF, and Congratulations to GAYLARKS with Harriett, K5BJU, at the helm for a great year of publication of Harmonics.

33, JANE - WA5JFZ

When it was that that all contributions for this YLH had been received, there came this welcome copy of BAYLARC's "SPLATTER" from Esther, W6BDE! Long time no news from 6-Land girls! TNX, Esther...

K6SZT, Elaine and W6GLIZ, Dorothy have both been in the hospital for major surgery..Both home now and we hope have recovered nicely.

K6HIW, Kay and OM, Mac, K6OHG, enjoyed an October vacation in the "north country" taking in the great scenery around Banff and Lake Louise in the Canadian Rockies.

As announced in CLUB NEWS, the Los Angeles YLRC will host the 1972, 6th International YLRL Convention, aboard the QUEEN MARY. Dates are April 14, 15 and 16, 1972. Esther reported in her FB Club paper that W6CEE, Vada, announced this great event on the Working Girls Net...Esther further stated:"Since the YLRL convention is now only 18 months away (as of October, 1970), may we remind you that we hope each of you (BAYLARC member) will contribute at least one book of Blue Chip or S & H Green trading stamps to be used in the acquisition of prizes. Hopefully we can build up a large 'library' of these volumes to assist the Prize Committee. If you have a book on hand now why not mail it to BAYLARC, P. O. Box 84, Montara, CA - 94037, or bring it to the next meeting?" (May we add to this request of Esther's, an "invitation" to any other YLRL members or Affiliate Clubs to "go and do thou likewise"? Theirs is a mammoth undertaking and such a contribution will aid the YLRC of LA materially and will also be a manner of moral support to them and demonstration of interest! - Ed.)

The November meeting of BAYLARC was held at the QTH of Vera, WA6PKP. They were to elect officers for 1971 at this meeting, so they will be announced next issue of YLH, no doubt.

The MERMAID NET which meets each Saturday morning at 1000 hrs has switched to the 40 meter band, on or near 7285 MHz. This new frequency will, hopefully, make it possible for some of their "way out" members to be heard. Net Control is WA6MAO (the club call).

We hope that you members of BAYLARC will not be bored with practically a "carbon" of your thoughtful Editor's newsy bit of "SPLATTER" which she shared with us...But we are indeed happy to have some news from 6-Land! We learned also from this periodical that our former 6th District Chairman, Ex-WA6OGK, is now WA7PRE and is on the air from Selma, Oregon. We're glad to "find" her!

Thanks, again, Esther, for sharing the news of the BAYLARCS with us. She also notified us of the death of W6QMO, Jeri; this information is detailed under "Official Notices".

We know, too, from correspondence with a couple of the Calif. girls that: Our Rec. Treas.W6YKU Jackie, had a whale of a good time in Hawaii this summer...And that she is enrolled in Nurses Training classes this fall...She's a busy, busy chick! Also, we last heard from Maxine, WA6AOE, in early September. She said she had not been feeling well and the return address was "General Delivery, Avalon, California - 90704". She did not mention having moved...So wonder about the return QTH...How 'bout some of you California YLs looking in on her. Hope all's well with you now, Maxine.

K6YKU will be looking forward to receiving your 1971 YLRL dues which are payable for 1971 on March 1st. Send your check to her, Box 86, Nimshew Stage Rte., Chico, CA 95926, in the amount of \$3.00. PLEASE MAKE YOUR CHECK PAYABLE TO THE YOUNG LADIES RADIO LEAGUE.

Congratulations to my successor WA7FFG, Beth, who will be your 7th D/C for 1971. Beth, may your year as D/C be as enjoyable and full of very pleasant memories as 1970 has been for me.

Beth, WA7FFG returned to Tucson in October after having spent the summer at her home in Indiana, though Beth and I kept in touch via the mails, it was so nice to hear her back on the air from Tucson!

Another gal from Arizona that it was a real pleasure to have join us again on the nets was WA7FLC, Katherine. She and OM Dick, WA7ELJ, were in Maine for a month during the summer and visited with Onie W1ZEN at her summer home at York Beach, Me. Katherine has a new transceiver and a new quad, which is working out very well except these desert winds sure do play havoc with antennas every once in a while.

We understand that WA7IQY, Joanne, in Montana lost a trailer by fire. The family escaped, for which we are very grateful, but they did lose the family pet! Details were kinda sketchy, but we hope that Joanne will get in touch via the mails with more details.

Bea, W7HHH was involved in an accident with her car as she was going to Redmond to visit her sister. Bea had started to pass a camper when he turned out in front of her to pass the car ahead of him. She had no choice except to swerve off the road, suffering minor injuries and was in the hospital for several days for further checkup. We understand the car was almost demolished! Bea is most fortunate to have not sustained more serious injuries. At this time she's visiting with Beth, W7NJS, in Portland while business is slack during the hunting season.

Beth, W7NJS has been 'on the Minow Net several times here of late, which we were real happy to hear about, Beth had been up to Seattle in Sept. visiting with her sister, and a niece was there at the same time from Colorado. Beth also informs us the pictures taken at Bend were not suitable for publishing in HARMONICS, which is disappointing, there was such a large group of gal's attending.

Raj, K7NZO had received a lovely letter from Phyllis, K7KSF, who is now residing in Spain. They had been on a trip to Austria where Phyllis and her OM attended an Esperanto Congress with two thousand registered from 50 countries in attendance. Phyllis sat in on the Radio League special event station and got to operate OELXEB. What a thrill this must have been for Phyllis! What a delightful trip this was for them, though very happy to be back in Victoria at the end of the trip. Phyllis and her OM are expecting to return to the States some time early next year. We have enjoyed these letters Phyllis. They have been most interesting.

Willie, WA7IRD and her OM are busy building a new home, but don't expect to get it completed before winter descends on them and the work will have to be postponed until next year. Understand the present QTH has a beautiful fireplace that Willie is going to miss.

I would like to "thank each and everyone of you" for keeping me supplied with news this past year. It was appreciated. It took your efforts as well as mine to make the 7th District news worth while reading for others.

Have a "Happy Holiday Season" with family or friends and our best to you and yours in 1971.

I dreamed death came the other night  
And Heaven's Gate swung wide  
With kindly grace an angel came  
and ushered me inside - - -  
And there to my astonishment  
Stood folks I'd seen on earth - - -  
Some I'd judged and called unfit  
And some of little worth - - -  
Indignant words rose to my lips  
But never were set free - - -  
For every face showed stunned surprise  
Not ONE HAD EXPECTED ME!!!

Seasons Greetings to every one, near and far! Where has the past year gone so quickly? Do hope it wasn't too bad for very many of you, and that the New Year is filled with many, many happy things.

About midway into the next year, why don't a lot of you girls plan on going to the Ramada Inn in Cleveland, Ohio, May 14, 15, 16, and really have a lot of fun with the Buckeye Belles and the Chix on Six as they hostess the next Midwest YL Convention? For information, write to WA8IJW, Dot, or ask any of the girls when you contact them on the air.

This will be the last of news from this QTH and I have enjoyed being your 8th District Chairman this past year. I do hope all of you will be kind to the new chairman and get plenty of news to her so we can have a big writeup for the first issue of the new year.

## AGAIN, NO NEWS FROM THE NINTH CALL AREA!

Greetings from Minnesota, the land of sky-blue waters. When you receive this issue we will be having our beautiful white season. We will be back on regular standard time, the election will be over and we'll hope for an era of prosperity and peace for all.

In Sept. I received the 5-Year YLRL Certificate. I can look back on the many hours of pleasure I have had on the air and the many pleasant contacts I have made.

Cleo, K0JFO, writes she has not done much hamming the past year. Her OM built a complete station (kit), in lieu of which she got a new sewing machine that has kept her busy. You better get acquainted with that new rig, Cleo, you are missing out on a lot of good hamming. Cleo and her OM attended the Nebraska State Fair and worked in the Lincoln ARC booth one day. They had rigs on all bands and operated 24 hours a day during the fair. They are toying with the idea of attending SAROC convention in Las Vegas-- hope you make it.

Martha, W0ZWL, started the Dakota Weather Net again Nov. 2nd for the 17th season. She is on every day except Sunday, 3960 Kc., 7 AM MST. Martha has renewed radio contact with W2LV who was her code instructor during the Stratosphere Flight 35 years ago. She has never seen him since but keeps in touch. What a record!

Bertha, W0RAW, and her OM attended the Midwest YL convention in Flint, Michigan in June and had a wonderful time. Bertha won two pictures that two of the YLs had made. From there they went up into Canada for a vacation. They toured the Maritime Provinces which are very scenic. This winter they expect to spend two or three months along the coast of South Texas. What a life!

Janet, WA0SUI, still is unable to get on the air. They have been looking in Englewood, Colorado for a better QTH for hamming but prices are prohibitive around there, especially in the direction of the mountains. Her 5 harmonics are in grade school this year and Janet is a volunteer in the elementary school library, which she enjoys. Her OM is currently working on a graduate degree in E.E. and is helping coach the Soccer Team on which two of their sons play.

Our Air Force son was home for a short visit in October on his way to England for a two-year tour of duty.

That is all the news from Zero land at this time. Since this is my last column, I want to thank all those who sent in letters during the year. Please send your news to Elsie, WA0RZF, your chairman for 1971. Best wishes for a Happy Holiday Season to all!

In many parts of the States people hope they'll have a "white Christmas" but in Alaska we know we'll have one and often a "white Easter" and an occasional "white Labor Day" as well, as was the case this year. Winter came early to the North Land. We already has 24" of snow and cold temperatures.

Florence, KL7DDB, was in Fairbanks doing lots of shopping to stock their larders and caches because the whole family will winter at Lake Minchumina this year instead of traveling "outside" as usual this time of year.

I was informed that Jeanne, KL7BBL, is back home in Mountain Village and back on the air. Let's all take a listen for her.

Sorry we did not get to see Mary, KL7BJD, while she was here, but 2 days in town just is not time enough to visit. Hope Mary you'll stay longer next time. It has been a long time since the Alaska Lassies had a get-together.

Ruby, KL7FSO, was also in Fairbanks for a Cancer Society meeting and Betty, KL7FJW, was nice to bring her to visit us way out here on the home-stead, so that we could show off our new QTH. Betty really gets to see all these gals on their short hops to Fairbanks. Living so close to the airport does have its advantages, hm Betty!

June, KL7DEJ, returned from her trip to Oregon, her first one "outside" since 1957. She enjoyed the visit with family and friends but was glad to get home.

Bess, KL7FLS, is in the hospital for surgery. We all wish her a speedy recovery and hope to hear her back on the air soon.

Elaine, KL7FHM, is coming back to Fairbanks in November and we are all looking forward to an eyelash QSO this time, Elaine.

Rachel, KL7EUW, hosted the Halloween party for the Arctic Amateur Radio Club in her home. We had lots of good food at the "pitch-in" supper, lots of games and loads of fun and prizes. We would also like to congratulate her on being elected Secretary of the A.A.R.C.

Here at this QTH preparations are in high gear for expected company. Our son Gary's fiancée, Sara, is coming to visit us over the Thanksgiving holiday from Knoxville, Tenn. Can hardly wait to meet our daughter-in-law-to-be hi! Then in December we are expecting my mother who is coming from Austria. We hope she'll be here for a while. This is her first visit with us. She'll be meeting her grandchildren for the first time. Needless to say, I'm happy and delighted and know we'll have the happiest Christmas ever.

This is my last column as your KL7/D/C, I must say the year went by fast and that I enjoyed writing them. Our new D/C, KL7CSR, is from "south of the Range" and it will be nice to hear more from the gals there. So, the very best of luck to you Lyla, and I hope all the gals will support her and send her lots of news.

Best wishes to all for a Happy Holiday Season and a wonderful 1971.

Aloha from Hawaii -

I'll be heading for Maine in a few days to spend the Holidays and really looking forward to being in W1-land.

Had plans to operate from the other side of the Island in September but had to cancel as the OM had to go to Washington D.C. on business. I'll be there with the rig January 15 thru 31st, on 15 if it's open, beginning 2130 GMT around 21350. Will also check 20 around 2300 GMT around 14250. If anyone needs a YL-QSL from Hawaii, I hope to see you - I need plenty.

Happy you gals like to hear from Hawaii as I'll be around all next year - must be the longest D/C anywhere! I'll be very happy to relinquish the title once we have another KH6-YL out here.

Well, as we say in Hawaii, Mele Kalikimaka & Hauoli Maka Hiki Hou!

Greetings and hope you all watched out so the goblins didn't get you! Our "WRECK" room is being decorated to scare the heck out of the guests attending the children's "Sppok-In", but it just makes me sick as I shall have to clean it all up!

We're sorry to report that Ann, VE1TK, fell and broke her hip while visiting away from home, was hospitalized, and finally transferred home after a couple of weeks.

Alma, VE1MY, had a short trip to Boston with OM.

Hear Ethel, VE2HI, most mornings on 80 M., NCS for P.L. Net. She sounds real FB.

Betty, VE3ASZ, and OM, Cliff, are busy every weekend making their farm ready for permanent occupancy next year. She's coordinator for TOT Weekend this year. PLEASE NOTE: As an added incentive each participant, TOT members included, who submits their log (even with one contact) is eligible for a "LUCKY DRAW" for a cash prize! Logs must be submitted by 31 Dec 70, so it isn't too late, yet!

Doris, VE3BBO, was laid up with the flu this fall. They lost family pet, "Rags", and now have boxer pup called "Brandi". Doris reports 5 "whitecaners" added to TOT membership.

Quite a few OMs will be joining in the fun in Los Angeles in 1972.

Jan, VE3BII, President of CLARA, will be presenting TOT with Affiliation Certificate at the General Meeting in November. Bubbles will have details at the meeting, which was changed from Oct. 24 to 7 Nov.

Ivy, VE3EZL, was successful in bringing many of the VE3's back into the YLRL fold at one meeting. She made a deal with Jan if she went back into YLRL Ivy would become a Life Member of CLARA. So, as Doris puts it, "a very happy Ivy gave a happy Jan a cheque". Welcome, Ivy!

Jean, VE3DGG, is very busy with QSLs, etc. She and OM, Dave, spent their vacation at home painting and entertaining visitors. As a result of the painting, Jean lost her voice a couple of weeks. She's TOT's Nominating Committee Chairman, so this condition curtailed her activities for a while—phone-wise—but no doubt ended up with writers' cramps.

Congrats to Bubbles, VE4ST, who will be your VE-D/C next year!

From VE5-Land, Ebba, VE5DZ, informs us that all is well at her QTH. She had a quiet summer, including visiting her children, attending a banquet and dance hosted by the Prince Albert hams, with proceeds going to Multiple Sclerosis fund. She's been chasing DX, trying out contests and doing Christmas knitting. Her 4-H activities are a question mark, but hopes to slow down here.

In VE-6-Land, Louise, K4COB/VE6, spent the summer closing the generation gap with her 12 year-old daughter - hiking, horseback riding, Honda riding and, of course, summer visitors. They lived on a houseboat in Kamloops for a few days while OM was there on business. The fall finds her busy with Church work, community activities and entering contests.

Margaret, VE6ABP, was a big hit with the school children to whom she spoke on stamp collecting. Her audience of 12 grew to 18. She's still doing a FB job as NCS on CLARA Net, under what seems lately to be very trying conditions.

In VE7-Land, we have Ruth, VE7ARU, with a change of QTH: 5414 Fowler Road, R.R.#5, Victoria, British Columbia. If her

antenna is up at the new QTH, Ruth is very busy on 80 M.-CW, which she really enjoys, but hopes to have her phone ticket in March. She is Secretary of Victoria Short-Wave Club, is interested in music, psychology, ecology, biology, boating and rag-chewing on any subject

Just caught Alberta, VE7ADR, in time before she, OM and friends took off for Honolulu. As she put it, "...in the muddle of packing..." for departure on October 1st. She was so excited I wouldn't be surprised if she only had time to grab her bathing suit and run at the last minute. Nice to hear that she's made friends with our Ex-VE1, Audrey, VE7AKT and OM, Tom.

Since this is my last report I wish to sincerely thank the VE's who have been so cooperative in sending news. Your letters were most interesting and only wish they could have been printed in full. It was wonderful to meet all of you via mail and hope to hear you on the air. I am sure Bubbles, VE4ST, will receive the same consideration. No matter how trivial you may think your news is, send it to her anyway.

Many thanks to the HARMONICS Staff and YLRL Executive Committee for your patience (as I am sure I gave you the odd headache) but it has been fun and very interesting.

Hope to see all of you in Los Angeles in 1972 and Merry Christmas and Happy New Year to all of you!

P.S. Good thing mailman came before I left home - Received a beautiful certificate from Ivy...MANY THANKS, it is much appreciated. Ivy had Onie, W1ZEN and Woody, W1RJC, for our Thanksgiving weekend. Also, from Ivy, the news that Jack, VE3DTO the OM of Dot, VE3DXZ, has been in the hospital. Sorry he's ill and hope he'll be fine real soon!

Vy 33, CHRIS - VELAKO  
1970 VE Dist. Chmn.

## NOVICE NETS

HOWDY, you all!

The Novice Net is growing - slowly. Several applications have been mailed and we certainly hope that these YLs, new to ham radio, to

whom they have been sent, will join us.

Some of the YLRL members who have joined us on frequency recently were: Anna, WN6COA and Darlene, WN6FSC. WELCOME! We're glad you were on the Net and look forward to having you with us often!

Hope to see more of you gals...brush off the old key...J.Coe, WN5ZZA and I are QRV!!!

Vy 33, JOAN, WA5WGA  
YLRL NOVICE NET  
Correspondent

### NOVICE NET MEETS:

Tues., 1500 GMT, 7.175

NCS - WA5WGA

Tues., 1800 GMT, 21,150

NCS - WA5WGA

And...on Fridays, 2100 GMT, 3.721  
there's another Novice Net  
with WLYPH as NCS.

Encourage the Novice YLs YOU know to participate in these Nets.

### HAIRPIN and CROSS-COUNTRY YL NETS

And...speaking of NETS, we hear that a couple of the 'old' time nets are likely to be reactivated...The YLs who have been on the bands for a while will be happy to hear that the CROSS COUNTRY NET - 15 Meters - is most likely to be in the capable hands of W0ZWL and W4HWR...and don't be surprised if K5PFF is NCS on the HAIRPIN NET - a 10 Meter fun frequency of yesteryear.

COFFEE BREAK TIME!

## SEASON'S GREETINGS

RELEVANT RHETORIC ☺

"In promulgating your esoteric cogitations, or articulating your superficial sentimentalities, articable philosophical, or psychological observations, beware of plati-tudinous ponderosity. Let your conversational communi-cations possess a clarified conciseness, a compacted comprehensiblenss, and a coalescent consistency. Let your extemporaneous decanting and unpremeditated ex-planations have intelligibility and veracious vivacity -

without rodomontade bombast. Eschew all conglomerations of flatulent garrulity, jejune babblement and asinine affections. Sedulously avoid all polysyllabic profundity, pompous prolixity, psittaceous vivacity, clump-ish jocosity, and pestiferous profanity." IN OTHER WORDS,

MAKE IT BRIEF, CLEAR, CRISP, AND TRUTHFUL!!

(Copied from the Sept-Oct, 1970, Vol. 30, No. 9-THE SLIDE RULE, the official organ of the Houston Engineering & Scientific Society, Houston, TX.)

## RESOLVED—To Be Concerned

As year-end approaches, it seems an appropriate time to pause and LOOK BACK. Collect our thoughts on events of the past year. Learn from our mistakes. Capitalize on training and experiences of the past year. Then LOOK FORWARD with firm convictions and eager anticipation.

New Year's Resolutions may appear to be old fashioned, out-mo-ded in today's bustling society. Let's consider, however, the merits of taking a few minutes to "take stock" and to appraise ourselves as individuals. We might ask ourselves - ...where are we headed, and why? ...what are we doing to control our destiny? ...what are we contributing to our family, our company, country? ...are we aimlessly drifting with the tide of events, awaiting personal progress and growth? Or, ...do we have realistic objec-tives and goals, and are we willing to pay the price to achieve them?

Those who achieve success - whether it be in the areas of fi-nancial achievement, organizational advancement, family harmony, satisfaction of accomplishment, or simply peace of mind - haven't done so without some personal effort and planning. Consciously or subconsciously, they have set their sights on a realistic ob-jective and have resolved to accomplish it. The successful have what might be labeled as CONCERN, which Webster defines as "In-terest in, or care for, any person or thing; regard, solicitude."

"Success" has a direct relationship to "Concern". Those who are willing to establish an objective, keep it foremost in their mind and put forth some extra effort, will reap dividends in a larger measure than expected. This conclusion can be applied to an individual, a company, or a country. Be assured that a home, or a country, comprised of individuals with CONCERN is destined to SUCCESS!

Are New Year's Resolutions really outmoded? Not in my opinion. Make one this year, remind yourself of it every few days in 1971, work on it continually, and see if it does not become a reality!

We had so hoped to "PIN THE NEEDLE" - or better still, wrap the needle around that pin!!! YLR's year is not over till March 1st...Only her Officers change Jan.1..THE NEW YLR MEMBER DRIVE IS NOT OVER.....**NOT YET!**

**ABOUT THE 1 9 7 1 DUES:**

YLR dues are payable the first day of MARCH...\$3.00 per annum which is to be sent to our Receiving Treasurer, JACKIE van de KAMP W6YKU, Box 86, Nimshew Stage Route, CHICO, CA - 95926. Please make your check payable to the YOUNG LADIES RADIO LEAGUE.

DX-YL dues are payable on the same date, and are to be sent to our DX-YL Correspondent, VERDA SIBENTHALER, 905 Hastings Avenue, Coeur d'Alene, Idaho, 83814. She's K7UBC, and she, too, hopes your check will be made payable to YLR - (not to Verda!) for \$3.50.

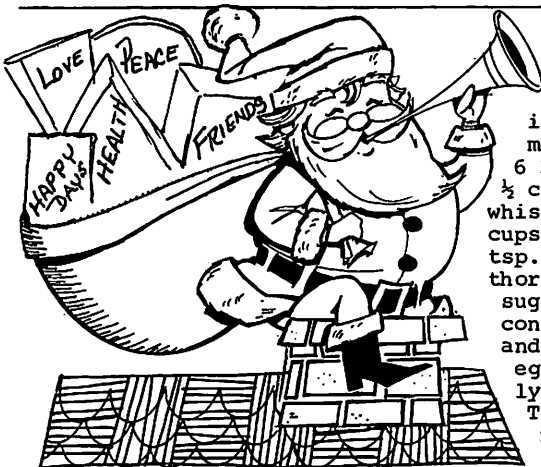

**UPGRADES**

CONGRATULATIONS TO THE FOLLOWING YLS WHO HAVE RECENTLY UPGRADED THEIR AMATEUR RADIO LICENSES:

WA2ACC - Sister Marie Regina -

W1KMP - Margaret Doucette -

Both of these YLs are now **ADVANCED CLASS LICENSEES**.

Along with the many, many good things we wish for you and yours during this Holiday Season, here is a jim-dandy recipe you might enjoy: **EGGNOG**:  
 6 Eggs, beaten separately;  
 ½ cup sugar; 1 cup brandy or whiskey; ½ cup Jamaica rum; 2 cups cream; 2 cups milk; 1/8 tsp. salt; nutmet...Beat yolks thoroughly. Gradually beat in sugar. Add (vy slowly), beating constantly, the whiskies, cream and milk. Whip (until stiff) egg whites, salt. Fold lightly into other ingredients.  
 Top with freshly grated nutmeg and serve to 12 of your favorite people! HO, HO, HO

# moving?

Let us move with you!

YL HARMONICS is not published 'just for fun' ... but rather that YOU will find it fun to read!

If, when you change ur QTH, you would let us know about it promptly, WE could MOVE WITH YOU!

It would also be helpful to know if yours is but a temporary change... and, if so, for what length of time... Or if the change is to be for an indefinite (shall we say 'permanent'?) time.

Send us ur FULL name, CALL, new QTH, ZIP code, to: *Effective 1/1/71* - YL HARMONICS
