YL HARMONICS: Editor.....Carrie C. Lynch, WA4BVD

YL HARMONICS is published by and for the members of the Young Ladies' Radio League, Inc. YLRL is a non-profit, fraternal organization comprised of women amateur radio operators, incorporated as such under the laws of the State of California. Dues are \$3.00 per year, due and payable March 1, and delinquent March 31. For new and reinstating members joining after August 31, the dues may be pro-rated by half the annual dues for that fiscal year (currently \$1.50). Dues for adopted members are \$3.50, and may not be pro-rated for portions of years. Dues for "family member" are \$1.25: and subscriptions by non-members are \$3.00 per year, and may not be pro-rated for portions of years.

# PRESIDENT'S MESSAGE

Application was made at the Cochran, Ga., post office by YLRL as a nonprofit fraternal organization on February 27, 1973, for purposes of mailing YL HARMONICS at the special bulk third class rates (5¢ per copy at higher rate and 1.7¢ per copy at lower rate). This request was denied by the Atlanta District Office of the U. S. Postal Service so YLH is being mailed at the higher rate.

Application was filed once again on April 21, 1973, and this time requesting an explanation for denial. Text of letter dated April 27, 1973, received from the U. S. Postal Service follows:

Application and supporting papers submitted by the "Young Ladies' Radio League" are returned herewith.

Section 134.51, Postal Service Manual, provides the special bulk third class rates of postage for religious, educational, scientific, philanthropic, agricultural, labor, veterans' or fraternal organizations or associations not organized for profit and none of the net income of which inures to the benefit of any stockholder or individual.

Although the application and supporting papers submitted have been carefully considered, it does not appear that the organization named above is such as to bring it within any of the nonprofit categories or classifications named in the law. This law does not exempt social and similar organizations, who are exempt from Federal taxes under section 501 (c) (7) of the Internal Revenue Code, from the higher bulk third class postage rates even though they may be organized on a nonprofit basis.

Therefore, the application for the "Young Ladies' Radio League" is denied.

To go another step further, I enlisted the aid of ARRL. A paragraph from letter dated August 3, 1973, from the law offices of Booth & Freret follows:

I note from the letter of denial dated April 27, 1973, that the principal reason was apparently that the Young Ladies Radio League is exempt from federal taxes under Section 501 (c) (7) of the Internal Revenue Service regulations. If this could be changed to, for example, Section 501 (c) (3), the special bulk mailing privileges might be forthcoming. As Counsel for ARRL, we would be glad to put in a brief amount of time on this for YLRL, but if the matter became unduly complicated, we would of necessity gracefully retire, or submit a statement to you. In the event that you have local counsel in Georgia who would undertake this with IRS, please let us know so that we can close our files on the matter.

I visited the IRS in Macon, Ga., on August 14, 1973. My trip there was fruitless--our classification remains the same.

The subject of accepting advertising in YLH has come up, but it states on the tax exemption letter that "It should be noted that any increase in gross receipts from nonmember

PROPOSAL: Shall the total votes each candidate receives be printed in Harmonics?

YES 120 NO 233

We are still without District Chairmen for the first and third districts. A note attached to each ballot going into these districts asking for volunteers brought no results. SO HOW ABOUT IT ONE AND THREE-LAND!

You will also notice that Joyce Goebel, K7RRS, has been removed from the election results for the position of 7th District Chairman. It has come to my attention that Joyce has not renewed her membership. Do we have any volunteers for this position?

sources may jeopardize your exempt status." According to IRS in Macon, we would be liable to pay taxes unless all revenue collected from such ads are donated to a charitable organization.

At the present time our Advertising Chairman, Elaine-WØHEM, is looking into the possibility of non-commercial ads for YL HARMONICS.

Mail has been quite good this summer. I have enjoyed hearing from all you girls.

From Renata, DJ9SB, comes the good news that she is gaining after her illness and feeling much better. She is studying Spanish over the air with EA1IM. Renata gives repetitive lessons in German and English and just did a translation from German into Spanish on "Safety at Work for an Information Program for new workers in German paper and pulp factories. Now that she feels well again she hopes to become more active in radio and wishes to thank all the Wrone net for sponsoring her in YLRL.

JA1AEQ, Fumi Abe, writes how happy she is to again be a member. She had moved 3 times and says it is difficult to write in English but she has never forgotten her sponsors. Fumi was very pleased to have met K1IIF, Ruth, and W2EEO, Madeline when they visited Tokyo. Fumi is President of the Japan Ladies Radio Society and hopes more of their 150 members join in our YLRL contests. JA1YL and she are the only ones who do. Fumi says their group has a QSO party each year and publish YL 10 award.

Darleen, HC2YL, has been busy preparing for the arrival of a harmonic. She is writing a book and hopes to have it completed by the time the baby comes.

Late flash: It was a girl, Diane Renee, on Aug. 4th!

It has been winter in New Zealand, writes Thelma, ZL2JO. In March she was pleased to meet Jessie, WA6OET, and her OM after talking to them for years. Thelma is President of NZWARO which has a membership of 44 yls. The Club issues a certificate requiring those outside ZL or VK to work five members to include a ZL1, 2, 3, & 4. So far only 4 of these DX certificates have been issued and those all went to OMs. So where are our certificate hunting gals? Get busy so Thelma can send you one!

Ursula, DL3LS, and her OM were going to Norway and Spitzbergen to see the midnight sun as soon as he retired in June and after that plan many trips in their new camper. They have had many guests visit them and have also been very busy papering, painting and carpeting. Her OM, DL1RA, has finished his county award and is very proud because it was all done in rag-chew QSOs!

A new member DJ5UAC, Ella Grindel, from Frankfurt is the adoptee of the NYC YLRL. Her OM is Bruno DJ5UA. He has a radio shop in their home and Ella helps him. Her other hobby is handwork, preferably knitting.

Another new member is Carole, WB4WTD/YV1. They are with the Creole Petroleum Corp. in Tia Juana, Venezuela. Carole was born and raised in New York, is a registered nurse and joined the Air Force Nurse Corp where she met her husband (from Alabama) when they were stationed in Oklahoma. One son was born in Okla., a daughter in Ala., and since they have moved to Venezuela they have had 2 girls and a boy. Her OM's call is WB4WLI/YV1.

The only YL on Ascension Island! That is ZD8AW. Her OM is ZD8RW. Anne says it is a very hot place to be as it is a volcanic island with not much but rocks. They spend a lot of time swimming and have a two year old son called Nicholas.

Anny, HB9YL, is an adoptee of the Wrone Nets and writes that it is nice to feel one of us even though she can't work USA from her present location. In September she moves to Berne and hopes that when she gets her rig set up there, she won't have TVI in the evening so she can QSO some of the members. Her new address will be Anny Jenk, Worblentalstrasse 66, 3063 Papiermuhle, Berne.

From New Zealand I received a lovely note from another WRONE adoptee, Myrtle, ZL4GR. She hopes the girls saw her photo in November QST. Her husband, ZL4AM has been in hospital but is now home and feels quite well after an operation. They have had a mild winter there so she has been gardening (unusual for July). Myrtle says a warm thank you to her adoptors for their kindness.

Also from New Zealand ZL1BGM, Sylvia, writes that she painted her kitchen and laundry. I had to chuckle when I read her story about ruining her glasses by scraping the paint specks off them! Sylvia, I am still looking through spots on mine. If anyone wants to hire a couple of sloppy painters maybe Sylvia and I will fill the bill! She and her OM Bill, ZL1BGL, are retired sheep farmers who moved to the Bay of Islands six years ago. They watch the ocean liners cross the bay very close to their house as the tourist ships put in at Opuia. They have one married son who has two children. There is still a water shortage since the drought earlier and they lost some of their plants.

That's it for now. Hope to meet some of you girls on the air in the YL contests.

33,

*Sheila*

#### AFFILIATED CLUBS

The following clubs have renewed their affiliation with YLRL for 1973. New York City YLRL, WAYLARC, Georgia Peaches, LARK, and BAYLARC. A big welcome back to these YL clubs.

And another big welcome to two new clubs--North County YLRC and the Buckeye Belles.

# NOVICE NEWS

Helen Morse, WNØGQL  
NOVICE CORRESPONDENT

Kansas City, Kansas 66101

Hello, girls. It's time for YLH again, but no news from any of you. What did you do this summer? Let me know so I won't have to think so hard! Not much thinking room left in my brain anymore. It's all packed with General exam stuff for the test which I hope to take soon.

The YL Net was suspended for the summer, but will resume on September 6, 1973. We will meet on 7123 KHz every Thursday at eight in the morning, CDT, or 1300 GMT. The GMT time will change to 1400 when we return to Standard Time. The "YL News and Views" column in the August "QST" incorrectly listed the YL net, and the reference to a fifteen meter net should be deleted. Hope to see some of you on the net, as we need some help with NCS duty.

Had a wonderful week-long stay with Louise, WB8JIB, in Yellow Springs, Ohio, and we attended the Dayton Hamvention and met Joan, WB8MFD, plus many more YLs. Met a few also at the Concordia, Kansas, hamfest, August fifth. Will be at the Midwest Division ARRL Convention in Lincoln, Nebraska, on October 5 to 7. WB8JIB is planning to arrive in Kansas City and join my OM John, WBØGVR, and I for the trip up there. We will be attending all the YLRL programs, so look us up and say hello. This trip is the OM's birthday present to me (October 6), but he would have gone anyway--Hi.

At this writing, school is only a week away, so pretty busy with the harmonic, and not on the air often enough. Will have more spare time after school starts so, I will be looking for you all on the air soon.

Hope everyone had a very enjoyable summer. Think most must still be enjoying it as I haven't received any news about summer activities for this issue. It is really hard to write a column without news.

WA1AJN, Betty, is in the process of remodeling her kitchen. Spending her time keeping the German Shepard in line so the carpenter can work.

DA1YL, Sharon, is back in the states now. She will be living in Portsmouth, N. H., and will operate under her state call WA1PIA. She and DA1MU, OM Bob, arrived in the states latter part of July and are staying in Waterford, Conn., at his father's QTH. The family took a two week vacation to Kansas to visit with her parents. Their apartment will be available Sept. 1.

WN1RFX, Beth, was awarded the Robert Cade Wilson Scholarship at Northfield Mount Hermon School ME. Day Assembly. This award established in 1951 is awarded to students entering their senior year who have excelled in the field of science. Beth also received the Dartmouth Club prize for Scholarship and Good Citizenship. Good reason why we don't hear Beth on the Novice band.

New England ARRL Convention will be held Sept. 29/30 at Hyannis, Mass. YL program includes fashion show around the pool, flower arranging, physical fitness, how to make Xmas decorations, bus tour of Hyannis, YL hospitality suite and YL luncheon. Features to keep XYL and kids happy include inside and outside pool, 18 hole golf course on premises, Roman bath, health spa, plus all of the historic Cape Cod to visit. Giant flea market. You can write to ARRL Hdqtrs for details.

WA1KMP, Marge, hr has been very active and busy with my grandchildren. Little boy three years old and very, very active. I needed few more eyes in my head. Took trip to beach and was afraid I would find him in Fishers Island. No fear of the water so was on Life Guard duty much of the time. Rest up for next year.

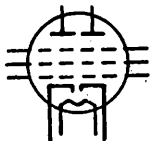

DL3LS, Ursula, had a ham gathering at her home and I received a very nice card with all the Hams signatures on it. Card was very much appreciated. Would like to work all those Hams some day.

WRONE fall luncheon will be held in Mystic, Nov. 6, 1973. No details as yet for this issue. A new shopping center has just opened up in that area called Olde Mistick Village. Stores are colonial style shopping cluster. Very unique. Nine or ten stores are open with more to open soon. So be prepared gals with full purses.

1st District Chairman-YLRL, needed for the coming year. Anyone willing to take the job?

September is just about with us again, which means that the fun and frolics of summer come to a halt for most of us. We do hope you and yours enjoyed a real nice summer and are all set to tackle the chores of the coming fall and winter seasons with vim and vigor! Remember that with a hobby such as ours, there's always that QSO with an old friend to be enjoyed when the chores get to be a bit too much!

Received a real nice note from Bella, WA2CZU, in Nassau county, reporting that they (OM, Stew, WA2NNQ) had quite a scare when the June tornado came through. The day of the storm they both rushed home, almost certain that the lightning had hit the antennas and that the dog might be hurt. Fortunately, such was not the case, but trees were blown down and fences scattered. The dog was unhurt but mighty happy to see them and beam and rigs were fine. Bella is studying for her general and perhaps has passed it by now, but at the time of the note was working like mad trying to get code speed up. Hope to meet you on the air soon, Bella!

Jo Ann, W2DXC, sent in the very sad news of the death of Jean Fox, WA2MJM, on July 13, after a long illness. Jean became blind several years ago, but didn't let that stop her from going on to become an amateur radio operator. She had been an active member of the Overlook Mountain Radio Club, had contacted many stations throughout the world and made many friends. Jean was only 28 years old, a marvelous person, and will be sadly missed by many, many people.

Sandy, K2RUE, ex-WA2CUZ, is thrilled to get her old call letters back. She had noticed in the call book that it was no longer active, applied for it, and was delighted when she received it! Glad to hear it, Sandy! She also reports having a great time at the Rochester Hamfest. Jan, WB2JCE, Sandy, and Bill, K2CBD, set up and manned a station on ECARS. Her OM, WA2RPI, did the antenna work. She also met several YLs she had chatted with including Pat, WA2DDD, and WA2DMK, Ione. Sandy spends a lot of time on ECARS and is now Assistant Net Manager. You can also find her on NYPON and YLISSB'ers. She manages to get a lot done in spite of all that air time--she just finished an afghan to be raffled off at the church bazaar and is now knitting a poncho! She is also active in local FISH organization and plans to be a Brownie leader this fall. She had planned to take a Fresh Air Child from NYC this summer and to be Brownie Leader at Girl Scout Camp for two weeks but I just received word from Jan, WB2JCE, that Sandy has been in the hospital for about a month with phlebitis in both legs but is home now and we hope fully recovered.

Jan, WB2JCE, will "be donning the sweatshirts and jeans and be a student again." She and daughter Annette will have a suite or rooms in the girls dorm at Northeastern Christian in Villanova, Pa. where Jan will be taking a two year course in Secretarial Science. Jan has been working at the Jerry Lewis Muscular Dystrophy Camp all summer. She enjoyed a visit from her twin sister who is living in Arizona now but stayed a week with Jan. Good luck with school this fall, Jan.

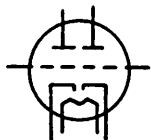

Rose Ellen, WA2FGS, writes that she is planning a mobile trip to Canada August 16 through 24th and eyeball with several TOT members. She is also a member of TOT. She plans to go to Lake Placid and to have an "eyeball" with Gretna, WA2WHE, in Elizabethtown. With her OM, they will travel with Harriet, WA3ATQ, and OM Harry, K3YJK, both taking TR-4 and in contact along Route 81. They will all be house guests of Betty, VE3ASF/Cliff, VE3AST and a small hamfest and will stop a while at a convention in Kingston, Ont. Rose Ellen is very happy to have her daughter living near by as her husband has been transferred to Ft. Dix. Her son has graduated with Masters in Physics from University of Arizona and is now employed at the Naval Research Lab in Virginia. She expects to see more of the children now that they are back East after living in the Southwest several years.

Vi, W2JZX, writes that although she is no longer active on the air due to heavy working duties (Vi is a Commercial Artist, free lance) she spent many years on the air. She got her license in 1935 and was very active when they lived in East Rockaway. She does the Testimonial Scrolls for many organizations--including YLRL and has just submitted a design for the ASL contest of ARRL. Am sure they will like it, Vi, and many thanks for your nice letter.

Summer is a memory now, and we are all settled in our regular routine.

I spent another delightful summer in Ocean City, N. J. My ham activities were solely on 6 m. FM with the male members of the family, WA3-BKR and WA3AXZ at our QTH in Meadowbrook, Pa.

The PJYLS had their annual picnic at the QTH of Shirley, W3VNN, on June 30. It was well attended, and everyone had a very enjoyable time.

Carolyn, W3GTC, had a ball at the Powder Puff Derby. She even had a ride in a glider. In case anyone wishes to start planning, the Derby will terminate in Nassau next year.

Bert, W3TNP, vacationed for a week in beautiful Hawaii, and visited the main interesting attractions, including the U.S.S. Arizona Memorial, the National Cemetery of the Pacific, the island of Hawaii with its dangerous but beautiful volcanoes, and the island of Kauai. She has increased her activities in the Army MARS Nets, and is enjoying it so much. Bert also operated portable from Lake Shehawken, Pa. on 75 meters while on vacation.

Jane, K3ZDN, has kept her skeds with Maurice, HB9AHO, and has checked into the PJYL nets. She has been a ham for ten years, and now it is time to renew her license again. Jane and her OM Don had a beautiful vacation at Caneel Bay Plantation/St. John's Island in the Virgin Islands. Jane said it is a great place to relax--this is their second trip and they can hardly wait for their third. It sounds very appealing, Jane.

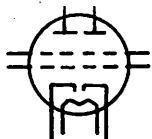

Correction: Please note - the PJYL net on Monday night 2330 GMT, 28.650 MC is phone and not CW. The Thursday night net which meets at 3.970 at 9:30 local time is really Friday 0131 GMT when Daylight Saving Time is in effect.

Please remember to send in your news. Best wishes for a happy fall season.

Greetings from Savannah and the fourth district.

WA4EPM, Edna, participated in the Tennessee QSO Party, winning first place for Georgia, and all on CW. Congratulations, Edna.

Congratulations are also in order for Timmie, WB4LQO, who has upgraded her license from General to Extra class.

WB4NKO, Jo, spent her vacation in Columbus visiting with friends and her son stationed at Ft. Benning. While in Georgia, she toured Warm Springs and the little White House occupied by President Roosevelt.

Jo and OM Roy also got a good look at the Army MARS station at Fort Benning. Murphy operates there, too! Jo was looking forward to observing the rotor in operation, but it wasn't working.

K4RYJ, Welma, is enjoying her new GMT clock, a gift from her brother in Ohio. Welma has been busy traveling to Ohio and Indiana, entertaining family members at home, sewing, cooking and making icecream.

WA7OII/4, Jean, spent her vacation camping with the family in the Smokies and visiting friends. They had a wonderful time.

YLRL extends deepest sympathy to Diana, WB4QQY, and Hilda, W4HWR, both of whom lost their OMs this summer. George Smith passed away in June and Joe Andrew passed away in August. Both of them will be greatly missed by all of us who knew them.

Meg, K4HSC, is still going strong on two meters with her five crystals. Her big rig needed repairs but is in good shape now after a stay in her son Jack's ham shack.

Yours truly, WB4NTW, has joined the ranks of the two meter ops. One of seventeen in Savannah, she is coordinating the efforts of the newly formed Savannah Samaritan Society, whose purpose is to aid mobiles in distress, provide info on tourist attractions, food, lodging, auto repair shops, etc.

WB4MRA, Nell, has been working hard for contacts with ten Georgia Peaches to get her certificate. When she checked in last Thursday, she was hard at work making feather pillows.

K4AOH, Dot, had had her hands full working and taking care of her Grandchildren. We think she might have gotten in a little fishing, but when she checked in with us this morning, she was getting ready to take the kids to town.

K4RHU, Jeannie, and her OM Lynn made a hurried weekend trip to Columbus and over into Alabama to collect some home grown vegetables. With the rising cost of food stuffs, Jeannie is blessed to have two freezers. They also got their car painted a bright green and now it looks like new.

Band conditions have made contacts on the Georgia Peach Net rather difficult for those stations under three hundred miles apart, but we are looking forward to the fall.

In the face of rising costs, the Georgia Peaches voted to increase dues to a dollar and a half a year. This will take effect in 1974.

To all in the fourth area we say, let's hear from you on the bands, and keep those letters coming.

The beginning of school brings home travelers. Mary Jo, K5DJS, and OM spent 10 days in southern Mexico. A month's vacation in Wyoming passed part of the summer for Jeanette, WA5VGJ. Lanola "Peggy" W5QWI had a delightful visit with Sarah, KH6CBT, and OM when she visited Honolulu, Hawaii. Bea, K5JGC, attended the Southern Gas Association Convention in Atlanta with her Om. She reports they were "Wined and Dined" and the event included a tour of Stone Mountain for the ladies. Ann, WA5GLM, and family vacationed in Houston this summer--mostly house hunting since they anticipate a move back to the Bayou City in the fall. Deanna, WA5KRI, made visits to Midland and Eastland, Texas, and on the way home detoured by Nuevo Laredo, Mexico. Nancy, WA5ZDI, and OM have been making frequent trips to the Texas hill country since he retired. Martha, WA5WKE, and Sue, WA5FVH, and their families vacationed, camping out in New Mexico and West Texas.

Bea, K5JGC, and family are due congratulations on the graduation of Diane, Aug. 18 from Southwest Texas State University in San Marcos. She holds a BS Ed. degree. Cory, K5UKK, reports her son Charles received his silver wings after completing pilot training at Columbus AFB, Miss. He and his XYL will be in England on a three year tour of duty. Cory is busy with scouting.

Martha, WA5WKE, is working as a church secretary now that all her children are in school. Lillian, WA5WZF, is back at work, recuperating after an automobile accident in March.

Alverta, K5MIZ, has been planning some home re-decorating. Al is looking forward to making some changes in her kitchen. Annie, K5JKV, and OM have almost completed their country home. They had friends out for a visit this summer including Frances, WA5MPM, and Nancy, WA5ZDI. Annie and OM also have a new "little red wagon" (explorer motor home).

Margaret, K5MXO, and OM and daughter, Linda, have enrolled in conversational Spanish this fall. Ellen, living in Austin, will make Margaret grandmother in October.

GAYLARK is busy getting committees set up for the YLRL convention in 1976. Y'ALL COME!

All YLs are invited to the TYLRUN birthday party Nov. 9-10. Sue WB5CUR, (P.O. Box 392, Los Fresnos, TX 78566) is in charge. The party will be held at the Fort Brown Motel in Brownsville, one block from Mexico. The hospitality room will open at 2:00 p.m. Friday. On Saturday there will be a Mexican banquet (\$3.00 a plate). After the banquet there will be a guided tour of Matamoros, Mexico, for a small fee. Be sure to remember to bring an exchange gift (\$2.00 maximum).

We are sorry to hear of the injury of Harriett's, K5BJU, brother when a tower fell with him. We join WHOOT Club in

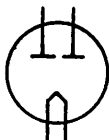

grieving the passing of their president Ruth, K5GNI. Anyone wishing to pursue business with the WHOOT Club should contact Lyn, W5RYX, (8928 Hackney Lane, Dallas, TX 75238). We extend our sympathy to Betty, W5ERH, in the loss of her infant granddaughter, Angela.

By the time you read this, summer will be over. I hope one and all had a nice summer, and all enjoyed their vacations. Soon school bells will be ringing and the fall season will be upon us.

The OM and I will be leaving on an extended trip Sept. 5 and not returning until around the first of Nov. We will be traveling across the states to Washington, D.C. to see our two children and returning via the southern route thru Texas and Phoenix.

Our deepest sympathy is extended to Mary, W6VDP, and her family on the loss of her OM Gene, W6PDL. Gene became a silent key on the 30th of July.

K6KCI, Irma lost her mother in May. We are sorry to hear of her loss and we all extend our Sympathy. Irma just returned home from the hospital after surgery on Aug. 15th, she is doing fine, we all wish you a speedy recovery, Irma.

Maxine, WA6AOE, broke her leg just recently and was in the hospital for three or four days. Hope everthing heals well and good luck on a speedy recovery.

W6YKU, Jackie, is off to England and Scotland this summer to see some of her relatives she has never seen but has corresponded with all her life.

W6YZV, Mable, reports a successful job done on the Powder Puff Derby. One of her helpers was W6QGX, Harriet, who also renewed old acquaintances with some of the pilots she knew when she was flying.

W6NAZ, Lenore, reports she is making a trip to Scandinavia this summer. A three week's vacation from patching Thailand for Army MABS, and recording celebrities for the American Heart Association radio campaign.

W6NLM's luncheon for BAYLARC on Saturday, July 28, was the most successful and enjoyable event of the year. Twelve mermaids gathered around the exquisitely set tables while five BAYLARCs lunched on the patio. The menu included delicious items prepared to perfection and topped off by a gorgeously decorated cake which said "Welcome BAYLARC." Those present included K6DLL, WA6DDB, K6GU, WB6HOJ, and WB6ZZM from the greater Sacramento area, W6BDE, WA6GQC, W6KHM, and WA6PKP from the S. F. Bay Area and two DX mermaids W6CEE from Ft. Jones and K6ELO from Baywood Park. OMs present were W6ESZ, W6NHD, W6HWM, Vern and host W6CP. W6CEE, WA6DDB, K6ELO, and WB6ZZM were attending their first BAYLARC meeting and it was a real thrill to have an eyelash QSO with them. It was also great to have such a fun reunion with those whom we have not seen for a long time. Beulah, we thank you for the delicious luncheon, ideal WX (78°), happy reunion and good time. Reprint from Splatter and W6BDE. Thanks to you all for coming and making it a success.

W6PJU, Mildred, informs us the North County YLRC is only two years old but going nicely. New officers for the coming year are: Pres. WA6KKQ, Genevieve; V. Pres. K6AYJ, Edith; Secy-Treas. K6QPG, Mary. The club is officially affiliated with YLRL and has adopted a foreign YL I8YLS. Best wishes for continued success.

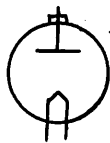

The YLRC of Los Angeles and North County YLRC members met on August 12th in Fallbrook for their annual Picnic at the lovely Ranch home of Edith, K6AYJ, and OM Art, W6EVL. A total of 47 were present including members, guests, OMs and harmonics to share in the good eats, good fellowship, and a tour of the ranch. YLs present were: K6AYJ, WB6ERF, W6TDL, W6YZV, K6BUS, W6JZA, W6JCA, W6QGQ, K6ANG, W6JEP, W6OSL, WA6LWE, WA6QKC, K6JSN, K6MWK, WA6OZS, W6MFP, W6PJU, K6PRN, and W6LBO. Door prizes donated by some of the members of the North County Radio Club were won by WA6LWE, K6ANG, W6MFP, K6PRN, W6OSL, WA6OZS, WA6QKC, and W6PJU and guest Edna Karhu sister of WA6KKQ. The main door prize donated by YLRC of LA, a beautiful fondue set, was won by W6YZV. A prize for an OM, a telephone index, was won by Bill Welsh, W5DDB, OM of a new member of the LA Club, Marie, W6JEP. A wonderful time was had by all, and a "thank you" to Edith and Art for their hospitality.

Just a reminder to all you girls, don't forget Howdy Days, and the Anniversary Party, sorry I won't be here to give Irma and Marsha competition.

Greetings to all of you gals! Hope your summer has been the best ever.

The MINOWS held their Tenth Anniversary "Get-To-Gether" in Coeur d'Alene, Idaho, in May with fifteen MINOWS present: Gwen, W7NOB; Bea, W7HHH; Ethel, W7WLX; Rosella, W7ULK; Beth, W7NJS; Bernice, WA7TPU; Kathi, WA7PUX; June, WA7FRM; Lucile, WA7JFC; Joan, WA7BDD; Verda, K7UBC; Jessie, K7TWQ; Dorothy, W7ONL; Frieda, K7PVG; and

Bobbie, K7RAM. The new officers installed are: President, Frieda, K7PVG; Vice President, Joan, WA7BDD; and Sect.--Treasurer, Pat, WA7GMX. Twenty-nine people attended the dinner at the Iron Horse.

Jane, W7LXQ, and OM Dave, W7GVG, attended a Crab Dinner on Saturday, April 21, put on by the Columbia River Shrine Club and also on April 28th attended annual dinner of Section 2, of Quarter Century Wireless Association at Lewis & Clark Hotel in Centralia, Washington.

Raj, K7NZO, had very serious surgery this spring, and I am told she is coming along very well--the best of everything and much future good health to you, Raj.

Jeanne, WA7MUQ, a new member of YLRL writes that though she loves being in ham radio, her other hobbies include horseback riding, reading, sewing, hunting, fishing, camping, skin diving, oil painting, and also short story writing. She also has two lively young sons, Monte and Jeffry.

Sue, WA7HTE, reports that her husband had a tragic accident at work, where among other injuries, he had a broken leg. We are all sorry you missed the MINOW Anniversary, Sue,

and we all hope the OM improves rapidly.

Kay, WA7LBQ, graduated from Westminster College in Salt Lake City and is now living in S. E. Utah where she is working as Community Health nurse on the Navajo reservation, working for the Utah Navajo Development Council.

Orissa, K7KHU, and her OM have been vacationing in North Dakota.

Bettie, K7BED, and her daughter Marleen flew to Hawaii for a vacation and we hear Bettie rented a hot rod car while there--Hi!

Jean, WA7UQJ, made her trip to Russia with other nurse-anesthetists, and then spent nine weeks touring Europe on her own. Her father, Ray, WB0GQZ, reports that Jean was home about a week and then took off again in her camper being last heard from in Virginia.

Tiz, W7SPA, and her OM Herb, W7RHX, had left on a vacation trip so missed the MINOW party. See you next year, Tiz.

Beth, W7NJS, visited Bea, W7HHH, in Bend, Ore., on August 11 to 15, and also attended the Hamfest at the Bend Armory on August 12th. The YL hams attending were: June, W7RAX; Nina, WN7WGM; Beth, WA7IFS; Jean, WA7KMT; Beth, WA7SDS; Bea, W7HHH; Beth, W7NJS; Dot, K7DLS; Alice, K7RQZ; Jean, W7-SPC; Carolyn, WA7SVV; Phyllis, W7GRT; Sheryl, WN7UMM; Judy, WA7NWW; Ione, W7ZLS. Alice, K7RQZ, was the main YL in charge of the Hamfest and Bea, W7HHH, handled registration. There was a pot-luck dinner, drawing for donated prizes, a few contests, and general visiting. On Tuesday, the 14th, Bea and Beth visited Betty, K7JPI, her daughter, and new granddaughter.

Betty, W7PYX, and daughter Shirley are vacationing in Yellowstone Park, where they will spend nights at Old Faithful and Mammoth Hot Springs, and also plan a side trip to the Grand Tetons.

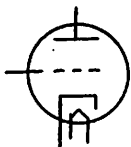

Once again, thanks for all the help in the newsy items sent to me. Willie also spent eight days in the hospital from surgery and a bout with pneumonia. Was off work six weeks but am back and at it again now. Of course, during this time when I truly needed it, my ham rig decided not to work.

Bye for now, gals, and keep those news notes coming.

Vacations are over, school bells will soon be ringing, and all mothers will be giving big sighs of relief. Now maybe there will be more time for hamming.

Everyone in this part of the world has been so busy making news they have had little time to relay it to me! On the Buckeye Belle net Beulah told of her troubles with a balky rotor, which always worked perfectly when the repairman came! Between rain showers she has been painting a barn and also caring for two gardens, her own, which has been doing very well in the tomato department, and another, just while relatives are on vacation. Always busy. Beulah!

Dot, W8ETT, and Mac, W8ETO, have been very busy also. They had just started their vacation in Illinois when they were called back to Wooster because of the deaths of their

last relatives in the area. Soo, they decided to move to Illinois to be closer to relatives there. Arriving in Wooster on Friday, they had a sale on Saturday, and moved on Wednesday. That must be some kind of record! The new home is ranch style, on a lot large enough for several campers. Must be they are hoping for visitors. Mac already has a part-time job, and Dot is considering two job offers.

Bobbie, WA8ARJ, and Bob, WA8ARK, spent a week in California visiting their son and daughter-in-law and getting acquainted with their first and only granddaughter. Bob's first jet plane ride was rather spoiled by poor visibility; all his previous flying has been the do-it-himself kind.

Rosemary, WA8VXE, and whole family spent a week camping at Oshkosh, Wis., in August for the EAA Flyin. We all got kinks in our necks watching the thousands of planes, from the smallest home-builts to the world's largest, the C5A. The kids all had an airplane ride, which was a rather scary experience. Elmer, W9KKK, had his motor home there with complete radio equipment for sending messages back home.

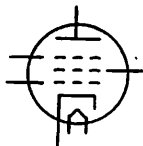

Our local hams enjoyed a too-brief visit from Jo, CR6CA, in June. He was in the States on business but took time out to attend the Sidebanders Convention in Minneapolis, where plans were made for his visit to WA8VXE and others in the area. Rosemary was lucky enough to win the beautiful afghan there at the Convention wihc Elsie, WAØRZF, had donated.

Hope you all had most enjoyable vacations. Full reports will no doubt appear in the Harmonics!

I hope you all had an enjoyable summer and got those beautiful suntans. Time goes quickly by and we find ourselves back to the ole grind when fall is around the corner. As for myself, it's been a working summer with a new house coming up and a new baby.

Happy to report an upgrade in license for Susan Dorris of West Frankfort, Ill. Susan now holds the Advanced class license. Congratulations, Susan, and we know what a lot of work it takes. That Extra class is only one little step, hi.

Another congratulations to Joyce Goodrich of Indianapolis, Ind. from Novice to Technician class. Her call is WB9JHL. And as Joyce says, "How lucky to have a call with the first letter the same as her name." At the moment, she and other YL hams are busy working with a ladies' auxiliary group to promote better feelings for ham radio anywhere they feel they are needed. We can all take pride in hams that devote their time and talent to tell the world about our hobby.

Nine-land is losing a very active and interesting XYL to 7-land. Verna, K9LUI, is moving to Arizona in a few short weeks and she will be missed by all of us. Of course, we wish her the best of luck and know will enjoy that gorgeous Arizona sunshine. So, take note 7-landers, you're gaining a contest winner and active ham. Give her the red carpet!

We added another junior op on May 2. He's named Donald Clyde and came into the world weighing 7# 15 oz., and already he is on his way to becoming a ham--you should hear how he can say dit and dah. Hi, hi.

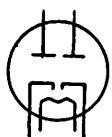

The next major hamfest is in Peoria the middle of September and please do check the ham mags for the exact date. And in February the WCRA hamfest in Wheaton, Ill.

That's about all the news I've gotten from the gals this time. The next issue is for November so please send me some news within the next six weeks. Tell me what you're up to.

The summer is just about finished, although we hope the good weather will remain with us for a while yet. The summer is a time for rejuvenation, but with the numerous activities, besides just the opportunity for getting out, certain things are left to be done at a later time. I trust you have all had a good summer and a pleasant vacation.

No doubt many of you have had a chance to attend a Hamfest or convention. Cathy, VE3GJH, and family attended the Dayton, Ohio, Hamfest in April. It sounds like they had a great time. She took this opportunity to show the YLs there what CLARA (our Canadian organization) is doing. She also attended the Rochester New York, Hamfest and met many YLs there. Bubbles, VE4ST, and family attended the YL International Single Sidebanders Convention in Minneapolis. There were a number of YLs in attendance and they had eyeballs with many of them, including Louise, W3WRE.

The Saskatchewan Hamfest was held the end of June. Five VE5 YLs were present - Mae, VE5OH; Ardice, VE5PS; Elaine, VE5YU; Ebba, VE5DZ and Martha, VE5YY. The weather was favourable and we felt it was a successful Hamfest.

Cathy, VE3GJH, was invited to attend the Yukon and North-West Territories Council Annual Meeting Girl Guides. Members of CLARA had passed about 95% of their messages.

The Canadian YLs seem to have been on the move visiting relatives and friends in other parts of the country and overseas. But even with all this travelling they have maintained their activity on the air. I notice that Noreen, VE1AIB, is using the Centennial call CI1AIB. Be watching for her and

try for the rare call. A number of YLs are planning to attend the National Convention in Charlottetown, P.E.I. in September.

The group at the Queen Elizabeth Hospital, VE5QEH, have been active recently. They spent an evening at the Royal Ontario Museum. They had a great time scooting about in their wheelchairs looking at the exhibits. They had a successful Garden Party at the hospital in June, and during the visit of Queen Elizabeth and Prince Philip to Toronto they were able to go down to City Hall to see them.

Ruby, VE5YW, won the Saskatoon CNIB Public Speaking Contest. She also rolled the high triple for blind bowlers at the provincial tournament.

By the time this copy reaches you we will be well into the swing of fall activities. I trust you will have a good season.

# YLRL and YOU

As a member of YLRL, you may expect some added enjoyment, interest and satisfaction in your already-fascinating hobby. Most of us feel this is true - although to each of us it may mean something different. Like most activities - you will get out of it just about what you put in. So here are a few suggestions for helping YOU and YLRL to enjoy each other.

**OPERATE!** Try to budget to allow for plenty of time on the air. Do some adventuring and try everything - you'll find YLRL members in all branches of our hobby. Perhaps the only thing we all have in common is that we are all licensed YLs - but what a wonderful variety of interests we bring to our organization - Traffic Handling, Public Service, Civil Defense, Contests, Awards, DX, etc., on AM, CW, SSB, FM, and RTTY - to say nothing of the infinite benefits derived from just plain gal-to-gal rag chewing and the resulting friendships.

**PARTICIPATE!** You are always welcome in any YLRL activity. Come on in - the YLs are anxious to meet you. You probably know the local YL nets in your area - listen in, and join up. Nets provide the easiest way for you to meet other YLs and give you a chance to qualify for the various YLRL awards. And don't miss the contests.

**APPRECIATE!** Each year, about 30 members give their time and energies to the necessary jobs of administration, publicity, editing and writing for YL HARMONICS, contest log checking, certificate custodianship, acting on committees and as District Chairmen in their areas. They do this for you and deserve your help and consideration. They are happy to do this, and enjoy the work - and when you have qualified with two years' membership you should consider taking part in this way. When the Nominating Committee asks you to run for an office, say "Yes" - because this is the way to become a real part of YLRL. Don't hide your talents - we need them!

**COOPERATE!** As mentioned above, the administration of YLRL is by unpaid volunteers - busy gals, even as you and I. There are several ways to cooperate with them and make their jobs easier and pleasanter - and to help them do more for you. Please pay your dues promptly each year on March 1 so that the membership lists may be completed and you will be assured of receiving all the issues of YL Harmonics for which you pay with your dues. And please reserve criticism until you have contacted the person in charge and have given her an opportunity to correct whatever it was that made you unhappy.

Well, that's about all it takes - the same rules for happy human relationships that apply everywhere - but they seem to be even more rewarding in Amateur Radio. Remember, we're all on the air because we enjoy it - and what we add to the others' enjoyment will inevitably reflect back and add to our own. Hope YOU and YLRL will operate together for many happy years.

Sorry that there is no district news again this time from Ø-land--and none from KL7-land, either.

## *Congratulations*

A belated congratulations to Mary Garlow, K6QPG, who got her Advanced class license four years ago in 1969.

Our congratulations also go to Joyce Goodrich, WB9JHL, for having achieved Technician class license and to Susan Dorris, WB9JIO, for having achieved Advanced class license.

Special congratulations go to Ruth Schlitt who recently passed the Technician test and is now WA2RIX. Ruth has been a long time member of the New York City YLRL Club and has been a subscriber to YL HARMONICS for many, many years.

## *Sympathy notes*

From YLRL, our sincere sympathy to Hilda-W4HWR on the loss of her OM Joe-W4EFG. Joe became a Silent Key on August 5, 1973.

Hilda wishes to convey to all members of YLRL her sincere thanks for your cards and letters. They helped her greatly.

Our sincere sympathy also to Mary-W6VDP on the loss of her OM Gene and to Diana-WB4QQY on the loss of her OM George. Gene became a Silent Key on July 30, 1973, and George became a Silent Key in June.

## **THANK YOU.**

Irma, K6KCI, had surgery on August 8th. A note from Irma says that she seems to be recuperation OK. Irma received so many cards and notes that she just can't begin to thank everyone individually, and wishes to express through YL HARMONICS her deepest appreciation for these many cards, good wishes, and prayers.

## WHAT TO DO WITH 13 YEARS WORTH OF QST!

Here's a solution sent in

by Anna, WA6TGK

Brown Stain	1972	1973 QSTs
Light	1970	1971
Brown Stain	1968	1969
Light	1966	1967
Brown Stain	1964	1965
Light	1962	1963
Brown Stain	1960	1961

"We finally found the ideal solution. We bought some inexpensive pine shelving which we constructed into open ended boxes, each box the right size to hold one years' QSTs. For the added eye appeal, we stained half of the boxes dark brown and varnished the others, then we alternated them in two piles. They are easy to make, inexpensive, rearrangeable, and so handy!"

ANSWER IN NEXT ISSUE

A THANKFUL HEART

Take nothing for granted, for whenever you do  
The 'joy of enjoying' is lessened for you -

For we rob our own lives much more than we know  
When we fail to respond or in any way show

Our thanks for the blessings that daily are ours  
The warmth of the sun, the fragrance of flowers,

The beauty of twilight, the freshness of dawn,  
The coolness of dew on a green velvet lawn,

The kind little deeds so thoughtfully done,  
The favors of friends and the love that someone

Unselfishly gives us in a myriad of ways,  
Expecting no payment and no words of praise -

Oh, great is our loss when we no longer find  
A thankful response to things of this kind,

For the Joy of Enjoying and the Fullness of Living  
Are found in the heart that is filled with Thanksgiving.

## YLRL INFORMATION

Dear YL:

We would like very much to see your name on the membership list of the YOUNG LADIES' RADIO LEAGUE!

YLRL, organized in 1939, is the only organization of International scope exclusively for women amateur radio operators. Our aim is to promote good fellowship and to share our mutual interest in amateur radio. You will find that YLRL puts more fun into our hobby. YLRL is a non-profit organization comprised of women amateur radio operators, incorporated as such, under the laws of the State of California. The following notes tell briefly about membership, dues, activities, etc., and will give you an idea why you should become a member.

YL HARMONICS - official publication of YLRL, is published by and for the members of the Young Ladies' Radio League, and comes to you as part of your membership. YL HARMONICS is published bi-monthly and is loaded with YL news from all over the world. Rules for, and winners of, our five annual contests are announced; the requirements for our popular YLRL sponsored certificates are listed periodically, as are listings of various YL Nets. Messages of activities and progress are brought to the membership from the officers, and complete lists of officers, committee chairmen and certificate custodians appear in each issue. Once a year a Directory, giving calls, names and addresses of the hundreds of members is published--a valuable addition to the ham shack of any active YL.

DUES - are \$3.00 per year, due and payable March 1, and are delinquent March 31. For NEW and FORMER members joining after August 31, the dues may be pro-rated by half the annual dues for that fiscal year (currently \$1.50). Dues for DX members: \$3.50, and may not be pro-rated. FAMILY MEMBERS: When More than one YL in a family, living at the same address, joins YLRL, the first pays the full dues and the second and subsequent members each pay \$1.25. Family members are entitled to all privileges of membership, except that only one copy of YL HARMONICS is mailed to a family. Subscriptions by non-members: \$3.00 per year, and may not be pro-rated.

We would WELCOME your support--and you would enjoy your membership and subscription to YL HARMONICS--so please use the membership application on the reverse side of this page...and let's get together!

Vy 33,  
YOUNG LADIES' RADIO LEAGUE, INC.

\*\*\*\*\*

IN FILLING OUT THE APPLICATION ON THE OTHER SIDE, PLEASE BE SURE TO STATE WHETHER OR NOT YOU HAVE EVER BEEN A (FORMER) MEMBER OF YLRL OR A NEW MEMBER JOINING FOR THE FIRST TIME. ALSO, THE YL WHO IS SPONSORING A NEW YL FOR MEMBERSHIP, PLEASE SIGN YOUR NAME AND CALL IN THE SPACE PROVIDED FOR THIS.
