## CONVENTION RADIO STATION

W6MWO was the call of Helen Cook, President of YLRL in 1946-47, and as a memorial to her we are using it on this occasion. YLRL was very dear to Helen's heart, and she contributed much to its development. She would be very proud, we believe, to have her call on the air during this happy celebration of our 33rd Birthday. Helen was also a member of the Young Ladies Radio Club of Los Angeles. She became a Silent Key in 1950.

## STATION EQUIPMENT

We deeply appreciate the cooperation of our good friends who have made it possible for us to have this station available during the convention.

So here is a warm 'thank you' to Swan Electronics, Inc. and to Henry Radio for the f.b. operating set-up; and to the Long Beach Radio Club and Tom Cunningham - W6PIF - for the use of the antennas. And, in advance, we want to thank all our OMs and others who may be called upon, as usual, to KEEP US ON THE AIR!

Be sure to take your turn at the rig.

# PROGRAM

It was Gladys Eastman - W6DXI - a member and Past-President of YLRC-LA, as well as YLRL, who first urged us to host the 1972 Convention. Gladys became a Silent Key on May 12, 1970 and will be missed by all of us as we gather together.

## ACKNOWLEDGMENT

The Young Ladies Radio Club of Los Angeles wishes to express its appreciation to all who helped make this convention possible. It has been our pleasure to give you this YLRL Sixth International Convention - but we couldn't have done it without your help.

We gratefully acknowledge the faith and patience, the many cash donations, prizes, hard work and other considerations given by our friends, near and far, the YL Clubs, our OMs, and our own members.

A special 'thank you' to Mable Field - W6YZV - and her daughter Judy who did the ceramic work on the lovely souvenir Birthday Pins you all received. The framing of the pins was the contribution of the North County YL Radio Club

And our affectionate thanks to you all for joining us. We hope your pleasure has been as great as ours.

33,

YLRC of LA

## YLRL SIGNS AND SYMBOLS

Our emblem was designed by our Founder early in YLRL history. Ethel - K4LMB - says she chose the deep blue and silver "because she liked them."

Clara - W2RUF - signed "33" even before YLRL days, and it was adopted by YLRL in 1940. It means "Love sealed with friendship between one YL and another YL."

Nita - W8TAY - was the one who suggested QRV - I AM READY as YLRL slogan in 1940.

In 1954, YLRL held a contest to choose a cover design for YL HARMONICS. Viola - W2JZX - was the winner with her 'YL Sitting On Top Of The World' and it has been used ever since that time.
