A convention is more than formal programs.  
It is meeting old friends and making new ones.  
If you have done this, then we will rate our  
efforts a success. We worked hard, spilled a  
few tears, but we feel it was worth the effort!  
We hope you do too!      Christine, WB2YBA

## YLRL SIGNS AND SYMBOLS

Our emblem was designed by our Founder early in YLRL history. Ethel - K4LMB - says she chose the deep blue and silver "because she liked them."

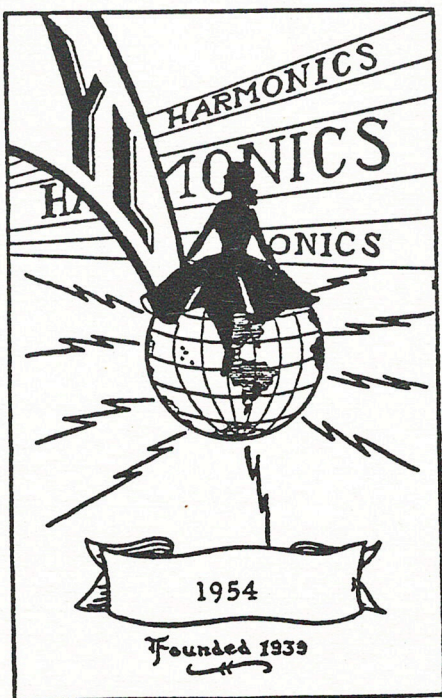

Clara - W2RUF - signed "33" even before YLRL days, and it was adopted by YLRL in 1940. It means "Love sealed with friendship between one YL and another YL."

A solid black square with the number '33' written in a large, white, serif font in the center.

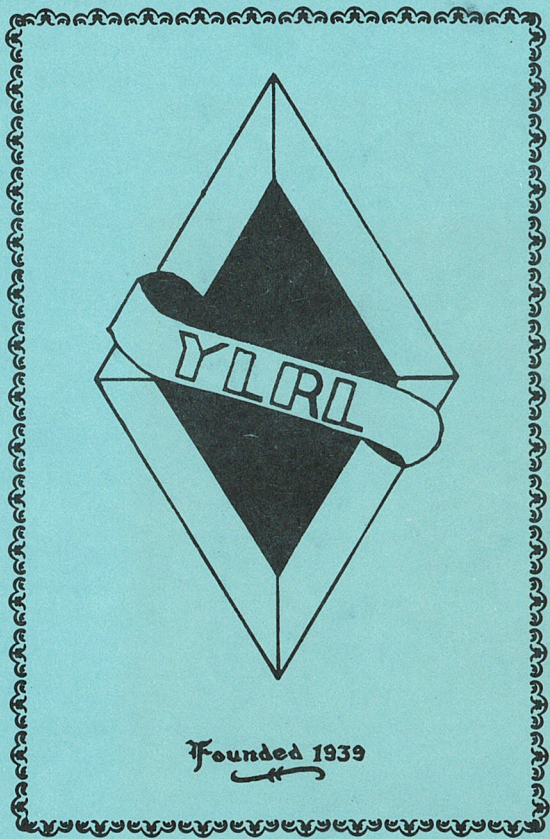

A solid black square with the letters 'Q R V' written in a large, white, serif font in the center.

Nita - W8TAY - was the one who suggested QRV - I AM READY as YLRL slogan in 1940.

In 1954, YLRL held a contest to choose a cover design for YL HARMONICS. Viola - W2JZX - was the winner with her 'YL Sitting On Top Of The World' and it has been used ever since that time.
