PRESIDENT'S WELCOME

It is a great pleasure to welcome you to the 9th International Convention of the Young Ladies' Radio League. Convention '82 provides a forum to discuss matters of importance to the membership, to evaluate our progress toward achievement of the goals and purposes for which YLRL was formed, and to revitalize our commitment to them. Because our meetings are only held every three to four years and our members are located all around the world, your attendance at Convention '82 is especially significant, and your participation is very much appreciated.

Past conventions have provided our members with opportunities to strengthen the ties that bind us together. Not only increased dedication to the purposes of our organization has resulted, but old friendships are renewed and new friendships are formed during these very special meetings. Convention '82 promises all this and more. For it is your renewed enthusiasm and the information taken back to the local YL clubs and the individual YLs that will promote the continued success of YLRL and its policies.

We all share a common interest in YLRL's welfare, and your presence at Convention '82 is most welcome. Thank you for coming. And on behalf of all YLRL members, I would also like to extend our sincere appreciation to Convention Chairwoman Ethel Smith, K4LMB, the WAYLARCS, and all those who have helped make Convention '82 a reality. Thank you for the long hours of planning and preparation to ensure that everyone will enjoy this special time.

33,
Jay, WAØWOF

WELCOME

The Washington Area Young Ladies' Amateur Radio Club extends a cordial welcome to all. We hope you enjoy this 9th International convention of YLRL - and sight-seeing Washington D.C. and surrounding areas.

It is great getting together with friends we have worked on the air and meeting new YLs we haven't contacted previously. We are especially happy to have the DX YLs join us on this occasion. They have really made it an international convention.

Many thanks to all who have worked to make this gathering a success.

Irene Akers, W3RXJ
President WAYLARCS

GREETINGS

Greetings to all the YLs and guests attending the 1982 YLRL Convention. The Washington Area Young Ladies' Amateur Radio Club has been busily engaged in preparation for this affair for more than a year, and I am sure it will prove to be a memorable one for each of you.

My own involvement in Amateur Radio dates back to a time when YLs in the game were few and far between. They were taking part in a technical activity that, for girls in those days, was not considered ...well... appropriate. Yet we OMs had to admit that many of them were better at it than we were! We quickly learned that they were remarkable people, too.

Now the statistics tell us that we are experiencing a greater gain, percentage-wise, in the YL newcomers to Amateur Radio than the OMs, and that your number is well over 20,000.

If there is anything at all lacking in Amateur Radio, it is that we still need many more of you. I wish I could have been with you during your convention.

73 and 88,

Vic Clark, W4KFC

(The new President of ARRL)

YLRL SCHOLARSHIP FUND

One of the YLRL's most worthwhile endeavors is the \$300 Scholarship we offer each year to any YL pursuing studies in electronics or communications or related sciences. This fund is administered by the Washington D.C. Foundation For Amateur Radio.

Every effort is being made to keep our scholarship money growing, with the goal of eventually making this a self-perpetuating fund. As a special project, we have been issuing receipts for each \$1.00 donation. If you are the holder of one or more of these receipts, be sure to visit our table in the Hospitality Suite.

Many of our members have made most generous donations to the fund during this special project. Space in this program book is too limited to list all of your names, but we want each of you to know that YLRL is very grateful. We would also like to thank those of you who have done such an outstanding job of promoting our project at your club meetings, hamfests, and wherever Hams have gathered. Our thanks to all of the clubs that have sent donations. All of you have truly helped make this project a success.

VISIT THE SCHOLARSHIP TABLE
IN THE HOSPITALITY SUITE

We would like to extend a special welcome to the Board of Directors of the Quarter Century Wireless Association who are meeting in conjunction with the YLRL convention.

Stu Meyer, W2GHK - President
Leland Smith, W5KL - Vice Pres (OM of WA5WAR)
Hugh Turnbull, W3ABC - Secretary
Wes Randles, W4COW - Treasurer (OM of W4GXZ)
Max Arnold, W4WHN - Director
Larry Harvey, W4LY - Director
Ron Hessler, VE1SH - Director
Leo Meyerson, WØGFQ - Director
Ethel Smith, K4LMB - Director (YLRL Member)

There will be an Open Meeting from 4:30 - 6:00 p.m. in the ^{Rm. 421} ~~Board~~ Room.
All QCWA Members are invited to attend.

PRIZES

Main Door Prize: ICOM IC-2A Two Meter Transceiver

Scholarship Prize: YAESU FT-208 Two Meter Transceiver
And Many More

Drawings for the major prizes will be held at the Saturday night banquet. Winners do not have to be present. All prize stubs will be included for this drawing, whether you have won a smaller prize or not. First prize will be selected first but announced last.

Awarding of the Scholarship Fund prize will also be made at the Banquet. Winner does not have to be present. See Scholarship booth in Hospitality Suite.

Drawings for smaller prizes will be held at meetings throughout the convention and winners will be posted on the bulletin board.

Tickets must be presented when claiming smaller prizes. In order to be eligible to win any of the transmitting equipment, the winner must hold a valid amateur license or there must be a licensed amateur in the immediate family.

Cards are being provided for acknowledgement of the major prizes. We would appreciate it if each winner would drop a note of appreciation to the people who provided the prize.

All decisions of the Prize Committee will be final.

THANK YOU

We wish to express our appreciation to the firms and individuals who donated prizes and prize money and made special discounts available:

EXTENDED PROGRAM

For those who are staying over into the next week, we have scheduled a couple of additional tours.

On Monday, June 21, there will be a conducted tour of the Pentagon and the State Department. We will visit the Amateur Radio stations at both places.

On Tuesday, June 22, there will be a tour of the Voice of America and the Federal Bureau of Investigation. The number of people on these tours is limited.

ETCETERA

When you are sight-seeing on the Mall, be sure to stop at the Museum of American History at 14th and Constitution and visit the Smithsonian Amateur Radio Station NN3SI. The station is located in the West wing, second floor, opposite the display of FDR and George Washington.

Be sure to visit our own Convention Station, W3CDQ, in the Hospitality Suite, Room ⁴⁰⁵~~419~~. Get your special QSL card. This is the station of our famous "Liz" Zandonini.

Thursday evening, don't miss the talk by W6BIP, "Bip" Backman, on the subject of "Simple Methods Used to Reduce HI-FI, TV, Radio and Telephone Interference." This is a subject that is of importance to all of us. Bip is a well known authority on the subject and has a great deal of valuable information to provide. Salon BC at 7:30 p.m. Thursday.

Friday evening, Jean Chittenden, WA2BGE, will give a slide show on her recent trip to China. You won't want to miss this. Salon BC at 7:30 Friday.

We are also expecting some presentations from our DX YLs on Saturday. Usha, VU2UGI, has offered to give us a demonstration of classical Indian dance. Some other interesting plans are developing.

Watch the Bulletin Board for announcements and listing of Prize drawings throughout the convention.

YLRL SIGNS AND SYMBOLS

Our emblem was designed by our Founder early in YLRL history. Ethel - K4LMB - says she chose the deep blue and silver "because she liked them."

Clara - W2RUF - signed "33" even before YLRL days, and it was adopted by YLRL in 1940. It means "Love sealed with friendship between one YL and another YL."

Nita - W8TAY - was the one who suggested QRV- I AM READY as YLRL slogan in 1940.

In 1954, YLRL held a contest to choose a cover design for YL HARMONICS. Viola - W2JZX - was the winner with her 'YL Sitting On Top Of The World' and it has been used ever since that time.

The following proposed changes to contest rules have been submitted by YLRL members and will be discussed.

- * Abolish low-power multipliers
- * Change scoring in YLAP
- * Combine CW and SSB portions of DX-YL to NA-YL
- * Allow credit for contacts on each band worked in YL-OM
- * Give double credit for CW contacts

The following suggestions for improving contest participation will also be examined.

- * List suggested frequencies will list some suggested ones
- * Schedule contests on weekends for working YLs standardized logs
- * Appoint a YLRL Contest Publicity Agent in each continent
- * Publish current propagation information in YLH
- * Encourage operation on 15, 40, and 80 meters
- * Discourage net-type QSOs where 3rd-party helps establish contact.
