Y-L-Harmonies 444

Jan. Feb. 1944 - Issued by Young Ladies' Radio League

Pres., Mrs. Dorothy W. Evans, W1FTJ, Box 312, Concord, New Hampshire.
 Vice-Pres., Elizabeth M. Zandonini, W3CDQ, 3633 Everett St., N.W., Washington, D. C.
 Sec.-Treas., Mickey Marglin, W9ZTU, General Delivery, Fort Knox, Kentucky.
 Publicity Chairman, Anita Bien, Route 4 Box 110, Chagrin Falls, Ohio, W8TAY.
 Editor, Judy Carsway, W5FJW, P. O. Box 497, Monroe, Louisiana.

A radio engineer is a person who passes as an exacting expert on the basis of being able to turn out with prolific fortitude infinite strings of incomprehensible formulae calculated with micrometric precision from vague assumptions which are based on debatable figures taken from inconclusive experiments carried out with instruments of problematical accuracy by persons of doubtful reliability and questionable mentality for the avowed purpose of annoying and confounding a hopelessly chimerical group of esoteric fanatics referred to altogether too frequently as practical radiomen.

THE CORCORAN CUP

The attractive YLRL cup donated by WSTPZ and her OM, Corky, seems to be mixed. It was won in the first Anniversary Contest by WLFUJ. When Marie shipped it to Dot, it arrived damaged and had to be repaired. The second Anni Contest revealed its winner as W5EWN, Jessie. (It has to be won in three Anni Contests to become a permanent possession of any YLRL'er.) Now here's the really tragic news, which involves more than just the cup.

In June 1943, lightning struck W5EWN's Arkansas home and destroyed the interior of two rooms and, of course, in a ham's house it would include the radio shack. Her transmitter and receiver were rendered useless but what bothered Jessie most was the loss of all her trophies - her YLRL cup, her many tennis trophies accumulated over a period of time, and her QSL's, etc. I guess any YL would rather have her had burned than her collection of QSL's and trophies. We all sympathize with her.

Jessie and Marie both have tried to replace the cup but, due to war conditions, this is at present impossible; however, there are still several irons in the fire. Jessie will replace the Corcoran Cup and you can bet your sweet life she'll give anyone a race for his money in an attempt to hold it forever. (WLFUJ, please note - hi!)

IMPORTANT!!!!

Our Constitution states that in each April issue of our club paper, a list of the officers to be elected with the rules for their election shall be printed. We are now printing HARMONICS but once in two months and so are necessarily forced to ask for your nominations now. It will save time if you will signify your choice for your own District Chairman, as well as for President and Vice-President. So, please, let's get down to business, girls, and send in your nominations for PRESIDENT, VICE-PRESIDENT and DISTRICT CHAIRMAN, to:

Mickey Marglin, WQZYU, General Delivery, Fort Knox, Kentucky.

These will all be recorded and printed in the next issue, at which time votes will be cast so that the new officers can take office July 1st. PLEASE SEND your nominations in to Mickey without delay! Let's make this a lively contest, girls.

CONSTITUTION COMMITTEE

Our officers are now working on the revised Constitution. WBTAY, Nita, is typing up the ideas submitted and a copy will be sent to all on the committee. All suggested revisions will ultimately go to all members for a vote. Any last minute ideas still welcome. An addenda can easily be typed. Anyone still desiring to serve on committee, please voice such request by post card to the Publicity Chairman, but do so promptly, please. All members should have copy of present Constitution; if not, please advise Secretary and she will send one to you.

DISTRICT NEWS

The Editor offers no apology for the dirth of District News in this issue. It is always a pleasure to every member to have lots of news about all the other members, and it is, or has been, about the biggest single item in the YLH each issue. How am I going to print the news if I don't get it???? I am certain the D/C's are more than willing to send in a report each month to the Secretary, if they can just get the news from the individual members. Will you please, therefore, send in just a little scrap of something for the next issue? Thanks!!!!

Since the news is so scarce for this time, I will make a more or less combined report to cover all Districts, and still arrange it so that you can pick out your own District with ease. Here goes:

W1KUI is wondering how to get the members of the first district to send in news. The garden is now occupying her spare time.

W1GOT has been enjoying lobster and steak dinners - on her sister-in-law's points. By the time this goes to print, she may be in New York on a visit.

W1MVX has recently joined our ranks again after a rather long absence. Welcome back, Ruth.

W1MRC is enjoying the thoughts of summer and that swimming and boating.

W1ZR takes time out from her many duties to play bridge occasionally.

W1MZH/3 is finding it difficult to resist buying things that she doesn't really need. Mary gets out of work earlier now and has to pass right by the most tempting store windows.

W1LSPH (someone failed to supply the handle) is taking lessons in typing at evening school so eventually she will be able to take code via typewriter.

W9JXF/1 is the proud mother of Daniel Willard Davis, born March 2, 1944. The father of the baby is now Captain Norman Davis, stationed in Missouri for a short while.

Congratulations to you, Mona!

W1FTJ, although appearing last in this list, is far from the least! We have no report from the D/C on Dot, but she was kind enuf to send the Ed a pic of her son, and a mighty fine looking lad he is, too. He just celebrated his second birthday on Feb. 25th, and we wish him many, many more happy ones!

W2NSL has been very ill but we're happy to report she's now getting back in form again.

W2LSPH Martha Truman does volunteer work at Red Cross and for AWVS and USO War Loan drives; bowls with her company's league.

W2LSPH Ann Gray was a high speed telegraph op during World War I and switched to International code during emergency of 1941. Her husband, daughter and son (who is radio gunner in Navy) all are radio operators. Her husband holds first class phone & first class telegraph licenses.

W2LSPH Bea Austrian tells us that she has a full time job being Chairman of her local Girl Scout Committee! FB, Bea.

W4BPK is ripping apart her CM's suits and making them over for herself! Agnes says her CM sits on the side lines biting his nails!!!! She has been taking a course in dressmaking and doing some knitting on a sweater suit, too. Busy gal, eh what? We understand Agnes spent Xmas arguing with a flu germ and finally came out winner.

W1GWT Gladys has spent the last month trying to get rid of a cold, laroche and infected sinus; continues to study "Radio" and hopes to put her own station on the air after peace comes.

Secretary's Note: Your fourth district chairman appealed to ye ole Sec'y for suggestions as to how to get the members of her district to send in their monthly news items. Come on gals, get behind your D/O so she can have a good showing in Harmonice. We are interested in what you are doing.

W5LKC is teletype op for the Phillips Petroleum Co; she has been with them for 12 years this coming June.

W5HMK Jessie has just finished coaching two friends for their examination for ham tickets. They were to take their exam on April 19th and Jess feels sure they will pass with flying colors. She is still very active in her Red Cross work, besides her secretarial work in a law firm.

W5FJW now averages six full days a week at her job, puts in a great deal of overtime, and manages to keep up with most of her social and other obligations....ha.... is still interested in Little Theatre work and is doing make-up on the current play - Junior Miss.

W6TAY, since Dec. 7, 1941, has put in about 800 hrs. with Aircraft Warning Service and also took a course in plane identification and has put in about 1000 hours for Red Cross sewing and knitting; has victory garden in summer.

K6ROJ never got the apples sent by W6TAY but more will be sent to her soon, after a check-up with the P/O. Ella's tongue is hanging out for apples from the states - how about it, gals?

W7HDS is Engineer at KPBC; she makes recordings for delayed broadcasts, handles re-remotes of sports, church programs, army shows, etc.; holds down 8 hr. shift at transmitter.

W7HHH and CM Carl now have a home recorder. (Just in case you gals wanta know, Ye Ed, W5FJW, is much interested in securing a home recorder - any ideas????)

W7ZHU is back in Portland, Oregon. W7HHH says her QTH is 4036 N. E. Hassalo, Portland, 13, Oregon.

K7HUT and CM have been taking movies of Alaska scenes, especially game pix.

W3SBB Mary Bamberg is back at Brush Development Co., Cleveland, and says she was glad to leave crowded Washington; she's an expert weaver and is entering three lovely mats for the May Art Show.

W8UCY Ensign Carol lends a willing ear to hair-raising tales told by torpedoed sailors recuperating at the Norfolk Naval Hospital.

W8PZA - take a look at last QST and see the nice picture of Mil, who is active in the Cleveland WERS group.

W3VPL Martha Lee is busy prettying up her new home.

W3TFZ Marie has fingers in more pies than you can get into a single oven.

W6TAY has been busy pruning all her bushes; says the sun shines one day and then next day (or even the same day) finds a carpet of snow on the ground; says Cleveland has had all kinds of weather lately, but mostly bad - hi.

W8UDA wishes all the gals would send a post card to her so she can include many other names in next YLH issue.

W9HEX, so we are informed by W7HHH, is living in Glendale, Calif.

W9HEX advises that she's now working for Majestic Radio, supervising aligning and electrical testing. Betcha it's interesting....

Calls of YLs and their OM's. In a later issue we will print calls of brothers, fathers, uncles, etc., of our YL members.

Just as a thought from Ye Ed, let's see how many YLs not on this list can add themselves to it after the war! Ye Ed is pretty sure she can do it! Her OM is definitely interested.

YE ED YELLS AGN!

Well, gals, this issue marks another milestone in the tenure of office held by Yours Truly. And it's a mighty slim one, too. Seems like you gals just don't want the world - pardon me, the other YEs - to know what you-all are doing. At least, it looks that way from here, considering all the news we got to print this time.

I reckon we have all of us been trying to figure out ways to learn more about what is happening to all our members. I know for a fact that we have here, and have considered and rejected many plans. We have finally decided to stick to one for more than one day and see how it works out. So, here goes:

I am sending along with this issue, one to each member, one penny postal card. I am not going to address it, cause you might not want to send in any news about yourself. In that case, the card will not be wasted and you can still use it to write a note to your Mom or Sis or your best Bea u. So, I am asking that each and every one of you who finds a card enclosed with this paper to pen a few words about yourself and send it to someone.

You will find on the front page a list of names and addresses of the officers of the club, together with mine. I am now going to list for you all the District Chairmen so that you can send your card to your own D/C if you so prefer. All I ask is that you send the card, with some news.

- 1st D/C - Ellen Hastings, WIKUI, 86 Central Ave., E. Hartford, Conn.
- 2nd D/C - Charlotte A. McCaffrey, 217 Tuttle Ave., Spring Lake, N. J.
- 3rd D/C - Pauline Ann Raser, W3HVO, 315 Beechwood Ave., Trenton, N. J.
- 4th D/C - Gladys Garland, W4GWT, WJHL, RFD #4, Johnson City, Tenn.
- 5th D/C - Jessie J. Hart, 304 W. Oak Street, El Dorado, Arkansas.
- 6th D/C - Helen R. Cook, W6MWO, 152 S. Reeves Drive, Beverly Hills, Calif.
- 7th D/C - Ann Webster, W7HYO, 511 F Street, Rock Springs, Wyoming.
- 8th D/C - Dot Willett, W8UDA, 3513 Fleming Road, Flint, 5, Michigan.
- 9th D/C - Esther L. Davis, W9EPW, 1006 Hugh St., Ft. Wayne, Indiana.

You will notice I have not included the 10th and 11th Districts and the reason is, of course, that a one cent postal card can not be mailed from Canada or England to us in the U. S. At any rate, I am sure the girls in those Districts will cooperate all they possibly can in sending in the news.

To save you more postage, if you have a nomination to make for officers for the new year, you might also include that on your card, sending it, of course, to the proper officer of the club - Mickey Marglin, Sec.-Treas. Don't forget to send in your nominations immediately if you have any to make.

Here's hoping you girls will support the officers during this new year of our Club, and I want to say "The best of luck to you all, and God Bless You."
