

Y L
HARMONICS

VOL. XIV

JULY-AUGUST
1954

NO. 5

President's Message

It is a great honor for me to be the president of YLRL; I shall do my best to make this a successful year.

My apologies to you for the late arrival of the Officers' Bulletin -- it was unavoidable, I assure you! The response has been very good, despite the late arrival, summer vacations, etc. Most of the ones that have been returned include a little personal note, which we read with great interest. Two girls, K2AMZ and W4UDQ, sent a total of \$3.00 to help share the expense of the bulletin -- tnx girls!

Several of you asked, "In view of the Treasurer's report in the May-June issue, why are we in need of more money?" It is the concern of all members, and I believe in keeping you informed: That balance, \$418.35, was as of June 6, 1954, before the printer's bills were paid for the Mar.-Apr. and May-June Harmonics. The bill for Mar.-Apr. was \$105.50, and May-June is about \$145.00. That leaves an approximate balance of \$168.00 to operate with until the new dues come in -- or until some of the other plans start to pay off. It is my belief that the printed Harmonics is worth the money, in appearance and legibility, and hope to be able to continue having it printed. But, as you can see, the size of this issue has been cut to conform more with the size of the treasury -- we're trying to keep the cost of this one within \$50.00. It will be of interest to you to know that this issue is being printed on the West Coast, by the OM of one of our members, W6NJJ, Don, and Eleanor, W6SGL, Lovelee. His prices are within our budget, and he is trustworthy. Peg was given lots of headaches by the fellows doing the printing and they are the reason Harmonics have been so late.

Peg has the information regarding some of the other plans elsewhere in this edition. Which brings me to pointing with pride to the wonderful line-up of sister-officers. Everyone I have contacted since I have been notified of my office has been most cooperative; it is really appreciated! The most of us, except Miriam -- bless her heart -- are newcomers to YLRL office, and are still fumbling for the ropes. We hope that we are organized enough, so that your Sept.-Oct. Harmonics will reach you by October 20th. I shall be happy to hear from any of you. Again thanks for the honor of being your president!

Flash!

Due to the late printing of Harmonics we are able to announce that the LA YLRC has decided to sponsor a YLRL convention next year. More details in next issue.

YLRL OFFICERS

President: Vada Letcher, W6CEE, 1214A Franklin, Santa Monica, California

Vice-President: Gilda Shoblo, W6KER, 3715 Liberty Blvd., South Gate, California

Sec.-Treas.: Miram Blackburn, W3UUG, Ingomar, Pennsylvania

Assist. Sec. in charge of subscriptions: Beulah Barrick, W4DEE, 903 Moly Drive, Falls Church, Virginia

Publicity: Gloria Matuska, W9YBC, 2322 S. 2nd. Ave., North Riverside, Illinois

Editor: Peg Ferber, W3RXV, RFD 2, Slatington, Pennsylvania

Also welcome to Miriam Reinhardt, W3TYC, P. O. Box 126, Emporium, Penna., as Third District Chairman, and Carol K. Witte, W6WSV, 1625 Raymond Hill Road, South Pasadena, Calif., as Sixth District Chairman. Congrats to Patricia Parks, W5TTU, RFD 1, Rotan, Texas, as Nominating Committee Chairman. It is not too early to start thinking about candidates for next year's officers.

EDITOR'S NOTE

I hope all of you received the Address Label Coupons and will make use of them. If you haven't received one, please write me. Bear with us on this small edition -- due to our financial situation, in future editions we will be carrying advertisements, to help offset the printing expense. We will carry commercial advertisements, as well as personal ads. Organizations will be able to advertise any ham activity, individuals can tell us about any ham gear they have to sell or swap, QSLs -- anything within reason will be accepted for the personal ads. At 5 cents per word, they should be within everyone's financial limits. We reserve the right to accept or reject Ads. Full payment must accompany copy, payable to our Treasurer, W3UUG. If you girls can secure any commercial advertising, wonderful! Just quote the following prices, get the ad and money, and send to Loreli Johnston, W3SVY, Advertising Chairman, 224 Margery Dr., Pittsburgh 38, Penna.: \$15.00 per page; \$8.00 - half page; \$4.00 - quarter page. Checks or money orders shall be made payable to Miriam, W3UUG, our treasurer.

In order to make Harmonics more enjoyable, we will try to install several new sections. Among them are: a DX Corner, a Traffic Corner, Humorous Incidents - concerning ham radio - , Novice News, and any other suggestions that might come in, we'll try to add them all. Are you girls in favor of the above suggested additions? What would you like to see in Harmonics, that is not in now? Short stories? Poems? It's your book, we want to make it even more worthwhile, if possible.

Peg, W3RXV

NOVICE NEWS

Gilda, W6KER, passes this query along to the Novices: Do you want a Novice Contest? If so, write her and she will arrange one.

YLRL BUSINESS

All members should have received the Officers' Bulletin which broached the idea of a YLRL Convention. Opinions will be tabulated and results announced later.

Also, plans have been formulated to conduct a MEMBERSHIP DRIVE CONTEST! There will be prizes for high individual, high club, 100% YLRL Clubs and D/C of District that has the largest ratio increase during the period of the contest. It will run from September thru May. In case a convention is decided upon, convention tickets will be the prizes.

Rules: Person who signs application blank of new member as sponsor will be given credit. If sponsor belongs to a YL club and signs the club name *also*, the club will be given credit too. New members will not be counted until their application cards and dues are received by the secretary. Applications and dues must be received by May 31st. "How You Stand" results will be published periodically. Good luck to you all!

Another money-making venture will be securing subscriptions to QST and CQ Magazines. YLRL stands to gain 50 cents per 1-yr. CQ subscriptions; 70 cents per 2-yr.; and \$1.00 per 3-yr. subscriptions. For QST YLRL will make 50c per 1 yr. subscription-membership. This does not affect the "Family Plan Membership"; just

send the usual amount to YLRL, in care of Beulah, W4DEE.

The Address Labels sell 600 for \$2.00, of which YLRL retains 50% or \$1.00 profit. All members are asked to sell at least 10 orders; any one who sells more than 25 order will receive a surprise gift. Get them rolling in!

Any more money-making ideas, let's have them!
