

DIRECTORY ISSUE

THE OFFICIAL DIRECTORY

of the
YOUNG LADIES RADIO LEAGUE

JUNE 1957

As we did in our first Directories, published in 1949 and 1955, we respectfully dedicate this book to all the OMs who have given so freely of their patience and technical wisdom. We are grateful for their encouragement and gallantry in welcoming us to a hobby overwhelmingly populated by the male of the species.

This booklet was meant to be read by those familiar with the abbreviations of amateur radio. To conserve space, there was no attempt to be literary, or even grammatically correct. The facts were gleaned from a questionnaire survey. Should any errors be discovered, they are to be blessed on typographical QRM.

The YOUNG LADIES RADIO LEAGUE was formed in the fall of 1939, growing from an original membership of 13 to the list which follows. We welcome all licensed women amateur radio operators upon application and payment of dues to our Secretary.

YL HARMONICS is published regularly; YLRL is affiliated with ARRL.

33 --The YL's sign of friendship

QTY --The YL's Slogan

(The first parenthesis indicates the year of first license; A, T or C refers to Advanced, Technician or Conditional, if known. Otherwise the ticket is assumed to be General Class. The parenthesis at the end of the paragraph is the Birthday.)
