YL HARMONICS is published by and for the members of the YOUNG LADIES' RADIO LEAGUE, INC. YLRL is a non-profit, fraternal organization comprised of Women Amateur Radio Operators, incorporated as such under the laws of the State of California. Dues are \$3.00 per year, due and payable March 1, and delinquent March 31. For new and reinstating members joining after August 31, the dues may be pro-rated by half the annual dues for that fiscal year (currently \$1.50). Dues for adopted DX members are \$3.50, and may not be pro-rated for portions of years. Dues for a "family member" are \$1.25; and subscriptions by non-members are \$3.00 per year, and may not be pro-rated for portions of years.

MINI-EDITORIAL

HATS OFF to the many YLs who, with so much dedication, serve YLRL in many, varied ways! Such a gal is Chris, VE1AKO, VE-D/C. Her column for the last Issue of YLH was received after the entire copy was compiled and ready for the press. This "devoted to duty" YL wrote a most interesting column, prepared after more pressing matters were attended to... her father-in-law had died at sea! Hers was a busy, grieved QTH. With regret, her column was returned, unprinted. Chris, we appreciate your even having given the column a thought, this "above and beyond...". (Makes one wonder if the D/C shouldn't have a sub!?) In the last moment of 'juggling' copy to fit the space available, notation of VE News not having been received (which had been typed) was eliminated in multiple changes - just inadvertently omitted. We do love you, VE-YLs! We hope you'll pardon the Editor - but much more important, that you'll express your thanks to Chris, as well as your sympathy to her and to her OM, John, VE1AGM/VEØMK, in the loss of his father.

It's the dedication of gals like VE1AKO that makes YLRL!

33, K5BJU, Editor

President's Message

At the start of YLRL 1970 I asked you to let me know in which way you would like to serve your organization. Your deluge of letters was so bad that I think my mailman wanted to quit; however, he left the two letters (hi) and went happily on his way.

YLRL has been invited to participate in the YL programme of the A.R.R.L. National Convention to be held in Boston, Mass; September 25, 26, & 27, 1970. It would be nice to know how many of the YLRL personnel plan to attend???

Now! What can you do personally and in the immediate future? In this issue you will find the ballot for the 1971 officers, thanks to the conscientious efforts of Mae, Kay, and Zeta, our nominating committee. Will you join with me and applaud their good work by casting your vote for the candidate of your choice. Let us not keep Betty in Alaska waiting. Be sure your ballot is legible and clearly marked. Put your district number in the space provided on the ballot. On your mailing envelope only, put your call, name and address, otherwise our Secretary will not know for sure if the ballot came from a bona fide member. To all candidates on the ballot I would like to say "thank you" for offering to serve YLRL. Goodluck.

With the YL-OM contest behind us we extend hearty congratulations to the winners. There is another YLRL contest which lasts a whole year - the Membership Contest. Betty KL7JW is keeping a record of which member endorses the most new and /or reinstated members. Officers and Chairmen of YLRL are not eligible to win the membership contest. The winner may select her prize of a YLRL pin, or charm, or stationery. Membership application blanks are available from any of the officers or chairmen.

Load - up the YL Meter with more and more members.

Sincere 33,
Ivy - Vezezi
President. 1970.

Board of Directors Meeting conducted by mail March 10, 1970.

BALLOT AUDITORS for 1970: Rose, KL7FQQ and Trudy, KL7GFU.

- YLRL CONTESTS: -In the event of a 'first place tie' YLRL will award duplicate 'first place awards'.
-In the event of a 'second place tie' YLRL will award duplicate 'second place awards', and the next best score will be brought up for third place.
-The Board voted not to allow any extension of mailing dates to DX stations submitting a contest log. Deadline dates for contest logs will remain the same for all contestants as published in Y L HARMONICS.
-Under rules of the YLAP Awards, the Board approved the addition of the underlined words:-
High score phone - gold cup; High score c.w. - gold cup; YLRL members only, including YLRL members anywhere in the world.

First, second and third place c.w.; and phone; (not combined) and highest c.w. and phone log in each district and country will receive a certificate.

Corcoran Award: It was voted that this award remain unchanged and available to YLRL members only, who are Stateside including all A.R.R.L. Sections.

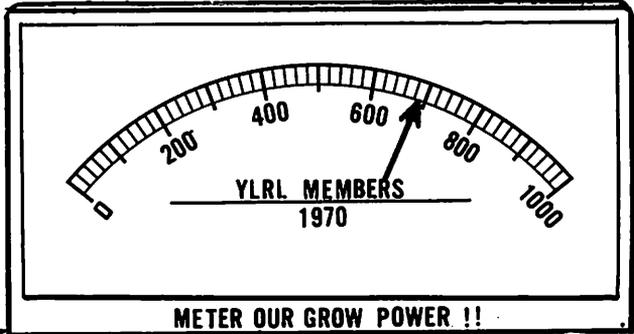

TAPE TOPICS: Tape Topics edited by Raj, K7NZO, is available to our blind YLs. The Board voted against the tapes being made available to OMs unless he is a subscriber to Y L HARMONICS, since it takes a long time for the mailers to get around to the YLs.

Members who submitted suggestions for review by the Board of Directors, have been notified by Mail of the Board's decisions.

My thanks to the Board of Directors for your prompt action and speedy return of the ballots. 33 - Gvy Smythe - Vezeze

YLRL President. 1970.

.....
To "pin" the needle at the 1,000 mark in 1970, we're going to have to remind delinquent YLs to send \$3. to the Sec'y - Jackie, W6YKU - as well as to find those NEW and RE-INSTATED YLs. And, if they hurry, they may be in time to get this issue of YLH - and the BALLOT.

CORRECTIONS

W4HWR, Hilda, and WA7FLC, Katharine, both participants in the YLAP, are due apologies for errors in recording their scores in that event: Hilda's combined CW and FONE scores for a total of 4,774 points were credited to W4WHE (an OM!). She was 4th runner-up for the Corcoran Award. Con-grats, Hilda! And Katharine, who was running 500 watts PEP, was 'given' an asterisk (*) by her call which denotes that her score reflected a lo-power multiplier. Tnx for ur letter, Katharine!

BALLOT ISSUE !

Please Vote !

INTRODUCING ... some new members by CLAIRE, W4TVT.

Because it's still spring and I'm in a gay mood, I'm going to fool you - skip all around the country and even to DX places to bring you some new friends of YLRL.

We are so glad K4YAK, Ginny was finally persuaded into the fold! With 2 sons - 15 & 17 yrs. old, baseball leagues of Sandston, Va. really have a staunch supporter in friend Ginny. Why those youngsters would starve out on the field without her sandwich concession. The OM, Bob, W4HBA is an active ham, tho' you're most apt to hear him mobile than fixed. Ginny is alternate NCS, Blue Ridge Net (a job she shares with her sponsor, our 4th D/C, Maxine, WA4UWK). She serves as NCS of the YL-OM Round-UP group on 75 M; she checks into Tar Heel Net, the No. Carolina Coastal Net and No. Car. SSB Net, using fone only. Hey, Ginny, you're supposed to be a Virginian - ouch!

Girls, meet Avalon, WB6HOJ, over in Sacramento, CA. She has a Conditional Class License (maybe General by now). Her OM, Joe, W6ESZ is not the only other ham in family - son Brian is WB6LAM. Find Avalon on 3965 Kc.

You can tell Ruth, K8ARA, has not been idle - she's sponsor for 2 new YLRL members: ¹⁾ Virginia, WN8CPK, Fairmont, Va., is one... This new Novice is a widow, the busy President of a trucking firm; her son Chip is WA8NWN - bet he got Mom interested in radio. We wish you lots of luck in your business, Virginia, and hope you enjoy all your new contacts in YLRL.

²⁾ Also, Alfreda, WA8DOY, Martinsburg, West Virginia. Congrats, Ruth! I've been haranguing Alfreda unsuccessfully several years about joining up. This Alfreda's a sweet gal, homemaker and teacher and has been licensed since 1962. She's a General Class ham who likes CW, 'specially DX; likes rag-chewing, too. She's secretary of her local radio club. In 1969 she and George, K8QYG, (the OM) traveled in southern Canada operating VE/M.

You heard that HC2JO, Ruth? The new member just above you there (Alfreda) likes DX. Ruth has General Class ticket, lives in Guayaquil, Ecuador. By your U. S. -sounding names, I presume you and Johnny, HC2RC are down there for a tour with U. S. Embassy?, the U. S. Naval Mission?, a U. S. Commercial firm? Anyway, we welcome you to YLRL!

Many of you have already met YV5CKR, Helena, on Tangle Net or in CW Section of the YL-AP. Certainly you saw the lovely pix of WA4BVD's (Carrie) adoptee, Helena, in the Nov-Dec issue of HARMONICS. What more can I say - everybody will be looking southward toward romantic Caracas, Venezuela for a contact with this exciting YL!

Greetings to Gladys, WB2RWT of Schnectady, N. Y. Marge, K4RNS, recommends her and that's good enough for me! Gladys has a General Class ticket and is a schoolteacher who took up ham radio for a hobby after her OM passed away. She's Thursday NCS on VHF MARS Civ. A. F. and also belongs to the Civil Defense Net.

Meet Beulah, WA7BAI over in Apache Junction, A.Z. She's a Technician, her OM is Norman, W7UMQ and they are both members of ARRL. Beulah is sponsored by Katherine, WA7FLC. Welcome!

And here's Gladys, WA8ZUK, So. Euclid, Ohio, introduced by Jackie, W6YKU. Gladys is a secretary/office manager; her OM is Gus WA8ZUL, son is Rick, WA8MHW. She's a member of Apricot Net, AREA, and is secretary for the Cuyahoga County Amateur Radio Blood Bank.

Now meet Sally, WB4NDX, in Knoxville, TN. Thanks to Hilda, W4HWR, for interesting her in YLRL! Sally has a General Class ticket and we bet she talked her OM into studying for a license, too - he's Ed, WN4NDY. Sally's father was W4RRU, back in the '50's (now a Silent Key). Besides being a high school English teacher (have to watch my P's and Q's, eh?) she serves as Sec-Treas. of Radio Amateur Club of Knoxville and has CP-20. 33, W4TVT 9

Chris shares her recent trip to New Zealand and Australia via these pix: (Upper right) Thelma, ZL2JO, by whom she was met at Wellington airport, after which she spent a most pleasant afternoon visiting in her home.... (Below) Hosted by Mavis VK3KS/AK3KS and OM in Melbourne, where she met VK3YL, Austine, Vi VK3BAK and Laurie, VK3AGO, and all of their OMs, with whom she had a wonderful time. Then she was escorted about by Hebe, VK2AOK, Chris' YLRL adoptee, met her OM and family; also met Muriel, VK2AIA, who is now a YLRL member, too, and met many other hams! Chris is working up a special QSL for the many contacts made with her VK2AJZ call.

THELMA-ZL2JO

"Never met so many friendly people - Ham's is tops"! Tnx, Chris, for sharing your trip "Down Under" with us!

NOMINEES for 1971 YLRL OFFICERS

A NOTE OF THANKS!

The 1970 Officers who have served as YLRL Nominating Committee to prepare the slate of 1971 YLRL Officers wish to take this opportunity to thank all who helped us - individual members, YL Clubs, the District Chairmen and the 1970 Officers. Our special thanks to all of the fine Candidates whose names appear on the Ballot for accepting nomination for office. We appreciate the cooperation received.

OUR job is now complete - NOW IT'S YOUR TURN! Please take time to read the brief summary submitted on each Candidate's qualifications for the office for which she has been nominated - then, go directly to the Ballot, mark your choice and follow instructions given thereon for mailing. And PLEASE, send in your Ballot PROMPTLY!

Thanks and 33,

THE NOMINATING COMMITTEE
Zeta Morgan, WA3FWI, Chairman
Mae Hipp, K7QGO
Eileen "Kay" Swezey, WAØFSK

VOTE-VOTE-VOTE-VOTE-VOTE-VOTE-VOTE-VOTE-VOTE-VOTE-VOTE-NOW!

BRIEFS: The Northwest YL's Luncheon last Spring was a HUGE success and they look forward to another eyelash QSO, en masse, perhaps in the fall of this year. The PJYLs are busy with the execution of the POWDER PUFF DERBY, an annual event, in which W3GTC will fly - and Rhea, K5RDY/Ø, is likely to participate - with WA2FGS handling communications on terminal end of flight. Have you sent your favorite recipe to WRONE, via KLIZT? They are compiling what should be THE cookbook for YLs to have! Send your recipe NOW - that goes for you DX-YLs, too! GAYLARKs are meeting themselves coming and going...K5PFF's finally through with YL-OM scores, certificates, etc., now we're working the message center for the 10th International Cancer Congress!

DISTRICT NEWS

One - Land

Phyllis , KIQFD, District Chairman

Rather "slim pickings" this time, I'm afraid. I guess the one-land YL's are busily occupied with the many things which do come up in the spring-time.

Jean, KLIJV is in that calm, relaxed state which precedes the wedding of a daughter - to take place in May, and Leona, WLYPH is sure to be involved as the grandmother of the bride!

Carol Ann, WALLGU has been elected Editor of the "Oscillator", a fine Newsletter put out by the Valley Amateur Radio Club of Springfield, Mass. She is also living up to her promise to enjoy every minute of her ham career and sounds wonderful on SSB.

We hope Edna, KLVEB, has now fully recovered from her operation and is enjoying a happy and healthy spring season. Our best wishes also to Edie, KLEKO, who was hospital bound at last report.

Bea, KLOKC, is looking forward to a new grandchild in August, and rather hoping for a girl to complement her three grandsons.

Bonnie, WALGQZ says her OM has been tumbling and polishing rocks from which they create some lovely jewelry. (My OM enjoys doing that too, Bonnie.)

Sandi, WALLOM, is very active on six meters and has assumed occasional NCS duties for the Roger Williams VHF Society, also studying for her pilot's license and gets quite downcast when the weather prevents her flying! Sandi is soon to become a new YLRL member from Rhode Island.

The "Whiz Kids", Louise, KLEQE and OM Del, KLVYC, were off the air only a week while in the process of moving from one QTH to another in Pawtucket!

Our thoughts are with WRONE'S Pres., Norma, KLWXF. Her OM became seriously ill on Good Friday and he was taken to the hospital. We all wish him a speedy recovery.

The WRONE Luncheon will be a happy memory by the time you read this - but the big day is May 2 in Sterling Junction, Mass. (and that menu looks good enough to eat!)

The Governor of the Commonwealth of Massachusetts has proclaimed June 14th to June 20th 1970 Amateur Radio Week in Massachusetts. The Amateur Operators of that state invite all amateurs to participate. Certificates signed by the Governor will be issued to those submitting logs. Details can be found in the ham publications.

The Yankee Lassies Net continues to thrive with many check-ins each Wednesday morning, and much interesting conversation from all over New England. The net controls do a wonderful job under rather trying conditions at times.

May I close with another appeal to the first district YL's to please send me items for the column! My mail man has NOT been heavily overburdened for the past few months - so lets give him something to carry in his truck. Have a wonderful summer, everyone.

33, Phyllis, KIQFD

FRIEDA, K7PVG, has asked us to announce that there is a 50¢ charge for the MINOW Certificate, which should accompany the application for that Certificate...Covers postage and handling.

Thanks, Bea, WA2GPT for sending me news of some of the gals, also delighted that all is well with you and yours.

Marilyn, WA2FYE, operates on many MARS NETS under the navy call NØVGG - she is troubled with arthritis.

Sue, WA2HLQ finally got the halo on the car and has great hopes of getting on 6 meters mobile soon.

Ruth WA2VYS, has two new telescoping towers and loads of antennas; she has a beautiful signal from her hilltop home.

Dorcas, WA2VYT has a new xcvr and beam and is heading the beam down 20 meter way - also taking flying lessons - congratulations, you brave girl!

Camille, WB2FYI, tries never to miss the YLAP and YL/OM contests, otherwise she is not too active on the air. Look for Camille's Gingerbread balcony in July issue of House Beautiful in an article on Sag Harbor.

Peg, K2INQ a nursing supervisor at Burlington Co. Memorial Hospital in Mt. Holly, N. J. is finally back on the air keeping skeds with her Dad W2UA, after her xmtr broke down.

Thelma, K2OEW, has her xcvr in a self contained travel-trailer with her in Florida and has talked with WA2UAB and OM W2IVQ several times. She does not ham as much however, as when at home. By the time this is in print she will be up North again.

Debbie, K20TW, has been very busy, involved with her family civil defense, cub and girl scouts, etc. She promises to become active in radio again very soon. She'll be welcomed.

Trudy, K2UXW, lucky gal, her OM got her a car and a CB rig for it. How about that? Getting call letter plates with CB/Mobile. Good Luck!

Madeline, W2EEO, has been busy DXing - lots of phone patches for 4X4 land (ISRAEL). Her brother Harry just had open heart surgery and is doing real well. Madeline & OM do much social work, radio work and charity. We hope there's only happiness for them in their horoscope.

Catherine, W2RAQ, and her family flew down for the auto races at Daytona "500", toured Cape Kennedy. Besides winning at the races, they had a most interesting trip.

Amy, W2EUL, expects to be back on the air this summer. We hope so and will look forward to it.

Ruth, W2OWL, has been busy working and entertaining in her new QTH. Not too successful on the air, she made only one contact in YL/OM contest after calling CQ/OM for about 4 hours. She was running low power with a sneaky antenna outside her window. This was probably the reason she wasn't heard in all the QRM.

Lil, W2IPQ is moving back to W2 land as the warm Florida climate does not agree with her. We're looking forward to her next visit. We're delighted!

Sallie, W2UXM and OM took two grandchildren with them to Atlantic City for Easter. It was the first Easter Sunday she had seen with 4" of snow. However, the Easter parade went on just the same, with prizes for the most original hat, costume, etc. but they were held inside the various hotels, while all were served egg-nogg with plenty of nogg! 33, Sallie, W2UXM

 SCOOP! NOVICE NET, 6/9/70, Tues. NCS, Joan, WA5WGA. Freqs: 7175 mhz at 1500Z-1700Z, then QSY to 21.150mhz, 1800Z-2000Z. Ask Joan about good buy on Xtals. YLs wid higher class license may join Novices-
 PLEASE BE CONSIDERATE OF NOVICE SPEED---K5PFF, Audrey, V-P, YLRL

Did you know that "HAPPINESS is..." attaining a Class "A"? So writes Marie, W3MDJ. She made the grade recently and is very happy about her achievement...And we're happy for you, Marie!

Marianne, W3LQY, recovering from pneumonia, is involved with First Army MARS doing Administrative work. She was recently appointed SEC for Md./DC Section; she's also EC for Anne Arundel County and spends most of her time on local 2-Mtr. Nets. Marianne was awarded the "Annual Commanders' MARS Trophy" in recognition of her service in MARS, only 6 such awards have been made - and 2 to YLs!

Doris, WA3HEN, is also a MARS gal; she's Publicity Chmn. for the Two Meter Termites, Activities Chmn. for B&O/C&O Radio Club, Participation Officer, Asst.Op. Officer, Membership/Records Off. and Ass't. Training Off. for Maryland MARS. How's that for a busy HEN???

A very nice letter from 'newcomer' Edna, WN3NGV, a Novice since Aug., '69, tells us she skeds her son who's away at college. Edna ops on 80 Mtr. Novice band mostly but occasionally on 40 & 15. Son, WA3AXZ, and OM, WA3BKR, give her lots of moral support! Listen for her on the Novice bands! Welcome, Edna!

Another new YLRL-er is Kathy, WA3KRO, who got the ham bug from her OM, WA3IDF. She's a member of theARC at the plant where she works and currently is working mostly 2-Mtr. fone and 40-CW, looking for the one elusive State she needs for WAS...Good luck!

With Spring in full bloom, Alice - W3EXG, is anxious to get their travel trailer on the road. They plan a tour of Pennsylvania this Summer to see what our own beautiful State has to offer. She also hopes to get rotor repaired, now that wx is cooperating, so she can work the "high" bands again.

The April meeting of the PJ-YL Club was held at the QTH of Edna, WN3NGV, and program feature was demonstration of HAM-TV! May Meeting will be in 2-Land, with travel pix from So.Pacific (bet they're Chris!) and Election of Officers.

Words of wisdom borrowed from PJYL-QRV: "People are like buttons. They are more useful if they are attached to someone or something worthwhile."

Harriet, WA3ATQ, and OM were honor guests at Annual Meeting of the Eye Foundation of Delaware Valley, Inc., in April; invited in honor of their participation in the Eye Bank Net, 3.970 MHZ, twice daily, and the eyes they have procured for the Del.Valley Eye Bank, through the Net, in which they've been active for five years. A great job, I would say!

A recent WAYLARC Meeting was held at the QTH of Louise, W3LEQ. Judi, WN3MWG, was a guest and this new ham's a prospective member. The club is still working on permanent meeting place.

Elinor, K3TNL, and her OM stopped by to visit Maxine, WA4UWK on their way home from Florida.

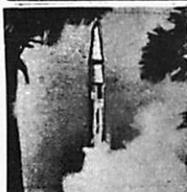

Liz, W3CDQ, is planning a trip to Europe this summer; the fascinating itinerary includes: Dublin, Paris, London, Italy, to name a few!

From this QTH the only thing new is a piece of radio equipment! A new pair of "shoes", which I am enjoying using! Hope you gals will write and tell me of your summer activities...So, until September, have a HAPPY SUMMER!

33, ZETA, WA3FWI

(Here's a YL that has earned a summer full of radioing, complete with "shoes"...Sit back and enjoy yourself, Madam Nominating Chairman...You and your Committee have done a great job! -Ed.)

Received a very nice letter from Hilda, W4HWR. She and OM, Joe, plan many trips in their travel trailer and station wagon. When they camp, they operate mobile from the trailer, with a 110 volt alternator. They hope to "trail and ham" to Calif. this fall. Their son soon graduates from North Carolina State then will be commissioned in the Air Force.

Carolyn, WB4GDD who is Sec.-Treas. of the Humboldt ARC is converting two FM 2 meter rigs for them. She just finished a signaling program for Boy Scouts and is their signal instructor.

Martha, W6QYL/4 sez, OM, Noel's Mother plans to visit them from Calif. in May just in time to assist in post tonsillectomy of Jr. Op Paul. Martha is not hamming much lately as she is busy at the Remedial Reading Dept. in school.

A big welcome to Ruth WA4HAX, who is a new member of WAYLARC and YLRL. Ruth and OM, Buddy and 5 Jr. Ops live in Alexandria, Va. They are in the process of putting up antennas, and will soon be joining us on the air.

Claire, W4TVT, has her mother visiting her from Calif. Claire and OM Jack have been working on their Shenandoah home. They plan an antenna raising party at the river to place the new Quad on the tower.

Phebe, WB4LPD's son Jim and wife Celeste and little Granddaughter visited them in February from Warren AFB, Cheyenne, Wyo. Phebe had a grand time with them but missed them very much when they left.

Ethel, K4LMB has moved to the new dining room, in hopes of keeping an eye and one ear tuned to the rig which has been installed there, as well as stirring up something for dinner. She is finding the Real Estate business very time consuming.

Janie, K4BNG, who is now living in London, England, has just received her new call G5AQI. Listen for her on the air. All the family is well and really enjoying their tour of duty.

Vi, K4EAM, has had baby-sitting problems, believe it or not. For two weeks, she had No. 1 grandson visiting. Danny really enjoyed riding the school bus (Gorgeous George) every day with Vi. Then baby brother Dougie and Mommie arrived.

Nancy, WN4NTW, is now a member of YLRL. She is awaiting an appointment with the FCC Inspector in Savannah to take the General and Advanced exams. Waiting gives her more time to study. Good luck, Nancy.

Carrie, WA4BVD, is expecting her adoptee, Helena, YV5CKR, to arrive on April 26th. Carrie is looking forward to meeting her in person after many on the air contacts and "tape letters" as well as regular letter exchanges. She visited WN4NTW, Nancy and Edna, WA4EPM in Savannah. Carrie is learning how to Braille.

Maxine, WA4UWK enjoyed ragchewing with Ellie, K3TNL, and OM Bill, who were house guests for two days. Oh, what gorgeous tans they had. Also, had an all day visit with Mary, (ex K5SPD, ex WL /4, KC8) and OM Chuck back from Laos for a brief state-side visit. They are now enroute back to Asia, tho' not to Laos.

Edna, WA4EPM, has returned from her trip to Europe and Africa. Whata wonder trip it was, wish there were space to tell of it. All I can say, Edna, is I'm very envious.

Thanks to all the gals who have written to me. I really look forward to letters and the news. Also, hope each one of you will try to recruit new members for YLRL. I've been fortunate in getting 5 for sure and several more I expect to hear from. Give it the ol' college try.

J. Coe WN5ZZA, writes of the many activities of her family, which include up-grading their licenses, installing another rig, and a contest between an OM and herself for WAS, with the OM having two years head start. Good luck J. Coe.

Julie, K5JFJ, says her OM changes shifts every month, which adds a great deal of confusion to her life, she also feels if she didn't work she would have more time to ham, don't count on it Julie, take it from one who knows, growing children etc.

Congrats to Daisy, WA5TYH who made high score in Fifth District, in the YLOM phone contest, and Marjetta Ruth WA5VJW who made high score in Fifth District CW YL/OM contest.

If you want to see a spry girl take note of Mary, K5MPI, she was expecting her first grandchild in the last issue of YLH, which actually was her first Great-grandchild, Congrats Mary, and it was a boy too...How about that for bridging the generation gap?

Frances WA5IFM, looks forward to retiring as Principal of an Elementary School at the end of the spring term. Congrats to Frances. Our sympathy to her teachers and pupils, I know they will miss you Frances, but may you have many happy years of retirement.

Helen WA5OVX, had a nice visit from Helena, YV5CKR, also Helen is getting her very own rig installed in the house, where she can chat with the girls more easily. Too much QRM and coffee drinking in Tom's shop. He is W5FMO, and they have many wonderful friends.

Haven't been able to hear directly from Barbie WA5IFL, but via the grapevine hear they are moving to Albuquerque. We're all very concerned, Barbie; let us hear from you!

Grace K5YTT, says she and OM have just about given up Ham Radio, no time and interest has lagged. Just think of all the girls who would love to meet you Grace. Best to you.

Met Doris, K5BNQ, the first time on TYLRUN last week, she said she and OM are planning a month long trip to Amsterdam and South Africa in July-Aug. They've welcomed their #6 granddaughter. Doris is a rock collector, but doesn't think a rocky hill is a very good place to build a house. Sure is good exercise tho' Doris.

A sweet letter from Joan, WA5WGA, says she is most willing to be the NCS of our proposed NOVICE CW net -- my proposal Joan is Tuesdays -7175 - 1600GMT then at 1900GMT on 15 meters starting June 2. This is not just for novices but all YLs who are interested in helping the novices meet some of us and vice-versa.

Helen K5ECP, is still President and NCS for the LOADED CLOTHESLINE NET which meets every Monday morning at 1700GMT on or about 7260. All YLs are welcome. Helen does volunteer work at one of the local hospitals in Albuquerque, and is the church organist. Very commendable Helen.

Let's all go to the ARRL WEST GULF DIVISION CONVENTION in Orange, Texas - July 17, 18 & 19 - Think of the eyelash QSOs we could enjoy!

I'm going to hush now girls, I get too gabby for my portion of YLH, everyone have the very best summer, just take care, and if the Lord is willing we will see you in the fall.

33, Jane, WA5JFZ

Everyone had a good time at the Northwest YL Spring Luncheon and, as always, when one meets YLs whom one has QSO'd or read about, it was a distinct pleasure to finally have those eyelash QSOs and get acquainted, exchange autographs and all the things we YLs do at get-togethers. Naturally, it was a renewed joy to become re-acquainted with those whom we had previously met and try to "catch-up" on what happened in the interim, as well as see old friends again. The last of the YLs left about four p.m.

A fall luncheon is being tentatively thought of, for early September and possibly a different area. This is still in a nebulous stage. Any suggestions would be gladly accepted by W7NJS and K7NZO.

When Bea W7HHH returned home from the Seattle Luncheon she found her CMC of 30 years in YLRL awaiting, that's a long time and we extend our "Congratulations!"

Another MYL, Willie WA7IRD to be extended "congratulations" for being the second YL to have worked all U.S. counties. Willie was first licensed in Oct. '67 and made WAS, WAC, WAS again with her Novice Call, a Ham in New York (WB2RMM) got Willie interested in County hunting, and managed to work 600 counties with her Novice license. Willie obtained her General in Nov. '68 and from there her goal of working all 3079 became a reality this April '70.

Beth WA7FFG is off to Hawaii for a fifteen day vacation, accompanied by two other girls, we will be anxiously awaiting Beth's return to hear more of her jaunt to the Islands.

K7WRS, Ruth's enjoying a new mobile rig, and a new poodle puppy. Ruth and OM W7HEB are planning a trip with lotza /m QSOs to Missouri in April.

Margaret, K7VWA made a quick trip to Calif. last month, in between snow storms. With just a week for the trip she couldn't find time to call hams on landline that she wanted to.

Lee, WA7BDI is looking forward to spring so she and OM Carl can use their new motor boat and, of course, catch a nice string of trout!

Letha, K7RPH is proud and very happy over the "VHF FM Amateur of the Year Award" recently given to her OM John, K7CRO. It's sponsored by Arizona Council of Radio Clubs. John was 1st recipient; henceforth it is to be an annual award given to the person in Arizona who has contributed the most towards VHF. It seems it was all very secret until a telegram came inviting Letha and John to Phoenix and a visit at Barry Goldwater's, K7UGA, home. They flew to Phoenix, with a free helicopter service to and from Barry's home. While there, John was presented with the award and given an all solid state 2 meter transceiver (10 watts output). Photos of John and Barry together were taken showing the plaque and prize plus a TV interview. John and Barry had never met before in person and John felt as all the rest of us do, "that Barry is simply a great guy." The whole trip was most enjoyable for Letha and John.

Terry, K7JGU is back from a trip to New York. All went well while she was away and she found her Mother-in-law doing good after serious surgery a couple of months ago. Terry saw the Publishers on business about the books she and Nino wrote together. Also, got to see the St. Patrick's Day Parade in N.Y.C. Terry is involved with others in trying to re-tread computers to hopefully work out some of our problems.

The eight land gals have something to be proud of, after the Dayton Radio Convention each year an award is given to the AMATEUR OF THE YEAR covering a 5 state area. This year the award went to a gal instead of a man and this was the first time ever for this to happen. The award went to Kay Anderson, W8DUV of Huntington, West Virginia, who I am sure many of you have talked to and met sometime or other at one of the radio gatherings.

Kay has been a licensed ham for 17 years and is active in a great many organizations. Besides being mother to 5 children. Another thing about this award was that this was the first time for anyone from West Virginia to receive the award.

Ruth Garrison, WA8FSX is going to stop taking care of lots of little ones after 22 years of running a nursery school. Ruth is looking forward to a nice vacation out through some of the western states after closing the school in June. But come the fall I am sure Ruth will be finding a place for herself to do something very worth while, besides all the hamming she will be doing.

We have two girls that have studied during the winter months and made another step up the ladder on their tickets. They are WA8VTS, Anna M. Laurich, who now has her General, WA8EBS, Eila Russell, who now has her Advanced.

Hoping to see lots of you at Flint, Michigan in June and maybe we will have lots of news for the next issue.

Zero - Land

Kay, WA0FSK, District Chairman

We've had April's typical spring showers-- the grass is getting green, trees are budding, robins are back and the temp is in the 70s. Hope you girls have most of your spring cleaning done so you can enjoy this wonderful season outdoors.

Sincere thanks to Mary K., WA0SIX for sending in news from the Colo. YLs. She's a busy girl and presently works for an engineering firm.

Congratulations to Val, K0ZSQ, She's an Amateur Extra Class! She manages the Colo. Weather Net, checks into T.W.N. 12th Regional CW Net and the High Noon Net. Val and her OM, Howard, W0DCW, operate a frequency measuring service.

Ann K0WZN, returned a short while ago from visiting in Md. Kay, K0BTV, newly elected 1st VP of the "Korat Cat Fanciers Assn." has about 13 cats at the present time and hopes to increase her special breeding stock, and has won several awards at various cat shows. Congrats, Kay.

Rosie, WA0MNL, keeper of the club call WA0ESM, has put the station on the air and worked Novice Roundup, also OM/YL CW contest.

K5RDY/0, Rhea of Colo. Springs is helping make arrangements for the Powder Puff Derby July 3,4,5. Rhea might even fly in it.

Our congrats also to Linda WA0MNM, who is graduating from Palmer High School receiving a certificate in Electronics-- the first and only girl to do so.

Sister Lauren, WA0RRJ, is busy down Rochester way. She's Treas. of the local Radio Club, which has about 100 members.

and is a member and past Treas. of the Handi-Hams. Sister checks into the International SSB Net to handle traffic into Rochester. Quite frequently she checks into the Halo Net, a net for Missionaries in S. Am., Central Am., and the USA.

Last word from Janet, WAØSUI, was that they managed to get a 15 meter beam up inside the garage roof (no antennas, even L C lines permitted) but had "bugs" in the rig which the OM was trying to "exterminate." They miss their Minn. friends after living here 9 yrs., but like the dry climate and mountains around Denver. We're looking forward to meeting you, Janet, on the CWYL net-so hope you get on the air before too long. We were pleasantly surprised to receive a L L call Apr. 21 from "Expo" from our son Ben, KØAPG, who has been stationed with the Air Force in Toyko since Feb. He visited the Fair in Osaka, 2nd largest city in Japan and some 300 mi. from Tokyo several times and finds it extremely interesting. The "Bullet" train, called the Hakari, traveling at 125 mph makes the trip in 3 hrs, round trip costs \$22. Ben says Japan is a beautiful country, the people are friendly and many of them speak some English. He says it is an interesting experience just to walk down the streets that are lined with many small colorful shops.

The next issue is the Directory so please remember to send in your news before the end of Aug. Many of you will be taking vacations and to all I wish a very pleasant summer. Please drop us a line and share your interesting summer activities with all of us.

KL7 - Land

Trudy, KL7GFU, District Chairman

The calender says it is Spring but who's going to convince "Mother Nature"? We've had more snow in the last 2 weeks in April than our total winter snowfall. Sure makes for a long break-up. But, the migrating birds are feeding well at their stops at the bird-sanctuaries because the sun has enough warmth now to melt the snow quickly 17 hours of sunlight can do wonders.

Spring did not only bring our birds back but also our "wandering Lassie" Florence, KL7DDB and her family after an extended stay "outside" After a few days of visiting and shopping in Fairbanks, they took off in their Cessna (loaded to the gills) headed for home at Lake Minchumina.

To Florence, KL7AZJ and family, we would like to extend our deepest sympathy on the death of her father in April, 1970.

Lyla, KL7CSR and OM went on a successful caribou hunt in March, using their snow-go, their camping gear and spent the weekend out on the trail. I envy their enthusiasm.

Congratulations to our new grandmother Betty KL7FJW. Her little grand-daughter was born March 13, 1970 in California, where her son was stationed in the Navy. On the way to his new assignment in Virginia, Terry brought his wife and baby to Fairbanks for a visit, giving us all a chance to welcome the new Marsh heir. Unfortunately their visit was quite brief because of the unexpected death of Beey's mother in Montana. We extend our deepest sympathy to Betty and her family.

Elaine, KL7FNM in Tanana had a most rewarding experience, doing something she always wished to try: To enter a dog-sled race! I'm sorry space does not permit me to tell the whole, most amusing, story. I understand she entered the "Cheechako

Race"(Greenhorn race to you) with a 5-dog team. It was an eventful 5 mile race. In spite of the dogs, tangles in their harnesses because of an unruly lead-dog, and another dog snapping at her when she tried to untangle them and, hanging on for dear life to a run-away team, which threw her onto the ice, she bravely mused on to finish the race in 4th place and win a ribbon--of which she is justly proud. Congratulations and "Mush on" Elaine!

Rose, KL7FQQ, the proud owner of a plaque she earned participating in the YL-SSB QSO-Party. Rose and OM, Stanley, KL7FQR, won third place in the world-wide YL-OM team contest. Congratulations to both! Rose can hardly wait for school vacation to start so the whole family can move out to their mine for the summer. All the winter chores are done, her OM has brought all their traps in now, which reaped 17 beavers. Pretty good catch!

Another of KL7FPM, Kay's YL students received her novice license. She is KL7HAG. (Send her a YLRL app., Trudy!-Ed.)

The Alaska Lassies were asked to demonstrate silk-screening for the members of the Artic Amateur Radio Club of Fairbanks. Five of us Lassies, Florence, KL7AZJ, Carol, KL7GBG, Betty, KL7FJW, Rose, KL7FQQ and I, dressed in our colorful Kuspuks (Alaskan version of a Muu Muu) participated. Our beautiful certificates, which we silk-screened, were very much admired, as were samples of our QSL cards and Christmas cards that some of us have made. We were very happy to see so much interest in our art-work. (I'd say talent.-Ed.)

June, KL7DEJ, and I are preparing for our trip to Anchorage, intended to be a leisurely camping and sight-seeing trip. We're anxiously looking forward to this excursion but our OM's are not. They'll be deprived of their cooks for a week or so. I hope to have all sorts of news for you in the next issue. Till then--- I wish you all a very happy summer-time!

KH6 - Land

Dell, KH6TI, District Chairman

Our weather has been beautiful all winter. Usually we get a lot of rain which makes the tourists unhappy.

I understand we may have another YL from W6 land move to the island. Her husband is a "ham" and he is opening up an electronics business over here. I'll try to contact her.

The cameras of "ABC Wide World of Sports", took a closeup of me during the Duke Kahanumokos' surfing meet a few months ago, it's about to be shown on the mainland - I was just standing there watching the meet, but I knew the Director and Producer. It's due to run here within a couple of weeks so it may be on back there soon.

I will be spending a vacation on the North Shore as of the 15th of May through the 31st. I'll try to be on 20 meters, but will be on 15 meters mostly.

Congratulations to our Editors - love the little drawings for each District.

33, DELL, KH6TI

NOTE: Just as we are going to press a new list of members for 1970 arrived from Jackie....13 New Members, 1 Re-Instated, and another bunch of Renewals....But there are still about 200 that have not yet renewed since 1969...The new total is 689! That '70 goal of 1,000 is closer than you think...Let's PIN THE NEEDLE!

After all this time, we still haven't passed our Congrats (in print), to Ivy, VE3EZI, 1970 President of YLRL. As you know by now, the Presidency is in good and capable hands, as we expected it would be. Dot VE3DXZ and Ivy attended a convention in Las Vegas. Dot has for the first time, been heard on 20 meters checking into the YLISSB System. Hope to hear her on CLARA. With all Ivy has to do, she is now chopping down trees in her backyard. Laryngitis kept her in the sidelines in the YL/OM contest. Cathy, VE3GJH has been checking in on CLARA, and also had a quick trip to Florida. Her daughter, Dot, had a spell in the hospital but she is now on the recovery list. Mildred, VE3GTI is operating from Wellington Ont. temporarily until they find a home to buy in Belleville where OM Ivan is now employed since leaving the Navy. Betty, VE3ASZ is operating from their second home in Millbrook occasionally and one of these months will be moving into a new QTH. Jean, VE3DGG and OM Dave are still kept busy clearing the C and D QSLs for VE3 land, working with the CNIB. Louise, VE3AUZ, a whitecaner, checks into CLARA regularly. Another VE3 I haven't heard before, VE3ATP, Ruth checked in on CLARA. Jan, VE3BII has been greatly missed the past couple of weeks as they have bought a home in Alliston and moved. She is also rehearsing "Katisha" in Gilbert & Sullivan's "Mikado", and of course President of CLARA and doing a tremendous job printing the Clarion. Margaret, VE6ABP has been main NCS for CLARA in Jan's absence and was on for 4 hours one night. Conditions were poor so Margaret called for "last minute check-ins", when conditions took a turn for the better and the "last minute" lasted 2 hours. She and OM Karl were taking a short trip to Jasper the following day; hope she wasn't too tired to enjoy the scenery. Another welcome addition to the CLARA net is Donna, K7LPZ/VE7, who's very active in contests but was laid up for some time with a bad flu attack. Another addition to VE7 land is Audrey, VE7AKT, ex-VE1AKR and she has also been heard on 20 now that her son made a trip from VE1 land and fixed her antenna. Congrats to Marj. VE6ANK on a new arrival which has for the present limited her ham activities. Ethel, VE2HI, in reply to my plea for news, reports very little activity from VE2 land. She keeps very busy herself with the PL net, is Sec'y for Montreal ARC for the past 22 years and works 3 days a week as Librarian in a private Boy's school and plays bridge. Bubbles, VE4ST reports she has been replaced by automation, but, just at the office; her cardex clerk job was eliminated and she is now typing and filing. As V.P. of CLARA, her present project is working with a committee consisting of Myrtle, VE3FXM, Mildred, VE3GTI, and Anna VE1ASY to plan a CLARA certificate. Bubbles also reminds us that due to daylight saving, the TOT net now meets at 1600Z. Bubbles and Winnie VE4QF will be the bonus stations for the month of June for those working for Manitoba's Centennial certificate. During the Centennial contest is also a good chance for the Winnipeg Certificate, 15 Stns and Brandon for 5 contacts. Martha, VE5YY is V.P. of the Saskatoon ARL and is making preparations for a world trip in August to October with needles, visa etc. She's also a dressmaker, teaches dancing at the YM and works in the office at St. Andrew's college.

We would like to welcome new YLRL member Pat, VO1AI. They're off the air just now but Pat is very busy as a working mother and a Commissioner for the Girl Guides.

DX-YL News

VERDA SIEBENTHALER, K7UBC
 INTERNATIONAL MEMBERSHIP CORRESPONDENT
 905 Hastings Avenue, Coeur d'Alene, Idaho 83814

What a pleasure it is to announce that we have so many new DX-YLs! On a first-come, first-serve basis, WRONE has adopted Solveig, SM4MD/MM, and they also have adopted Marjorie, HC1ME, who with her OM, has been a Missionary for 2 yrs., she also teaches Sunday School in villages around Quito, does Chaplain work in the Mission Hospital and presents programs in Spanish over local broadcast and television stations. Jessie, K7TWQ, adopted Alla, UV3GL, a 21 yr. old XYL, who added a note to her YL-OM log that she "didn't operate too long - expecting 1st child in a week". Cindy W5ZPD, adopted Christina, EA8GZ, from whom we have not heard. Shirley, K2QYG, has adopted Gunilla, SMØCXC, who wrote that it must be nice to be a YL-Ham in the U. S. A. and be able to see other YLs sometime... Not many YL-Hams in Sweden and she knows none of them personally. She does not think folks there know how interesting it is to be a ham, and that perhaps people in the little town find her a little "strange". Hi! She plays organ, piano and used to sew a lot and bake more before she became a ham... This sounds like a lot of the others of us, huh? Gunilla works 15 mtrs mostly, often at 21.070-21.090. Her OM is not a ham but is interested in aviation. Harmonics: Son, 11, MYL, 7 yrs. The PJ-YLs adopted Marge, ZS2OB, whose OM is Del, ZS2NS and has 2 sons: Sean, 12 and Mark, 8. Marge's been licensed for 10 yrs. with CW speed at 15 WPM. At that time they did not have to take technical exam, but she's been studying and has skeds wid group of "very learned gents" at noon each day - learning lots just listening. She collects stamps and has small collection of coins, some over 100 yrs. old. Marge promises a pix for a later issue of YLH.

Margaret, OZ1MR, has asked to be taken from the YLRL Membership list. She is in very ill health and has given her radio gear to local ham club. She wishes to be remembered to all the YLs; it makes her very sad to know she'll no longer be in touch by radio.

Akiyo, JH1GMZ, is busy learning CW in Japanese as well as in English! She has to master 50 letters per minute in Japanese and 12 in English. Say, aren't we the luck ones? I have trouble wid 10! Good luck, Akiyo, when you take the exam for the First Class License. She sends greetings to all!

Mavis, VK3KS, writes of the fb visit from Chris, WB2YBA, when 5 YL and 5 OM hams got together at her QTH, and had great fun. Sorry Mavis' eldest son was rendered unconscious in football game (4 hrs in hospital), and same week the 2 younger sons in an auto accident (5 hrs. in another hospital). Her OM, Ivor, has resigned as VK-QSL Mgr., after 12 yrs. She has been helping to sort 1,000 cards a week, stamping, posting, etc. You both deserve a nice vacation!

Devora, G5AJS, has, by now, had a visit from K1SLZ after many QSOs over past 4 yrs. Hope you had fun meeting for the first time. Devora's family's looking forward to camping out in Scandanavian countries over holidays; they plan to return to Israel next year so are trying to see Europe.

Ruth, HC2JQ, lives right on the equator, but says they're not burned t-cinders by the vertical rays of sun. There's a vy cold ocean current, the Humboldt Stream, bringing cold winds and cools the temp. Ruth's rig keeps her in touch will allthe world, gives her much pleasure. She enjoys YLH and feels vy honored to have become a YLRL-ar. tnx to her dear friend Harriet, WA3ATQ, wid whom she skeds . 33 for now...Verda, K7UBC

SYMPATHY NOTES

To: SUE CABLE, K4BKT, and daughter, Susan, whose husband and father, Maurice, W4EFY, became a SK in April, we extend deep sympathy and our prayers for your strength in the great loss you have sustained. A clipping from the Asheville Citizen sent by Hilda, W4HWR, relates the many associations "Maury" enjoyed and by whom he will be missed. May God bless you, Sue and Susan.

To: BETTY, KL7FJW, our Secretary, who suddenly lost her mother in Montana last month. Our sympathy to you and yours, Betty, and prayers that The Almighty will sustain you in your bereavement.

To: FLORENCE, KL7AZJ, and family, our sympathy is extended in the loss of her father, who expired last month.

To: CHRIS, VE1AKO, and her family in the loss of her father-in-law, who died at sea. Chris is our VE-D/C.

To: CATHERINE, W2RAQ, and family, whose mother died in January, we extend our prayers and sympathy.

To: FRANCES, W5KEW, in the loss of her OM, Clint, (not licensed). Fran is a former YLRL-er, a member of TYLRUN (Past Pres.), and one whom we pray will find strength to bear her great loss.

To: LORETTA, W0UA, a Charter Member of YLRL, in the loss of her brother, W0BSP, Marshall, of Dlathe, Kansas, and with whom Loretta was pictured in the December, '69, QST (pg.45). Our prayers and sympathy are extended to you, Loretta.

ABOUT THIS ISSUE

Every inch of space in this issue has been jammed and packed with as many things (we hope will be of interest to YOU) as we could manage - but in order to get all those fb YL-OM Scores, Brief sketches on the NOMINEES and the BALLOT in one issue, many deletions of interesting material had to be made. The News from the D/Cs was severely pared - and we hope that "no news is good news" from the 6th and 9th Districts... We did not hear from them! Pix of YLs you'll enjoy, Club News, the Financial Statement and "Coffee Break Time" will appear in future issues of YLH, as well as several of the other items that we hoped to squeeze in. Sori, can't find the paper stretcher!

WELL - DESERVED RECOGNITION

Two members of the YLRL "family" have received special recognition for being the exception gals that they are and we'd like for all to know about it:

ETHEL, K4LMB, was honored at the Annual QCWA Banquet by all the Virginia hams for her long time and faithful service to Amateur Radio. She was presented a plaque by Vic, W4KFC, Roanoke Division Director, ARRL, who spoke the sentiments of all who know - or know of - Ethel. Her contributions to amateur radio are many and varied - too numerous to list. We all know her for her great efforts in organizing and founding YLRL, who now arise in one voice to say "CONGRATULATIONS, ETHEL!"

KAY, W8DUV, was the recipient of an award presented each year by the Dayton (Ohio) Amateur Radio Club to the "AMATEUR OF THE YEAR" chosen from amateurs over a five state area. Kay was the first YL ever to be awarded this honor and it was the first time the presentation has been made to an amateur from West Virginia! She has been licensed some 17 years and has held just about every office there is in YLRL; she is currently our Publicity Chairman. CONGRATULATIONS to you, too, KAY!
