"IMPORTANT"

In our Constitution, it reads, "In each regular April issue of the club paper the secretary shall list the officers to be elected, together with the rules for election." Since the paper is being issued bi-monthly, we ask for your nominations now for President and Vice-President. Please send in your nominations promptly. It will be of great help in keeping on schedule if you will add your nomination for your District Chairman at the same time. Just send a post card with your nomination for President, Vice-President, and District Chairman to Lou Lacy, W5IKC, Secretary, Box 1332, Bartlesville, Oklahoma, not later than February 15, 1945. How about it girls, let's not wait for the other one to do it. Thanks loads, I'm counting on you.

A list of your nominations and rules for election will be recorded and printed in the next issue, at which time votes will be cast and officers will take office the first of July. Don't delay, send in your nominations now!

ALL D/C'S PLEASE HAVE THEIR REPORTS TO THE SECRETARY BY THE 10TH OF EACH MONTH. HARMONICS WILL GO TO PRESS ON THE 11TH OF THE MONTH WITHOUT FAIL, AND WE WILL NEED NEWS, LOTS OF NEWS.

The officers and members of the YLRL wish to acknowledge with thanks the generous donation of \$50.00 from Mr. Bob Beebe, W7IGH. As you gals know, Bob was the husband of our Mable, who passed away last summer, and is missed by all of us who knew her on the air. This donation will indeed, keep the officers from digging into their pockets, should our assets take a nose dive, and it is with heartfelt thanks that we say "Hats Off To Bob Beebe!"

Dear YL's:

I want to take this opportunity to thank each of you for the splendid cooperation you have been giving us. To Judy, W5FJJ, a million thanks for coming to our aid and doing the last two issues of "Harmonics". We have been a bit slow in getting "Harmonics" out to you, but from now on we will surely try our very best to be on time. I surely enjoy all the nice letters I received, my one regret is that I just can't get around to answering all of them, but I want you to know they are very much appreciated. We will be seeing you in the next issue.

Gold filled pins can be had for all officers, past or present, silver pins for members.

- Silver.....\$.85 without safety clasp
- \$1.00 with safety clasp
- Gold filled.....\$1.10 without safety clasp

Correction, please

Our most sincere apology to W6TCH Marty, Last issue we published the following poem as written by W6MNO Helen, the poem was written by W6TCH Marty, and dedicated to the officers of last year.

"Count your garden by the flowers,
Never by the leaves that fall,
Count your days by golden hours,
Don't remember clouds at all;
Count your nights by stars, not showers,
Count your life with smiles, not tears,
And with job on every birthday,
Count your age by 'Friends', not years.

It's a very beautiful poem, Marty, and we're very sorry the error was made.

FIRST DISTRICT - D/C Ellen Hastings, W1KUI

- W1FTJ writes that Carl may be transferred to a shore job in Tennessee. What would the first district be like without our Dot? Hate to think of it.
- W1MIM Husband Bob was home early last summer for 30 days vacation from the South Pacific. Now he's back again and Lee is working with the immigration border patrol.
- W1MZH/3 may now be reached at 240 South Broad Street, Apt. 16-A, Woodbury, N.J. as Mrs. George Applegate. Congratulatlons to you both and welcome to our group of O.K.'s.
- W1GQT Misses getting all the mail she used to receive when Jim was away, but she is not complaining you understand.
- W1KUI Is taking two radio evening school classes, "Advanced Radio Fundamentals" and "Advanced Radio Lab." Surprising how much there is to learn about this hobby of ours.
- W9WTF/1 We feel very proud to have our Carol on the cover of the QST. Don't wonder the photographer decided on her for a model.
- W1KKQ Is still in Miami, from which she sent Christmas Greetings.

SECOND DISTRICT - D/C Dorothy Hall, W2IXY

Birthday Greetings to the New York Club.

Lillian Ruocco reports they will not print any news-letters this new year.

(No report from D/C)

W9JTX/4 is busy getting her YL ready for graduation from Junior High.

FIFTH DISTRICT - Cecilia Phares D/C

W5FJW Judy after doing such a marvelous job as YLH editor for the past year says, "I think I'll just do incidentals this year." She works 8 hours a day, keeps house, does the laundry, church duties, assists with work in the little theater, etc. Sounds like little Judy has a full year ahead of her.

W5IKC Lou Lacy has been transferred to her company's home office in Bartlesville, Oklahoma. Doing the same line of work on a larger scale. She likes her work fine, but misses being home in Texas. Lou is our new secretary this year—she deserves all the help we can give her.

W5JAD Ethel says they are reading "Elements of Radio" by Marcus and Marcus. She and Tom copy a lot of code and hope to go back on the air with a class "A" and do more CW.

SIXTH DISTRICT - D/C Helen Cook, W6LNO

W6SGD Kitty writes that her OM has been ill for about a month and was taken to the hospital for an operation. She is pretty busy but will send us some news soon. Thanks Kitty, here's hoping the OM is home by now and feeling right on the beam. All the best to you both for the new year.

W6TGH Marty and Mc (the OM W7/63W) wish all the YLRL's a "Happy New year". Marty raised her 'exam and now holds a "Class A" license FB Marty. She is also kept pretty busy with Red Cross work helping with Benefit Dinners, etc.

W6COG Helene wishes all the YLRL's a Happy New year.

W6LNO Happy New Year to all. Helen would like to get answers to the cards she sent out with just a little news for the 6th District. How about it gals?

K6TCW/X/W6TCW Helen.

Christmas card received by Judy from Helen, "Thanks so much for sending me the June issue of YLRL. It's really terrible the way I have neglected keepint in touch with the girls, If space in YLRL permits, some time will tell everybody "Hello and I am back to work again, Navy Air Station, Communications this time, but would be so happy to hear from any of them", we are hoping to come back to the coast in the spring. The islands are fine, but four years away from the homeland is too long.

SEVENTH DISTRICT

W7HYO Wrote a very nice letter in answer to my plea for news. Has been working on the board of KQRS, Rock Springs, but is home now taking care of her OM who isn't so well. Wishing him a speedy recovery, Ann. She might do a bit of school teaching to help out in the shortage. Sings alto in her church choir which presents a Christmas Cantata each year. She says the local radio club is QRT only three "Hams" left in town,

SEVENTH DISTRICT (Cont.)

- W7IOH Helen is joining the YLRL again this month first a member in May, 1941. She was very much occupied this last year on the arrival of her Junior YL "Pin-up" sweetie name, Patricia. Has a new home with an ideal radio shack just waiting to be used. She had a visit from W9TO of Denver, among others.
- W7FJR Mary Ann writes that she has been building a rock garden and fish pool, and is also trying to nurse the OM back to health. Sorry to hear he is still ill and hope it won't be for long. Rock gardens must be beautiful in Mary Ann's state of Washington. It's all rock and no garden in old Wyoming. She also stated the Christmas party usually held at their home by the Radio Club was being postponed this year.
- W7HDS I'm teaching code to about 40 in the Junior Cap here and had to do a little brushing up. It's been so long since I pounded out any. Received so many Christmas Greetings from "HAM" friends that we met on the air, scattered all over the globe now, but still the friendly messages letting us know they haven't forgotten. Oh, yes, W7IOJ Helen's oldest boy, Dave is in the Cap code class and a chip off the old block or should I say "Blockett". He sends and receives code like he was raised on it, you can sure tell the junior OPs.

EIGHTH DISTRICT - D/C Dorothy Willett, W8UDA

- W8KYR Clara finds herself very busy these days for she and the OM have just purchased a new home, and besides she is pinch-hitting in her OM's shop for her son who is now in the Army. By the way, Clara's new address is: 435 Best Street, Buffalo 8, New York.
- W8LW/S Leonore is still working with the immigration patrol as radio opr. Her OM (W8LDV) is back in the South Pacific. Bet Lee is glad Christmas is over for another year because she said she found her Christmas shopping a problem.
- W8SJP Gladys wishes there were more hours in a day, and more days in a week, for she works with the Red Cross in the Home Service Department.
- W8TTZ Marie finding radio dead up her way, devotes most of her time to her Cub Scouts. Before Christmas they were making stuffed animals for the Children's Hospital.
- W8UCY Bernice with the three-year-old daughter, Lanny, and her cocker spaniel who she says is a "Holy Terror" thinks herself to be in a whirlwind at times. For Christmas she made Lanny a life size rag doll and a sleeping puppy which she says are adorable.
- W8KND Jacky has moved again, and this time she is at Chanute Field with the OM. They expected to be home for Christmas. Did he get the furlough, Jacky?
- W8LSTH Peggy Henry is taking a cooperative course in Electrical Engineering at the University of Cincinnati. She finds the course very interesting as well as college life. She goes to school 7 weeks, and then works at Champion Fiber & Paper Company in Hamilton for 8 weeks. This gives Peggy practical experience for she reads and records meters every hour. She is the only YL at her work. There's one place we find no man power shortage, Hi.
- W8LSPH Kay Samargie is a 2nd Lt. in the Civil Air Patrol and has 180 members in her code class. Besides this, Kay has a regular job at craft Photographer Studio. She thinks that next to radio comes photography. Kay was recently kept pretty busy when W8VYW (Tech. Sergeant in the Marine Air Corps) was home on an 18 day leave. Kay is thrilled with the diamond she is now wearing.
- W8UDA Dottie is very delighted with the response she received to her request for news, but hopes the girls keep up the good work. She wishes to thank all the YL's who sent her so many beautiful holiday greetings and letters. Even though she may not find time to answer all of them, Dottie sincerely appreciates them.

NINTH DISTRICT:- D/C Helen Thompson W9JTT

- W9ZTU Mickey wants any ideas the girls might have for a contest for YLRL. Get busy gals and put on your thinking caps. Send your ideas to Mickey.
- W9JMI Clara is now working at Millmar State Hospital. Clara gave her job up to a lad who recently received a medical discharge from the service. Clara and OM really look forward to receiving the "Harmonics."
- W9KDX Helen keeps busy with her two girls, the older, Georgene, recently underwent an appendectomy. We all hope that her recovery will be a speedy one. Helen's brother, who has been in the Army for 4 years, 18 months of which were served overseas, has received a medical discharge, so he will be with the family at Christmas, the first time in 4 years. We know that Helen must be happy about this occasion.

NINTH DISTRICT (Cont.)

- W9DBD Leta is still at Scott Field, she is teaching procedure and doing a swell job, we know. Leta's OM is still in Chicago with the Navy, a supervisor in the Electrical Department. Leta has received her second class telephone now too. After her work at Scott Field she thinks that she will enjoy code much more when she can get on the air again, more power to you, Leta!!
- W9OUD Letha is SCM for the state of Missouri again and keeps in touch with a number of "Hams", most of whom are in the armed forces. Letha has a good idea here, when she receives a letter, she addresses an envelope and puts it where she sees it and feels so guilty until she answers it, perhaps this is a suggestion many of us might take. Letha's hobby since being off the air seems to be cooking.
- W9JWJ Joanna has been active in WERS. She also has a code class one night a week at the U.S. Naval Training School (Electrical).
- W9WCV/6 Ruth had a most enjoyable Christmas, as her husband (W9ISTH) arrived from overseas, after a year and a half in the Pacific. She worked for some months for the Army Signal Corps at the Presidio of San Francisco as a Radio Engineering Aid, which she enjoyed very much.
- W9JTT Helen now Chairman of the 9th District, is trying to write to all the girls in that district. She hopes that the girls will do their best to get all news to her in time to send it on to the secretary by the 10th of each month. The next deadline is February 10th. The OM (W9VZV) is still at the Western Cartridge Company. I'm counting on a lot of cooperation from all you girls so let's go. Thanks to you who have been so prompt. "33" - Helen W9JTT.
- W9ZHL Martha everyone fine here but busy as ever. I'm not working now but seem to keep very busy. My daughter is workin at the base as an electrician on the line.

ELEVENTH DISTRICT - D/C Dorothy Fitts VE4VO

Hello Girls:

I guess by the time this letter arrives, Christmas will be over and we will all be trying to catch up on lost sleep and work. Hope that you all have a very Merry Christmas and lots of luck in the New Year. Received a nice letter from VE2HI, Ethel, is running a U.S.O. by herself down there in Westmount, Hi! She has her house forever full of service men on week ends and leave, swell work, Ethel. The boys really appreciate a home to go to. She also tells me she is still teaching, bowling, and playing bridge, so I can see that her time is well filled. Expect Maude, VE4TA, is pretty busy in her little store stocking up the neighbors with good things for Christmas. As for myself, operating is still keeping me busy and interested. I just passed my third year mark in the Army, feel quite like a veteran now, Hi! Hope it won't be much longer, though.

Best "33's" till next month

VE4VO Dot was omitted from Honor Roll, will appear in next issue, sorry Dottie.
