This is the house
that Jack built —

BUT

All work and no
play makes Jack a
dull boy —

SO

Sept. 4th — Labor Day

Let's all take a
little time out for
fun — and where can a
Y.L. have the most
fun than in keep-
ing up with all the
other YL's?

WRITE!

How's about it?

PRESIDENT: W3CDQ Elizabeth Zandonini, 4430 Garrison St., N.W., Washington, 16, D. C.
VICE-PRES.: W9ZTU, Mickey Marglin, General Delivery, Fort Knox, Kentucky.
SEC.-TREAS.: W5IKC, Lou Lacy, P. O. Box 1332, Bartlesville, Oklahoma.
PUBLICITY CHAIRMAN: Nita Bien, W8EAY, Rt. 4, Box 110, Chagrin Falls, Ohio.
EDITOR: W9ZTU and W5IKC (with W5FJW pinch-hitting for this issue.)

Howdy, Gals:

Here we go again, with Judy Caraway as Editor for this last issue, we think. Anyway, I believe you are going to have a crackerjack papers after this one, with the gang coming in that you have/ Lou and Liz should have lots of interesting things for you.

As news has been sorta scarce during my term as Ed, I have at times digressed from the usual form of printing it, and intend to do so again this time. It seems most of these items are rather belated in appearing in print, but will probably be of interest to everyone anyway. Maybe the gals will get back into the swing of doing things the old way soon. I'm quite sure you gals would like it better.

It is always a pleasure to me to serve YLRJ in any way possible since I have been a member and I want every individual member to feel free to call on me for anything that I can do to help in any way. Best of luck to all of you.

33 - Judy Caraway, W5FJW.

W6AWO, D/C, wishes she had news to report, but says she receives nothing from the girls and asks that they please write her. Addresses of all D/C's will be found elsewhere in this issue. Helen wrote a poem when she says she dedicates to the officers of YLRJ for last year, but we think it just a darned good poem and give it to you here:

"Count your garden by the flowers,
Never by the leaves that fall;
Count your days by golden hours,
Don't remember clouds at all;
Count your nites by stars, not shadows,
Count your life with smiles, not tears;
And with joy on every birthday,
Count your age by 'friends', not years."

W5JZQ/6 writes: "Am just a housewife now, as help is so hard to find and I have a Jr. Op. to send to school. She will be eight next month but not old enough to shoulder all the responsibilities of getting off to school, etc., by herself. I surely do enjoy the Harmonics and am looking forward to the day when we will all be back on the air again."

W2NAZ writes from Clinton that she is about to move again. She says: "Just returned from 5 weeks in Hollywood whilst Joe was on a mission in San Diego. That trip necessitated my resigning from the daily newspaper here, for which I worked the past five months having a very fascinating time learning about the Press. Now I'm back to writing radio scripts again and hoping to have the ambish to keep at it this time. I'm so lazy when doing things 'free-lance'. I need a slave driver to stand over me. I do miss radio so much, but hope that, if Joe is sent to a large city, I will be able to get back into it in some way. Seems that everybody but me is right in the middle of radio. Hi."

W5JAL thanks all the girls for the lovely letters and the fine way they responded with news.

W2LTY/JJSH/6, last report, was preparing for a Jr. Op. in Sept. What is the latest, Dottie? Her new address, girls, is 1178 Eighth St., Monterey, Calif. The OM, SKWA, is now a full Lt. and Visual Aids Officer at KEER's School at Del Monte. Dottie says she is enjoying the grand Calif. weather.

W5JAD and OM 5ILW are operating a wheat farm in Texas; have cattle, and fishing is grand. Ethel is a teacher and may be drafted in the local High School; if not, expects to visit Hot Springs, Ark., with her OM for his health.

W5IKC, we hear, gets around like the proverbial grasshopper, always doing good deeds, of course. Must be lots of fun doing things for other folks all the time. Maybe we should all take a lesson from Lou, gals.

W6SPK/5 was last heard of in Longview, Texas. All mail is returned. If anyone knows where Marie Connigan is, please send in her QTH to Celis Phares, 5th Dist. Chairman, or Lou Lacy, Secretary.

WBWKD writes that her OM, SWJK, is stationed at Truax Field in Madison, Wisc., and she is there also temporarily. Had to give up her home and her permanent address is at her Mother's for the duration, or until further notice. In case some of you gals want it, it is Jackie Wood, WBWKD, 569 Enger Ave., Pittsburgh, 9, Pa. Jackie likes Madison, went there in July, but is doubtless gone by now. We wanta hear more from you, Jackie.

Cecile Waters is assisting V. T. Kenny, NYC Radio Aide for the WERS.

Jean Grabscheid did a swell job, unasked, of compiling stations and OPS on the air the night of the unexpected blackout in New York.

Ann Gray, we might say, Lieutenant A. Gray, of Cap, is a code instructor.

Ester (Kit) Zionson is now T/5. Her QTA is T/5 E. Zionson, A206140, WAC Section, Vinthill Farm Station, Warrenton, Va.

Gloria Gray is assisting CAP with code. Like mother, like daughter.

Dot Hall promises a new AM soon. She is slated to take her 3'd class RT any day.

Louise Willowmitzer is busy as a bee at Governor's Island where she is code instruc.

W3CDQ reported she is rather late with her Xmas shopping. We know she is busy, tho, with all her other duties in addition to being Proxy of YLRL.

W9ZTU and family have recovered somewhat, we understand, from their recent illnesses. The best wishes of every member goes forward to you and yours, Mickey.

W1FTJ, we hear in a roundabout way, pulled up stakes and drifted. We understand she landed in Memphis.
