## YLRL CONTESTS

### General Rules for YLRL Contests

1. Check to make certain you're sending logs to the CURRENT Vice-President.
2. Logs must be postmarked no later than 30 days after each contest ends.
3. Scoring:
  - a. Phone and CW contests will be scored separately. Separate logs must be submitted for each contest.
  - b. One point is earned for each different station worked on each band. The same station may be worked on different bands. In the YL-OM contest only, YLs count OMs and OMs count YLs.
  - c. Multipliers will be the ARRL sections and/or DX countries, whichever is appropriate. Canadian provinces are counted individually. Multipliers are used only once on all bands when figuring the score.
  - d. Contestants running a power output of 100 watts or less on CW and 200 watts PEP or less on SSB, at all times during the contest, earn a power factor of 1.5.
  - e. Computation is done by multiplying the points times the multiplier times the power factor.
  - f. For each duplicate contact that is removed from the log by the Vice-President, a penalty of three additional and equal contacts will be exacted.
4. Logs:
  - a. All logs must show the operator's ARRL section/VE province/or country to qualify for awards. Where applicable, logs must state whether or not the operator is a member of YLRL. For each QSO, logs must also state the power output. If you have 200 or more QSOs, submit a separate log for each band and submit a "dupe" sheet.
  - b. Please type or print. Do not send carbon copies of logs. Photocopies are OK.
  - c. Logs must be signed and show claimed score. No logs will be returned.
  - d. Entries in log must also show time, band, date and transmitter power.
5. Exchange: Station worked, QSO number given and received, RS(T) given and received, and section/province/country.

#### **REMEMBER!**

All logs must be postmarked not later than 30 days after the contest ends and mailed to the current Vice-President.

You will need to know your ARRL Section for some contests. A complete ARRL Section List was published in the 1991 YLRL Directory. It is also available from the ARRL, the YLRL Vice-President (WO6X), or the Editor (WA0WOF).

And even if you can't work the entire contest, get on the air when you have time and meet some of the YLs! Good luck!

## YLRL CERTIFICATES

### Basic Rules Applicable to All YLRL Certificates

1. Contacts made through repeater devices or any other power relay method cannot be used for any YLRL certificate confirmation.
2. All contacts must be made FROM the same country.
3. DO NOT SEND THE QSL CARDS TO THE CUSTODIAN! Two other amateurs must sign the log verifying that the QSL cards are in possession of the applicant.
4. No charge is made for a certificate, but sufficient postage for first class mail or a stamped legal-size envelope must accompany the application to cover the cost of mailing the certificate.
5. For the order in which the contacts must be listed, please check the rules for each certificate.
6. All inquiries should be addressed to the appropriate custodian.
7. Decisions of the custodians regarding interpretations of the rules as here stated or later amended shall be final.
8. Certificate custodians and their addresses are listed on page 1.

### YL CENTURY CLUB (YLCC)

Available to all licensed radio amateurs. Two-way communications must be established on authorized amateur bands, with stations, mobile or fixed, operated by 100 different licensed women amateurs. The same YL, using different call letters, will NOT count. Any and all amateur bands may be used.

Contacts with YLs anywhere in the world are recognized provided only that confirmations clearly indicate the stations were operated by duly licensed women amateur radio operators.

List of claimed contacts, including the full name of the operator, alphabetically arranged by LAST name, the callsign, date, band, mode, and RS(T) of each contact.

Endorsements: Confirmations of contacts accompanied by an alphabetical list, as described above, from stations operated by additional YLs may be submitted for credit each time 50 additional confirmations are available. Endorsements will be made to the original certificate when application is approved. Gold stickers will be awarded to applicants who have worked their additional contacts from the same country; otherwise, silver stickers will be awarded.

### WORKED ALL STATES YL (WAS-YL)

Available to all amateurs. Contact must be made with a duly licensed YL in each of the 50 states in the U.S. The District of Columbia may be counted for Maryland. There are no time or band limitations.

The call used is immaterial, provided it is licensed to the applicant. In qualifying for this certificate, it is possible to work the SAME YL in each of the 50 states.

The list of contacts must be arranged alphabetically by state and must include the call letters, date, band, mode, RS(T) and the YL's first name.

## WORKED ALL CONTINENTS - YL (WAC-YL)

Available to any licensed amateur in the world. Two-way communications must be established on the amateur radio bands with the six continents: North America, South America, Europe, Africa, Asia, and Oceania (which includes Australia and New Zealand). Any and all authorized amateur radio bands may be used. Cross-band contacts are permitted. Contacts may have been made over any period of time.

Contacts with all six continents must be made with duly licensed women operators. It is not necessary for each contact to be a different YL.

The call used is immaterial provided it is licensed to the applicant.

Submit a list of claimed contacts, including the full name of the operator (alphabetically arranged by continent), her callsign, and the date of each contact.

### YL-DXCC

Available to any licensed amateur in the world. Two-way communications must be established on authorized amateur bands with stations (fixed or mobile), operated by licensed YLs from 100 countries on the current ARRL list of countries.

Any band or mode (except cross-band contacts) may be used.

A verified list must be IN THE SAME ORDER as the ARRL countries list and NOT alphabetically in any other way. The log must show country worked, station worked, date, time, frequency, RS(T) reports and the YL's name.

Endorsements: After receiving the certificate, a silver sticker will be awarded for contacts with YLs in 25 additional DX countries. List requirements are the same as for the original application.

### DX YL

Available to licensed YL operators only, for working 25 DIFFERENT licensed women operators outside your own country on or after April 1, 1958. USA and possessions are counted as separate countries, as well as Alaska and Hawaii. Any and all amateur bands may be used.

Contacts do not have to be with 25 different countries, just 25 different DX YLs.

The call used is immaterial, provided it is licensed to the applicant.

The log must show date, time, station worked, frequency, her report, your report, mode, her name and QTH and must be arranged alphabetically by her last name.

Endorsements: Stickers will be awarded for each 10 additional DX YLs, subject to the same confirmation as above.

There is one other certificate, the CONTINUOUS MEMBERSHIP CERTIFICATE, which is available ONLY to YLRL members. The certificate is awarded automatically to any YL who has been a member, continuously for five years. Diamond-shaped stickers are awarded for each additional five years of continuous membership. No application is necessary, but if you have any questions, contact the certificate custodian.
