YLRL CONTESTS

General Rules for YLRL Contests

1. Check to make certain you're sending logs to the CURRENT Vice-President.
2. Logs must be postmarked no later than 30 days after each contest ends.
3. Scoring:
 - a. Phone and CW contests will be scored separately. Separate logs must be submitted for each contest.
 - b. One point is earned for each different station worked on each band. The same station may be worked on different bands. In the YL-OM contest only, YLs count OMs and OMs count YLs.
 - c. Multipliers will be the ARRL sections and/or DX countries, whichever is appropriate. Canadian provinces are counted individually. Multipliers are used only once on all bands when figuring the score.
 - d. Contestants running a power output of 100 watts or less on CW and 200 watts PEP or less on SSB, at all times during the contest, earn a power factor of 1.5.
 - e. Computation is done by multiplying the points times the multiplier times the power factor.
 - f. For each duplicate contact that is removed from the log by the Vice-President, a penalty of three additional and equal contacts will be exacted.
4. Logs:
 - a. All logs must show the operator's ARRL section/VE province/or country to qualify for awards. Where applicable, logs must state whether or not the operator is a member of YLRL. For each QSO, logs must also state the power output. If you have 200 or more QSOs, submit a separate log for each band and submit a "dupe" sheet.
 - b. Please type or print. Do not send carbon copies of logs. Photocopies are OK.
 - c. Logs must be signed and show claimed score. No logs will be returned.
 - d. Entries in log must also show time, band, date and transmitter power.
5. Exchange: Station worked, QSO number given and received, RS(T) given and received, and section/province/country.

You will need to know your ARRL Section for some contests. A complete ARRL Section List was published in the 1991 YLRL Directory. It is also available from the ARRL, the YLRL Vice-President (W06X), or the Editor (WA0WOF).
